Dear Ms Yue,

**Information Requested by  
the Panel on Information Technology and Broadcasting  
on 8 December 2014**

At the meeting of the Panel on Information Technology and Broadcasting on 8 December 2014, the Administration undertook to follow up Members' request for supplementary information.

At the meeting, we informed Members that the government Bureaux/Departments (B/Ds) are using about 420 racks of data centre outsourcing services based on figures collected at the end of 2013. To give Members a more updated figure, we have collated a new round of returns from B/Ds after the meeting. The current number of racks is 455 and the breakdown by B/Ds is provided at the **Annex** for Members' reference.

Yours sincerely,
