Subject: Re: Subcommittee on Pesticides Ordinance (Amendment of Schedule 1) Notice 2014:  
Invitation for written submission on the Pesticides Ordinance (Amendment of Schedule 1)  
Notice 2014

---

Dear Mrs. Yoong

Thank you very much for your update, sorry I did not reply earlier but I was away from Hong Kong.

I would like to know what the government has done to date regarding the use of pesticides inside and outside schools and public places like parks, which so much concerns many parents like me.

I hope I can be regularly updated in any progress and I would like to participate in any future talks representing many parents from Hong Kong.

Best regards

Nuria Chiu
