20 November 2018

The Honourable Mrs Carrie Lam Cheng Yuet-ngor, GBM, GBS
The Chief Executive
Hong Kong Special Administrative Region
People's Republic of China
Chief Executive's Office
Hong Kong

Dear Madam,

Pursuant to section 18 of the Electoral Affairs Commission Ordinance, we have the pleasure in submitting to you the enclosed report containing our recommendations on the delineation of District Council constituencies for the purpose of the ordinary election in respect of the District Councils to be held in 2019.

Yours faithfully,

Barnabas Wah FUNG, Chairman

Arthur Yee-shun LUK, Member

Fanny Mui-ching CHEUNG, Member

CHAPTER 1

INTRODUCTION

Section 1 : The Responsibility of the Electoral Affairs Commission

1.1 Under section 4(a) of the Electoral Affairs Commission Ordinance (Chapter 541) ("EACO"), one of the functions of the Electoral Affairs Commission ("EAC") is to consider or review the boundaries of District Council ("DC") constituencies for the purpose of making recommendations on the boundaries and names of constituencies for a DC ordinary election.

1.2 The EAC is required under section 18 of the EACO to submit a report to the Chief Executive ("CE") of its recommendations on the boundaries and names of District Council Constituency Areas ("DCCAs") at an interval of not more than 36 months from the preceding DC ordinary election. As the last DC ordinary election was held on 22 November 2015, the EAC has to submit the report on the boundaries and names of the DCCAs for the 2019 DC Ordinary Election to the CE by 21 November 2018.

1.3 Under section 21 of the EACO, the CE-in-Council shall consider the EAC's report as soon as practicable after the receipt of it. Subject to the CE-in-Council's approval on the boundaries and names as recommended by the EAC, the CE-in-Council, having regard to the EAC's final recommendations, will make and table at the Legislative

Council ("LegCo") the relevant Order according to section 6(1) of the District Councils Ordinance (Chapter 547) ("DCO"). After the completion of the negative vetting procedure of the LegCo, the boundaries and names of the DCCAs will come into effect for the sixth-term DC ordinary election to be held in November 2019.

Section 2 : Increase in the number of elected seats

1.4 Delineation of the DCCAs is based on the total number of elected seats for the next DC ordinary election. After undertaking an overall review on the number of elected seats for each of the 18 administrative districts having regard to the projected population of Hong Kong in mid-2019, the Government proposed to increase 21 elected seats in 10 DCs for the sixth-term DCs as follows:

(a) one additional seat for each DC in Kowloon City, Yau Tsim Mong and Tsuen Wan;

(b) two additional seats for each DC in Sham Shui Po, Kwai Ching, Tuen Mun and Sai Kung;

(c) three additional seats for each DC in Kwun Tong and Sha Tin; and

(d) four additional seats for the Yuen Long DC.

1.5 On 17 July 2017, the Government consulted the LegCo Panel on Constitutional Affairs on the proposed addition of 21 elected seats for the 2019 DC Ordinary Election. A motion was moved at the LegCo meeting on 17 January 2018 for the approval of the District Councils Ordinance (Amendment of Schedule 3) Order 2017 to implement this proposal. The Order was approved by the LegCo on the same day and published in the Gazette on 19 January 2018.

1.6 Pursuant to LegCo's approval for the abovementioned Order, the total number of elected seats for the 2019 DC Ordinary Election was increased by 21 from 431 to 452. Correspondingly, the total number of DCCAs to be delineated by the EAC was increased to 452 as one DC member is to be elected from each DCCA. The number of DCCAs to be delineated by administrative districts is set out in **Appendix I**.

Section 3 : Scope of the Report

1.7 The scope and content of this report is based on the requirements stipulated under section 18 of the EACO. The report is published in three volumes. **Volume 1** mainly describes how the proposed delineation of the boundaries of DCCAs was worked out and sets out the EAC's recommendations on the boundaries and the names of the DCCAs with the reasons for those recommendations. **Volume 2** contains the maps of all the administrative districts and the boundary descriptions of relevant DCCAs. The boundaries and names of each DCCA are shown on the maps. **Volume 3** records all the written representations.

CHAPTER 2

THE DELINEATION EXERCISE

Section 1 : Statutory Criteria for Delineation

2.1 The EAC has drawn up its recommendations in accordance with the criteria stipulated under section 20 of the EACO. These criteria are summarised as below:

(a) the EAC shall ensure that the population in each proposed DCCA is as near the population quota as practicable. Population quota means the figure arrived at by dividing the total population of Hong Kong by the total number of elected members to be returned in the DC ordinary election;

(b) where it is not practicable to comply with (a) above in any proposed DCCA, the EAC shall ensure that the population in that DCCA does not exceed or fall short of the population quota by more than 25%;

(c) the EAC shall have regard to the community identities, preservation of local ties and the physical features (such as the size, shape, accessibility and development) of the relevant area;

(d) the EAC may depart from strict application of (a) and (b)

above only where it appears that one or more of the considerations in (c) above renders such a departure necessary or desirable; and

(e) the EAC must follow the existing boundaries of the administrative districts and the number of elected members to be returned to a DC as specified in Schedules 1 and 3 of the DCO respectively.

2.2 The population quota is the quotient in dividing the projected population of Hong Kong by the total number of elected seats in Hong Kong. It is the statutory requirement that delineation of DCCAs should be conducted on the basis of the projected population in the year in which the relevant election would be held. In respect of the 2019 DC Ordinary Election, the projected population of Hong Kong is 7 502 600, which being divided by the total number of 452 elected seats results in the population quota of 16 599. Since the statutory criteria allow the population of a DCCA to exceed or fall short of the population quota by not more than 25%, the statutory permissible range is between 12 449 and 20 749.

Section 2 : Working Principles

2.3 The EAC has also adopted the following set of working principles for the delineation exercise:

(a) for existing DCCAs where the population falls within the

permissible range (i.e. between 12 449 and 20 749 for the 2019 DC Ordinary Election), their boundaries will be maintained as far as possible;

(b) for existing DCCAs where the population falls outside the permissible range, if that situation was allowed for the last DC ordinary election and there remain valid justifications to allow such situation, their boundaries will be maintained as far as possible;

(c) other than (b) above, for existing DCCAs where the population falls outside the permissible range, adjustments will be made to their boundaries (unless there are justifications for maintaining their boundaries on grounds of community identities, preservation of local ties and/or physical features) and also those of the adjacent DCCAs so that their populations stay within the permissible range. Where there is more than one way to adjust the boundaries of the DCCAs concerned, the one which affects the least number of existing DCCAs or less population will be adopted, otherwise the one with the least departure from the population quota will be used;

(d) factors with political implications will not be taken into consideration;

(e) the names of the new DCCAs to be formed are proposed by reference to major features, roads or residential settlements in

the DCCAs after consultation with the relevant District Officers ("DOs") of the Home Affairs Department ("HAD");

(f) the EAC's provisional recommendations on the code references of administrative districts and DCCAs are that the administrative districts should be given the alphabetical reference from "A" onwards, with the omission of "I" and "O" to prevent confusion, starting from the Central and Western District and other administrative districts on Hong Kong Island, followed by the administrative districts in Kowloon and the New Territories. The numbering of DCCAs in an administrative district is to be prefixed by the alphabetical reference for the administrative district and starts from the first numeral. The number "01" should be allocated to the most densely populated DCCA, or the one traditionally considered most important or prominent or the centre of the administrative district, and the number be proceeded consecutively in a clockwise direction so that as far as possible, two consecutive numbers should be found in two DCCAs contiguous to each other. The code reference does not have any bearing on the delineation of DCCA boundaries, but the EAC hopes that by adopting this system, anyone who consults the maps would find it easier to understand them and locate the DCCAs. These methods have been adopted since 1994 and the public should be generally familiar with them; and

(g) where the DCCA boundaries have to continue into the sea to align with the administrative district boundary, the DCCA boundary lines are, as far as possible, drawn perpendicular to the administrative district boundary lines on the sea.

Section 3 : Working Partners

2.4 The EAC Secretariat, staffed by designated personnel of the Registration and Electoral Office ("REO"), assisted the EAC in carrying out the exercise.

2.5 As in the past, the necessary projected population figures are provided by an Ad Hoc Subgroup ("AHSG"), set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projections in the Planning Department ("PlanD"). These population projection figures are the most essential information required for conducting the delineation exercise. The AHSG was chaired by an Assistant Director of PlanD and comprised of representatives from the Constitutional and Mainland Affairs Bureau ("CMAB"), Census and Statistics Department ("C&SD"), Housing Department ("HD"), Lands Department ("LandsD"), Rating and Valuation Department, HAD and REO. These professional departments in the AHSG have all along been responsible for carrying out territory-wide population censuses and projections on population distribution. To ensure that the projections can cater for the 2019 DC Ordinary Election, the AHSG was requested to project the population distribution figures as at a date as close to the election date as practicable.

For this reason, the AHSG followed the practice in past delineation exercises and provided the EAC with the projected population figures as at 30 June 2019, presuming that the DC ordinary election would be held in November 2019.

2.6 The LandsD also rendered assistance in producing maps showing the projected population, administrative district and DCCA boundaries, and the boundary descriptions for use by the EAC in the delineation exercise. It also provided the EAC with information related to land administration where necessary.

2.7 According to the statutory criteria, the EAC is required to have regard to the community identities, preservation of local ties, and the physical features (such as the size, shape, accessibility and development) of the relevant area when drawing up its recommendations on the boundaries of DCCAs. Having regard to the fact that the DOs, being officers responsible for district administration, having more in-depth knowledge of the local characteristics, geographical and transport matters of their administrative districts, the EAC has followed the established practice to invite the DOs to provide factual information of their respective districts on such matters for reference so as to have a better understanding of the feasibility of different delineation proposals. Moreover, the EAC, where necessary, has requested other government departments (e.g. LandsD) to provide information.

2.8 The Information Services Department ("ISD") has given expert advice in drawing up the strategy and ideas for the publicity

programme and materials for the consultation exercise.

Section 4 : The Work Process

Commencement of work

2.9 The AHSG held its first meeting in June 2017 to work out the method to be adopted for compiling the data and set out the work schedule. The projected population figures were made available in January 2018, on which basis the LandsD prepared the maps. When these maps were ready, the EAC Secretariat proceeded to work on the preliminary proposals for delineation of DCCA boundaries.

Site visits

2.10 Physical features such as the size, shape, accessibility and development of an area are important considerations in the delineation work. Therefore, the local geographical situations would impact on the delineation of DCCA boundaries. In order to obtain first-hand information on the relevant DCCAs, where necessary, the staff of the EAC Secretariat would conduct site visits to inspect the unique physical features, transport facilities and accessibility of the DCCAs concerned. The information and topographical features so gathered were analysed and taken into account in drawing up the preliminary proposals.

Meetings to deliberate and formulate proposals

2.11 After the staff of the EAC Secretariat had finalised their preliminary recommendations on the boundaries and names of the DCCAs, the EAC convened meetings to consider the preliminary proposals. The EAC Secretariat presented the proposals to the EAC with the aid of maps and photographs to facilitate better understanding of the local features and the environment of the DCCAs concerned. Information gathered from site visits and the factual information provided by the DOs were also submitted to the EAC for reference.

Provisional recommendations

2.12 In the EAC's provisional recommendations, the boundaries of 128 DCCAs had to be changed and six DCCAs were renamed. The EAC allowed 12 DCCAs to exceed the permissible range of the population quota for one reason or the other. The proposed boundaries and names of the DCCAs requiring adjustments and those allowed to exceed the permissible range with the relevant considerations by the EAC were set out in the consultation documents.

2.13 After the EAC had drawn up the provisional recommendations on the DCCA boundaries, the EAC Secretariat prepared for the launch of the public consultation exercise. The public consultation exercise ran from 23 July 2018 to 21 August 2018. Details of the provisional recommendations were set out in the two volumes document published for the public consultation.

CHAPTER 3

PUBLIC CONSULTATION

Section 1 : The Consultation Period and Public Forums

3.1 Pursuant to the provision of section 19 of the EACO, the EAC conducted a public consultation exercise on its provisional recommendations from 23 July 2018 to 21 August 2018. During this period, members of the public could send their written representations to the EAC to express their views on the EAC's provisional recommendations on the boundaries and names of the DCCAs.

3.2 The public consultation exercise was widely publicised by the EAC through Announcements in the Public Interest on radio and TV, press releases, newspaper advertisements, posters, the EAC's website and Government Gazette.

3.3 On the first day of the consultation period (i.e. 23 July 2018), the EAC held a press conference to launch the exercise, and invited the public to give their views on the EAC's provisional recommendations. In order to ensure that its final recommendations can fully take into account the public opinions, the EAC appealed to the public to actively participate in the consultation and express their views, no matter whether for or against the provisional recommendations.

3.4 In the preparation for the public forums in the last delineation exercise, the EAC has increased the number of forums from two in the past to three. However, according to the record, the forum held on Hong Kong Island was attended only by 10-odd persons. And among them, only six expressed their views and only one was about the DCCAs of Hong Kong Island. By comparison, there were more people attending the other two forums held in Kowloon and the New Territories. For the better use of resources, no forum was arranged on Hong Kong Island this time but the time of the forums held in Kowloon and the New Territories was extended from 7:00 p.m. - 9:00 p.m. to 7:00 p.m. - 9:30 p.m. so that sufficient time was allowed for the public to express their views.

3.5 The two public forums were conducted at the Lai Chi Kok Community Hall on 1 August 2018 and the Sha Tin Lung Hang Estate Community Centre on 3 August 2018 respectively, where members of the public could attend and express their views to the EAC directly. Audio-visual aids showing the maps were used to facilitate the participants to better understand the content of the provisional recommendations.

Section 2 : Number of Representations Received

3.6 During the consultation period, the EAC has received a total of 6 285 written representations, of which, five representations were withdrawn. Besides, a total of 263 persons attended the forums conducted at the Lai Chi Kok Community Hall (130 persons) and the Lung Hang Estate Community Centre (133 persons). A total of 65 oral

representations were received in the two forums.

3.7 Certain representations expressed views on the arrangements of public forums. These views were noted by the EAC for reference in the future review on the relevant arrangements. Besides, there were views in some representations that were not related to the delineation of boundaries or names of the DCCAs but to matters such as boundaries of the administrative districts, allocation of the elected seats and arrangements for polling stations, etc. For the representations related to boundaries of the administrative districts and allocation of the elected seats, the EAC has referred the relevant representations to the Government. As for views relating to polling stations, the EAC has referred them to the REO.

3.8 All the written representations as arranged according to the administrative districts are reproduced in **Volume 3** of this report. Summaries of the written and oral representations are shown in **Appendix II** of this volume.

CHAPTER 4

WORK AFTER THE PUBLIC CONSULTATION

Section 1 : Deliberations and Observations

4.1 After the public consultation period has ended, the EAC has looked into each of the written and oral representations to consider whether they should be accepted.

4.2 First of all, there were representations pointing out that the EAC had not consulted the public before drawing up the provisional recommendations. The EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. In this delineation exercise, the EAC has received a large number of representations during the public consultation period, including both supporting and opposing views on the provisional recommendations, and alternative proposals. When deliberating on the representations, the EAC has adopted the same set of statutory criteria and working principles adopted in drawing up the provisional recommendations (see Chapter 2), and to compare the population figures afresh and to consider the other statutory factors in order to examine the merits of both sides in a prudent manner. As in the past, the EAC will accept the proposals received during the public consultation period if those proposals better comply with the statutory criteria and working principles for the delineation exercise than the provisional recommendations.

4.3 Some representations suggested that the provisional recommendations had not taken into account the geographical and transport situations of individual areas, and had tendered alternative proposals and justifications. In order to better understand and assess the reasons advanced, where necessary, the staff of the EAC Secretariat would conduct site visits again to explore the feasibility of the alternative proposals. To enable the EAC to have an overall view of the representations and arrive at fair and balanced recommendations, the EAC Secretariat presented the information gathered from the site visits together with its analysis and observations to the EAC with the aid of maps and photographs to show the relevant physical features.

4.4 In drawing up the provisional recommendations and deliberating on the representations, the EAC has adopted basically the same principles as in previous delineation exercises. Regarding the views expressed in the representations, the EAC has noted the following matters and set out its observations so that the public may fully understand the factors that have been taken into consideration by the EAC.

(a) <u>Number of DC elected seats and DCCAs</u>

4.5 Section 20 of the EACO provides that in drawing up the provisional recommendations on the boundaries of the DCCAs in the administrative districts, the EAC must follow the number of elected members to be returned for each DC as specified in Schedule 3 of the DCO. Regarding the sixth-term DC commencing on 1 January 2020,

based on the population growth, the Government had conducted a review in 2017 on the number of elected seats for each DC in the 18 administrative districts, and the relevant subsidiary legislation was passed by LegCo in January 2018 for the increase of a total of 21 elected seats in 10 DCs. Accordingly, the EAC is required to delineate the same number of DCCAs corresponding to the 452 elected seats.

4.6 There were representations touching on the number of elected seats for the 2019 DC Ordinary Election. For instance, some argued that based on the current projected population in 2019, the number of elected seats for certain administrative districts should be more than those stipulated in the subsidiary legislation. Therefore, they suggested the Government or EAC to further increase the number of elected seats in the administrative districts concerned. Others suggested that the number of elected seats among the administrative districts should be adjusted flexibly. It must be pointed out that the number of new DCCAs to be created is a statutory pre-set for the EAC, to which the EAC has no authority to revise or vary.

4.7 On the issue of the projected population figures as at mid-2019, the Government has used the then available figures on the projected population when reviewing the number of DC seats in 2017, whereas the EAC is required to adopt the latest population projection in reviewing the boundaries of the DCCAs for the DC delineation exercise this year. Hence, the revision of the projected population is an inherent feature of this mechanism. As there was a time gap between the compilation of the two sets of population figures (in particular there was

an update on the population figures in line with the latest by-census results in between), there is bound to be a difference between the number of seats that should be provided for a certain administrative district if one were to use the latest projected population available for the EAC in delineating the DCCA boundaries and the numbers of seats as passed by the LegCo earlier, having regard to the fact that there was a certain degree of increase or decrease of population in some administrative districts during the period. Notwithstanding the above, the EAC must delineate the DCCA boundaries according to the number of seats stipulated for each DC under the DCO.

4.8 As stated in paragraph 4.5 above, the review on the number of elected seats was the responsibility of the Government, which was a pre-set before the start of the delineation exercise. The matter does not fall under the purview of the EAC. In drawing up the provisional recommendations, the EAC must strictly adhere to the statutory criteria under the EACO, among which is to adhere to the number of elected seats stipulated for each DC under the DCO, and to delineate the new DCCAs in the administrative districts as provided for. The EAC has no power to increase or reduce the number of elected seats/DCCAs in any administrative districts. Similarly, the EAC may not transfer the new seats/DCCAs approved for a certain administrative district to another administrative district.

4.9 One of the statutory criteria under the EACO is that the projected population of a DCCA should not exceed or fall short of the population quota by more than 25%. Hence, the EAC may suitably

arrange a DCCA to absorb the excessive population of an adjacent DCCA, or to transfer population to a DCCA in shortfall, as the case may be, in order to ensure that the DCCA concerned can meet the requirement of the statutory permissible range. However, the situation may be different in those administrative districts which are subject to severe geographical and accessibility constraints, for instance, the Islands District, in which the population distribution is considerably uneven, and there is no direct transport link between some islands. Under such circumstances, even though the populations of some DCCAs do deviate from the statutory permissible range, owing to geographical and accessibility constraints, the EAC cannot redistribute their populations through adjustment of their boundaries with adjacent DCCAs, or to merge some of the islands in order to free up a DCCA to deal with the problem of other DCCAs with populations exceeding the statutory permissible upper limit. In any event, the EAC has adjusted the DCCA boundaries in all administrative districts in accordance with the statutory criteria as far as practicable, in order to improve the situation of departing from the permissible range in some DCCAs as far as possible.

4.10 As the views and proposals on the number of elected seats are related to the enactment of the primary legislation which does not fall under the purview of the EAC, the EAC has referred the relevant views to the CMAB for consideration.

(b) <u>"Principle of equal representation" and consideration of the other statutory factors</u>

4.11 The EACO sets out the statutory criteria (see paragraph 2.1 above) for delineating DCCA boundaries and the EAC shall ensure that the population in each proposed DCCA is as near the population quota as practicable. However, given that the majority of the population in Hong Kong live in high-rise buildings, it is not practicable for the population of each DCCA to strictly achieve a single population quota (i.e. 16 599). Hence, the statutory criteria allow the population of a DCCA to exceed or fall short of the population quota by not more than 25%, i.e. between the lower and upper limits of 12 449 and 20 749. The concept behind the relevant criterion is the "principle of equal representation" (i.e. similar number of people should have equal number of representation). This principle is all along the primary consideration in the delineation exercise.

4.12 Moreover, to strictly adhere to the requirement of a single population quota in every DCCA in each delineation exercise is impracticable to do so as mentioned above. It would also need to re-delineate the existing boundaries of a large number of DCCAs, giving rise to unnecessary controversies. Therefore, according to the established working principles of the EAC, for existing DCCAs where the projected populations do fall within the permissible range, the EAC will in principle maintain their existing boundaries.

4.13 The population of Hong Kong is ever-increasing with completion of new buildings continuously and urban renewal projects.

Population movements among different DCCAs are quite substantial. The EAC must, according to the statutory requirement, delineate new DCCAs and adjust the boundaries of the DCCAs where the projected populations deviate from the permissible range. In so doing, it will inevitably lead to a knock-on effect on the adjacent DCCAs, necessitating corresponding adjustments to their boundaries even though their projected populations remain within the permissible range. Nevertheless, the EAC will follow the principle of affecting the least number of DCCAs or less population in adjusting the DCCA boundaries so as to minimise any possible impact on the electors.

4.14 The statutory criterion of allowing the population of a DCCA to exceed or fall short of the population quota by not more than 25% is already a rather liberal range. Be that as it may, the EAC may under special circumstances, having regard to the community identities, traditionally close local ties or unique geographical environment of individual DCCAs, consider it necessary to depart from strict adherence to the requirement of the statutory permissible range and allow the populations of the DCCAs concerned to deviate from the statutory permissible range in accordance with the statutory criteria. As for those DCCAs which have been allowed to deviate from the statutory permissible range in the past, the EAC will review their boundaries during each delineation exercise. If there are changes in the objective circumstances of those DCCAs allowed to depart from the permissible range in the past, such as the addition of new seats within the administrative districts or there is room for adjustment in the adjacent DCCAs, the EAC will appropriately adjust their boundaries in light of the

actual situations. Nevertheless, for some DCCAs, due to their unique situations, such as geographical separation from their adjacent DCCAs or problems of population distribution, there may be still valid justifications for maintaining their existing boundaries unchanged, the EAC will then propose to allow the populations of those DCCAs to depart from the permissible range.

