

**Subcommittee on Country Parks  
(Designation) (Consolidation) (Amendment) Order 2013**

**Follow-up actions to be taken by the Administration  
for the meeting on 12 November 2013**

The Administration was requested to provide the following information:

- (1) A list, with relevant information about the land uses, of (a) former country park enclaves which have been covered by Outline Zoning Plans ("OZPs"); and (b) present country park enclaves which are being planned for inclusion to OZPs.
- (2) The assessment criteria for covering a country park enclave by an OZP instead of incorporating it to a country park, with particular reference to the case of So Lo Pun, which is only sparsely populated but is covered by a draft OZP.
