units services, HA would continue to make plan for the provision of manpower to prepare for the opening of such services in TKOH at an opportune time as and when sufficient manpower was available and safety standard could be assured. The Administration would revert to the Panel on the progress.

Dr Hon Elizabeth QUAT proposed vide her letter dated 22 August 2014 (LC Paper No. CB(2)2234/13-14(03)) that the Panel should discuss the subject in the 2014-2015 legislative session.

11. Progress of Elderly Health Assessment Pilot Programme 4th quarter 2015

Item proposed by the Administration.

At the meeting on 18 February 2013, the Panel was briefed on the Elderly Health Assessment Pilot Programme to be launched in mid-2013 over a two-year pilot period. Members were advised that the Department of Health would review the pilot programme upon its completion.

12. Voluntary Health Insurance Scheme (previously known as Health Protection Scheme) To be confirmed, subject to the deliberations of the Subcommittee on Health Protection Scheme

On 6 October 2010, the Government published the Healthcare Reform Second Stage Public Consultation Document entitled "My Health My Choice" in which a voluntary and government-regulated Health Protection Scheme ("HPS") was proposed for public consultation. According to the Healthcare Reform Second Stage Public Consultation Report released on 11 July 2011, members of the public have expressed support for the introduction of HPS.

At the meeting on 11 July 2011, the Panel decided to appoint a subcommittee to follow up the subject of the proposed HPS. The subcommittee commenced work in February 2012 when a vacant slot became available to accommodate its activation. The subcommittee has completed its work and submitted a report to the Panel on 10 July 2012. The Panel supported the recommendations of the subcommittee which included, among others, the recommendation that the Panel should

follow up the issue with the Administration in the fifth term of the Legislative Council ("LegCo") and appoint a subcommittee to assist its monitoring work in this regard if necessary.

On 26 October 2012, the Panel decided to appoint a subcommittee to follow up the issues relating to HPS. The Subcommittee on Health Protection Scheme has commenced work in December 2012.

At the meeting on 10 October 2013, Dr Hon Priscilla LEUNG suggested the Panel to continue to follow up the subject.

At the meeting on 20 October 2014, in the context of discussing the "Retention of the two supernumerary directorate posts of the Healthcare Planning and Development Office for five years", members were advised that the Administration planned to put forth the detailed proposals for implementing HPS for public consultation by end 2014.

On 15 December 2014, the Government published the Consultation Document on Voluntary Health Insurance Scheme (renamed from HPS) for public consultation. SFH gave a brief introduction on the Consultation Document at the meeting of the Panel held on the same day. A special meeting was held on 13 January 2015 to discuss, among others, the Consultation Document. Members agreed that the Subcommittee on Health Protection Scheme should receive views from the public on the Consultation Document. A meeting of the Subcommittee was held on 6 February 2015 for the purpose.

13. Colorectal Cancer Screening Pilot Programme

To be confirmed

The Panel was briefed on the proposed Colorectal Cancer Screening Pilot Programme ("the Pilot Programme") at the meeting on 15 December 2014. <p>14. Redeployment of directorate posts in the Department of Health</p>	<p>To be confirmed</p>
<p>Item proposed by the Administration in the 2008-2009 legislative session.</p>	
<p>The Administration has advised that the discussion of the item was deferred due to the unavailability of time slot. Item was then planned to be incorporated in a composite proposal on creation of directorate posts for discussion on 12 April 2010. In the light of a letter dated 26 March 2010 from the Government Doctors' Association ("GDA") to the Director of Health, copied to Panel members, the item was withdrawn, pending further consultation with GDA.</p>	
<p>15. Public and private hospital development under the dual-track healthcare system</p>	<p>To be confirmed</p>
<p>At the meeting on 13 October 2011, concern was raised over the infrastructure support of the healthcare system, including the service capacity of the public and private healthcare sectors to meet the increasing demand for healthcare services. The Administration was requested to brief the Panel on its plans for the development or redevelopment of public hospitals, as well as the development of the medical services industry, including the disposal of the four pieces of land reserved for private hospital development (at Wong Chuk Hang, Tseung Kwan O, Lantau and Tai Po respectively), as highlighted in the 2011-2012 Policy Address.</p>	
<p>The invitation of tenders for the development of private hospitals at the two identified sites at Wong Chuk Hang and Tai Po opened on 13 April and ended on 27 July 2012. The Panel held a special meeting on 7 May 2012 to discuss and receive views from deputation on the land disposal arrangement of these two sites.</p>

At the meeting on 18 December 2012, members requested the Administration to revert to the Panel on the blueprint to develop the medical services, including the service capacity of public and private hospitals.