4.15 Since the last delineation exercise, the overall population of Hong Kong has increased by around 200 000. There have also been changes in the distribution of population, and the projected populations of 80 existing DCCAs exceeded the statutory permissible upper or lower limits. The EAC is required under the legislation to appropriately delineate the new DCCAs and adjust the boundaries of DCCAs in accordance with the statutory criteria so that the projected populations of the DCCAs concerned do fall within the statutory permissible range. The EAC noticed that some representations wished that allowance be given to keep the boundaries of the DCCAs unchanged with population falling outside the permissible range more widely and liberally. However, to do so is not only against the requirement of the statutory criteria, let alone the creation of the new DCCAs in accordance with the number of new seats stipulated in the subsidiary legislation. Therefore, due to the population growth and movement, the re-delineation of the boundaries of the DCCAs is inevitable and the impact on the composition of existing DCCAs is also unavoidable.

4.16 Quite a number of representations objected to the EAC's provisional recommendations on the grounds that they are used to the

community services provided by their existing DC members. They wished the existing boundaries of the DCCAs to which they belong be maintained notwithstanding that the populations of the DCCAs do exceed the statutory permissible upper limits. There are also representations arguing that the provision of community services would be hampered by the co-existence of different types of housing or residents with different economic background in a DCCA after the re-delineation because service needs and issues of concern are different. The EAC appreciates the views that the residents do not want changes to the community services they are used to, but taking into account the provision of community services by DC members will unavoidably attract the allegation of involvement of political inclinations. Not only is this neither a statutory criterion for delineation, nor should it be the approach by the EAC as an independent, impartial and apolitical body. Besides, in view of the reality of housing development and population distribution in Hong Kong, it is very common that a community is composed of residents having different backgrounds or aspirations. The EAC's provisional recommendations are based on objective data of population distribution, so as to comply with the "principle of equal representation" in delineation of DCCA boundaries as stated in paragraph 4.11. Although this will inevitably have impacts on community services, in any event, public services and community facilities (e.g. medical and health services, education, amenities, etc.) provided by the Government and non-government organisations will absolutely not be affected by the delineation exercise. Members of the public may continue to enjoy the said services and facilities.

4.17 Besides, there are representations alleging that the provisional recommendations have failed to take into consideration the community integrity and local ties in some DCCAs, by dividing certain public housing estates into different DCCAs. The EAC hopes the public will appreciate the fact that due to the scale of public housing in Hong Kong at present, the population of one housing estate will have exceeded the statutory permissible upper limit (i.e. exceeding 20 749) laid down in the legislation on delineation. In accordance with the statutory criteria, it is simply impossible for the EAC to put an entire housing estate with population exceeding the statutory permissible upper limit within one DCCA, otherwise it will fail to comply with the requirement of statutory permissible range, and violating the "principle of equal representation". As a matter of fact, all along large-scale public or private housing estates have normally been delineated into more than one DCCA, or even more than two DCCAs. Moreover, as mentioned in paragraph 4.13 above, in view of the dense population and high-rise buildings in Hong Kong, most adjacent DCCAs are indeed not far away from each other. Therefore, dividing a housing estate into different DCCAs would not bring about great impact on local ties.

4.18 In sum, the EAC noticed that divers representations have put forward proposals to maintain or re-delineate the existing DCCA boundaries on the grounds of community integrity and preservation of local ties. Such proposals include placing an entire housing estate in the same DCCA, or grouping the same housing type in the same DCCA, and urban-rural restructuring, etc. Some representations even proposed to delineate DCCAs based on the economic background of the residents.

Such representations view the statutory criteria from a rather parochial and subjective perspective. With ongoing urban development, many areas are well-developed with comprehensive community infrastructure and ancillary transport facilities. Hence, community identities and local ties are, more often than not, no longer obvious factors justifying the keeping or re-delineation of the existing boundaries for most DCCAs. As for the delineation of urban and rural areas, there are representations arguing that the EAC should not put the rural areas and housing estates in the New Territories in the same DCCA. As a matter of fact, urban and rural co-existence is very common in Hong Kong, and such delineation have been undertaken in many past delineation exercises. The EAC will only allow the population of a DCCA to deviate from the statutory permissible range in the presence of overwhelming and incontrovertible objective facts, such as the preservation of traditional ties between villages or retaining unique communities with historical elements. Only by so doing, the EAC can ensure that the delineation exercise is conducted in an objective, effective and orderly manner.

4.19 The EAC would like to reiterate that DCCA boundaries are adjusted after overall consideration from a macro perspective. With the "principle of equal representation" as the overriding guideline, the adjustments are made on the basis of objective data of population distribution, having regard to the other statutory factors of community identities, preservation of local ties, geographical factor and accessibility, etc. The EAC cannot give special emphasis to any particular DCCA, and will definitely not consider any political factors or factors not relevant to the statutory criteria. Among all the statutory factors,

population figures are, as a matter of principle, the EAC's primary consideration in the delineation exercise. As for the other statutory factors, having regard to the change in the actual circumstances, the relevant importance of each factor will vary in each delineation exercise. The EAC has to weigh the individual factors having regard to the uniqueness of an individual DCCA and the situations of their adjacent DCCAs. As stated in paragraph 4.2 above, if the proposals in the representations made by the public could better comply with the statutory criteria and working principles, they will be accepted by the EAC. As to the representations received during the present public consultation exercise, the EAC has, after taking into account geographical factors or preservation of traditional ties between the villages, has accepted certain proposals in the representations and revised some of the provisional recommendations accordingly to allow the populations of the DCCAs concerned to exceed the statutory permissible upper limit.

(c) <u>Population figures adopted in the delineation of boundaries</u>

4.20 Some representations queried the accuracy of the projected population figures adopted for the delineation exercise. They adopted current population figures of some buildings obtained from their own sources and/or outdated figures based on their own estimation, which are different from the projected population figures adopted by the EAC.

4.21 According to the EACO, the delineation exercise must be conducted on the basis of the projected populations of individual DCCAs in the year in which the election is to be held. All along, for DC

ordinary elections, the latest projected population figures as at 30 June of the election year are adopted for the delineation exercise in accordance with the established practice. Accordingly, the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past and mentioned in paragraph 2.5 above, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.

4.22 However, regarding the discrepancy due to the time gap in compilation between the projected population figures adopted by the Government in reviewing the number of seats and those used by the EAC in delineating the DCCA boundaries, the EAC hopes that the AHSG could in the light of the experience this time examine the feasibility of adopting some weighted algorithm to narrow down as far as possible the discrepancy between the two sets of figures for the consideration of the

relevant authorities.

4.23 Besides, some representations pointed out that the projected population figures adopted by the EAC fail to take into account future developments in the DCCAs. According to the statutory requirements as mentioned in paragraph 4.21 above, the EAC must conduct the delineation exercise on the basis of the projected populations of individual DCCAs in the year in which the election is to be held. For this delineation exercise, the projected population figures are as at 30 June 2019. Changes in population arising from developments thereafter would not be taken into account and be only considered in future delineation exercises.

(d) <u>Consultation on drawing up provisional recommendations and confidentiality on the information</u>

4.24 Some representations queried the practice of consulting the DOs' views in the course of drawing up the provisional recommendations, feeling that the advice provided to the EAC by the DOs was tainted with political considerations which go against the EAC's principles of being independent, fair and non-political. Besides, some representations alleged that some members of the local communities already had information about the provisional recommendations before they were made public, enabling them to have an early start of their community work in the proposed DCCAs. There were queries suspecting premature leaks of the EAC's provisional recommendations.

4.25 According to the statutory criteria, the EAC must have regard to the community identities and the preservation of local ties as well as physical features (such as size, shape, accessibility and development) of the relevant areas in making recommendations on the delineation of DCCA boundaries. To ensure that the recommendations are in compliance with the statutory criteria, it is necessary for the EAC to have an understanding of the local characteristics, geographical environment and accessibility of the proposed DCCAs so that the feasibility of the various options be considered thoroughly. The DOs, being officers responsible for district administration, do have more comprehensive and in-depth knowledge on the local characteristics, geographical and transport matters of their administrative districts. As such, the EAC invited the DOs to provide factual information of their respective administrative districts on such matters for reference. It has been a long standing practice for the EAC to invite DOs to give their views in the delineation exercise. The EAC considers it necessary to keep this arrangement lest it may overlook some relevant local situations.

4.26 One of the EAC's working principles in the delineation exercise is that political factors will not be taken into consideration. When the DOs are invited to provide information, the EAC has specified that only information of objective facts on local characteristics, geographical and transport matters is sought. The important principle that political facts will be not taken into account has been emphasised. The advice provided by the DOs is only a part of the variety of reference materials when the delineation recommendations were drawn up by the EAC. The EAC has given all round consideration to all statutory

requirements, in particular the population figures affected, before making the recommendations. In any event, according to the established procedure, even if the EAC has considered the information provided by the DOs when drawing up its provisional recommendations, it is still required by the legislation to conduct public consultation on the provisional recommendations. During the consultation period, if representations of members of the public put forward materials different from those provided by the DOs, the EAC would adopt the same set of statutory criteria and working principles to carefully examine the justifications provided in the representations. The EAC will accept the public's proposals if they do better comply with the statutory criteria and working principles for the delineation exercise as compared with the provisional recommendations. After considering the representations received during the present public consultation, the EAC has accepted some proposals made in the representations and adjusted the boundaries of the DCCAs concerned in its provisional recommendations.

4.27 Apart from the DOs, the EAC will also request other government departments (such as LandsD) to provide information where necessary. This enables the EAC's grasp of the local circumstances be more objective and comprehensive. However, in drawing up the provisional recommendations, the EAC has never consulted or considered the opinion of the DCs. Of course, individual DC members could indeed make representations during the public consultation period. The EAC will carefully examine their reasons in the same manner as the representations made by members of the public.

4.28 Throughout the whole process of drawing up the provisional recommendations, confidentiality is preserved, including the consultation with the DOs and communication with other working partners. Before the provisional recommendations are made public, the EAC would not consult any members of the local community, nor would it disclose any details of the delineation to any organisations or individuals beyond its working partners. The EAC believes that all parties taking part in the exercise will abide by the principle of confidentiality and will not divulge the information to any other parties. Follow-up actions would be taken seriously if the EAC receives any complaint supported by substantive evidence.

4.29 The above are some observations gathered from the experience of the present and past delineation exercises, with the purpose of illustrating some factors normally taken into consideration in delineation. The EAC believes the making of such observations will be helpful to the public in understanding the working principles adopted by the EAC in applying the statutory criteria. They are, however, only general observations, and they should be read in a holistic manner and in context of the specific cases.

Section 2 : The Recommendations

4.30 At its meetings held on 19 September and 24 October 2018, the EAC considered the representations received and information on geographical environment and projected population figures gathered from site visits and other government departments concerned and made its final

recommendations. The EAC's views on the representations are set out in the last column of **Appendix II**.

4.31 The EAC adjusted the boundaries of 27 DCCAs and the names of two DCCAs in its provisional recommendations. Details of the revisions and changes are set out in **Appendices III** and **IV** respectively.

4.32 In its final recommendations, the EAC has adjusted the boundaries of a total of 123 DCCAs, and allowed the projected population in 17 DCCAs to deviate from the permissible range of the population quota, with the reasons specified in **Appendix V**.

4.33 As compared with the changes made in the last delineation exercise (i.e. 109 DCCAs), a greater number of DCCAs were required to change their boundaries this time.

4.34 A summary of the EAC's final recommendations is shown in **Appendix VI** of this Volume. The boundary maps and descriptions of the final recommendations are in **Volume 2**.

CHAPTER 5

A CONCLUDING NOTE

Section 1 : Acknowledgements

5.1 With the completion of this delineation exercise, the EAC would like to express its gratitude towards the following government departments for their contributions: the AHSG for its provision of the population projections; the DOs of the 18 districts for providing the factual information regarding the local characteristics, geographical and transport situations of their respective districts; the LandsD for its production of the various maps and boundary descriptions for the conduct of the consultation exercise and production of the report; the ISD for its contribution to the publicity programme relating to the consultation exercise; the Government Logistics Department for the printing of the consultation materials and this report, and the HAD for the provision of venues for holding the two public forums and its assistance to distribute the consultation documents and publicity posters.

5.2 The EAC is particularly thankful to the EAC Secretariat for their dedicated and concerted efforts in the preparation and support for the delineation exercise.

5.3 Last but not least, the EAC is most grateful to those members of the public for their representations, put forth in writing or orally in the public forums.

Section 2 : Conclusion

5.4 As in previous delineation exercises, the EAC has adopted a pragmatic approach in conducting the delineation exercise. The EAC has made every effort to observe the requirements of the population quota and permissible range as far as practicable. At the same time, the EAC will accept the suggestions from members of the public on grounds of community identities, local ties or geographical factors if the suggestions are supported by overwhelming reasons and do better comply with the statutory criteria and working principles for the delineation exercise as compared with the provisional recommendations. As always, the EAC has paid no regard to any suggestions with political implications or those which are not relevant to the statutory requirements.

5.5 Delineation of the DCCA boundaries is an integral part of a DC ordinary election. The EAC is committed to conducting each and every election under its supervision in an open, fair and honest manner. The EAC has all the time held on to this important principle in this delineation exercise.

Number of DCCAs to be Delineated by Administrative Districts

Appendix II - A

Central and Western District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
1	All DCCAs	1	-	Supports the provisional recommendations on all DCCAs of the Central and Western District as they are in line with the EAC's statutory criteria and working principles.	The supporting view is noted.
2	A01 – Chung Wan A04 – Peak	1	-	Considers it inappropriate to place the areas in the north and south of MacDonnell Road into two different DCCAs and proposes to group them in one DCCA.	This proposal is **not accepted** because the areas in the north and south of MacDonnell Road belong to A01 (Chung Wan) and A04 (Peak) respectively, and the populations of the two DCCAs will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
3	A01 – Chung Wan A12 – Sheung Wan	1	-	Proposes to transfer the residential buildings in the vicinity of the MTR Sheung Wan Station from A01 (Chung Wan) to A12 (Sheung Wan).	This proposal is **not accepted** because the populations of A01 (Chung Wan) and A12 (Sheung Wan) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
4	A02 – Mid Levels	-	1	Supports the provisional recommendations.	The supporting view is noted.

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
	East A13 – Tung Wah				
5	A02 – Mid Levels East A13 – Tung Wah	1	-	Has no adverse comments on the provisional recommendations.	The view is noted.
6	A02 – Mid Levels East A03 – Castle Road A13 – Tung Wah	3	1	Object to the provisional recommendations on A02 (Mid Levels East) and A13 (Tung Wah). Reasons are summarised as follows: • the populations of A02 (Mid Levels East) and A13 (Tung Wah) have already met the requirements of the EAC's statutory criteria, i.e. not exceeding or falling short of the population quota by more than 25%; • the DCCAs concerned have been established for more than 24 years and electors are well used to the existing delineation and have developed a sense of belonging. A change in the delineation will cause confusion to the residents; • Aberdeen Street is a main road linking the Mid-Levels with the	These representations are **not accepted** because: (i) based on the 2015 original DCCA boundary, the population of A13 (Tung Wah) (11 910) will be below the statutory permissible lower limit (-28.25%). To ensure that the population of the DCCA will fall within the statutory permissible range, the provisional recommendations propose to transfer part of the population of the adjacent A02 (Mid Levels East) to A13 (Tung Wah); (ii) the affected population under the proposal made in the representation (1 936) will be larger than that in the provisional recommendations (994) by 942;

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				Central District and has historical value. Splitting the left and right sides of Aberdeen Street into two different DCCAs will disrupt its integrity; • other DCCAs around A13 (Tung Wah) have a greater population than A02 (Mid Levels East). Of these DCCAs, the population of A03 (Castle Road) has higher percentage of deviation from the population quota (+22.88%). It is considered more appropriate to transfer part of its population to A13 (Tung Wah); and • the opinions offered by the DO to the EAC are suspected to have political considerations. One representation proposes to transfer the cluster of buildings between Alassio and Argenta from A03 (Castle Road) to A13 (Tung Wah) as an alternative option. Reasons are as follows: • despite the fact that the provisional recommendations are deemed reasonable from the perspectives of the delineation of DCCAs, community integrity, etc., the proposal made in the	(iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters, community services provided by DC members or political factors will not be taken into consideration; and (iv) there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving community identities.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				representation can achieve a reasonably balanced population distribution among A02 (Mid Levels East), A03 (Castle Road) and A13 (Tung Wah); • though some of the above buildings and certain buildings in the south of Seymour Road belong to the same development series, they are actually just standalone apartment buildings without any close relationship between them. Therefore, the proposal does not affect local ties; and • designating Seymour Road as the boundary between A03 (Castle Road) and A13 (Tung Wah) enables that the matters related to the busier Caine Road can be followed up by a single DC member and handled in a more effective manner.	
7	A06 – Kwun Lung A07 – Kennedy Town & Mount Davis	1	-	Objects to the swap of the original codes of two DCCAs because no change is made to their DCCA boundaries in the provisional recommendations. Besides, residents are used to the original DCCA codes which have been used for years. Changing the codes will cause confusion.	This representation is **not accepted** because allocating codes to DCCAs is for the sake of easy identification of DCCAs on the boundary maps and providing the public with a quicker and easier way in locating the DCCA(s) which they are looking for. According to the established working principles, when drawing up the provisional recommendations, the EAC

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
					will rationalise the allocation of DCCA codes for all administrative districts by assigning the codes in a clockwise direction with a view to making the DCCAs with consecutive codes contiguous to each other as far as possible so that it is easier for the public to locate a DCCA when consulting the maps.
8	A08 – Sai Wan A09 – Belcher	1	-	Proposes to transfer the cluster of buildings located at Ivy on Belcher's, Ying Ga Garden and Hee Wong Terrace from A09 (Belcher) to A08 (Sai Wan) because the population difference of nearly 7 000 between these two DCCAs is undesirable. The proposal made in the representation can achieve a more balanced population distribution between the two DCCAs.	This proposal is **not accepted** because the populations of A08 (Sai Wan) and A09 (Belcher) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Appendix II - B

Wan Chai District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	Holds reservation on the provisional recommendations on all DCCAs of the Wan Chai District.	The view is noted.
2	All DCCAs	5	1	In view of the ageing and decreasing population, propose to reduce the number of seats in the Wan Chai District so as to avoid repeated re-delineation of the DCCAs resulting from the situation of having population below the statutory permissible lower limit. The representations also consider that the Government should review whether it is appropriate to maintain the existing number of elected seats in the Wan Chai DC at 13. One representation proposes to combine the three DCCAs: B01 (Hennessy), B02 (Oi Kwan) and B03 (Canal Road) and make them into two DCCAs. The proposed adjustments can ensure the preservation of community integrity and enhance the level of connectivity among the DCCAs. One representation proposes to reduce the number of elected seats in the Wan Chai DC in	These proposals are **not accepted** because in accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As these proposals made in the representations are related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant views to the CMAB for consideration. In addition, in drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.

* W: Number of written representations.
O : Number of oral representations.

				2023 and use Queen's Road East, Wan Chai Road, Johnston Road, Hennessy Road and Gloucester Road as the respective boundaries of B01 (Hennessy), B02 (Oi Kwan), B12 (Southorn) and B13 (Tai Fat Hau) so as to cater for their different developments.	
3	B01 – Hennessy B02 – Oi Kwan B03 – Canal Road B04 – Causeway Bay B07 – Tai Hang B09 – Broadwood B10 – Happy Valley B11 – Stubbs Road	206^	9	Object to the provisional recommendations. Reasons are summarised as follows: • Haven Street and Caroline Hill Road are different from the commercial area in Causeway Bay. They belong to two different communities each with their own characteristics and problems. For instance, the problems faced by B07 (Tai Hang) are acquisition of old buildings and building management, whereas those faced by B04 (Causeway Bay) are light pollution and noise pollution in the commercial area. Hence, the provisional recommendations would break the community integrity of the areas concerned; • with regard to the land use designated by the Town Planning Board, B04 (Causeway Bay) is a	<u>Items (a) to (h)</u> **Proposals of items (a), (e) and (h) are partly accepted**. It is a statutory requirement that the EAC has to examine the existing boundaries of all DCCAs on the basis of the projected populations of individual DCCAs in the year in which the relevant election would be held, and appropriately adjust the boundaries of those DCCAs with projected populations exceeding the statutory permissible upper or lower limits with a view to ensuring that their projected populations will fall within the statutory permissible range. Based on the 2015 original DCCA boundary, the populations of B02 (Oi Kwan), B03 (Canal Road) and B04 (Causeway Bay) will be below the statutory permissible lower limit. Therefore, adjustments are considered necessary. As

^ Of which, 134 are template letters for B07 (Tai Hang) and 51 template letters for B04 (Causeway Bay). Besides, one representation contains 126 signatures from the public.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				commercial district, while the surrounding area of Haven Street is zoned as a "Government, Institution or Community" site, which is different from B04 (Causeway Bay); • re-delineation will have an impact on DC members' follow-up actions on community cases since most of these cases involve privacy and require long-term follow-up actions. The provisional recommendations would upset community ties; • despite the projected fall in the population of the Wan Chai District, the Government has already decided to keep the number of seats in the Wan Chai District at 13. Consequently, there is no excuse for a change to the DCCA boundaries on grounds of population; • Haven Street and Caroline Hill Road have all along been part of B07 (Tai Hang) and are inseparably dependent on the "St. Paul sub-area" in terms of transport, local setting and medical services; • B04 (Causeway Bay) and B07 (Tai Hang) are delineated by Leighton	in the past, in drawing up the delineation recommendations, the EAC has adopted the approach which would affect the least number of existing DCCAs or less population so as to minimise any possible inconvenience to electors due to boundary adjustments. The EAC notes that the representors have put forward many views on preserving the community integrity and local ties of the DCCAs concerned from different perspectives such as the daily lives of the public, provision of services by DC members and community development. However, the EAC is of the view that the arguments raised in the representations are rather parochial, subjective and not convincing. Besides, the alternatives proposed in the individual representations are impracticable in the sense that some proposals can only solve the problem of having population below the statutory lower limit in some DCCAs, and some proposals are deemed infeasible having regard to geographical factors. However, after prudent consideration and consolidation of the proposals made in various alternative options, the EAC accepts parts of the proposals of items (a), (e) and (h) and revises the provisional

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Road. Given that the residential and community land uses for the latter, the original delineation is relatively more reasonable as it has created a more homogenous living area; • the section of Jaffe Road between Percival Street and Cannon Street forms part of the core of the hustling and bustling Causeway Bay. The buildings there share certain common features with those in the surrounding area stretching from Cannon Street to East Point Road. The provisional recommendations would upset community integrity and create greater difficulty for making plans for small communities and addressing community problems; • the performance of individual DC members is appraised once every four years by the vote of the electors. Frequent re-delineation would deprive electors of the opportunity to appraise the performance of DC members; • the incumbent DC members are familiar with the local affairs and residents are used to visit the offices of the existing DC members for assistance and expression of	recommendations on the following DCCAs. Details are as follows: (i) to transfer some of the buildings near Haven Street located within the original boundary of B07 (Tai Hang) to the adjacent B04 (Causeway Bay); (ii) to transfer some of the buildings near Leighton Road located within the original boundary of B09 (Broadwood) to the adjacent B03 (Canal Road); and (iii) to transfer some of the buildings in the west of Bowrington Road located within the original boundary of B03 (Canal Road) to the adjacent B02 (Oi Kwan). After the above adjustments, the respective populations of the DCCAs concerned are: B02: 12 509, -24.64% B03: 12 512, -24.62% B04: 12 972, -21.85% B07: 13 701, -17.46% B09: 13 755, -17.13% Compared with the previous provisional recommendations, the total number of DCCAs to be affected under the above revised recommendations will increase by one, i.e. B09

