13 December 2010, the Administration advised that it planned to revert to the Panel on the outcome of the consultation within the 2010-2011 legislative session.

At the meeting on 11 July 2011, the Administration briefed the Panel on the Healthcare Reform Second Stage Public Consultation Report. The Panel decided to appoint a subcommittee to follow up the subject of the proposed HPS. Noting that more than eight subcommittees on policy issues were already in operation and the subcommittee would be put on the waiting list, members agreed that the Panel should convene special meetings to further discuss the subject pending the activation of the subcommittee. Members also agreed to receive public views on the subject.

A special meeting was held on 8 August 2011 for the purpose. At the meeting, the Panel agreed to the proposed terms of reference, work plan and timeframe of the subcommittee. The House Committee agreed at the meeting on 21 October 2011 that the subcommittee could be activated only after any one of the subcommittees on policy issues in operation had completed its work.

Members agreed at the meeting on 13 October 2011 that pending the approval of the House Committee for the activation of the Subcommittee, the Panel should hold special meetings to discuss the subject. A special meeting was held on 24 November 2011 for the purpose. A further discussion with the Administration was held on 13 February 2012.

The Subcommittee on Health Protection Scheme, which commenced work in February 2012, has completed its work and submitted a report to the Panel on 10 July 2012. The Panel supported the recommendations of the Subcommittee which included, among others, the recommendation that the Panel should follow up the issue with the Administration in the fifth term of LegCo and appoint a subcommittee to assist its monitoring work in this regard if necessary.

On 26 October 2012, the Panel decided to appoint a subcommittee to follow up the issues relating to HPS. The Subcommittee on Health Protection Scheme has commenced work in December 2012.

11. Community health centre at ex-Mong Kok Market site	To be confirmed
<p>Item proposed by the Administration.</p>	
<p>The Administration plans to consult the Panel on the funding proposal for establishing a community health centre at the ex-Mong Kok Market site before seeking approval of the Public Works Subcommittee/Finance Committee ("FC") of LegCo. The site has been earmarked for private commercial development. The construction works for the centre will be entrusted to the developer.</p>	
12. Redeployment of directorate posts in the Department of Health	To be confirmed
<p>Item proposed by the Administration in the 2008-2009 legislative session.</p>	
<p>The Administration has advised that the discussion of the item was deferred due to the unavailability of time slot. Item was then planned to be incorporated in a composite proposal on creation of directorate posts for discussion on 12 April 2010. In the light of a letter dated 26 March 2010 from the Government Doctors' Association ("GDA") to the Director of Health, copied to Panel members, the item was withdrawn, pending further consultation with GDA.</p>	
13. Public and private hospital development under the dual-track healthcare system	To be confirmed
<p>At the meeting on 13 October 2011, concern was raised over the infrastructure support of the healthcare system, including the service capacity of the public and private healthcare sectors to meet the increasing demand for healthcare services. The Administration was requested to brief the Panel on its plans for the development or redevelopment of public hospitals, as well as the development of the medical services industry, including the</p>

disposal of the four pieces of land reserved for private hospital development (at Wong Chuk Hang, Tseung Kwan O, Lantau and Tai Po respectively), as highlighted in the 2011-2012 Policy Address.

The invitation of tenders for the development of private hospitals at the two identified sites at Wong Chuk Hang and Tai Po opened on 13 April and ended on 27 July 2012. The Panel held a special meeting on 7 May 2012 to discuss and receive views from deputation on the land disposal arrangement of these two sites.

At the meeting on 18 December 2012, members requested the Administration to revert to the Panel on the blueprint to develop the medical services, including the service capacity of public and private hospitals.

On 21 January 2013, in the context of discussing the policy initiatives in respect of health matters, members were advised that the vision of the current term Government was to ensure that the dual-track healthcare system encompassing both public and private elements remained strong and robust, and developed in a balanced and sustainable manner.

The Administration announced the tender result for the development of private hospitals at two reserved sites at Wong Chuk Hang and Tai Po on 13 March 2013. The Panel discussed private hospital development at the meeting on 15 April 2013. In the course of discussion, members were advised of the expansion or redevelopment projects of existing private hospitals, and the individual proposals for developing private hospitals put forward by various organizations.

As regards public hospital development, the Panel was briefed on the redevelopment and expansion plans of public hospitals at the meeting on 15 July 2013. The Administration also advised that the Food and Health Bureau decided to return the reserved site at Tai Po for private hospital development to the Development Bureau for other development purposes.

At the meeting on 10 October 2013, members considered the suggestion of the Administration to remove the item from the list and were of the view that the Administration

should revert to the Panel on its blueprint for the long-term development of public and private hospitals under the dual-track healthcare system.

