通過的議案**

鑑於民間在興建過渡性房屋上面對不少困難，本會要求政府加大力度發展過渡性房屋，以紓緩長期輪候公屋及居住環境惡劣人士的居住困難，當中包括：1)制訂整全的過渡性房屋政策及訂定每年供應目標、2)增加現時過渡性房屋專責小組的規模，並以跨政策局方式為過渡性房屋提供一站式統籌及支援、3)成立專項基金為興建及推行過渡性房屋項目的民間和公營機構提供足夠財政承擔，從而在短期內增加過渡性房屋的數目。

Panel on Housing

**Subcommittee to Follow Up Issues Related to
Inadequate Housing and Relevant Housing Policies**

Motion passed under agenda item IV

"Overview of the Government's policies and measures on addressing the problem of inadequate housing and facilitating community initiatives on transitional housing" at the meeting on 22 January 2019

Given that many difficulties are encountered in the implementation of community initiatives on transitional housing, this Subcommittee requests the Government to step up efforts in developing transitional housing, so as to alleviate the housing problems of those who have long been on the waiting list for public rental housing and are in poor living conditions, including (1)

formulating holistic policies and setting an annual production target for transitional housing; (2) expanding the existing composition of the Task Force on Transitional Housing and providing one-stop coordinated support for transitional housing through a cross-bureaux approach; and (3) establishing a dedicated fund to provide adequate financial commitment to facilitate community initiatives on transitional housing by public sector, thereby increasing the provision of transitional housing within a short period of time.