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				views; and • under the provisional recommendations, the boundaries of the DCCAs concerned are not tidy.	(Broadwood). However, as for the number of people to be affected, it will decrease by 1 299 from 4 326 to 3 027. The change is in line with the established working principles of the EAC.
				(a) One representation suggests that the buildings in the west of Cannon Street and in the north of Jaffe Road in B04 (Causeway Bay) should be retained, and only the buildings in the surrounding area of Haven Street (excluding the surrounding area of Caroline Hill Road) be transferred to B04 (Causeway Bay).	
				(b) One representation suggests that part of the population in B09 (Broadwood) or B10 (Happy Valley) be transferred to B02 (Oi Kwan), B03 (Canal Road) and B04 (Causeway Bay).	
				(c) One representation suggests that part of the population in B09 (Broadwood) be transferred to B02 (Oi Kwan) and B03 (Canal Road).	
				(d) One representation proposes to transfer part of the population from the more populated B09 (Broadwood) and B11 (Stubbs Road) to B04 (Causeway Bay).	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(e) One representation agrees with the provisional recommendations to transfer the population in the west of Bowrington Road to B02 (Oi Kwan) because the population of B01 (Hennessy), an adjacent DCCA of B02 (Oi Kwan), is also insufficient. As for B11 (Stubbs Road), it would be even more difficult to change its boundary. On the other hand, the representation considers that the EAC should not change the DCCA boundaries of B04 (Causeway Bay) and B07 (Tai Hang). Regarding the problem of shortfall of population in B03 (Canal Road), it should be addressed by transferring part of the population from B09 (Broadwood) as it has a larger population figure. As such, the representation proposes that the buildings in the surrounding area stretching from the south of Leighton Road to the east of Wong Nai Chung Road in B09 (Broadwood) i.e. the surrounding area from Po Leung Kuk to the tramway at the Leighton Hill Community Hall, including Leigyinn Building, Lai Chi Building, Leishun Court, Starlight House and Lunar Building, etc., be transferred to B03 (Canal	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Road). Compared with those in B09 (Broadwood), these buildings have a closer connection with the community in the surrounding area of Leighton Centre and other facilities in B03 (Canal Road). The EAC may decide how many people should be transferred from B09 (Broadwood) to B03 (Canal Road) after taking into account the population figures.	
				(f) One representation does not object to the re-delineation of B02 (Oi Kwan). However, it proposes to transfer The Leighton Hill of B09 (Broadwood) to B04 (Causeway Bay) so as to avoid making changes to B07 (Tai Hang).	
				(g) One representation proposes to decrease the population of B09 (Broadwood) and to increase that of B02 (Oi Kwan).	
				(h) One representation proposes to make the following proposals: • to retain the buildings in the west of Cannon Street and the north of Jaffe Road in B04 (Causeway Bay);	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• to transfer the buildings in the east of Percival Street and Leighton Road from B03 (Canal Road) to B04 (Causeway Bay); • to transfer the buildings in the east of Fleming Road and the south of Lockhart Road from B01 (Hennessy) to B02 (Oi Kwan); and • to allow the population of B03 (Canal Road) to be below the statutory permissible lower limit. Based on the fact that the population of the Wan Chai District is very low but the number of elected seats in the Wan Chai DC has remained unchanged, it is difficult to have reasonable re-delineation of the boundaries. If the above proposal is not accepted, proposes to transfer some buildings at the northern foothills of Leighton Hill or the entire Leighton Hill from B09 (Broadwood) to B03 (Canal Road). If the resultant population of B09 (Broadwood) will be below the statutory permissible lower limit, then proposes to transfer some buildings along Blue Pool Road in B11	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(Stubbs Road) to B09 (Broadwood).	
4	B01 – Hennessy B11 – Stubbs Road B12 - Southorn	1	-	Considers that the boundaries of B01 (Hennessy) and B12 (Southorn) are very unreasonable because they are long and thin in shape. They also cut across different landscapes and communities and put different communities together. Proposes to re-delineate the boundaries of B01 (Hennessy) and B12 (Southorn) and divide them into southern and northern parts instead of the current eastern and western parts. In addition, proposes that part of the Peak Road in B12 (Southorn) be transferred to B11 (Stubbs Road).	This proposal is **not accepted** because the populations of B01 (Hennessy), B11 (Stubbs Road) and B12 (Southorn) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
5	B02 – Oi Kwan B03 – Canal Road B04 – Causeway Bay B07 – Tai Hang	-	1	Supports the provisional recommendations.	The supporting view is noted.
6	B02 – Oi Kwan B03 – Canal Road	1	3	Query the accuracy of the current population projections compiled by the Working Group on Population Distribution Projections.	<u>Items (a) and (b)</u> The projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	B04 – Causeway Bay B07 – Tai Hang			(a) One representation suggests that the EAC should make public the population projection figures to facilitate the making of comments by the public.	past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise. As regards the relevant population figures, the EAC will examine whether it is appropriate to show the projected populations of individual DCCAs before adjustments to their boundaries in the consultation document
				(b) One representation proposes to use the results of the 2021 Population Census for the delineation exercise for the 2023 DC Ordinary Election.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					of the provisional recommendations for public information in the next DC delineation exercise.
				(c) One representation suggests that the population quota should be calculated as the basis of the actual situation of each individual administrative district. For example, the population quota of the Wan Chai District should be calculated by dividing the total population of the Wan Chai District by 13 DCCAs, instead of dividing the total population of Hong Kong by 18 administrative districts.	Item (c) The EAC must follow the statutory criteria under the EACO in drawing up the delineation recommendations. As stipulated in the legislation, population quota means the total population of Hong Kong divided by the total number of elected members to be returned in the DC ordinary election, but not in an individual administrative district.

Appendix II - C

Eastern District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	Holds no objection to the provisional recommendations on all DCCAs of the Eastern District.	The view is noted.
2	All DCCAs	1	-	(a) Supports the provisional recommendations on C03 (Lei King Wan), C04 (Sai Wan Ho), C05 (Aldrich Bay), C06 (Shaukeiwan), C07 (A Kung Ngam) and C28 (Hing Tung).	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on C01 (Tai Koo Shing West), C02 (Tai Koo Shing East), C15 (Mount Parker), C24 (Quarry Bay), C25 (Nam Fung), C26 (Kornhill) and C27 (Kornhill Garden). Although the provisional recommendations are more practicable having regard to community integrity and population distribution, according to the aggregate population of the above DCCAs, their total number of elected seats is currently one more than that of their entitlement. Proposes to delete one seat in 2023 for reasonable deployment of DC resources.	Item (b) In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) Holds reservation on the provisional recommendations on C10 (Yan Lam), C12 (King Yee), C13 (Wan Tsui), C14 (Fei Tsui), C31 (Hing Man), C34 (Yue Wan) and C35 (Kai Hiu), and objects to the provisional recommendations on C08 (Heng Fa Chuen), C09 (Tsui Wan), C11 (Siu Sai Wan), C32 (Lok Hong) and C33 (Tsui Tak). According to the aggregate population of the above DCCAs, their total number of elected seats is currently two more than that of their entitlement. Proposes to delete one seat in 2023 for reasonable deployment of DC resources.	Item (c) In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.
				(d) Proposes to transfer the area of the Hong Kong Institute of Vocational Education ("IVE") from C08 (Heng Fa Chuen) to C09 (Tsui Wan) and maintain the boundary of C11 (Siu Sai Wan) because IVE and the Technological and Higher Education Institute of Hong Kong in C09 (Tsui Wan) are both managed by the Vocational Training Council and affected by the industrial and cargo working areas in C09 (Tsui Wan), sharing the same community characteristics and issues of concern.	Item (d) This proposal is **not accepted** because: (i) the affected population under the proposal made in the representation (246) will be larger than that in the provisional recommendations (179) by 67; (ii) IVE located in C08 (Heng Fa Chuen) is geographically further away from the buildings in C09 (Tsui Wan) as compared with Fu Ming Court as proposed for

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					transfer to C09 (Tsui Wan) in the provisional recommendations. There are also park and Citybus depot in between; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangement on district administration matters is not the relevant factor of consideration.
				(e) Proposes to transfer Koway Court instead of Wah Ha Estate from C33 (Tsui Tak) to C32 (Lok Hong) because: • the car park of Koway Court is located at Tai Man Street, which affects the transport near Neptune Terrace and Greenwood Terrace located also at Tai Man Street in C32 (Lok Hong); and • Wah Ha Estate is close to MTR Chai Wan Station and belongs to a community different from Neptune Terrace and Greenwood Terrace located at the mid-levels in C32 (Lok Hong).	<u>Item (e)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of C33 (Tsui Tak) (11 100) will be below the statutory permissible lower limit (-33.13%); and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.
				(f) Holds reservation on the provisional recommendations on C16	<u>Item (f)</u> The proposal made in the representation involves

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(Braemar Hill), C17 (Fortress Hill), C18 (City Garden), C19 (Provident), C20 (Fort Street), C21 (Kam Ping), C22 (Tanner) and C23 (Healthy Village). Considering the differences in area and population between the Eastern and the Wan Chai DCs, proposes to transfer the above DCCAs from the Eastern District to the Wan Chai District in 2023 and to rename the Wan Chai District as the Harbour District to reflect that Wan Chai and North Point are located at the bay area in the central part of the Hong Kong Island.	alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
				(g) Same as item 16.	Item (g) Please see item 16.
3	C03 – Lei King Wan C04 – Sai Wan Ho C28 – Hing Tung	1	-	To strengthen community ties and bring the populations of C03 (Lei King Wan) and C04 (Sai Wan Ho) closer to the population quota, proposes: • to transfer Les Saisons from C04 (Sai Wan Ho) to C03 (Lei King Wan) as it has closer community ties with C03 (Lei King Wan); • to transfer the old residential blocks (except Tai On Building) from C03 (Lei King Wan) to C04 (Sai Wan Ho), so that the population of C03 (Lei King Wan) can continue to fall within the	This proposal is **not accepted** because the populations of C03 (Lei King Wan), C04 (Sai Wan Ho) and C28 (Hing Tung) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				statutory permissible range; and • to transfer 18 Upper East and Shing On Building, or even Parker33, The Oakridge, Fortune Court, Tai Sing House and Truecourse Tower from C04 (Sai Wan Ho) to C28 (Hing Tung), depending on the population figures.	
4	C04 – Sai Wan Ho C29 – Lower Yiu Tung	1	-	Proposes to transfer Sun Sing Centre, Lok Kwan House and Belleve Court from C04 (Sai Wan Ho) to C29 (Lower Yiu Tung) because: • there will be new residential developments with imminent population intake and a lot of residential projects are in progress in C04 (Sai Wan Ho). Expects that the population of the DCCA will increase significantly. The EAC should have foreseen the above situation and adjust the boundary of the DCCA concerned as soon as possible to avoid future adjustment and causing confusion to the residents without knowing who is their DC member; • it will be hard for the DC member to manage if the DCCA is overpopulated, and it is also unfair to residents; and	This proposal is **not accepted** because: (i) the populations of C04 (Sai Wan Ho) and C29 (Lower Yiu Tung) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; (ii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration; and (iii) the delineation recommendations must be based on objective data of

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• C29 (Lower Yiu Tung) has the capacity to absorb more population.	population distribution. Community services provided by DC members is not the relevant factor of consideration.
5	C04 – Sai Wan Ho C29 – Lower Yiu Tung C30 – Upper Yiu Tung	3	-	(a) Propose to transfer both Yiu Fung House and Yiu On House from C29 (Lower Yiu Tung) to C30 (Upper Yiu Tung) and the private residential buildings near Sun Sing Street from C04 (Sai Wan Ho) to C29 (Lower Yiu Tung). Reasons are summarised as follows: • Yiu Fung House and Yiu On House are next to each other geographically; • query that the EAC is under pressure and political considerations not to transfer Yiu Fung House and Yiu On House together to C30 (Upper Yiu Tung); • activities of the residents living along Sun Sing Street are mainly centralised in the area of Shau Kei Wan; • residents have always regarded Hoi An Street as the boundary of Sai Wan Ho. Across Hoi An Street is Shau Kei Wan;	<u>Items (a) and (b)</u> These proposals are **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representations will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; (ii) if both Yiu Fung House and Yiu On House are transferred from C29 (Lower Yiu Tung) to C30 (Upper Yiu Tung), the affected population (2 028) will be larger than that in the provisional recommendations (983) by 1 045; (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• consider that the EAC has underestimated the population of C04 (Sai Wan Ho). As there will be new residential developments with imminent population intake at Sun Sing Street, expect that the population of C04 (Sai Wan Ho) will increase substantially. The above proposal can relieve the population growth of C04 (Sai Wan Ho); • the above proposal can resolve the problem of insufficient and persistent decrease in population of C30 (Upper Yiu Tung) over the years and allow C29 (Lower Yiu Tung) to absorb part of the population of C04 (Sai Wan Ho) as early as possible as its population will go up significantly; and • the above proposal can even out the populations of C04 (Sai Wan Ho), C29 (Lower Yiu Tung) and C30 (Upper Yiu Tung). It will be more fair to the residents if the populations served by DC members of different DCCAs are similar.	consideration; and (iv) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members or political factors will not be taken into consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) One representation further proposes to transfer buildings such as Sun Sing Centre and Belleve Court from C04 (Sai Wan Ho) to C29 (Lower Yiu Tung).	
6	C05 – Aldrich Bay C06 – Shaukeiwan C07 – A Kung Ngam	2	-	Object to the provisional recommendations on C05 (Aldrich Bay), C06 (Shaukeiwan) and C07 (A Kung Ngam) because: • the provisional recommendations on the above DCCAs do not have regard to the community integrity and local ties; • Aldrich Garden has been included in C07 (A Kung Ngam) since 2011. However, the residents of Aldrich Garden share the community facilities and the same needs with residents in the area of Aldrich Bay, and hence have a weaker sense of belonging towards C07 (A Kung Ngam); • there are different types of residence in C07 (A Kung Ngam). It is difficult for the DC member to serve residents of different social standings. As the DC member of the above DCCA also has different stances, it is hard to reach a consensus on community issues; and • frequent changes in DCCA	This representation is **not accepted** because: (i) the populations of C05 (Aldrich Bay), C06 (Shaukeiwan) and C07 (A Kung Ngam) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				boundaries make it hard for electors to adapt to and seek help from DC members.	
7	C06 – Shaukeiwan C07 – A Kung Ngam	1	-	Proposes to transfer Eastway Towers from C07 (A Kung Ngam) to C06 (Shaukeiwan) because: • the proposal can even out the populations of the above DCCAs so that the DC members of the two DCCAs can provide better services for residents; • there will be new residential developments with population intake in C07 (A Kung Ngam) starting from 2019, but the increase in population may not have been accurately reflected in the population of the DCCA concerned; and • considering geographical factors and the preservation of community integrity and local ties, the above proposal is the most beneficial one to the two DCCAs.	This proposal is **not accepted** because: (i) the populations of C06 (Shaukeiwan) and C07 (A Kung Ngam) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; (ii) the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise; and (iii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.
8	C09 – Tsui Wan C10 – Yan Lam C11 – Siu Sai Wan	1	-	Considers it appropriate in the provisional recommendations to make relevant changes to DCCAs in Chai Wan and Siu Sai Wan with populations below the statutory permissible lower limit given that the number of elected seats cannot be changed. However, in the long run, proposes to reduce the number of DCCAs in Chai Wan	This proposal is **not accepted** because in accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	C12 – King Yee C13 – Wan Tsui C14 – Fei Tsui C31 – Hing Man C32 – Lok Hong C33 – Tsui Tak C34 – Yue Wan C35 – Kai Hiu			and Siu Sai Wan from 11 to nine, including the deletion of C33 (Tsui Tak) and C35 (Kai Hiu) and re-delineation of C09 (Tsui Wan), C10 (Yan Lam), C11 (Siu Sai Wan), C12 (King Yee), C13 (Wan Tsui), C14 (Fei Tsui), C31 (Hing Man), C32 (Lok Hong) and C34 (Yue Wan) so that the populations of these DCCAs will be closer to the population quota. Details are as follows: • to delete C35 (Kai Hiu) and transfer the relatively independent Kai Tsui Court to C12 (King Yee); • to transfer Sui Shing House and Sui Fat House of Siu Sai Wan Estate from C11 (Siu Sai Wan) to C10 (Yan Lam); • to merge Siu Sai Wan Estate (except Sui Shing House and Sui Fat House) in C11 (Siu Sai Wan) and C35 (Kai Hiu) with Hiu Tsui Court in C35 (Kai Hiu) to form C11 (Siu Sai Wan); • to transfer the seven housing blocks at Hong Ping Street from C09 (Tsui Wan) and C11 (Siu Sai Wan) to C34 (Yue Wan) as the seven blocks have closer community ties with C34 (Yue Wan); • to transfer Winner Centre, Walton Estate, Gold Mine	under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Building and Yee Tsui Court from C33 (Tsui Tak) to C09 (Tsui Wan); and Bayview Park and Koway Court from C33 (Tsui Tak) to C32 (Lok Hong); • to delete C33 (Tsui Tak); • to transfer Hing Man Estate from C31 (Hing Man) to C14 (Fei Tsui); • to merge Moon Wah Building, Man Wah Building and Fire Services Department Married Quarters in C14 (Fei Tsui) with Hing Wah (1) Estate, Wah Tai Mansion and Chai Wan Cinema Building in C31 (Hing Man) and New Jade Garden and Wah Ha Estate in C33 (Tsui Tak) to form C31 (Hing Man); and • to retain the DCCA boundary of C13 (Wan Tsui).	
9	C09 – Tsui Wan C11 – Siu Sai Wan C33 – Tsui Tak	-	1	Proposes to transfer Yee Tsui Court from C33 (Tsui Tak) to C09 (Tsui Wan) and retain the DCCA boundary of C11 (Siu Sai Wan).	This proposal is **not accepted** because according to the proposal made in the representation, the population of C33 (Tsui Tak) (11 735) will be below the statutory permissible lower limit (-29.30%).
10	C16 – Braemar Hill	1	-	Proposes to transfer eight DCCAs namely C16 (Braemar Hill), C17 (Fortress Hill), C18	The proposal made in the representation involves alteration of administrative

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	C17 – Fortress Hill C18 – City Garden C19 – Provident C20 – Fort Street C21 – Kam Ping C22 – Tanner C23 – Healthy Village			(City Garden), C19 (Provident), C20 (Fort Street), C21 (Kam Ping), C22 (Tanner) and C23 (Healthy Village) (except Model Housing Estate) from the Eastern District to the Wan Chai District because: • the populations of the Eastern District and the Wan Chai District have decreased. Based on the aggregate populations, both of their total number of elected seats are two more than their entitlement, resulting in too many DC members. It leads to a wastage of resources and adverse impact on efficiency; • the difference between the numbers of DC members of Wan Chai DC and Eastern DC is 22, to which appropriate adjustment should be made; • the above DCCAs have already been transformed into commercial districts in recent years and become the extensions of Wan Chai and Causeway Bay; and • the resources of the two administrative districts can be evened out after adjustments, which will be beneficial to the development of district administration.	district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
11	C17 – Fortress Hill C18 – City Garden	1	-	Proposes to transfer the area in the south of Electric Road from C18 (City Garden) to C17 (Fortress Hill) because there will be new residential developments in C18 (City Garden) and C19 (Provident) and the populations and workload of DC members will increase significantly.	This proposal is **not accepted** because the populations of C17 (Fortress Hill) and C18 (City Garden) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
12	C19 – Provident C23 – Healthy Village C24 – Quarry Bay	1	-	As the population of C19 (Provident) is approaching the statutory permissible upper limit, while that of C24 (Quarry Bay) is approaching the statutory permissible lower limit, proposes: • to transfer Mansion Building, Lido Apartments and Wah Shun Gardens from C23 (Healthy Village) to C24 (Quarry Bay); and • to move the DCCA boundary between C19 (Provident) and C23 (Healthy Village) westwards from Kam Hong Street to Shu Kuk Street.	This proposal is **not accepted** because the populations of C19 (Provident), C23 (Healthy Village) and C24 (Quarry Bay) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
13	C21 – Kam Ping C22 – Tanner	1	-	Proposes to transfer The Tanner Hill from C22 (Tanner) to C21 (Kam Ping) because: • Fleur Pavilia in C22 (Tanner) was completed in the third quarter of 2018 and there has been a gradual population intake. However, the population increase has not been included in the population of	This proposal is **not accepted** because: (i) the populations of C21 (Kam Ping) and C22 (Tanner) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required;

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				the DCCA; • the proposal can even out the populations of the above two DCCAs and render resource allocation to neighbouring areas more even; and • for residents of The Tanner Hill, except a roadway which passes through C22 (Tanner), most of the residents only use Kam Ping Street and Shu Kuk Street for access to the housing estate. The community needs of residents of The Tanner Hill are closer to those of C21 (Kam Ping).	(ii) the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					data available for the delineation exercise; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangement on district administration matters is not the relevant factor of consideration.
14	C29 – Lower Yiu Tung C30 – Upper Yiu Tung	1	-	Agrees to the provisional recommendations on the transfer of Yiu On House from C29 (Lower Yiu Tung) to C30 (Upper Yiu Tung) because the population of C30 (Upper Yiu Tung) has been decreasing over the years and approaching the statutory permissible lower limit. The DCCA only includes six public housing and Home Ownership Scheme estates, and geographically Yiu On House is only separated from C30 (Upper Yiu Tung) by a road.	The supporting view is noted.
15	C29 – Lower Yiu Tung C30 – Upper Yiu Tung	30^	-	Object to the transfer of Yiu On House from C29 (Lower Yiu Tung) to C30 (Upper Yiu Tung) and consider that the boundaries of the two DCCAs should remain unchanged. Two representations consider that: • the provisional recommendations will break	This proposal is **not accepted** because: (i) according to the proposal made in the representations, the population of C30 (Upper Yiu Tung) (12 166) will be below the statutory permissible lower limit (-26.71%);

^Of which, 28 are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				community integrity of C29 (Lower Yiu Tung); • geographically, Yiu Hing Road is the dividing line for Yiu Tung Estate: the hill-facing side is "Upper Yiu Tung" and the sea-facing side is "Lower Yiu Tung". The transfer of Yiu On House, which belongs to the sea-facing side, alone to another DCCA will confuse the residents and break the community integrity; • residents of Yiu On House usually conduct their activities in the old housing area at the foot of the hill and seldom use facilities in C30 (Upper Yiu Tung); • residents of Yiu On House have always been included in C29 (Lower Yiu Tung) and hence have an ingrained concept of "Lower Yiu Tung". Changing their DCCA and polling station will easily cause confusion; and • wish to follow the arrangement of 2015 DC Ordinary Election that residents of Yiu On House will not be allocated to vote at Yiu Wa House in 2019 DC Ordinary Election.	(ii) C29 (Lower Yiu Tung) and C30 (Upper Yiu Tung) both belong to Yiu Tung Estate. There is no sufficient objective information and justification to prove that the provisional recommendations will break the community integrity of C29 (Lower Yiu Tung); and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters and polling station are not the relevant factors of consideration. The EAC has referred the relevant view concerning polling station to the REO for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
16	C29 – Lower Yiu Tung C30 – Upper Yiu Tung	5	-	Propose to transfer Yiu Fung House and Yiu On House together from C29 (Lower Yiu Tung) to C30 (Upper Yiu Tung). Reasons are summarised as follows: • according to the provisional recommendations, the population of C30 (Upper Yiu Tung) is still relatively low and hence able to absorb the population of Yiu Fung House at the same time; • the population of Yiu Tung Estate is ageing and that of C30 (Upper Yiu Tung) has been decreasing; • Yiu On House and Yiu Fung House were completed in the same period and adjacent to each other. Geographically, they are closer to other parts of C30 (Upper Yiu Tung) but further away from other buildings of C29 (Lower Yiu Tung); • the two blocks are situated on the same platform and use the same fire services access; • same as the residents of C30 (Upper Yiu Tung), residents of the two housing blocks habitually take mini-buses and buses, and regard themselves as living in Upper Yiu Tung. Putting residents of both housing blocks into the same DCCA	This proposal is **not accepted** because: (i) the affected population under the proposal made in the representations (2 028) will be larger than that in the provisional recommendations (983) by 1 045; (ii) Yiu Fung House and other buildings of Yiu Tung Estate in C29 (Lower Yiu Tung) belong to the same housing estate. They are interconnected by footbridge and roads and therefore have certain degree of connection. Geographically, Yiu Fung House will not be isolated in the provisional recommendations; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				can facilitate DC member to handle the same traffic needs; • retaining Yiu Fung House alone in C29 (Lower Yiu Tung) will isolate the residents of that housing block; and • the proposal made in the representations will bring the populations of C29 (Lower Yiu Tung) and C30 (Upper Yiu Tung) closer to the population quota and the DCCA boundaries clearer, and can avoid causing confusion to members of the public about which DCCA they belong to.	

