**Panel on Commerce and Industry**

**Follow-up to meeting on 10 May 2004**

In connection with the discussion on "Implementation of Mainland and Hong Kong Closer Economic Partnership Arrangement (CEPA)", the Administration was requested to obtain information from the Guangdong authorities on Hong Kong residents employed by individually owned stores set up by Hong Kong businessmen in the Mainland in the capacity of a natural person under CEPA.

2. The Administration has provided the following information:

"The statistics kept by the Guangdong authorities on employees of individually owned stores set up by Hong Kong businessmen would not capture the employees' residential status, or distinguish whether they are Hong Kong or Mainland residents."
