Kwan O, Lantau and Tai Po respectively), as highlighted in the 2011-2012 Policy Address.

The invitation of tenders for the development of private hospitals at the two identified sites at Wong Chuk Hang and Tai Po opened on 13 April and will end on 27 July 2012. The Panel held a special meeting on 7 May 2012 to discuss and receive views from deputation on the land disposal arrangement of these two sites.

The Financial Secretary announced in his Budget Speech of 2012-2013 the redevelopment of the Queen Mary Hospital ("QMH") and Kwong Wah Hospital ("KWH") in the coming year. The redeveloped QMH would provide upgraded accident and emergency services and cardiology services. For KWH, redevelopment would involve revamping existing medical facilities, and strengthening the hospital's Chinese and Western medicines shared care services, including Chinese medicine in-patient service.

*[Note: In June 2012, the Administration advised that the development and redevelopment of public hospitals would be presented to the Panel project by project. It had briefed the Panel on the expansion of United Christian Hospital and the redevelopment of KWH on 12 March and 11 June 2012 respectively. The Administration would brief the Panel on the other projects upon completion of the relevant preparatory works.]*

At the meeting on 18 December 2012, members requested the Administration to revert to the Panel on the blueprint to develop the medical services, including the service capacity of public and private hospitals. The Secretary for Food and Health advised that he would endeavour to provide an account of the development of the overall healthcare system from a macro perspective in 2013.

The Administration announced the tender result for the development of private hospitals at two reserved sites at Wong Chuk Hang and Tai Po on 13 March 2013. The Panel will discuss private hospital development at the meeting on 15 April 2013.

<b>Subject</b>	<b>Proposed timing for discussion</b>
<b>17. Provision of obstetric services in the Tseung Kwan O Hospital</b>	To be confirmed
<p>At the meeting on 13 June 2011, the Administration advised that HA would monitor closely the manpower situation with regard to obstetric and paediatric services and would review in 2012-2013 the appropriate timing for the commissioning of the obstetric and Neonatal Intensive Care Unit services in the Tseung Kwan O Hospital ("TKOH"). Before such services were provided in TKOH, the relevant demand in the Kowloon East region could continue to be catered for by the United Christian Hospital.</p> <p>At the meeting on 16 October 2012, Dr Hon Elizabeth QUAT proposed to discuss the subject at a future meeting.</p> <p>At the meeting on 21 January 2013, the Administration advised that while the birth projection for the Sai Kung District did not justify the provision of obstetric services in TKOH in the next three years, HA recognized there might be a need for such services in the longer term. With due regard to manpower constraint and the safety issue in connection with the provision of delivery and neonatal intensive care units services, HA would continue to make plan for the provision of manpower to prepare for the opening of such services in TKOH at an opportune time as and when sufficient manpower was available and safety standard could be assured. The Administration would revert to the Panel on the progress.</p>	
<b>18. Mental health services</b>	To be confirmed, subject to deliberation of the Review Committee on Mental Health
<p>At the meeting on 25 February 2013, the Administration advised that it planned to set up a committee to review the existing mental health service provision with a view to promoting mental health, and strengthening support for persons with mental problems. The Administration aimed to convene the first meeting of the review committee in the second quarter of 2013. Subject to the deliberations at the review committee, the Administration's tentative schedule</p>