Appendix II - D

Southern District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	Supports the provisional recommendations on all DCCAs of the Southern District. However, considers that in the long run, should adjust the DCCA boundaries of D02 (Ap Lei Chau Estate), D06 (South Horizons East) and D07 (South Horizons West) to ensure that the population of D02 (Ap Lei Chau Estate) will fall within the statutory permissible range.	The supporting view is noted. In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
2	All DCCAs	1	-	Holds no objection to the provisional recommendations on all DCCAs of the Southern District.	The view is noted.
3	All DCCAs	1	-	(a) Supports the provisional recommendations on D01 (Aberdeen), D02 (Ap Lei Chau Estate), D03 (Ap Lei Chau North), D04 (Lei Tung I), D05 (Lei Tung II), D06 (South Horizons East), D07 (South Horizons West), D13 (Tin Wan), D14 (Shek Yue), D15 (Wong Chuk Hang), D16 (Bays Area) and D17 (Stanley & Shek O).	Item (a) The supporting view is noted.

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) Holds reservation on the provisional recommendations on D08 (Wah Kwai), D09 (Wah Fu South) and D10 (Wah Fu North).	Item (b) The view is noted.
				(c) Holds reservation on the provisional recommendations on D11 (Pokfulam) and D12 (Chi Fu). Proposes to transfer Queen Mary Hospital and the buildings in its vicinity along Pok Fu Lam Road from D11 (Pokfulam) to D12 (Chi Fu) as the population of D11 (Pokfulam) in the provisional recommendations still reaches the statutory permissible upper limit. The proposal made in the representation can even out the populations of the two DCCAs.	Item (c) This proposal is **not accepted** because the affected population under the proposal made in the representation (1 415) will be larger than that in the provisional recommendations (412) by 1 003.
4	D04 – Lei Tung I D05 – Lei Tung II	1	-	(a) For the sake of community integrity, proposes to transfer Ap Lei Chau Service Reservoir and the slope leading to Lee Nam Road Industrial Area from D04 (Lei Tung I) to D05 (Lei Tung II). It is because the above areas are frequented by residents of D05 (Lei Tung II). The provisional recommendations cut the service reservoir off from D05 (Lei Tung II).	Item (a) This proposal is **not accepted** because: (i) as Ap Lei Chau Service Reservoir and the slope leading to Lee Nam Road Industrial Area have no population, there is no need to adjust the boundary; and (ii) the reservoir and the slope above are part of D04 (Lei Tung I)

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					according to the 2015 DCCA boundary. There is no adjustment to the boundary of the above areas in the provisional recommendations.
				(b) For the sake of community integrity, proposes to extend the DCCA boundary of D04 (Lei Tung I) to St Peter's Catholic Primary School as it has been regularly used as a polling station for D04 (Lei Tung I).	Item (b) This proposal is **not accepted** because: (i) as St Peter's Catholic Primary School has no population, there is no need to adjust the boundary; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangement on polling station is not the relevant factor of consideration. The EAC has referred the relevant view to the REO for consideration.
5	D11 – Pokfulam D12 – Chi Fu	-	1	Proposes to transfer Queen Mary Hospital from D11 (Pokfulam) to D12 (Chi Fu).	This proposal is **not accepted** because the affected population under the proposal made in the representation (942) will be larger than that in the provisional recommendations (412) by 530.

Appendix II - E

Yau Tsim Mong District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.* *		*Representations*	*EAC's views*
		W	*O*		
1	All DCCAs	1	–	(a) Supports the provisional recommendations on E02 (Kowloon Station), E03 (Jordan West) and E18 (Jordan North) as they are more practicable in consideration of community integrity and population distribution.	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on E06 (Mong Kok West), E08 (Olympic), E13 (Mong Kok North), E14 (Mong Kok East) and E15 (Mong Kok South).	Item (b) The view is noted.
				(c) Objects to the transfer of the surrounding area of King George V Memorial Park and Kwun Chung Municipal Services Building to E01 (Tsim Sha Tsui West) because the area has been included in E19 (Jordan South) for years. It is proposed to transfer the cluster of buildings in the south of Humphreys Avenue and the west of Hart Avenue from E20 (Tsim Sha Tsui Central) to E01 (Tsim Sha Tsui West) so as to even out the populations	Item (c) This proposal is not accepted because: (i) the affected population under the proposal made in the representation (1 268) will be larger than that in the provisional recommendations (807) by 461; and (ii) there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously

* W: Number of written representations.
O: Number of oral representations.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
				of the above three DCCAs.	better than the provisional recommendations in terms of preserving community identities and local ties.
				(d) Objects to the provisional recommendations on E04 (Yau Ma Tei South), E16 (Yau Ma Tei North) and E17 (East Tsim Sha Tsui & King's Park) because the population differences among the three DCCAs are the greatest of all DCCAs in the Yau Tsim Mong District. It is proposed that the following adjustments be made: • retains the buildings in the east of Portland Street and Arthur Street in E04 (Yau Ma Tei South) and transfers the areas in the east of Ferry Street, the south of Pitt Street, and the north of Waterloo Road to E16 (Yau Ma Tei North). It is because these areas are far away from the community facilities in E04 (Yau Ma Tei South) and the community ties between them are rather weak; • transfers the areas in the east of Nathan Road and the south of Pitt Street from E16 (Yau Ma Tei North) to E17 (East Tsim Sha Tsui & King's Park);	<u>Item (d)</u> This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be two more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (ii) there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving local ties, geographical factors and transport.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
				and • absorbs the area in the east of Ferry Street of E05 (Charming) by E16 (Yau Ma Tei North).	
				(e) Holds reservation on the provisional recommendations on E05 (Charming), E07 (Fu Pak) and E09 (Cherry). It is proposed that the following adjustments be made: • transfers The Hermitage from E09 (Cherry) to E07 (Fu Pak) because this housing estate is different from those tenement buildings dominating E09 (Cherry). Being separated by Cherry Street, community ties between the two DCCAs are rather weak. On the contrary, The Hermitage and Park Avenue in E07 (Fu Pak) were built by the same developer and they share the same community living circle; and • transfers Hoi Fu Court from E07 (Fu Pak) to E05 (Charming), subject to the populations of the two DCCAs.	<u>Item (e)</u> This proposal is **not accepted** because: (i) the populations of E05 (Charming), E07 (Fu Pak) and E09 (Cherry) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
				(f) Having considered the development and community identity of the surrounding area from Mong Kok to Tai Kok Tsui, it is proposed to re-delineate E09 (Cherry), E10 (Tai Kok Tsui South), E11 (Tai Kok Tsui North) and E12 (Tai Nan) as follows: <u>E09 (Cherry)</u> includes the areas in the east of Sham Mong Road and Oak Street, the south of Li Tak Street and Anchor Street, the west of Fuk Tsun Street and Tong Mi Road, and the north of Cherry Street. <u>E10 (Tai Kok Tsui South)</u> includes the areas in the east of Sham Mong Road and Lime Street, the south of Chung Wui Street, the west of Fuk Tsun Street, Tung Chau Street, Tong Mi Road and Oak Street, and the north of Li Tak Street and Anchor Street. <u>E11 (Tai Kok Tsui North)</u> includes the areas in the east of Sham Mong Road and Fuk Tsun Street, the south of Chui Yu Road, the west of Tung Chau Street and Lime Street, and the north of Chung Wui Street.	<u>Item (f)</u> This proposal is **not accepted** because the number of affected DCCAs under such proposal will be two more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
				E12 (Tai Nan) includes the areas in the east of Tung Chau Street, the south of Boundary Street, and the west of Nathan Road.	
2	E01 – Tsim Sha Tsui West E02 – Kowloon Station E03 – Jordan West E04 – Yau Ma Tei South E09 – Cherry E10 – Tai Kok Tsui South E11 – Tai Kok Tsui North E12 – Tai Nan	1	–	(a) Proposes to re-delineate E01 (Tsim Sha Tsui West), E17 (East Tsim Sha Tsui & King's Park), E18 (Jordan North), E19 (Jordan South) and E20 (Tsim Sha Tsui Central) by reducing these five DCCAs to four so as to make their respective populations closer to the population quota. Details are as follows: • using Nathan Road as the boundary, two DCCAs are demarcated on each of the east and west sides. As the population density of the DCCAs in the east of Nathan Road is lower than that in the west, the two sides should not be treated in a similar way when delineating their boundaries. Moreover, the area of E17 (East Tsim Sha Tsui & King's Park) is sizable. The community ties between King's Park and East Tsim Sha Tsui of the DCCA are not particularly strong;	Item (a) This proposal is **not accepted** because: (i) in accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As proposed in the representation, the five DCCAs concerned will be reduced to four. As a result, the number of DCCAs in the Yau Tsim Mong District will be less than its total number of elected seats, which does not comply with the requirement under the above Ordinance. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration; and (ii) there is no sufficient objective information and justification to prove that

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
	E17 – East Tsim Sha Tsui & King's Park E18 – Jordan North E19 – Jordan South E20 – Tsim Sha Tsui Central			• as regards the east of Nathan Road, the DCCA in the south includes the surrounding area in the east of Princess Margaret Road and Chatham Road South in E17 (East Tsim Sha Tsui & King's Park), and the areas in the east of Nathan Road in E01 (Tsim Sha Tsui West) and E20 (Tsim Sha Tsui Central); the DCCA in the north includes the area from King's Park Hill to the west of Princess Margaret Road in E17 (East Tsim Sha Tsui & King's Park), the areas in the east of Nathan Road in E18 (Jordan North) and E19 (Jordan South), and Kowloon Cricket Club and Gun Club Hill Barracks in E20 (Tsim Sha Tsui Central); and • as regards the west of Nathan Road, the DCCA in the south includes the areas in the west of Nathan Road in E01 (Tsim Sha Tsui West) and E19 (Jordan South); the DCCA in the north includes the surrounding areas in the east of Shanghai Street and the west of Nathan Road in E18 (Jordan North), and the areas in the east of Shanghai Street and the	the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving local ties.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				south of Wing Sing Lane in E04 (Yau Ma Tei South). At the same time, it is proposed that the buildings in the east of Portland Street and Arthur Street be retained in E04 (Yau Ma Tei South), while the buildings in the west of Shanghai Street be transferred from E18 (Jordan North) to E03 (Jordan West).	
				(b) Proposes to transfer the area in the west of Hoi Wang Road from E03 (Jordan West) to E02 (Kowloon Station) because there is no residential building in the above area and it has closer community ties with E02 (Kowloon Station).	Item (b) This proposal is **not accepted** because the area concerned has no population. There is no need to adjust the boundaries.
				(c) Proposes to delineate the DCCA boundaries of E09 (Cherry), E10 (Tai Kok Tsui South), E11 (Tai Kok Tsui North) and E12 (Tai Nan) so that the population of E12 (Tai Nan) will fall within the statutory permissible range, while a more balanced population distribution among the four DCCAs can be achieved. Details are as follows: • transfers the surrounding areas in the south of Ivy Street and the west of Tai Kok Tsui Road from E10	Item (c) This proposal is **not accepted** because the number of affected DCCAs under such proposal will be two more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
				(Tai Kok Tsui South) to E09 (Cherry); and • transfers the area in the west of Tung Chau Street from E12 (Tai Nan) to E10 (Tai Kok Tsui South) or E11 (Tai Kok Tsui North).	
3	E01 – Tsim Sha Tsui West E02 – Kowloon Station E03 – Jordan West E04 – Yau Ma Tei South E17 – East Tsim Sha Tsui & King's Park E18 – Jordan North E19 – Jordan South	1	–	To maintain the integrity of the core community of Tsim Sha Tsui, proposes to re-delineate E01 (Tsim Sha Tsui West), E02 (Kowloon Station), E03 (Jordan West), E04 (Yau Ma Tei South), E17 (East Tsim Sha Tsui & King's Park), E18 (Jordan North), E19 (Jordan South) and E20 (Tsim Sha Tsui Central). Details are as follows: <u>E20 (Tsim Sha Tsui Central) and E19 (Jordan South)</u> retains the area from the south of Mody Road to Salisbury Road in E20 (Tsim Sha Tsui Central) and transfers the buildings in the surrounding area of Fortune Terrace from E19 (Jordan South) to E20 (Tsim Sha Tsui Central). Moreover, it is proposed to transfer The Austin, Grand Austin and the surrounding area of King George V Memorial Park from E01 (Tsim Sha Tsui West) to E19 (Jordan South). <u>E02 (Kowloon Station)</u> absorbs the West Kowloon Cultural District of E01 (Tsim	This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be two more than that in the provisional recommendations. The affected population under the proposal will be larger, too; (ii) after the proposed adjustments of the representation, the populations of E01 (Tsim Sha Tsui West), E17 (East Tsim Sha Tsui & King's Park), E19 (Jordan South) and E20 (Tsim Sha Tsui Central) will exceed the statutory permissible range, which are: E01: 9 025, -45.63% E17: 11 300, -31.92% E19: 11 865, -28.52% E20: 21 796, +31.31% (iii) the delineation recommendations must be

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
	E20 – Tsim Sha Tsui Central			Sha Tsui West). <u>E01 (Tsim Sha Tsui West)</u> after the above adjustments, combines the remaining part of E01 (Tsim Sha Tsui West) and the area in the south of Cheong Wan Road of E17 (East Tsim Sha Tsui & King's Park) to form a DCCA and renames this DCCA as "Tsim Sha Tsui East & West". <u>E17 (East Tsim Sha Tsui & King's Park)</u> comprises the area from King's Park Hill to the north of Cheong Wan Road in E17 (East Tsim Sha Tsui & King's Park), the area in the east of Nathan Road to Diocesan Girls' School in E18 (Jordan North), and Kowloon Cricket Club and Gun Club Hill Barracks in E20 (Tsim Sha Tsui Central). This DCCA is to be renamed as "King's Park". <u>E03 (Jordan West), E04 (Yau Ma Tei South) & E18 (Jordan North)</u> retains the buildings in the east of Portland Street and Arthur Street in E04 (Yau Ma Tei South) and transfers The Coronation to E03 (Jordan West). Moreover, it is proposed that the northern boundary of E03 (Jordan West) be altered to reach Lai Cheung Road and the buildings in the surrounding area in the east of Ferry Street be transferred to	based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community; and (iv) as the West Kowloon Cultural District has no population, there is no need to adjust the boundaries.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
				E18 (Jordan North).	
4	E01 – Tsim Sha Tsui West E03 – Jordan West E04 – Yau Ma Tei South E09 – Cherry E10 – Tai Kok Tsui South E11 – Tai Kok Tsui North E16 – Yau Ma Tei North E17 – East Tsim Sha Tsui & King's Park E18 – Jordan North	1	–	(a) Objects to the transfer of the buildings in the east of Portland Street and Arthur Street from E04 (Yau Ma Tei South) to E17 (East Tsim Sha Tsui & King's Park) as the area does not share a similar background with E17 (East Tsim Sha Tsui & King's Park) and they are separated by Nathan Road. To ensure that the populations of E04 (Yau Ma Tei South) and E17 (East Tsim Sha Tsui & King's Park) will fall within the statutory permissible range, it is proposed to: • transfer the area in the east of Nathan Road to Diocesan Girls' School from E18 (Jordan North) to E17 (East Tsim Sha Tsui & King's Park); and • transfer the surrounding areas in the south of Pitt Street and the north of Waterloo Road from E04 (Yau Ma Tei South) to E16 (Yau Ma Tei North); or • transfer The Coronation from E04 (Yau Ma Tei South) to E03 (Jordan West) and the area in the east of Canton Road from E03 (Jordan West) to E18 (Jordan North).	<u>Item (a)</u> This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be two more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
	E19 – Jordan South E20 – Tsim Sha Tsui Central			The name of E03 (Jordan West) is to be changed to "Ferry Point".	
				(b) Objects to the provisional recommendations on E01 (Tsim Sha Tsui West). The proposed adjustments are as follows: • renames E01 (Tsim Sha Tsui West) as "Tsim Sha Tsui" or "Tsim Sha Tsui South". This DCCA includes the areas in the south of Austin Road and Granville Road, and the west of Nathan Road and Chatham Road South; • renames E20 (Tsim Sha Tsui Central) as "Hong Kong Observatory" or "Tsim Sha Tsui North". This DCCA includes the areas in the east of Nathan Road, the south of Jordan Road and Gascoigne Road, the west of Chatham Road South, and the north of Granville Road; • E19 (Jordan South) includes MTR Austin Station and the areas in the east of Canton Road, the south of Jordan Road, the west of Nathan Road, and the north of Austin Road; and	<u>Item (b)</u> This proposal is **not accepted** because the number of affected DCCAs under such proposal will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.* *		*Representations*	*EAC's views*
		W	*O*		
				• transfers some buildings from E18 (Jordan North) to E19 (Jordan South) so that the population of the latter would fall within the statutory permissible range.	
				(c) Disagrees with the provisional recommendations on E09 (Cherry), E10 (Tai Kok Tsui South) and E11 (Tai Kok Tsui North) as the community of Tai Kok Tsui is separated into the east and the west portions by the main road Tai Kok Tsui Road and the West Kowloon Corridor atop of it. It is proposed to use Tai Kok Tsui Road as the boundary to form a DCCA on the east side, and then split the west side into two DCCAs with one in the south and the other in the north.	Item (c) This proposal is **not accepted** because the populations of E09 (Cherry) and E10 (Tai Kok Tsui South) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
				(d) As E16 (Yau Ma Tei North) straddles Mong Kok and Yau Ma Tei, it is proposed to rename the DCCA as "Kwong Wah" after Kwong Wah Hospital, the landmark of the area.	Item (d) This proposal is **not accepted** because the existing DCCA name was first used in 2015 and there were no adverse comments received then. The public is used to this name. Moreover, there is no change to the boundary of the DCCA. Change of the DCCA name may cause confusion to the public.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
5	E01 – Tsim Sha Tsui West E10 – Tai Kok Tsui South E11 – Tai Kok Tsui North E12 – Tai Nan E19 – Jordan South	–	1	(a) Objects to the transfer of the surrounding area of King George V Memorial Park and Kwun Chung Municipal Services Building from E19 (Jordan South) to E01 (Tsim Sha Tsui West).	Item (a) This representation is **not accepted** because if the area is not transferred to E01 (Tsim Sha Tsui West) under the provisional recommendations, the population of the DCCA (11 866) will be below the statutory permissible lower limit (-28.51%).
				(b) Proposes that the EAC should consider transferring some of the buildings from E11 (Tai Kok Tsui North) to E10 (Tai Kok Tsui South) when adjusting the boundaries of E11 (Tai Kok Tsui North) and E12 (Tai Nan) to even out the populations of the three DCCAs.	Item (b) This proposal is **not accepted** because the population of E10 (Tai Kok Tsui South) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
6	E01 – Tsim Sha Tsui West E19 – Jordan South	1	–	Proposes to retain King George V Memorial Park and Kwun Chung Municipal Services Building in E19 (Jordan South) because the park and market there are essential community facilities for the residents. By retaining the above facilities in E19 (Jordan South), the DC member will be able to, on behalf of the residents, follow up on matters related to the facilities and propose improvements so as to serve the residents more effectively.	This proposal is **not accepted** because the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
7	E01 – Tsim Sha Tsui West	1	–	Objects to the transfer of the area in the south of Mody Road to Salisbury Road from E20 (Tsim Sha Tsui Central) to E01	This representation is **not accepted** because: (i) if the area is not transferred

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's views*
		W	*O*		
	E20 – Tsim Sha Tsui Central			(Tsim Sha Tsui West) because the area between Austin Road and Salisbury Road is populated by ethnic minorities. Many residents in the area operate small businesses and have close community ties.	to E01 (Tsim Sha Tsui West) under the provisional recommendations, the population of the DCCA (10 263) will be below the statutory permissible lower limit (-38.17%); and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.
8	E02 – Kowloon Station E07 – Fu Pak	1	–	Proposes to transfer the vacant land by the sea along Hoi Fai Road from E02 (Kowloon Station) to the adjacent E07 (Fu Pak) as the area does not have any inhabitants and is far from the centre of E02 (Kowloon Station).	This proposal is **not accepted** because the area concerned has no population. There is no need to adjust the boundaries.
9	E02 – Kowloon Station E04 – Yau Ma Tei South E12 – Tai Nan E17 – East Tsim Sha Tsui & King's Park	1	–	(a) Objects to the transfer of the buildings in the east of Portland Street and Arthur Street from E04 (Yau Ma Tei South) to E17 (East Tsim Sha Tsui & King's Park). It considers that the EAC has wrongly estimated the population of E17 (East Tsim Sha Tsui & King's Park).	<u>Item (a)</u> This representation is **not accepted** because: (i) the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD.

Item No.	*DCCAs*	*No.* *		*Representations*	*EAC's views*
		W	*O*		The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise; and (ii) if the boundaries of E04 (Yau Ma Tei South) and E17 (East Tsim Sha Tsui & King's Park) remain unchanged, the populations of the two DCCAs will exceed the statutory permissible range, which are: E04: 20 862, +25.68% E17: 10 954, -34.01%

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's views***
		W	***O***		
				(b) Has no adverse comments on the provisional recommendations on E02 (Kowloon Station) and E12 (Tai Nan).	Item (b) The view is noted.
10	E07 – Fu Pak	1	–	Supports the provisional recommendations.	The supporting view is noted.

