## **Establishment Subcommittee**

### **Motion passed at the meeting on 8 November 2017**

Hon YUNG Hoi-yan moved a motion under paragraph 31A of the Establishment Subcommittee Procedure to express a view on agenda item EC(2017-18)8. The terms of the motion are as follows-

"While one permanent post of Chief Landscape Architect is created under the Architectural Services Department, the Government is also urged to increase resources to engage tree experts with professional knowledge as director of the Tree Management Office and to set up a tree management team with professional knowledge with the assurance that the qualifications concerned meet the requirements of the International Society of Arboriculture so as to enhance the level of tree management in Hong Kong and avoid the recurrence of fatal tree collapse incidents."

Voting result (with division): passed