At the informal meeting between the Chairman and Deputy Chairman of the Panel and SFH to discuss the Panel's work plan for the 2013-2014 session on 16 October 2013, it was agreed that the Panel would consider how the matter should be taken forward upon receipt of the Administration's supplementary information relating to the re-development and expansion plans of public hospitals as requested by members at the meeting on 15 July 2013.

At the meeting on 10 February 2014, in the context of discussing HA's Surgical Outcomes Monitoring and Improvement Programme, Dr Elizabeth QUAT requested the Administration to revert to the Panel on the timetable for the implementation of the phase two expansion project of the Prince of Wales Hospital as early as possible.

The Chief Executive announced in his 2014 Policy Address that the Government had decided to reserve a site in Tseung Kwan O, originally earmarked for private hospital development, to set up a Chinese medicine hospital.

14. Provision of obstetric services in the Tseung Kwan O Hospital

To be confirmed

At the meeting on 13 June 2011, the Administration advised that HA would monitor closely the manpower situation with regard to obstetric and paediatric services and would review in 2012-2013 the appropriate timing for the commissioning of the obstetric and Neonatal Intensive Care Unit services in the Tseung Kwan O Hospital ("TKOH"). Before such services were provided in TKOH, the relevant demand in the Kowloon East region could continue to be catered for by the United Christian Hospital.

At the meeting on 16 October 2012, Dr Hon Elizabeth QUAT proposed to discuss the subject at a future meeting.

At the meeting on 21 January 2013, the Administration advised that while the birth projection for the Sai Kung District did not justify the provision of obstetric services in

TKOH in the next three years, HA recognized there might be a need for such services in the longer term. With due regard to manpower constraint and the safety issue in connection with the provision of delivery and neonatal intensive care units services, HA would continue to make plan for the provision of manpower to prepare for the opening of such services in TKOH at an opportune time as and when sufficient manpower was available and safety standard could be assured. The Administration would revert to the Panel on the progress.

15. Development of a Centre of Excellence in Paediatrics

To be confirmed

The Panel was briefed on the proposed development of a Centre of Excellence in Paediatrics ("CEP") at two meetings on 12 March 2012 and 15 April 2013 respectively. Subject to funding approval from FC of LegCo, the design and construction works of CEP will commence in September 2013 with a target date for completion by mid-2017.

At the meeting on 15 April 2013, the Administration was requested to revert to the Panel on the details of the governance of, as well as the software and resources to support the operation of, CEP when available.

With the funding approval of FC on 21 June 2013, construction works for CEP have commenced in August 2013.

16. Resources allocation among hospital clusters by HA

(See note)

At the meeting on 20 January 2014, the Panel was briefed on the resources allocation among hospital clusters by HA. Members were advised that issues relating to the resource management system within HA were being discussed by the Hospital Authority Review Steering Committee. The Administration was requested to revert to the Panel on the outcome of the interim review by the Steering Committee in this regard.

[Note: The Administration has advised that the progress of the Steering Committee can be followed up in the context of "Review on the operation of HA"]

17. General Outpatient Clinic Public-Private Partnership Programme in Kwun Tong, Wong Tai Sin and Tuen Mun districts	To be confirmed
<p>At the meeting on 17 February 2014, the Panel was briefed on the General Outpatient Clinic Public-Private Partnership Programme to be launched in Kwun Tong, Wong Tai Sin and Tuen Mun districts. Members were advised that an interim review would be conducted in six to twelve months after the launch of the Programme while a full review was planned after two years of Programme implementation. The Administration was requested to revert to the Panel on the progress of the Programme one year after its implementation.</p>	
18. Policy on rare diseases	To be confirmed
<p>At the meeting on 17 March 2014, in the context of discussing HA's Drug Formulary and the Samaritan Fund, members agreed that the subject on policy on rare diseases should be discussed at a future meeting.</p>	
19. Substitute decision-making and advance directives in relation to medical treatment	To be confirmed
<p>At the meeting on 8 December 2008, the Panel was briefed on the recommendations made by the Law Reform Commission ("LRC") on advance directives in its report entitled "Substitute Decision-making and Advance Directives in Relation to Medical Treatment" published in August 2006. Members were advised that taking into account that the concept of advance directives was not one with which the community was generally familiar, the Administration considered that it would be premature to attempt to formulate a statutory framework and to embark on any legislation process for advance directives at this stage. It would however consult and solicit inputs of the relevant professions and organizations on the information about advance directives to be provided to the public in the first quarter of 2009, with a view to enabling an informed choice by an individual who wished to make an advance directive.</p>

**Proposed timing
for discussion**

The Administration has advised that having regard to the outcome of the consultation, it considered it more advisable to implement advance directives by way of legislation where there was a greater degree of awareness and consensus over the use of advance directives and that the community was ready for it. The Review Committee on Mental Health, which was set up in May 2013, would consider, among others, necessary changes to the Mental Health Ordinance (Cap. 136) including LRC's recommendations in relation to the definition of "mentally incapacitated persons".