Appendix II - F

Sham Shui Po District

Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	2	-	Support the provisional recommendations on all DCCAs of the Sham Shui Po District.	The supporting views are noted.
2	All DCCAs	1	-	(a) Supports the provisional recommendations on F02 (Cheung Sha Wan), F07 (Nam Cheong Central), F10 (Lai Kok), F13 (Lai Chi Kok Central), F18 (Lai Chi Kok North), F22 (Lung Ping & Sheung Pak Tin) and F24 (Yau Yat Tsuen).	Item (a) The supporting view is noted.
				(b) Objects to the provisional recommendations on F01 (Po Lai), F19 (Un Chau) and F21 (Lei Cheng Uk) and proposes: • to transfer Un Chau Estate Phase 5 from F01 (Po Lai) to F19 (Un Chau); • to transfer the private buildings at Po On Road, Cheung Fat Street, Un Chau Street and Hing Wah Street, and Koon Wing Building from F19 (Un Chau) to F01 (Po Lai), so as to narrow down the community difference; and	Item (b) This proposal is **not accepted** because: (i) the affected population under the proposal made in the representation (10 696) will be larger than that in the provisional recommendations (980) by 9 716; and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

* W : Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• to transfer the surrounding areas of Wai Wai Road, Pratas Street, Castle Peak Road and Tonkin Street from F01 (Po Lai) to F21 (Lei Cheng Uk) as the latter's population is relatively low.	
				(c) Objects to the provisional recommendations on F20 (So Uk) and F21 (Lei Cheng Uk) and proposes to transfer the entire Camellia House from F21 (Lei Cheng Uk) to F20 (So Uk).	Item (c) This proposal is **accepted** because according to the provisional recommendations, the entire So Uk Estate (including Camellia House) actually belongs to F20 (So Uk), therefore the population of Camellia House has already been included in F20 (So Uk). The EAC will make technical adjustment to the proposed boundaries of F20 (So Uk) and F21 (Lei Cheng Uk).
				(d) Objects to the provisional recommendations on F03 (Nam Cheong North), F04 (Shek Kip Mei), F05 (Nam Cheong East), F23 (Ha Pak Tin) and F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai) and proposes: • to transfer the buildings in the north of Tai Po Road from F03 (Nam Cheong North) to F04 (Shek Kip Mei), so as to reflect the different living circles of the two DCCAs; and	Item (d) This proposal is **not accepted** because: (i) if the buildings at the north of Tai Po Road are to be transferred from F03 (Nam Cheong North) to F04 (Shek Kip Mei), the affected population (2 718) will be larger than that in the provisional recommendations (1 191) by 1 527;

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• to transfer Mei Yue House and Mei Ying House of Shek Kip Mei Estate from F04 (Shek Kip Mei) to F23 (Ha Pak Tin) instead of F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai), so as to even out the population difference. Also, some of the residents of these two blocks are relocated from Pak Tin Estate in F23 (Ha Pak Tin), and the residents of F23 (Ha Pak Tin) often go to MTR Shek Kip Mei Station through Wai Chi Street in F04 (Shek Kip Mei).	(ii) if Mei Yue House and Mei Ying House of Shek Kip Mei Estate are to be transferred from F04 (Shek Kip Mei) to F23 (Ha Pak Tin), the population of F23 (Ha Pak Tin) (20 817) will exceed the statutory permissible upper limit (+25.41%); (iii) the relocation of part of the population as mentioned in the representation is originated from the redevelopment of housing estates. It is a common phenomenon that residents need to be relocated to different DCCAs due to redevelopment of housing estates, which also inevitably affects the existing local ties. Such influence is originated from relocation of population instead of delineation. The EAC is of the view that there is no sufficient information and justification to allow the population of F23 (Ha Pak Tin) to exceed the statutory permissible upper limit; and (iv) according to the projected population in 2019, F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai) has more capacity than F23 (Ha Pak Tin) to absorb the excess population in F04 (Shek Kip Mei).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(e) Proposes to "cut straight" the boundary in the area near Tsung Tsin Primary School and rename F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai) as "Kowloon Tsai" (九龍仔) for the convenience of the public.	Item (e) This proposal is **not accepted** because: (i) as the Tsung Tsin Primary School under the proposal made in the representation has no population, there is no need to adjust the boundary; and (ii) the current name of the DCCA has been used since 2007 and most of the public are used to this name. Besides, as the DCCA name proposed in the representation is also similar to that of "Kowloon Tsai" (九龍仔) in the Kowloon City District, change of the DCCA name may cause confusion to the public.
				(f) Objects to the provisional recommendations on F06 (Nam Cheong South), F08 (Nam Cheong West) and F09 (Fu Cheong) and proposes: • to transfer the private buildings surrounding the area in the south of Lai Chi Kok Road from F06 (Nam Cheong South) to F08 (Nam Cheong West), so as to rectify the problem of odd-looking boundaries of two DCCAs; and	Item (f) This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of F08 (Nam Cheong West) (21 785) will exceed the statutory permissible upper limit (+31.24%); and (ii) although the shape of a DCCA is a relevant factor of consideration, it is confined by population distribution to a certain

				• to transfer Sham Shui Po Park and Ka Ling School from F09 (Fu Cheong) to F08 (Nam Cheong West), so as to reflect the situation that the access to the school is in fact located in F08 (Nam Cheong West).	extent and is not a prime factor of consideration.
				(g) Holds reservation on the provisional recommendations on F12 (Pik Wui). The representation considers that the population of F12 (Pik Wui) is relatively scattered and that more polling stations should be set up in elections to facilitate electors.	Item (g) The delineation recommendations must be based on objective data of population distribution. Arrangement on polling station is not the relevant factor of consideration. The EAC has referred the relevant view to the REO for consideration.
				(h) Holds reservation on the provisional recommendations on F11 (Fortune), F14 (Lai Chi Kok South), F15 (Mei Foo South), F16 (Mei Foo Central) and F17 (Mei Foo North) and considers that F15 (Mei Foo South), F16 (Mei Foo Central) and F17 (Mei Foo North) should adopt Tsing Sha Highway as their eastern boundaries, so as to reflect the change of the road network.	Item (h) This proposal is **not accepted** because the populations of F15 (Mei Foo South), F16 (Mei Foo Central) and F17 (Mei Foo North) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
3	F01 – Po Lai F19 – Un Chau	1	-	Proposes: • to transfer Un Chau Estate Phase 5 from F01 (Po Lai) to F19 (Un Chau); and • to transfer the private buildings in F19 (Un Chau) to F01 (Po Lai).	This proposal is **not accepted** because the affected population under the proposal made in the representation (7 972) will be larger than that in the provisional recommendations (980) by 6 992.
4	F01 – Po Lai F21 – Lei Cheng Uk	1	-	Objects to the transfer of Heya Green, Career Court and Po Wah Court in the north of Po On Road near Wai Wai Road from F01 (Po Lai) to F21 (Lei Cheng Uk). Proposes to maintain the existing boundary of F01 (Po Lai) because the above buildings originally belonged to F01 (Po Lai) and such an adjustment will affect the continuity of community services and cause unfairness to the residents affected.	This proposal is **not accepted** because: (i) if the boundary of F21 (Lei Cheng Uk) remains unchanged, the population of F21 (Lei Cheng Uk) (12 356) will be below the statutory permissible lower limit (-25.56%); and (ii) the delineation recommendations must be based on objective data of population distribution. Provision of community services is not the relevant factor of consideration.
5	F02 – Cheung Sha Wan F03 – Nam Cheong North	1	-	Proposes to split F22 (Lung Ping & Sheung Pak Tin) into other DCCAs for the creation of a new DCCA to accommodate the excess population of Shek Kip Mei Estate after its redevelopment. Proposes: • to transfer the area in the north of Lung Cheung Road and the north of Ching Cheung Road from	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be five more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	F04 – Shek Kip Mei F05 – Nam Cheong East F06 – Nam Cheong South F21 – Lei Cheng Uk F22 – Lung Ping & Sheung Pak Tin F23 – Ha Pak Tin F24 – Yau Yat Tsuen			F22 (Lung Ping & Sheung Pak Tin) to F24 (Yau Yat Tsuen); • to transfer Chak On Estate from F22 (Lung Ping & Sheung Pak Tin) to F02 (Cheung Sha Wan) and transfer Cronin Garden from F02 (Cheung Sha Wan) to F21 (Lei Cheng Uk); • to transfer the buildings of Pak Tin Estate from F22 (Lung Ping & Sheung Pak Tin) to F23 (Ha Pak Tin) and transfer the buildings surrounding the area of Wai Chi Street from F23 (Ha Pak Tin) to F04 (Shek Kip Mei) and to rename F23 (Ha Pak Tin) as "Pak Tin"; • to form a DCCA comprising the redeveloped Shek Kip Mei Estate in F04 (Shek Kip Mei) and the buildings surrounding the area of Wai Chi Street and to name it as "Sheung Shek Kip Mei"; • to form a DCCA comprising the Shek Kip Mei Estate which has not yet been redeveloped in F04 (Shek Kip Mei) and the buildings surrounding the area in the north of Tai Po Road, the east of Pak Tin Street, the west of Wong Chuk Street and the south of Berwick Street in F03 (Nam Cheong North) and F05 (Nam Cheong East) and to name	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				it as "Ha Shek Kip Mei"; and • to transfer the buildings surrounding the area in the east of Cheung Sha Wan Road from F06 (Nam Cheong South) to F05 (Nam Cheong East).	
6	F03 – Nam Cheong North F04 – Shek Kip Mei F05 – Nam Cheong East	1	-	Holds no objection to the provisional recommendations on the transfer of Mei Yue House and Mei Ying House of Shek Kip Mei Estate from F04 (Shek Kip Mei) to F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai) and further proposes: • to transfer Blocks 19 and 20 of Shek Kip Mei Estate from F05 (Nam Cheong East) to F04 (Shek Kip Mei) because these two blocks are geographically closer to Shek Kip Mei Estate in F04 (Shek Kip Mei), hence it has closer community ties with the estate. This proposal would help maintain the community integrity; and • to retain the area in the north of Tai Po Road in F03 (Nam Cheong North), so as to maintain the community integrity in the area surrounding Nam Cheong.	This proposal is **not accepted** because: (i) the population of F05 (Nam Cheong East) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (ii) if the area at the north of Tai Po Road is to be retained in F03 (Nam Cheong North), the population of F03 (Nam Cheong North) (20 819) will exceed the statutory permissible upper limit (+25.42%).

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
7	F03 – Nam Cheong North F04 – Shek Kip Mei F05 – Nam Cheong East F23 – Ha Pak Tin F25 – Nam Shan, Tai Hang Tung & Tai Hang Sai	1	3	(a) Object to the provisional recommendations on F03 (Nam Cheong North), F04 (Shek Kip Mei) and F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai). Consider that the provisional recommendations have not taken into account the community integrity reflecting that the EAC only gives consideration to the population figures. Propose that: • Mei Yue House and Mei Ying House of Shek Kip Mei Estate be retained in F04 (Shek Kip Mei) and Shek Kip Mei Estate Phases 3 and 7 or Mei Ho House together with Shek Kip Mei Estate Phases 3 and 7 be transferred from F04 (Shek Kip Mei) to F23 (Ha Pak Tin); or • Shek Kip Mei Estate be split into two DCCAs, namely Shek Kip Mei East and Shek Kip Mei West. Reasons are summarised as follows: • as compared with Nam Shan Estate, Tai Hang Tung Estate and Tai Hang Sai Estate, Shek	<u>Item (a)</u> This proposal is **not accepted** because: (i) if Mei Ho House and Shek Kip Mei Estate Phases 3 and 7 are to be transferred to F23 (Ha Pak Tin), the population of F04 (Shek Kip Mei) (21 276) will still exceed the statutory permissible upper limit (+28.18%); (ii) the population quota for the 2019 DC Ordinary Election is 16 599, and the statutory permissible range is between 12 449 and 20 749. The population of Shek Kip Mei Estate is 24 400, which is not sufficient to create two DCCAs; and (iii) after receiving the representations, the EAC conducted a site visit and noticed that Mei Yue House and Mei Ying House are geographically very close to the adjacent Tai Hang Sai Estate, and it is not required to pass through any slopes to go to Nam Shan Estate, Tai Hang Tung Estate and Tai Hang Sai Estate along Wai Chi Street or Woh Chai Street.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Kip Mei Estate and Pak Tin Estate have all along been regarded as an integral community. Activities of the residents mainly take place in these two estates and they often share the same community facilities, hence the ties between them are closer; • Mei Yue House and Mei Ying House of Shek Kip Mei Estate are situated at a level higher than that of Nam Shan Estate, Tai Hang Tung Estate and Tai Hang Sai Estate. It takes quite some time for the residents of the former to walk down the slope to the latter; and • the above proposal helps maintain the community integrity of the two DCCAs concerned.	
				(b) One representation further proposes to transfer the private buildings at Tai Po Road, Nam Cheong Street, Berwick Street and Pei Ho Street from F03 (Nam Cheong North) to F05 (Nam Cheong East) so as to group the old private buildings in the same DCCA.	<u>Item (b)</u> Please see item 6(i).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) One representation also proposes to transfer the private buildings at Tai Po Road, Pei Ho Street, Berwick Street and Kweilin Street from F03 (Nam Cheong North) to F05 (Nam Cheong East).	Item (c) This proposal is **not accepted** because the private buildings within the area of Tai Po Road, Pei Ho Street, Berwick Street and Kweilin Street in F03 (Nam Cheong North) are not geographically connected to F05 (Nam Cheong East), hence making adjustment as proposed in the representation is not feasible.
				(d) One representation proposes to retain the private buildings at Tai Po Road, Pei Ho Street, Berwick Street and Kweilin Street in F03 (Nam Cheong North).	Item (d) This proposal is **not accepted** because according to the proposal made in the representation, the population of F03 (Nam Cheong North) (20 819) will exceed the statutory permissible upper limit (+25.42%).
				(e) Consider that the EAC only provides the population figures of each DCCA but not the actual population of individual buildings in the DCCAs, hence making it difficult for DC member of the DCCA to make recommendations based on the actual population.	Item (e) Since the delineation exercise is conducted on the basis of DCCA, figures of each DCCA are therefore provided. In adjusting the boundaries, the EAC will request the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD, to provide population figures of individual buildings in the areas to be delineated. If so required, the EAC will also seek the assistance from the AHSG to project the relevant population figures when examining new proposals from the public.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
8	F03 – Nam Cheong North F04 – Shek Kip Mei F25 – Nam Shan, Tai Hang Tung & Tai Hang Sai	2	-	(a) Supports the provisional recommendations but consider it necessary, in the long run, to adjust the DCCA boundaries surrounding the areas of Shek Kip Mei and Nam Cheong, and address the issue of delineation of Shek Kip Mei Estate into three different DCCAs.	<u>Item (a)</u> The supporting view is noted. In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
				(b) Holds no objection to the provisional recommendations.	<u>Item (b)</u> The view is noted.
9	F03 – Nam Cheong North F04 – Shek Kip Mei F25 – Nam Shan, Tai Hang Tung & Tai Hang Sai	-	1	Hopes that the EAC can provide sufficient justification to explain why it recommends F04 (Shek Kip Mei) to absorb part of the private buildings from F03 (Nam Cheong North) after the transfer of Mei Yue House and Mei Ying House of Shek Kip Mei Estate from F04 (Shek Kip Mei) to F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai).	Based on the 2015 original DCCA boundary, the population of F04 (Shek Kip Mei) (22 651) will exceed the statutory permissible upper limit (+36.46%). By transferring Mei Yue House and Mei Ying House of F04 (Shek Kip Mei) to F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai), the population of F04 (Shek Kip Mei) will be adjusted to 17 848, and then has capacity to absorb the excess population of F03 (Nam Cheong North). The provisional recommendations can ensure that both the populations of F03 (Nam Cheong North) and F04 (Shek Kip Mei) will fall within the statutory permissible range by the way of affecting the least number of DCCAs.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
10	F03 – Nam Cheong North F04 – Shek Kip Mei F25 – Nam Shan, Tai Hang Tung & Tai Hang Sai	1	-	Some housing estates in F04 (Shek Kip Mei) are still under construction. As it is impossible to ascertain the flow of population, proposes to retain the boundaries of F03 (Nam Cheong North), F04 (Shek Kip Mei) and F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai). In addition, it is considered that the transfer of Mei Yue House and Mei Ying House of Shek Kip Mei Estate to F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai) will break the community ties within the DCCA as they belong to new and old housing estates respectively.	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the populations of F03 (Nam Cheong North) and F04 (Shek Kip Mei) will exceed the statutory permissible upper limit: F03: 20 819, +25.42% F04: 22 651, +36.46% (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.
11	F04 – Shek Kip Mei F22 – Lung Ping & Sheung Pak Tin F23 – Ha Pak Tin	1	-	Queries that the EAC has not considered the substantial demographic change in Pak Tin Estate in F22 (Lung Ping & Sheung Pak Tin) as a result of redevelopment during the 2019 DC Election. As F23 (Ha Pak Tin) has included the new blocks of Pak Tin Estate, it is worried that electors originally belonged to F22 (Lung Ping & Sheung Pak Tin) may cast their votes in a wrong DCCA as they are relocated to the same housing estate in F23 (Ha Pak Tin). Proposes: (a) to transfer Mei Yue House and Mei Ying House of Shek Kip Mei Estate from	<u>Item (a)</u> This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; (ii) Mei Yue House and Mei Ying House of Shek Kip Mei Estate in F04 (Shek Kip Mei) are not geographically connected to F22 (Lung Ping &

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				F04 (Shek Kip Mei) to F22 (Lung Ping & Sheung Pak Tin), and then transfer Blocks 9 to 11 and 13 of Upper Pak Tin Estate from F22 (Lung Ping & Sheung Pak Tin) to F23 (Ha Pak Tin), so as to enhance the community integrity of the Pak Tin community.	Sheung Pak Tin), hence the proposal made in the representation is not feasible; (iii) if Blocks 9 to 11 and 13 of Upper Pak Tin Estate are to be transferred from F22 (Lung Ping & Sheung Pak Tin) to F23 (Ha Pak Tin), the population of F23 (Ha Pak Tin) (22 818) will exceed the statutory permissible upper limit (+37.47%); and (iv) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
				(b) to transfer Pak Tin Commercial Centre from F23 (Ha Pak Tin) to F22 (Lung Ping & Sheung Pak Tin) so that residents who are relocated due to the redevelopment can be transferred to the same DCCA.	<u>Item (b)</u> This proposal is **not accepted** because the populations of F22 (Lung Ping & Sheung Pak Tin) and F23 (Ha Pak Tin) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) to transfer Shek Kip Mei Estate Phases 3 and 7 from F04 (Shek Kip Mei) to F22 (Lung Ping & Sheung Pak Tin), so as to make up for the drop in population due to relocation of residents as a result of the redevelopment of Upper Pak Tin Estate in mid 2019.	Item (c) This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.
12	F04 – Shek Kip Mei F22 – Lung Ping & Sheung Pak Tin F23 – Ha Pak Tin F25 – Nam Shan, Tai Hang Tung & Tai Hang Sai	1	-	(a) Objects to the provisional recommendations on F04 (Shek Kip Mei) and F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai). Taking into consideration of the demographic change in F22 (Lung Ping & Sheung Pak Tin) due to redevelopment, proposes that adjustment should be made to the boundaries of both F04 (Shek Kip Mei) and F22 (Lung Ping & Sheung Pak Tin) instead of F04 (Shek Kip Mei) and F25 (Nam Shan, Tai Hang Tung & Tai Hang Sai).	Item (a) This proposal is **not accepted** because the representation has failed to provide any specific details on how to adjust the DCCA boundaries.
				(b) Proposes to transfer Blocks 9, 10 and 11 of Pak Tin Estate from F22 (Lung Ping & Sheung Pak Tin) to F23 (Ha Pak Tin), so as to reflect the "advanced relocation" of the residents in the above estate from April 2018 due to redevelopment and the start of official relocation in the third quarter of 2019, as well as preserving community integrity.	Item (b) This proposal is **not accepted** because: (i) the populations of F22 (Lung Ping & Sheung Pak Tin) and F23 (Ha Pak Tin) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					are not required; and (ii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
13	F04 – Shek Kip Mei F25 – Nam Shan, Tai Hang Tung & Tai Hang Sai	-	2	Support the provisional recommendations and hope that there would be a hardworking DC member who will work practically to serve residents of the DCCA.	The supporting views are noted.
14	F06 – Nam Cheong South F08 – Nam Cheong West	1	-	Objects to the provisional recommendations and considers that the buildings surrounding the area of Nam Cheong Street and Yee Kuk Street have been delineated into three different DCCAs in Nam Cheong which lead to inefficiency and lack of continuity in the provision of services by DC members. Proposes to retain the buildings surrounding the area of Nam Cheong Street and Yee Kuk Street in F08 (Nam Cheong West).	The view is noted. According to the provisional recommendations, the buildings surrounding the junction of Nam Cheong Street and Yee Kuk Street in F06 (Nam Cheong South) will be transferred to F08 (Nam Cheong West).

