Please find attached a map which only groups HA hospitals involved in SARS into clusters. You may superimpose them any way you like.

Importance: High

Dear [REDACTED]

Please refer to the preceding mail from the SARS Expert Committee Secretariat dated 21.8.2003, requesting a map showing the boundary of the HA clusters of hospitals superimposed with boundary of the four Regional Offices of DH to facilitate preparation of the SARS Review Report.

A soft copy of the map showing the boundary of DH's four Regional Offices has been prepared by DH vide [REDACTED] dated 21.8.2003.

I should be grateful for your assistance in superimposing on the map prepared by DH the HA Hospital Clusters' boundary.

Your return by noon tomorrow (23.8.2003) is highly appreciated.

Best regards,

[REDACTED]

Based on the map provided by Lands Department, my IT colleagues have produced the map showing the four regions. I suggest that you pass it to HA and ask them to superimpose on it the HA clusters.

Subject: SARS Expert Committee - Map

To prepare for the SARS Review Report, we wish to have a map showing boundary of the HA clusters of hospitals superimposed with boundary of the four Regional Offices of DH. Grateful if you would assist in letting us have such a map. Thanks.

Ends