On 21 January 2013, in the context of discussing the policy initiatives in respect of health matters, members were advised that the vision of the current term Government was to ensure that the dual-track healthcare system encompassing both public and private elements remained strong and robust, and developed in a balanced and sustainable manner.

The Administration announced the tender result for the development of private hospitals at two reserved sites at Wong Chuk Hang and Tai Po on 13 March 2013. The Panel discussed private hospital development at the meeting on 15 April 2013. In the course of discussion, members were advised of the expansion or redevelopment projects of existing private hospitals, and the individual proposals for developing private hospitals put forward by various organizations.

As regards public hospital development, the Panel was briefed on the redevelopment and expansion plans of public hospitals at the meeting on 15 July 2013. The Administration also advised that the Food and Health Bureau decided to return the reserved site at Tai Po for private hospital development to the Development Bureau for other development purposes.

At the meeting on 10 October 2013, members considered the suggestion of the Administration to remove the item from the list and were of the view that the Administration should revert to the Panel on its blueprint for the long-term development of public and private hospitals under the dual-track healthcare system.

At the informal meeting between the Chairman and Deputy Chairman of the Panel and SFH to discuss the Panel's work plan for the 2013-2014 legislative session on 16 October 2013, it was agreed that the Panel would consider how the matter should be taken forward upon receipt of the Administration's supplementary information relating to the

17. Healthcare and support services for patients with chronic diseases To be confirmed

Hon CHAN Yuen-han and Hon Alice MAK proposed vide their joint letter dated 1 December 2014 (LC Paper No. CB(2)401/14-15(01)) that the Panel should discuss the provision of healthcare and support services for patients with chronic diseases.

18. Proposed regulatory framework for medical devices To be confirmed

The Panel was briefed on the proposed regulatory framework for medical devices, together with the assessment of the regulatory impact on the industry, on 8 November 2010. As requested by the Business Facilitation Advisory Committee, the Administration subsequently conducted another study between 2011 and 2013 to further assess the business impact of the proposed statutory regulatory regime on the trade.

At the meeting on 16 June 2014, the Panel was briefed on the outcome of the study on the impact on the trade and the refined proposed regulatory framework for medical devices. The Administration advised that it was in the process of engaging an external consultant to conduct a detailed study on the use control of medical devices commonly used in beauty procedures.

At the meeting on 16 March 2015, in the context of discussing the Administration's response to the research study on regulation of aesthetic practices in selected places, members were advised that the Administration would report to the Panel on the outcome of the consultancy study and the details of the legislative proposal upon the completion of the study in 2015.

19. General Outpatient Clinic Public-Private Partnership Programme	To be confirmed
<p>At the meeting on 16 March 2015, the Panel was briefed on the progress of the General Outpatient Clinic Public-Private Partnership Programme. The Administration was requested to revert to the Panel on the findings of the interim review on the Programme to be carried out by HA in mid-2015.</p>	
20. Proposal to set up a fund for HA to fund its public-private partnership initiatives	To be confirmed
<p>On 25 February 2015, the Financial Secretary announced in the Budget Speech 2015-2016 that the Government would use part of the \$50 billion earmarked to support healthcare reform to set up a fund for HA to make use of investment returns for its public-private partnership initiatives.</p>	
<p>At the meeting on 16 March 2015, in the context of discussing the General Outpatient Clinic Public-Private Partnership Programme, members were advised that the Administration would consult the Panel on the above proposal before seeking funding approval of the Finance Committee of LegCo within the 2015-2016 financial year.</p>	
21. Substitute decision-making and advance directives in relation to medical treatment	To be confirmed
<p>At the meeting on 8 December 2008, the Panel was briefed on the recommendations made by the Law Reform Commission ("LRC") on advance directives in its report entitled "Substitute Decision-making and Advance Directives in Relation to Medical Treatment" published in August 2006. Members were advised that taking into account that the concept of advance directives was not one with which the community was generally familiar, the Administration considered that it would be premature to attempt to formulate a statutory framework and to embark on any legislation process for advance directives at this stage. It would</p>

however consult and solicit inputs of the relevant professions and organizations on the information about advance directives to be provided to the public in the first quarter of 2009, with a view to enabling an informed choice by an individual who wished to make an advance directive.

The Administration has advised that having regard to the outcome of the consultation, it considered it more advisable to implement advance directives by way of legislation where there was a greater degree of awareness and consensus over the use of advance directives and that the community was ready for it. The Review Committee on Mental Health, which was set up in May 2013, would consider, among others, necessary changes to the Mental Health Ordinance (Cap. 136) including LRC's recommendations in relation to the definition of "mentally incapacitated persons".