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
15	F06 – Nam Cheong South F08 – Nam Cheong West F09 – Fu Cheong	-	1	Same as item 2(f).	Please see item 2(f).
16	F06 – Nam Cheong South F08 – Nam Cheong West F09 – Fu Cheong F10 – Lai Kok	2	-	Consider that the boundary between F06 (Nam Cheong South) and F08 (Nam Cheong West) in the provisional recommendations is a jagged edge. Propose to transfer the buildings surrounding the area in the south of Lai Chi Kok Road from F06 (Nam Cheong South) to F08 (Nam Cheong West), so that both DCCAs can use Lai Chi Kok Road as their boundaries. One representation further proposes to transfer the buildings surrounding the area in the northwest of Yen Chow Street from F08 (Nam Cheong West) to F10 (Lai Kok) which has a relatively smaller population.	This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposals made in the representations will be one more than that in the provisional recommendations. The affected population under the proposals will be larger, too; and (ii) although the shape of a DCCA is a relevant factor of consideration, it is confined by population distribution to a certain extent and is not a prime factor of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				One representation further proposes to transfer the buildings surrounding the area in the west of Yen Chow Street from F08 (Nam Cheong West) to F10 (Lai Kok) which has a relatively smaller population and to transfer Sham Shui Po Park and Ka Ling School from F09 (Fu Cheong) to F10 (Lai Kok).	
17	F09 – Fu Cheong F11 – Fortune F12 – Pik Wui F14 – Lai Chi Kok South	1	-	Proposes: • to transfer the area in the south of Lai Chi Kok Road from F11 (Fortune) to the new DCCA F12 (Pik Wui) because the nature of housing of The Sparkle in the area is closer to those buildings in the new DCCA; • to transfer the area in the northwest of Tonkin Street West from F09 (Fu Cheong) to the new DCCA F12 (Pik Wui). After adjustment, F09 (Fu Cheong) will only include Fu Cheong Estate and Wing Cheong Estate; • to transfer the area in the south of West Kowloon Highway from F14 (Lai Chi Kok South) to the new DCCA F12 (Pik Wui). After adjustment, F14 (Lai Chi Kok South) will only include Hoi Lai Estate; and	This proposal is **not accepted** because: (i) the affected population under the proposal made in the representation (14 631) will be larger than that in the provisional recommendations (13 376) by 1 255; (ii) as the area from Fat Tseung Street West to Tonkin Street West has no population, there is no need to adjust the boundaries; and (iii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• to transfer, upon the above adjustments, Stonecutters Island from F14 (Lai Chi Kok South) to the new DCCA F12 (Pik Wui) and to rename the latter as "Ngong Shuen Wan", so that the public housing development underway near the Cheung Sha Wan Wholesale Food Market will not be overlooked by naming the DCCA after the names of two major housing estates in the DCCA only.	
18	F11 – Fortune F12 – Pik Wui	1	1	Propose to transfer the area in the south of Lai Chi Kok Road and the north of West Kowloon Corridor, including The Sparkle, from F11 (Fortune) to F12 (Pik Wui) because: • the above adjustment will bring the populations of F11 (Fortune) and F12 (Pik Wui) closer to the population quota; and • there will be new development in the area of Yuen Fat Warehouse and Kerry Hung Kai Warehouse next to The Sparkle, therefore to transfer the above area and the private housing estate The Sparkle to F12 (Pik Wui) can help preserve community integrity and consistency of community services.	This proposal is **not accepted** because: (i) the affected population under the proposal made in the representations (14 614) will be larger than that in the provisional recommendations (13 376) by 1 238; (ii) the delineation recommendations must be based on objective data of population distribution. Provision of community services is not the relevant factor of consideration; and (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					30 June of the election year. Developments thereafter will not be taken into consideration.
19	F12 – Pik Wui	1	-	Supports the provisional recommendations.	The supporting view is noted.
20	F13 – Lai Chi Kok Central F18 – Lai Chi Kok North	1	-	Proposes to transfer the industrial buildings in the south of Cheung Sha Wan Road and the Temporary Wholesale Poultry Market from F18 (Lai Chi Kok North) to F13 (Lai Chi Kok Central) because the above area is geographically closer to F13 (Lai Chi Kok Central), but relatively further from F18 (Lai Chi Kok North). The DC member of F13 (Lai Chi Kok Central) would likely more care about the above area than their counterpart of F18 (Lai Chi Kok North). Moreover, industrial area and poultry market should have no population, therefore this proposal will not have any impact on the populations of the relevant DCCAs.	This proposal is **not accepted** because the populations of F13 (Lai Chi Kok Central) and F18 (Lai Chi Kok North) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
21	F16 – Mei Foo Central F17 – Mei Foo North	1	-	Proposes to transfer Mei Foo Sun Chuen Phase 7 from F16 (Mei Foo Central) to F17 (Mei Foo North).	This proposal is **not accepted** because the populations of F16 (Mei Foo Central) and F17 (Mei Foo North) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

22	F20 – So Uk F21 – Lei Cheng Uk	1	2	Same as item 2(c).	Please see item 2(c).
23	F22 – Lung Ping & Sheung Pak Tin	2	-	(a) Support the provisional recommendations and consider that it can help maintain the community integrity of the DCCA.	<u>Item (a)</u> The supporting views are noted.
				(b) In respect of arrangement on polling station, propose to keep the practice of setting up two polling stations in the above DCCA, one for the residents of Upper Pak Tin Estate and Chak On Estate and the other for residents of private housing estates in the DCCA to cast their votes. • One representation states that the setting up of two polling stations at Chak On Estate for the 2018 LegCo By-election resulted in a large number of electors going to the wrong polling station for voting, while residents of Chak On Estate were also dissatisfied with the arrangement of being allocated to a new polling station.	<u>Item (b)</u> The EAC has referred the relevant view to the REO for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• One representation proposes that the polling station for Upper Pak Tin Estate be set up at the vacant shop on the ground floor of Block 9 of Upper Pak Tin Estate instead of at the new Pak Tin Community Hall, so as to avoid causing inconvenience and confusion to the residents.

Kowloon City District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	(a) Supports the provisional recommendations on G06 (Sheung Lok), G08 (Kadoorie), G09 (Prince), G10 (Kowloon Tong), G24 (Oi Man) and G25 (Oi Chun).	Item (a) The supporting view is noted.
				(b) Objects to the provisional recommendations on G01 (Ma Tau Wai), G02 (Sung Wong Toi), G03 (Ma Hang Chung) and G15 (Hoi Sham), and considers that the construction works affecting the area in the east of To Kwa Wan Road and other community problems remain unresolved. Having considered that To Kwa Wan Road is the main road accommodating the traffic needs of Grand Waterfront and G15 (Hoi Sham) and the latter has sufficient room to absorb the populations from other DCCAs, proposes to transfer the area in the east of To Kwa Wan Road from G02 (Sung Wong Toi) and G03 (Ma Hang Chung) to G15 (Hoi Sham).	Item (b) This proposal is **not accepted** because according to the proposal made in the representation, the population of G15 (Hoi Sham) (21 998) will exceed the statutory permissible upper limit (+32.53%).

* W: Number of written representations.
O: Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) Transfers The Astrid from G01 (Ma Tau Wai) to G07 (Ho Man Tin) for the purposes of evening out the populations of G01 (Ma Tau Wai) and G07 (Ho Man Tin) and rectifying the shape of the DCCAs.	Item (c) This proposal is **not accepted** because the population of G07 (Ho Man Tin) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
				(d) Holds reservation on the provisional recommendations on G12 (Kai Tak North), G13 (Kai Tak East) and G14 (Kai Tak Central & South), and proposes to delineate Kai Ching Estate and Tak Long Estate on the basis of "one estate, one DCCA" in order to preserve the integrity of the estates concerned. As for the other buildings, proposes to transfer them to G14 (Kai Tak Central & South).	Item (d) This proposal is **not accepted** because according to the proposal made in the representation, the populations of G12 (Kai Tak North) and G14 (Kai Tak Central & South) will be below the statutory permissible lower limit: G12: 12 331, -25.71% G14: 7 811, -52.94%
				(e) Objects to the provisional recommendations on G19 (Whampoa East), G20 (Whampoa West) and G21 (Hung Hom Bay) as the provisional recommendations will break the integrity of Harbour Place. Proposes to transfer Bauhinia Mansions to G19 (Whampoa East) and Palm Mansions to G20 (Whampoa West), as well as to keep the boundary of G21 (Hung Hom Bay) unchanged so as to even out	Item (e) This proposal is **not accepted** because the affected population under the proposal made in the representation (6 114) will be larger than that in the provisional recommendations (2 096) by 4 018. Please also see item 9.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				the populations of the three DCCAs.	
2	G01 – Ma Tau Wai G02 – Sung Wong Toi G03 – Ma Hang Chung G04 – Ma Tau Kok G09 – Prince G11 – Lung Shing	1	-	Objects to the transfer of certain buildings from G02 (Sung Wong Toi) to G03 (Ma Hang Chung) because the provisional recommendations are unreasonable and the shapes of the DCCAs have become odd. To enhance the integrity of various communities, proposes to: • use Stirling Road as the boundary, transfer the area in the north of Argyle Street from G01 (Ma Tau Wai) to G09 (Prince) and G11 (Lung Shing) respectively, where the populations are smaller; • transfer Horae Place and the buildings in the vicinity from G03 (Ma Hang Chung) to G01 (Ma Tau Wai), and transfer the buildings on both sides of Hung Kwong Street from G03 (Ma Hang Chung) to G04 (Ma Tau Kok); and • transfer the buildings stretching from the north of Grand Waterfront to Ma Tau Kok Road from G02 (Sung Wong Toi) to G03 (Ma Hang Chung).	This proposal is **not accepted** because the populations of G04 (Ma Tau Kok), G09 (Prince) and G11 (Lung Shing) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
3	G01 – Ma Tau Wai	1	-	Objects to the provisional recommendations on G01 (Ma Tau Wai), G02 (Sung Wong Toi), G03 (Ma Hang Chung),	This proposal is **not accepted** because: (i) according to the proposal

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	G02 – Sung Wong Toi G03 – Ma Hang Chung G12 – Kai Tak North G13 – Kai Tak East G14 – Kai Tak Central & South			G12 (Kai Tak North) and G13 (Kai Tak East), and the area of the new DCCA G14 (Kai Tak Central & South) because of the undesirable results. Reasons are as follows: • although the populations of G01 (Ma Tau Wai), G02 (Sung Wong Toi), G03 (Ma Hang Chung), G12 (Kai Tak North), G13 (Kai Tak East) and G14 (Kai Tak Central & South) do fall within the statutory permissible range, re-delineation of G02 (Sung Wong Toi) has given rise to greater populations in G01 (Ma Tau Wai), G02 (Sung Wong Toi) and G03 (Ma Hang Chung) as opposed to lower populations in the three DCCAs in the Kai Tak area; and • the shapes of G01 (Ma Tau Wai), G02 (Sung Wong Toi) and G03 (Ma Hang Chung) are undesirable. The representation proposes to: • maintain the original boundary of G12 (Kai Tak North), and rename it as "Kai Ching" or "Ching Long"; • retain the public housing estate in the original boundaries of G13 (Kai Tak East) i.e. the area of Tak Long Estate, and rename it	made in the representation, the population of G02 (Sung Wong Toi) (20 987) will exceed the statutory permissible upper limit (+26.44%); (ii) the area of the new DCCA in the representation covers the buildings in G02 (Sung Wong Toi) and those in the Kai Tak Development Area in G13 (Kai Tak East). Even though there is a new road (Shing Kai Road) connecting the two places, they are very far away from each other; and (iii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				as "Tak Long"; • change the area of the new DCCA to cover the remaining buildings of the Kai Tak Development Area in G13 (Kai Tak East) and the buildings on both sides of Sky Tower in G02 (Sung Wong Toi) and rename it as "Kai Tak". The representation considers that the buildings in the two places are both private buildings and subsidised owner-occupied buildings which are similar in nature. They are connected by Shing Kai Road and so there are certain ties between them; and • transfer the buildings next to Jubilant Place, stretching from the east of Pau Chung Street to Grand Waterfront in G03 (Ma Hang Chung) to G02 (Sung Wong Toi). These buildings have all along been part of G03 (Ma Hang Chung), but in fact, are separated from other parts of G03 (Ma Hang Chung) by the gas production plant and the former Animal Quarantine Depot and slaughterhouse (currently known as the Cattle Depot Artist Village). Proposes to rename G02 (Sung Wong Toi) as "Cattle Depot". The representation considers	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				that the above adjustments to G12 (Kai Tak North) and G13 (Kai Tak East) are technical in nature which do not involve population adjustments. Besides, as compared with the provisional recommendations, the number of DCCAs to be re-delineated is smaller and the adjustments will bring the populations of all DCCAs concerned closer to the population quota.	
4	G09 – Prince G10 – Kowloon Tong G11 – Lung Shing	1	-	The populations of the DCCAs concerned will exceed the statutory permissible upper limit or fall short of the lower limit. However, the EAC's provisional recommendations are unable to preserve community integrity. In order to avoid causing difficulties to the work of the DC members concerned and being unfair to the residents of the DCCAs, proposes to: • transfer the areas in the south of Rutland Quadrant, and Durham Road, and in the west of Lancashire Road from G10 (Kowloon Tong) to G09 (Prince). As these areas are closer to G09 (Prince), re-delineating these areas will help strengthen and foster community integrity; and • transfer the areas in the east of Inverness Road, in the west of Junction Road and in	This proposal is **not accepted** because: (i) the populations of G09 (Prince), G10 (Kowloon Tong) and G11 (Lung Shing) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				the north of Dumbarton Road from G10 (Kowloon Tong) to G11 (Lung Shing) because of the fact that residents in the above areas mainly go to Kowloon City for daily activities and leisure. The representation considers that the transfer of the above areas to G11 (Lung Shing) can help reduce the pressure of DC members in performing their duties at the local level and strengthen community integrity in the areas around Inverness Road. Overall, the representation opines that the above proposals not only can reduce the pressure of the DC members in performing their duties at the local level and preserve community integrity, but also improve the respective population figures of the three DCCAs.	
5	G12 – Kai Tak North G13 – Kai Tak East	1	-	Supports the creation of a new DCCA in the areas of Kai Ching Estate and Tak Long Estate where new buildings are constantly being developed.	The supporting view is noted.
6	G12 – Kai Tak North	1	1	(a) Object to the transfer of De Novo to G12 (Kai Tak North) and the transfer of three blocks of Tak Long Estate and other private housing estates to G14 (Kai	<u>Items (a) and (b)</u> These proposal are **not accepted** because: (i) according to the proposal made in the representations,

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	G13 – Kai Tak East G14 – Kai Tak Central & South			Tak Central & South). Reasons are summarised as follows: • as for community identity, De Novo is an owner-occupied housing. Its residents have different livelihood issues and needs of resources and ancillary support from those living at Kai Ching Estate. Similarly, transferring three blocks of Tak Long Estate and other private housing estates to G14 (Kai Tak Central & South) will affect the identity and homogeneity of the community; • as for geographical situations, De Novo is closer to the neighbouring private housing estate. While the distance between the two is about 75 metres, the distance between De Novo and most of the buildings of Kai Ching Estate is 150 metres; and • as for population, the projected population of G12 (Kai Tak North) is about 14 000 but De Novo has about 1 000 people only,	the population of G12 (Kai Tak North) (12 331) will be below the statutory permissible lower limit (-25.71%); (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration; and (iii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				accounting for about 5% of the overall population of G12 (Kai Tak North). The representations worry that the elected DC member for the DCCA may only spare very little resources and time to serve the residents of De Novo. In addition, when conflicts arouse between the residents of De Novo and Kai Ching Estate on issues of ancillary support and daily activities, it will be hard for the DC member to remain impartial when dealing with the conflicts and heeding the needs of De Novo.	
				(b) Propose to transfer De Novo to G14 (Kai Tak Central & South) so that the DC member can heed the residents' voices of all private housing estates. The proposal can give rise to synergy and keep the population deviation within the permissible range.	
7	G15 – Hoi Sham	1	-	Supports the provisional recommendation.	The supporting view is noted.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
8	G20 – Whampoa West G21 – Hung Hom Bay	3	-	Support the provisional recommendations.	The supporting view is noted.
9	G19 – Whampoa East G20 – Whampoa West G21 – Hung Hom Bay G22 – Hung Hom	17	2	Object to the provisional recommendations on G19 (Whampoa East), G20 (Whampoa West) and G21 (Hung Hom Bay). Propose to retain the entire Harbour Place in G20 (Whampoa West). Reasons are summarised as follows: • there are only seven blocks in Harbour Place but they are split into two DCCAs, namely G20 (Whampoa West) and G21 (Hung Hom Bay). This reveals that preservation of community identity and local ties are not taken into account in the provisional recommendations; • since the DC member of G21 (Hung Hom Bay) was elected in 2007, the area covered by the DCCA and the target clients have been more or less the same. Over the years, the residents have become accustomed to the mode of services provided by the incumbent DC member. Changes as proposed in the provisional recommendations will affect	<u>Items (a) to (d)</u> The proposal under item (a) is **accepted**. It is the statutory requirement that the EAC has to appropriately adjust the boundaries of those DCCAs with projected populations exceeding the permissible upper limits. Currently, some DCCAs are composed of more than one public or private housing estate. Once the populations of these DCCAs exceed the statutory permissible upper limit, it is inevitable that the public or private housing estates therein will need to be split. In spite of this, when considering the relevant proposal, the EAC would also take into account the size of the DCCA and the scale of the housing estates so as to make its best endeavors to avoid splitting a public or private housing estate as practicable as possible. Upon receipt of the representations, the EAC conducted site visit and noted that it is geographically feasible to transfer the entire Stars by the Harbour in G20 (Whampoa West) to G19 (Whampoa East) as proposed under item (a).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				the efficiency of service provision; • splitting Harbour Place into two DCCAs will give rise to management problems. It would be required to invite two DC members for meetings and check their diaries; • in the future, the community problems of Harbour Place will be handled by the DC members of G20 (Whampoa West) and G21 (Hung Hom Bay). This will complicate the situation; • the provisional recommendations will break the ties among the residents who belong to the same housing estate. They are required to pass their views on the same community issue to two DC members; • the provisional recommendations divide Harbour Place into separate DCCAs. This generates conflicts and causes confusion among the residents because it will be hard for them to tell which block belongs to which DCCA. As a result, they will have problems when seeking help from DC	In addition, both Stars by the Harbour and Harbour Place are small and medium-sized housing estates. Although the population of G20 (Whampoa West) will slightly exceed the statutory permissible upper limit under the proposal made in the representations, after careful consideration of the fact that the affected population under the proposal made in the representations (953) will be less than that in the provisional recommendations (2 096) by 1 143 and the proposal can avoid splitting the small medium-sized housing estate, in the absence of other feasible alternatives, the EAC agrees to accept the proposal under item (a) and revises the boundaries of G19 (Whampoa East), G20 (Whampoa West) and G21 (Hung Hom Wan). The adjustments are as follows: (i) to retain the fifth and sixth blocks of the Harbour Place in G20 (Whampoa West); (ii) to transfer the entire Stars by the Harbour to G19 (Whampoa East); and (iii) to allow the population of G20 (Whampoa West) (20 898) to slightly exceed the statutory permissible upper limit (+25.90%).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				members. The provisional recommendations are not good for both the residents and DC members to exchange views on overall community affairs and development of the housing estate; • the provisional recommendations will bring the population of G21 (Hung Hom Bay) very close to the upper limit of the permissible range (+23.56%). It is very likely that re-delineation of boundary will be needed in 2023, which would cause confusion to the residents of the DCCA; • in terms of the population figures, G19 (Whampoa East) has more room than G21 (Hung Hom Bay) to absorb the population of G20 (Whampoa West); and • the shape of G20 (Whampoa West) becomes odd under the provisional recommendations.	According to the proposal made in the representations, the respective populations of G19 (Whampoa East), G20 (Whampoa West) and G21 (Hung Hom Bay) are as follows: G19: 17 582, +5.92% G20: 20 898, +25.90% G21: 18 414, +10.93% Since more DCCAs or areas under the alternative proposals in items (b) to (d) will be affected, the affected population under items (b) to (d) will be larger than that in item (a) and they are **not accepted**. Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members or political factors are not the relevant factors of consideration.
				(a) 10 representations propose to transfer Stars by the Harbour from G20 (Whampoa West) to G19 (Whampoa East).	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) Three representations propose to retain the original boundary of G21 (Hung Hom Bay) and then transfer Bauhinia Mansions to G19 (Whampoa East), and Palm Mansions to G20 (Whampoa West) so that the shapes of the two DCCAs will be more alike and the community integrity and geographical linkage will be better and more reasonable.	
				(c) One representation proposes to implement items 9(a) and (b) concurrently.	
				(d) One representation further points out that in order to comply with the established statutory criteria of "being near to the population quota" and "having regard to community identity and local ties" to a larger extent, more substantial adjustments should be made to the boundaries of G19 (Whampoa East), G20 (Whampoa West), G21 (Hung Hom Bay) and G22 (Hung Hom) so that the problems of G22 (Hung Hom) for having low population while G20 (Whampoa West) and G21 (Hung Hom Bay) having high population could be rectified. The adjustments will also help improve the shape of the DCCAs. To	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				narrow down the differences among different types of housing estates in the DCCAs, the representation makes the following proposals: <u>G19 (Whampoa East)</u> includes the original area and take in Bauhinia Mansions. Besides, transfers Palm Mansions to G20 (Whampoa West); and <u>G20 (Whampoa West)</u> includes Phases 1 to 4 of Whampoa Garden (Juniper Mansions, Cherry Mansions, Palm Mansions, Willow Mansions) and Whampoa Estate. <u>G21 (Hung Hom Bay)</u> includes the south of Hung Hom South Road, Hung Hom Bay Reclamation Area and Hung Hom Bay Centre. <u>G22 (Hung Hom)</u> includes the original area and transfers the remaining parts of G21 (Hung Hom Bay) to G22 (Hung Hom).

