**Panel on Commerce and Industry**

**Follow-up to meeting on 14 June 2004**

In connection with the discussion on "Government Electronic Trading Services (GETS) market", the Administration was requested to consider developing some guidelines and codes of practice for compliance by the service providers on provision of GETS to avoid any anti-competitive behaviour.

2. The Administration has provided the following information:

"Safeguards to ensure fair competition in the GETS market are already instituted through the inclusion of relevant competition related provisions in the contracts with the service providers. The Administration will continue to monitor the operation of the GETS market."
