Professional Services Development Assistance Scheme (PSDAS)**

Statistics on funding applications under PSDAS

Of the 148 funding applications received since the inception of PSDAS in February 2002, 120 applications (i.e. 81%) were submitted by the applicants and 28 applications (i.e. 19%) by agents. Amongst the 28 applications submitted by agents, 11 were implemented by universities and 17 by other organizations.

Of the 55 approved projects, 15 projects were implemented by agents, including 6 by universities and 9 by other organizations.