		W	*O*		
	H09 – Tung Mei			lower limit and upper limit respectively. (b) Object to adjusting the boundary of H09 (Tung Mei). The representations state that if the transfer of Kai Tak Garden to H02 (Lung Ha) is necessary, it is proposed that the buildings in the north of Tung Lung Road in H08 (Tung Tau) be transferred to H09 (Tung Mei). However, if the aforesaid proposal is impracticable, then support to transfer the buildings in the area of Yin Hing Street, together with Choi Hung Road Playground to H02 (Lung Ha).	DCCAs under the proposal made in the representations will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too. Please also see item 6.
3	H02 – Lung Ha H07 – San Po Kong H08 – Tung Tau H09 – Tung Mei	2	-	Support the transfer of Kai Tak Garden to H02 (Lung Ha) but propose to transfer some buildings of Tung Tau Estate from H08 (Tung Tau) to H09 (Tung Mei) and then H08 (Tung Tau) to absorb the buildings in the old district of San Po Kong.	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representations will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too. Please also see item 6.
4	H02 – Lung Ha H07 – San Po Kong	1	-	(a) Supports the transfer of Kai Tak Garden to H02 (Lung Ha) but objects to the transfer of the buildings in the area of Yin Hing Street to H09 (Tung Mei).	<u>Item (a)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representation, the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	H08 – Tung Tau H09 – Tung Mei H16 – Tsz Wan West H19 – Tsz Wan East			Instead, they should be transferred to H08 (Tung Tau).	population of H08 (Tung Tau) (21 961) will exceed the statutory permissible upper limit (+32.30%); and (ii) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too. Please also see item 6.
				(b) Objects to the transfer of Winfair Building, Fat Keung House and Po Ming Building to H16 (Tsz Wan West) because it would be most desirable to put all old buildings under the purview of the same DC member.	<u>Item (b)</u> This proposal is **not accepted** because the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
5	H02 – Lung Ha H07 – San Po Kong H09 – Tung Mei	1	-	Supports the provisional recommendations.	The supporting view is noted.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
6	H02 – Lung Ha H07 – San Po Kong H09 – Tung Mei	316[^]	1	(a) Object to the transfer of Kai Tak Garden to H02 (Lung Ha). Propose to transfer the excessive population in H07 (San Po Kong) to the adjacent H02 (Lung Ha) where the population will fall short of the statutory permissible lower limit so that adjustments to the boundaries of the other DCCAs is not required. Reasons are summarised as follows: • Kai Tak Garden has been transferred to H09 (Tung Mei) from H02 (Lung Ha) since 2007. Residents of Kai Tak Garden will find it confusing and disturbing if the housing estate is transferred back to H02 (Lung Ha) from H09 (Tung Mei); • there are strong community ties between Kai Tak Garden and H09 (Tung Mei). Retaining it in H09 (Tung Mei) is conducive to preserving the community identities, local ties and physical features of the DCCA;	<u>Items (a) and (b)</u> **Proposal (1) under item 6(b) is accepted**. Upon receipt of the representations, the EAC conducted site visit and noted that along Choi Hung Road, there are facilities, like footbridge and lifts connecting H02 (Lung Ha) and H07 (San Po Kong). Therefore, the proposal made in the representations is geographically feasible. As, unlike the provisional recommendations, there is no need to first transfer the population from H07 (San Po Kong) to H09 (Tung Mei), and then from H09 (Tung Mei) to H02 (Lung Ha), the number of affected DCCAs under the proposal made in the representations will be one less than that in the provisional recommendations. The affected population under the proposal made in the representations (5 081) will also be less than that in the provisional recommendations (8 850) by 3 769. According to the proposal made in the representations, the respective populations of H02 (Lung Ha) and H07 (San Po Kong) are: H02: 16 671, +0.43% H07: 20 018, +20.60%

[^] Of which, 314 are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• the population of H09 (Tung Mei) will be within the statutory permissible range and adjustment to its existing boundary is not required; • transferring the buildings in the area of Yin Hing Street to H09 (Tung Mei) will complicate the issue of community integrity, turning the DCCA into three separate communities each with distinctly different demographic features and weak geographical linkage; and • with the upcoming intake of Tung Tau Estate Phase 8, adjustments to H08 (Tung Tau) and H09 (Tung Mei) may probably be required in the next DC Ordinary Election. One representation proposes to transfer the buildings in the area of Yin Hing Street and some of the buildings at Tai Yau Street near H02 (Lung Ha) to H02 (Lung Ha).	As for the proposal made in the representations under item 6(a), in view that the area and affected population will be larger than those in proposal (1) under item 6(b), it is therefore **not accepted**. Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration. Besides, it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) Object to the provisional recommendations on H02 (Lung Ha), H07 (San Po Kong) and H09 (Tung Mei). Consider that the boundaries of these DCCAs concerned should remain unchanged. Reasons are summarised as follows: • there is no additional elected seat for the 2019 Wong Tai Sin DC. The EAC should avoid re-delineating the DCCAs and should do so only in 2023 when there may be possible population growth by that time; • taking into account the community identity of H02 (Lung Ha) and the fact that its population will be only slightly below the statutory permissible lower limit, it is not necessary to re-delineate its boundary; and • the EAC should, as in the delineation exercise for the 2015 DC Ordinary Election, allow H07 (San Po Kong) to continue to deviate from the statutory permissible range, so as to preserve the community	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				integrities and local ties of San Po Kong, and minimise the impact of re-delineation on the provision of community services to the residents. Where adjustments to DCCA boundaries is a must, propose: <u>Proposal (1)</u> • to retain Kai Tak Garden in H09 (Tung Mei), and transfer the buildings in the area of Yin Hing Street together with Choi Hung Road Playground to H02 (Lung Ha), so as to reduce the number of affected DCCAs from three to two, and the number of people to be affected from 5 100 to 2 600; or <u>Proposal (2)</u> • to retain Kai Tak Garden in H09 (Tung Mei), and transfer the buildings in the area of Yin Hing Street to H09 (Tung Mei). As for H02 (Lung Ha), its boundary should remain unchanged.	
7	H02 – Lung Ha	1	-	(a) Based on the populations of H16 (Tsz Wan West), H17 (Ching Oi), H18 (Ching On) and H19 (Tsz	<u>Item (a)</u> This proposal is **not accepted** because in accordance with the EACO, the EAC must

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	H07 – San Po Kong H09 – Tung Mei H16 – Tsz Wan West H17 – Ching Oi H18 – Ching On H19 – Tsz Wan East			Wan East) in 2019, proposes to create an additional DCCA in the above areas to increase the number of DCCAs from four to five and change the names of DCCAs concerned. Details are as follows: <u>H16 (Tsz Lok)</u> includes Tsz Lok Estate Phases 1 and 2, and Tsz Oi Court. <u>H17 (Tsz Wan North)</u> includes Shatin Pass Estate, and Ching Tak House, Ching Wo House, Ching Yi House and Ching Fai House of Tsz Ching Estate. <u>H18 (Tsz Ching)</u> includes Ching Tai House, Ching Yuk House, Ching Yuen House, Ching Ming House, Ching Hong House and Ching On House of Tsz Ching Estate. <u>H19 (Tsz Wan East)</u> includes Tsz On Court, Tsz Man Estate, and Tsz Hong Estate. <u>New DCCA</u> includes Lok Moon House, Lok Foon House and Lok Hop House of Tsz Lok Estate, and the buildings in the south of Yuk Wah Street.	follow the number of elected seats stipulated for each DC under the DCO and the population distribution in the relevant administrative districts in delineating the DCCA boundaries. According to the legislation, the elected seats for the Wong Tai Sin District in the 2019 DC Ordinary Election will remain unchanged at 25 and there will be no new DCCA. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) Proposes to transfer Morse Park in the north of Tung Tai Lane in H09 (Tung Mei) together with Kai Tak Garden to H02 (Lung Ha), and transfer the buildings in the area of Yin Hing Street, Tong Seng Mansion and Wing Lok Building to H02 (Lung Ha).	Item (b) This proposal is **not accepted** because according to the proposal made in the representation, the population of H02 (Lung Ha) (21 634) will exceed the statutory permissible upper limit (+30.33%). Please also see item 6.
8	H04 – Fung Wong H05 – Fung Tak H13 – Tsui Chuk & Pang Ching H15 – Chuk Yuen North H16 – Tsz Wan West H17 – Ching Oi H18 – Ching On H19 – Tsz Wan East	14	-	(a) Object to the transfer of Shatin Pass Estate to H15 (Chuk Yuen North) on grounds of accessibility, physical features of the area and community development. Reasons are summarised as follows: • Shatin Pass Estate is far away from the polling station in H15 (Chuk Yuen North). Electors have to walk down the steep slope of Shatin Pass Road to access to the polling station. This will discourage electors from voting; • Shatin Pass Estate has closer ties with H17 (Ching Oi). Residents of the Estate mainly use the facilities in Tsz Wan Shan, and are used to visit the ward office of DC member of H17 (Ching Oi) for assistance and expression of views; and	Items (a) to (e) The proposal made in the representations to retain Shatin Pass Estate in H17 (Ching Oi) **is accepted**. Initially, the EAC's provisional recommendations on transferring Shatin Pass Estate to H15 (Chuk Yuen North) is a knock-on effect for rectifying the situation that the population of H18 (Ching On) will exceed the statutory permissible upper limit. Taking into account that the DOs, being officers responsible for district administration, do have more comprehensive and in-depth knowledge on the local characteristics, geographical and transport matters of their administrative districts, as a long standing practice, the EAC will invite the DOs to provide factual information of their respective administrative districts on such matters for reference. In the present delineation exercise, the DO previously provided that geographically, Shatin Pass

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• there will be upcoming developments in Tsz Wan Shan so a need to re-delineate the DCCAs in future.	Estate is close to Chuk Yuen (North) Estate and the two places are connected by public light buses. In view of this, in drawing up the provisional recommendations, the EAC proposed to transfer Shatin Pass Estate to H15 (Chuk Yuen North). Nevertheless, upon receipt of the representations, the EAC conducted site visit and noted that there is a certain distance between Shatin Pass Estate and H15 (Chuk Yuen North). Although there are public light buses connecting Shatin Pass Estate and Chuk Yuen (North) Estate, the slope between the two places is steep, making it inconvenient to travel the two places on foot. Therefore, based on geographical consideration, the EAC agrees to retain Shatin Pass Estate in H17 (Ching Oi). After the above adjustment, the population of H18 (Ching On) will exceed the statutory permissible upper limit. The alternative proposal under item 8(b) by making use of H05 (Fung Tak) to rectify the problems of the populations of H18 (Ching on) and H19 (Tsz Wan East) for exceeding the statutory permissible upper limit is feasible and
				(b) One representation proposes to retain Shatin Pass Estate in H17 (Ching Oi). As an alternative, to make use of H05 (Fung Tak) to rectify the excessive populations in H18 (Ching On) and H19 (Tsz Wan East) so that the number of affected DCCAs can be reduced from five to three.	
				(c) One representation proposes to transfer Tsz Lok Estate Phase 3 from H16 (Tsz Wan West) to H04 (Fung Wong), uses H16 (Tsz Wan West) to absorb the population of Shatin Pass Estate, and transfer On Yan House of Tsz On Court in H19 (Tsz Wan East) to H18 (Ching On) so that the entire Tsz On Court can be in H18 (Ching On). Moreover, proposes to transfer Ching Fai House of H18 (Ching On) in place of Ching Yi House to H17 (Ching Oi) so as to balance the populations and shapes of the DCCAs.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(d) One representation proposes to transfer the area of Yuk Wah Crescent from H19 (Tsz Wan East) to H04 (Fung Wong) and then transfer On Hong House of Tsz On Court from H18 (Ching On) to H19 (Tsz Wan East). Though H04 (Fung Wong) and H19 (Tsz Wan East) will be linked by a narrow passageway, the proposed arrangement has taken into account the factors that H04 (Fung Wong) will be relatively less populated and the buildings at Yuk Wah Crescent are similar to those in H04 (Fung Wong). Besides, there is precedent case for two DCCAs being linked by a narrow passageway, such as C31 (Hing Man) in the Eastern District.	able to comply with the requirement of statutory permissible range in terms of population figures. However, the EAC notes that there is a difference in geographical level between H19 (Tsz Wan East) and H05 (Fung Tak). Even the alternative proposal has not provided the details, the EAC realises that it is necessary to transfer the area of Yuk Wah Crescent with population of about 4 100 from H19 (Tsz Wan East) to H05 (Fung Tak). Such adjustment may bring about a large impact on the established local ties between Yuk Wah Crescent and Tsz Wan Shan, generating controversies. After thorough consideration, in the absence of better alternative option, the EAC agrees to maintain the boundary of H18 (Ching On) unchanged in the present delineation exercise and its population be allowed to exceed the statutory permissible upper limit. After the adjustments, the respective populations of H15 (Chuk Yuen North), H17 (Ching Oi) and H18 (Ching On) are: H15: 15 131, -8.84% H17: 20 665, +24.50% H18: 22 446, +35.23%
				(e) Two representations propose that the boundaries of H17 (Ching Oi) and H18 (Ching On) should remain unchanged. One of the representations considers that if it is necessary to adjust the boundary of H18 (Ching On), then Ching Fai House should be transferred to H17 (Ching Oi) because Ching Fai House was included in H17 (Ching Oi) in both 2003 and 2007 DC Ordinary Elections.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration. Besides, it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
				(f) Three representations propose to transfer Chung Yuen House and Pak Yuen House from H13 (Tsui Chuk & Pang Ching) to H15 (Chuk Yuen North) for preservation of community integrity.	Item (f) This proposal is **not accepted** because the population of H13 (Tsui Chuk & Pang Ching) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required. Please also see items 8(a) to (e).
9	H06 – Lung Sing H20 – King Fu	1	-	Proposes to transfer Tan Fung House and Chi Mei House of Choi Hung Estate to the adjacent H25 (Choi Hung), and transfer Regent On The Hill from H06 (Lung Sing) and King Hin Court from H20	This proposal is **not accepted** because: (i) the populations of H06 (Lung Sing), H20 (King Fu), H24 (Chi Choi) and H25 (Choi Hung) will fall

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	H24 – Chi Choi H25 – Choi Hung			(King Fu) to H24 (Chi Choi) because: • in the 2015 delineation exercise, Choi Hung Estate was split into H24 (Chi Choi) and H25 (Choi Hung). Such arrangement broke the integrity and community identity of Choi Hung Estate. Moreover, as no population growth is expected at Choi Hung Estate and its vicinity in 2019, the transfer of Tan Fung House and Chi Mei House of Choi Hung Estate from H24 (Chi Choi) to the adjacent H25 (Choi Hung) will better preserve the community identities and local ties of Choi Hung Estate and the physical features of the area; • Regent On The Hill in H06 (Lung Sing) and King Hin Court in H20 (King Fu) are very close to H24 (Chi Choi); and • in light of the upcoming completion of new housing estates in both H06 (Lung Sing) and H20 (King Fu), it is believed that transferring part of the population to other DCCAs will be required in future. Therefore, the transfer of Regent On The Hill and King Hin Court to H24 (Chi Choi) is considered a better	within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.

		W	*O*		
				option in terms of preservation of community identities, local ties and physical features of the area as well as the demographic change of DCCAs in future.	
10	H07 – San Po Kong	1	-	Expresses understanding of the adjustment to H07 (San Po Kong).	The view is noted.
11	H08 – Tung Tau	1	-	Proposes to transfer Billionnaire Royale from H08 (Tung Tau) to the Kowloon City District because: • according to the land lease, Billionnaire Royale (Address: 83 Sa Po Road) is part of the Kowloon City District. Putting the above place in the Wong Tai Sin District denies the authority and role of the land lease; • putting the above place in the Wong Tin Sin District deprives the legitimate rights of those residents living there as being the resident of the Kowloon City District. This runs against the principles of equal opportunities, fairness and impartiality; and • when the district boundary was delineated in 1982, the site of the above place was only an open space. But now, it is a building with residents living therein. The previous boundary is	The proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				therefore no longer appropriate.	
12	H08 – Tung Tau	-	1	Objects to the transfer of The Latitude and Yue Xiu Plaza to H08 (Tung Tau) because they do not have any ties with the DCCA and are far away from the polling station.	This proposal is **not accepted** because: (i) the population of H08 (Tung Tau) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangement on polling station is not the relevant factor of consideration. The EAC has referred the relevant view to the REO for consideration.
13	H12 – Tin Keung H13 – Tsui Chuk & Pang Ching H14 – Chuk Yuen South	1	-	Holds reservation on the provisional recommendations.	The view is noted.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
14	H16 – Tsz Wan West H17 – Ching Oi H18 – Ching On H19 – Tsz Wan East H21 – Choi Wan East H22 – Choi Wan South H23 – Choi Wan West H24 – Chi Choi H25 – Choi Hung	2	-	(a) Based on the populations of H21 (Choi Wan East), H22 (Choi Wan South), H23 (Choi Wan West), H24 (Chi Choi) and H25 (Choi Hung) in 2019, propose to delete a seat in 2023 so as to reduce the number of DCCAs from five to four for reasonable use of the DC resources.	Item (a) In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
				(b) One representation proposes to split H21 (Choi Wan East) into H22 (Choi Wan South) and H23 (Choi Wan West) so as to free up one seat for creating a new DCCA in the areas of H16 (Tsz Wan West), H17 (Ching Oi), H18 (Ching On) and H19 (Tsz Wan East) where the number of DCCAs will be increased from four to five and change the names and codes of the DCCAs concerned. Details are as follows: H16 (Tsz Lok) includes Tsz Lok Estate. H17 (Tsz Oi) includes Shatin Pass Estate and Tsz Oi Court. H18 (Tsz Ching) includes Ching Tak House, Ching Wo House, Ching	Item (b) This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of H22 (Choi Wan South) (21 596) will exceed the statutory permissible upper limit (+30.10%); and (ii) the number of affected DCCAs under the proposal made in the representation will be five more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				J37 (Lok Wah South) includes Hei Wah House, Man Wah House, On Wah House, Wun Wah House and Fai Wah House of Lok Wah (South) Estate, Sau Mau Ping Disciplined Services Quarters, and Kung Lok Road Playground. J38 (Lok Wah North) includes Lok Wah (North) Estate, Lok Nga Court, and Chin Wah House of Lok Wah (South) Estate. J39 (Lower Ngau Tau Kok Estate) includes Lower Ngau Tau Kok Estate, Chun Wah Court, On Kay Court, Siu King Building, and Wai King Building. J40 (To Tai) includes Amoy Gardens, Jade Field Garden, Lee Kee Building, Wang Kwong Building, and Tak Bo Garden. Changes the English name of the DCCA to "Amoy".	
2	All DCCAs	1	-	(a) Supports the provisional recommendations on J08 (Shun Tin) and J09 (Sheung Shun).	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on J01 (Kwun Tong Central), J10 (On Lee), J11 (On Tai), J12 (Sau Mau Ping North), J13 (Sau Mau Ping	Item (b) The view is noted.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Central), J14 (On Tat), J15 (Sau Mau Ping South), J16 (Po Tat), J17 (Kwong Tak), J18 (Hing Tin), J19 (Lam Tin), J20 (Ping Tin), J21 (Pak Nga), J22 (Chun Cheung), J23 (Yau Tong East), J24 (Yau Chui), J25 (Yau Lai), J26 (Yau Tong West), J27 (Laguna City), J29 (Tsui Ping), J30 (Hiu Lai), J31 (Po Lok), J32 (Yuet Wah), J33 (Hip Hong), J34 (Lok Wah South), J35 (Lok Wah North), J36 (Hong Lok) and J37 (Ting On).	
				(c) Considers that the population of J27 (Laguna City) has more than doubled the population of J37 (Ting On). On the delineation exercise in 2023, J27 (Laguna City) and the area of Cha Kwo Ling should be split into two DCCAs.	<u>Items (c) and (d)</u> In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
				(d) Considers it unreasonable to split Tsui Ping Estate into three DCCAs, namely J01 (Kwun Tong Central), J29 (Tsui Ping) and J31 (Po Lok). The EAC should adjust the boundaries of these three DCCAs by splitting Tsui Ping Estate into two DCCAs in the delineation exercise in 2023.	

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
				(e) Considers it undesirable to split On Tai Estate, On Tat Estate and Po Tat Estate into different DCCAs.	Item (e) With regard to the scale of existing public housing estates in Hong Kong, it is common that the population of a public housing estate will have exceeded the statutory permissible range. According to the statutory criteria, the EAC cannot include an entire public housing estate in one DCCA if its total population has exceeded the statutory permissible upper limit.
				(f) Considers that the total number of seats for J01 (Kwun Tong Central), J29 (Tsui Ping), J31 (Po Lok), J32 (Yuet Wah), J33 (Hip Hong), J34 (Lok Wah South), J35 (Lok Wah North), J36 (Hong Lok) and J37 (Ting On) is one more than the number of elected seats calculated by the aggregate population of these DCCAs. Proposes to transfer the excessive seat to the area of "Four Chois" (i.e. J06 (Choi Tak) and J07 (Jordan Valley) where Choi Ying Estate, Choi Tak Estate, Choi Ha Estate, and Choi Fook Estate are located) where their populations have reached the upper limit, for reasonable use of DC resources.	Item (f) This proposal is **not accepted** because the populations of J01 (Kwun Tong Central), J29 (Tsui Ping), J31 (Po Lok), J32 (Yuet Wah), J33 (Hip Hong), J34 (Lok Wah South), J35 (Lok Wah North), J36 (Hong Lok) and J37 (Ting On) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(g) Since it is necessary for the residents of Tak Bo Garden and Choi Ying Estate to use the footbridge near Choi Shek Lane to get across Kwun Tong Road to J03 (Kai Yip), proposes to transfer Tak Bo Garden and the buildings at Ngau Tau Kok Road from J03 (Kai Yip) to J40 (To Tai).	Item (g) This proposal is **not accepted** because the population of J40 (To Tai) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
				(h) Proposes to transfer the entire Choi Hing Court to J05 (Ping Shek).	Item (h) This proposal is **not accepted** because the population of J05 (Ping Shek) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
				(i) Objects to the provisional recommendations on J10 (On Lee), J11 (On Tai), J12 (Sau Mau Ping North), J13 (Sau Mau Ping Central), J14 (On Tat), J15 (Sau Mau Ping South), J16 (Po Tat) and J30 (Hiu Lai). Considers that to rectify the shape of DCCAs and achieve a balanced population distribution, slight adjustments should be made to the boundaries of the new development areas in the Kwun Tong District because there has been continuous growth in the population of the areas. Proposes to:	Item (i) This proposal is **not accepted** because according to the proposal made in the representation, the respective populations of J12 (Sau Mau Ping North), J14 (On Tat) and J15 (Sau Mau Ping South) will exceed the statutory permissible upper limit, which are: J12: 21 016, +26.61% J14: 24 018, +44.70% J15: 21 108, +27.16%

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*

				• transfer Wo Tai House, Ming Tai House and Chi Tai House of On Tai Estate from J11 (On Tai) to J10 (On Lee); • transfer United Christian Hospital from J12 (Sau Mau Ping North) to J30 (Hiu Lai); • retain Sau Fai House of Sau Mau Ping Estate in J13 (Sau Mau Ping Central); • retain Oi Tat House and Shing Tat House of On Tat Estate in J14 (On Tat); and • transfer Tat Cheung House, Tat Kwai House and Tat On House from J16 (Po Tat) to J15 (Sau Mau Ping South).	
				(j) Proposes to rename J38 (Upper Ngau Tau Kok Estate) as "Upper Ngau Tau Kok" and J39 (Lower Ngau Tau Kok Estate) as "Lower Ngau Tau Kok & Jordan Valley" so as to maintain the names adopted before 2003 and reflect the fact that there are other housing estates in the above DCCAs.	Item (j) This proposal is **not accepted** because there is no adjustment made to the boundaries of the DCCAs concerned in the present delineation exercise and hence changing the DCCA names may cause confusion to the public.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
3	J01 – Kwun Tong Central J02 – Kowloon Bay J03 – Kai Yip J07 – Jordan Valley J12 – Sau Mau Ping North J13 – Sau Mau Ping Central J14 – On Tat J15 – Sau Mau Ping South J16 – Po Tat J22 – Chun Cheung	1	-	(a) Considers that given Choi Ying Estate was transferred from J06 (Choi Tak) to other DCCAs in the provisional recommendations, the EAC should consider including the entire Choi Ying Estate in the same DCCA. Proposes to: • group the parts of Choi Ying Estate in J03 (Kai Yip) and J07 (Jordan Valley) together with Choi Fook Estate in J07 (Jordan Valley) into a DCCA "Sheung Choi"; • group Choi Ha Estate in J07 (Jordan Valley) and Amoy Gardens in J40 (To Tai) into a DCCA "Jordan Valley"; • transfer Jade Field Garden, Wang Kwong Building and Lee Kee Building from J40 (To Tai) to J02 (Kowloon Bay) to rectify the problem of a relatively low population in J02 (Kowloon Bay); and • maintain the boundary of J03 (Kai Yip) unchanged.	<u>Item (a)</u> This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be three more than that in the provisional recommendations. The affected population under the proposal will be larger, too.
				(b) Considers that the boundaries of the five DCCAs, namely J12 (Sau Mau Ping North), J13 (Sau	<u>Item (b)</u> This proposal is **not accepted** because:

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	J23 – Yau Tong East J24 – Yau Chui J25 – Yau Lai J26 – Yau Tong West J29 – Tsui Ping J31 – Po Lok J32 – Yuet Wah J35 – Lok Wah North J38 – Upper Ngau Tau Kok Estate J39 – Lower Ngau Tau Kok Estate J40 – To Tai			Mau Ping Central), J14 (On Tat), J15 (Sau Mau Ping South) and J16 (Po Tat), where On Tat Estate, Po Tat Estate, Sau Mau Ping Estate and Sau Mau Ping South Estate are located, are intertwined. Six DCCAs should be allocated to the four housing estates above. Proposes to delete J01 (Kwun Tong Central) to free up a DCCA for creation between On Tat Estate and Po Tat Estate. Details are as follows: • transfers the buildings located in the area of Ting On Street from J01 (Kwun Tong Central) to J39 (Lower Ngau Tau Kok Estate). Renames the DCCA as "Lower Ngau Tau Kok"; • transfers Lok Nga Court from J39 (Lower Ngau Tau Kok Estate) to J35 (Lok Wah North); • transfers Tsui Cheung House, Tsui Lau House, Tsui On House, Tsui Pak House and Tsui Tsz House of Tsui Ping (North) Estate from J01 (Kwun Tong Central) to J31 (Po Lok) and/or J29 (Tsui Ping), and	(i) in respect of the 2019 DC Ordinary Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is an increase in the number of elected seats by three from 37 to a total of 40 for the Kwun Tong District for the next DC Ordinary Election. In accordance with the EACO, the EAC must follow the number of elected seats as stipulated for each DC under the DCO in delineating the DCCA boundaries, and strictly adhere to the statutory criteria under the EACO and its working principles. The recommendations were made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The number of new DCCAs to be created is a statutory pre-set for the EAC, to which the EAC has no authority to revise or vary; (ii) J16 (Po Tat) comprised Po Tat Estate and the area of Anderson Road Quarry in the past. The original location of Anderson Road

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				transfers the buildings located at the area of Yue Man Centre from J01 (Kwun Tong Central) to J32 (Yuet Wah). Rename the DCCA as "Yuet Wah & Yue Man"; • transfers the buildings connected to the lift tower between On Tat Estate and Po Tat Estate to the new DCCA; • forms J14 (On Tat) by including most of the buildings in On Tat Estate, and forms J16 (Po Tat) by including most of the buildings in Po Tat Estate; • transfers Tat Hei House, Tat Shun House and Tat Kai House of Po Tat Estate from J15 (Sau Mau Ping South) to J16 (Po Tat); • transfers Sau Fu House, Sau On House and Sau Ming House of Sau Mau Ping Estate from J12 (Sau Mau Ping North) to J15 (Sau Mau Ping South); and • retains Sau Fai House of Sau Mau Ping Estate in J13 (Sau Mau Ping Central).	Quarry has been developed and turned to the newly-built On Tai Estate and On Tat Estate. As a result, the population of J16 (Po Tat) will significantly increase to 71 222. In terms of population, theoretically, three new DCCAs have to be created in the original area of J16 (Po Tat) to absorb the population in excess of the permissible limit, so that the population of the DCCA will fall within the statutory permissible range. However, having considered that the populations of the three adjacent DCCAs in Yau Tong, namely J23 (Yau Tong East), J24 (Yau Chui) and J25 (Yau Lai), will exceed the statutory permissible upper limit, and there is a need to create a new DCCA to absorb these DCCAs' populations in excess of the permissible limit, only two DCCAs J11 (On Tai) and J14 (On Tat) can be created within the original boundary of J16 (Po Tat). As the populations of the two new DCCAs will exceed the statutory permissible upper limit, it is required to transfer part of their populations to the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					adjacent DCCAs, so that the populations of the DCCAs concerned will fall within the statutory permissible range; and (iii) the number of affected DCCAs under the proposal made in the representation will be six more than that in the provisional recommendations. The affected population under the proposal will be larger, too.
				(c) Objects to splitting Yau Lai Estate into J24 (Yau Chui), J25 (Yau Lai) and J26 (Yau Tong West), and considers that the boundaries of J22 (Chun Cheung) and J23 (Yau Tong East) are intertwined. Proposes to: • form a DCCA comprising Ko Chun Court, Ko Yee Estate, and Ko Fei House, Ko Fung House, Ko Ching House and Ko Hong House of Ko Cheung Court. Name the DCCA as "Ko Chiu"; • include the areas in the east of Cha Kwo Ling Road, the south of Yau Tong Road, the west of Yan Wing Street, and the north of Ko Chiu Road in J26 (Yau Tong	<u>Item (c)</u> This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

		W	*O*		
				West). Rename the DCCA as "Yau Tong"; and • transfer the remaining parts of J26 (Yau Tong West) to J23 (Yau Tong East). Rename the DCCA as "Lei Yue Mun".	
4	J01 – Kwun Tong Central J29 – Tsui Ping J31 – Po Lok	1	-	Proposes to merge Tsui Ping (North) Estate, which is currently split into J01 (Kwun Tong Central), J29 (Tsui Ping) and J31 (Po Lok), into one single DCCA. After the adjustments, Tsui Ping (North) Estate and Tsui Ping (South) Estate will each become a DCCA of their own and will respectively be named as "Tsui Ping South" and "Tsui Ping North" so that the DC members concerned can focus on serving the residents of Tsui Ping (South) Estate and Tsui Ping (North) Estate.	This proposal is **not accepted** because: (i) the populations of J01 (Kwun Tong Central), J29 (Tsui Ping) and J31 (Po Lok) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
5	J03 – Kai Yip J06 – Choi Tak	5	2	(a) Object to the provisional recommendations on J03 (Kai Yip). Reasons are summarised as follows: • it takes a long time for the residents of Choi	<u>Items (a) to (c)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representations, the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	J07 – Jordan Valley J40 – To Tai			Ying Estate in J06 (Choi Tak) to get to the area of Kai Yip Estate in J03 (Kai Yip) as the two DCCAs are separated by Kwun Tong Road located between them, making it a long journey; and • it is difficult for the residents of Choi Ying Estate to seek help from the DC members.	respective populations of J06 (Choi Tak) and J07 (Jordan Valley) will exceed the statutory permissible upper limit, which are: J06:21 851, +31.64% J07:21 733, +30.93% (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
				(b) Two representations propose to keep the boundary of J06 (Choi Tak) unchanged.	
				(c) One representation proposes to transfer Ying Hong House of Choi Ying Estate to J07 (Jordan Valley) and retain Ying Fu House and Ying On House of Choi Ying Estate in J06 (Choi Tak), and to rename the DCCA as "Sheung Choi".	
				(d) One representation proposes to form a new DCCA comprising Ying Fu House, Ying Hong House and Ying On House of Choi Ying Estate of J06 (Choi Tak), Ying Lok House and Ying Shun House of Choi Ying Estate of J07 (Jordan Valley), and Jade Field Garden, Wang Kwong Building and Lee	<u>Item (d)</u> This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Kee Building of J40 (To Tai).	
				(e) One representation proposes to set up a polling station in the area of Choi Ying Estate.	Item (e) Arrangement on polling stations is not the relevant factor of consideration for delineation of DCCAs. The EAC has referred this view to the REO for consideration.
				(f) One representation proposes to form a DCCA comprising Tak Bo Garden and some private housing estates in the vicinity so as to avoid the situation that the DC member concerned has to deal with conflicting interests among electors in the same DCCA.	Item (f) This proposal is **not accepted** because: (i) the population of J03 (Kai Yip) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
				(g) One representation hopes that the EAC would explain how population projection is made and how the population figures of the housing estates concerned are worked out.	Item (g) The projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.
6	J05 – Ping Shek	1	-	Proposes to rename J05 (Ping Shek) as "Ching Ping", to: • reflect the fact that apart from Ping Shek Estate, there are also other stakeholders located along Clear Water Bay Road in that DCCA; • increase the sense of belonging among the	This proposal is **not accepted** because the DCCA name has been used since 1999 and the public are used to this name. Moreover, there is no adjustment made to its boundary in the present delineation exercise and hence changing the DCCA name may cause confusion to the public.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				residents living at Clear Water Bay Road towards the DCCA, which in turn will increase their participation in district affairs and the voter turnout; and • allow public officers to take care of all residents of the same DCCA in addition to the residents of Ping Shek.	
7	J05 – Ping Shek J06 – Choi Tak	3	1	Propose to transfer a building of Choi Hing Court, which will be completed in 2019 from J06 (Choi Tak) to J05 (Ping Shek) as there are a total of three blocks in Choi Hing Court, two of which are in J05 (Ping Shek) while the remaining one is in J06 (Choi Tak). The representations are consistent with community integrity and can bring about a more balanced population distribution in J05 (Ping Shek) and J06 (Choi Tak) and less impact on the administration and management of Choi Hing Court.	These proposals are **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representations will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangement on district administration matters is not the relevant factor of consideration.
8	J09 – Sheung Shun J10 – On Lee	1	-	Considers that the population of J11 (On Tai) is close to the statutory permissible upper limit. Proposes to: • transfer Chi Tai House of On Tai Estate from J11	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	J11 – On Tai			(On Tai) to J10 (On Lee); and • transfer Lee Yip House of Shun Lee Estate from J10 (On Lee) to J09 (Sheung Shun).	the proposal will be larger, too.
9	J10 – On Lee J11 – On Tai J14 – On Tat J22 – Chun Cheung	1	-	Supports the creation of three DCCAs, namely On Tai, On Tat and Chun Cheung, and to transfer some of the buildings of J11 (On Tai) to J10 (On Lee).	The supporting view is noted.
10	J10 – On Lee J11 – On Tai	4	-	Object to the transfer of Wo Tai House and Ming Tai House of On Tai Estate from J11 (On Tai) to J10 (On Lee), and propose to retain all buildings of On Tai Estate in J11 (On Tai). Reasons are summarised as follows: • splitting On Tai Estate into different DCCAs will break community integrity; • the residents of Wo Tai House and Ming Tai House are required to go to Shun Lee Estate to vote and lodge complaints. This will cause anxiety to the residents and affect the unity and spirit of the	These proposals are **not accepted** because: (i) according to the proposal made in the representations, the population of J11 (On Tai) (25 526) will exceed the statutory permissible upper limit (+53.78%); (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				community; • the affairs of J10 (On Lee) are not related to the residents of On Tai Estate. The rental of On Tai Estate is also different from that of Shun On Estate and Shun Lee Estate; • there is an interval of nearly 40 years between the time of population intake of On Tai Estate and Shun Lee Estate. The planning, facilities, layout and so forth of the two housing estates are different; and • the median age of the residents of J10 (On Lee) is 55.5, which is approximately 28% higher than that in Hong Kong (43.4). The residents there are relatively older, and the living environment and characteristics of the residents are clearly different from those of On Tai Estate. Hence, if the residents of the two places are grouped into the same DCCA, it will be difficult for the elected DC member to serve the residents, resulting in fragmentation of the community and decrease in the quality of life of the residents.	(iii) there is supporting view on the provisional recommendations on J10 (On Lee) and J11 (On Tai) (Please see item 9).

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
11	J11 – On Tai	1	-	Indicates that the English name of J11 (On Tai) is the same as that of R36 (On Tai) in the Sha Tin District.	The view is **accepted**. To avoid confusion, the EAC proposes to change the name of J11 (On Tai) to "Kwun Tong On Tai".
12	J12 – Sau Mau Ping North J15 – Sau Mau Ping South	1	-	Objects to the transfer of Sau Ming House of Sau Mau Ping Estate to J15 (Sau Mau Ping South) because the provisional recommendations fail to preserve the community integrity, voting habits, lifestyle and historical background of the electors of Sau Mau Ping Estate.	This representation is **not accepted** because based on the 2015 original DCCA boundary, the population of J12 (Sau Mau Ping North) (21 164) will exceed the statutory permissible upper limit (+27.50%). To maintain the population of the DCCA to fall within the statutory permissible range, adjustment to its boundary is required.
13	J12 – Sau Mau Ping North J13 – Sau Mau Ping Central J14 – On Tat J15 – Sau Mau Ping South J16 – Po Tat	1	-	Objects to splitting Sau Mau Ping Estate into three DCCAs. Proposes to: • maintain the boundaries of J12 (Sau Mau Ping North) and J13 (Sau Mau Ping Central) unchanged; • transfer Tat Kwai House and Tat On House of Po Tat Estate from J16 (Po Tat) to J15 (Sau Mau Ping South); • retain Chi Tat House, Ching Tat House, Chun Tat House, Hau Tat House, Him Tat House, Lai Tat House, Yin Tat House, Oi Tat House and Shing Tat House of On Tat Estate in J14 (On Tat); and	This proposal is **not accepted** because according to the proposal made in the representation, the respective populations of J12 (Sau Mau Ping North) and J16 (Po Tat) will exceed the statutory permissible upper limit, which are: J12: 21 164, +27.50% J16: 21 774, +31.18%

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• form J16 (Po Tat) comprising Yan Tat House and Sin Tat House of On Tat Estate, and Tat Cheung House, Tat Chui House, Tat Fu House, Tat Fung House, Tat Hong House, Tat Yan House and Tat Yi House of Po Tat Estate.	
14	J12 – Sau Mau Ping North J13 – Sau Mau Ping Central J14 – On Tat J15 – Sau Mau Ping South J16 – Po Tat	1	-	Considers that the provisional recommendations on J12 (Sau Mau Ping North), J13 (Sau Mau Ping Central), J14 (On Tat), J15 (Sau Mau Ping South) and J16 (Po Tat) fail to take into account community integrity and transport considerations. Proposes to: • retain the 13 blocks of Po Tat Estate in J16 (Po Tat); • retain Sau Fai House of Sau Mau Ping Estate in J13 (Sau Mau Ping Central); • form J15 (Sau Mau Ping South) comprising Sau On House, Sau Fu House and Sau Ming House of Sau Mau Ping Estate in J12 (Sau Mau Ping North), and Sau Mau Ping South Estate; and • retain the 11 blocks of On Tat Estate in J14 (On Tat). However, if the population of J12 (Sau Mau Ping North) has to be considered, can transfer one or two blocks of On	This proposal is **not accepted** because according to the proposal made in the representation, the respective populations of J14 (On Tat) and J16 (Po Tat) will exceed the statutory permissible upper limit, which are: J14: 24 018, +44.70% J16: 24 683, +48.70%

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Tat Estate to J12 (Sau Mau Ping North) which is accessible by a footbridge.	
15	J13 – Sau Mau Ping Central	1	-	Proposes to include the Ancillary Facilities Block of Sau Mau Ping Estate to the constituency areas boundary descriptions of J13 (Sau Mau Ping Central).	This proposal is **not accepted** because the constituency areas boundary descriptions include only major housing estates or areas in order to help the public understand the areas covered by the DCCAs.
16	J13 – Sau Mau Ping Central J14 – On Tat	41	-	Propose to retain Oi Tat House and Shing Tat House of On Tat Estate in J14 (On Tat). Reasons are summarised as follows: • retention of Oi Tat House and Shing Tat House of On Tat Estate in J14 (On Tat) can preserve community integrity; • there is quite a long distance between Oi Tat House and Shing Tat House of On Tat Estate, and J13 (Sau Mau Ping Central). The provisional recommendations are unreasonable from geographical point of view; • On Tat Estate belongs to the Sze Shun Area under the HAD. Hence, buildings of On Tat Estate should not be included in two DCCAs; and	This proposal is **not accepted** because: (i) according to the proposal made in the representations, the population of J14 (On Tat) (24 018) will exceed the statutory permissible upper limit (+44.70%); and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

		W	*O*		
				(Ping Tin) is underestimated. One representation proposes to adjust the boundaries of the DCCAs in Lam Tin after the population intake of the newly-developed Disciplined Services Quarters located next to Kwun Tong Police Station in the next delineation exercise so as to prevent excessive and frequent adjustments to the DCCA boundaries, hence causing inconvenience to the electors.	Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise; and (iv) in drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
21	J20 – Ping Tin J27 – Laguna City J28 – King Tin	1	-	Proposes to transfer Blocks 24 to 26 of Laguna City to J28 (King Tin), and transfer Hong Tin Court from the latter to J20 (Ping Tin) because if the EAC does not solve the problem of overpopulation in Laguna City, it will upset the planning of the adjacent DCCAs, making the community integrity undesirable.	This proposal is **not accepted**. It is not feasible to transfer some of the population in J27 (Laguna City) to J28 (King Tin) since J27 (Laguna City) is separated from J28 (King Tin) in the north of it by a hillside.
22	J22 – Chun Cheung J23 – Yau Tong East J24 – Yau Chui J25 – Yau Lai J26 – Yau Tong West	10	-	Support the provisional recommendations.	The supporting view is noted.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
23	J22 – Chun Cheung J23 – Yau Tong East	1	-	Proposes to form a DCCA comprising Ko Chun Court of J22 (Chun Cheung) and Ko Yee Estate of J23 (Yau Tong East) as Ko Chun Court and Ko Yee Estate are contiguous to each other geographically and both housing estates were built around the same year. Doubts if any factors other than population have been taken into account in respect of the provisional recommendations of forming a DCCA with Ko Chun Court and Ko Cheung Court, which is Disciplined Services Quarters.	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of the DCCA concerned (8 682) will be below the statutory permissible lower limit (-47.70%); and (ii) the EACO stipulates that apart from taking into account the projected populations, the EAC must also have regard to the other statutory factors, including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the concerned areas when adjusting the DCCA boundaries. These factors do certainly not include political ones or any factors not relevant to the statutory requirements.
24	J22 – Chun Cheung J23 – Yau Tong East J24 – Yau Chui	1	-	(a) Supports the creation of J22 (Chun Cheung).	<u>Item (a)</u> The supporting view is noted.
				(b) Objects to splitting Yau Lai Estate into three DCCAs. Proposes to: • transfer the areas in the east of Lei Yue Mun Path and Shung Shun Street from J26 (Yau Tong West) to J23 (Yau	<u>Item (b)</u> This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be two more than that in the provisional

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	J25 – Yau Lai J26 – Yau Tong West J27 – Laguna City			Tong East); • transfer the areas in the south of Cha Kwo Ling Road and in the east of Ko Fai Road from J26 (Yau Tong West) to J24 (Yau Chui); • transfer the area of Cha Kwo Ling Tsuen to J27 (Laguna City); • transfer Ying Lai House of Yau Lai Estate to J26 (Yau Tong West); and • maintain the status of J27 (Laguna City) as a DCCA with population exceeding the statutory permissible upper limit, or subject to the actual population, split it into two DCCAs with populations below the statutory permissible lower limit.	recommendations. The affected population under the proposal will be larger, too; and (ii) based on the 2015 original DCCA boundary, the population of J27 (Laguna City) (24 757) will exceed the statutory permissible upper limit (+49.15%). According to the proposal made in the representation, the population of the DCCA will further exceed the statutory permissible upper limit.
25	J24 – Yau Chui J25 – Yau Lai J26 – Yau Tong West	9	-	(a) Propose to transfer Hong Lai House, Tsui Lai House and Yan Lai House of Yau Lai Estate from J26 (Yau Tong West) to J25 (Yau Lai). Reasons are summarised as follows: • Yau Lai Estate is quite unique in terms of the living space, location, passageways and corridors, malls, sitting-out facilities,	<u>Item (a)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representations, the population of J25 (Yau Lai) (22 424) will exceed the statutory permissible upper limit (+35.09%); (ii) the number of affected

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				carparks and social welfare organisations or even community problems. Splitting Yau Lai Estate into two DCCAs is already the limit and splitting it into three DCCAs will break its community integrity, identity and undermine the residents' sense of belonging towards the community, creating a lot of confusion for them; • increase in the number of DC members to deal with the district affairs of Yau Lai Estate from two to three will make it more difficult for all three of them to have meetings and reach a consensus with the HD. It is expected that longer time will be taken to resolve the community problems. Besides, the residents of Yau Lai Estate will be confused as to which DC member they should seek help for solving the community problems; • the population of J26 (Yau Tong West) (19 627), which substantially deviates from the population quota (+18.24%), and	DCCAs under the proposal made in the representations will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				the area of the DCCA is also the largest in the Kwun Tong District. In addition, there are public housing estates, housing estates under the Tenants Purchase Scheme, squatter structures and scrappy metal shacks, old tenement buildings, newer private residential blocks, private residential buildings, factory areas, tourist areas, etc. in that DCCA, resulting in a large population and disagreement among different social strata with vested interests; and • to preserve the community integrity of Yau Lai Estate, and also lower the deviation from the population quota for J26 (Yau Tong West). Besides, to address the population pressure brought about by the relocation of the Yau Tong Industrial Area of the DCCA from Yau Tong in future.	
				(b) Propose to include all buildings of Yau Lai Estate in the same DCCA because it can fully preserve the community integrity.	Item (b) This proposal is **not accepted** because according to the proposal made in the representation, the population

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					of J25 (Yau Lai) (27 886) will exceed the statutory permissible upper limit (+68.00%).
				(c) Propose to keep the boundary of J25 (Yau Lai) unchanged.	Item (c) This proposal is **not accepted** because based on the 2015 original DCCA boundary, the population of J25 (Yau Lai) (21 530) will exceed the statutory permissible upper limit (+29.71%). To maintain the population of the DCCA to fall within the statutory permissible range, adjustment to its boundary is required.
				(d) One representation proposes to transfer Fung Lai House and Ying Lai House of Yau Lai Estate to J26 (Yau Tong West), and transfer Fu Tong House and Kwai Tong House of Yau Tong Estate from J26 (Yau Tong West) to J24 (Yau Chui).	Item (d) This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.
				(e) One representation does not object to the transfer of Fung Lai House and Ying Lai House of Yau Lai Estate from J25 (Yau Lai) to J24 (Yau Chui) because these two blocks are adjacent to J24 (Yau Chui). Hence, it is more convenient for the residents concerned to seek help from DC member of J24 (Yau Chui). Moreover, DC member of J24 (Yau Chui) does not	Item (e) The view is noted.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				have to travel a long distance to these two blocks. Therefore, it is anticipated that the impact on the quality of services of the DC member will not be significant.	
26	J24 – Yau Chui J25 – Yau Lai J26 – Yau Tong West J27 – Laguna City	-	2	Object to the provisional recommendations on splitting Yau Lai Estate into three DCCAs as this will break the community integrity and local identity of that housing estate. Besides, the EAC allows the population of J27 (Laguna City) to exceed the statutory permissible upper limit, but splits Yau Lai Estate into three DCCAs. Query whether the EAC has given more favorable treatment to those living in private residential buildings and ignored the interests of the residents living in public housing estates.	This proposal is **not accepted** because in drawing up the delineation recommendations, the EAC has strictly adhered to the statutory criteria under the EACO and its working principles. The recommendations were made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC would not favour a particular administrative district or a particular DCCA.
27	J24 – Yau Chui J26 – Yau Tong West	1	-	Objects to the provisional recommendations on J24 (Yau Chui) and J26 (Yau Tong West). Proposes to: • group Yau Chui Court, and Fung Lai House, Ying Lai House, Tsui Lai House, Hong Lai House and Yan Lai House of Yau Lai Estate in J24 (Yau Chui); and • group Yau Mei Court, Yau Tong Estate, Yau Tong Centre, Lei Yue Mun and	This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (ii) the delineation recommendations must be based on objective data of

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Cha Kwo Ling in J26 (Yau Tong West). The representation considers that the benefits of the above proposals are as follows: • district administration and management will be more scientific and logical; • district political inclination will be clearer. Collaborative efforts can be made to optimise the environment; • livelihood measures and resource allocation will become smoother and more efficient; • the role of DC member as a bridge will be more in line with public opinion and the DC member can better perform their functions; • the location of the polling stations of a DCCA will become clearer so it will be easier for people to find them, regardless of their ages; • it will be easier to distinguish a candidate's political platform from the other so that wrong casting of vote can be avoided; • it will facilitate the	population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				exchange of views among electors and prevent misjudgments on the information of candidates and hassles between electors; and • residents' voting initiative will be boosted, resulting in higher voter turnout, and the elected DC member can better grasp public sentiment.	
28	J26 – Yau Tong West J27 – Laguna City	-	1	Proposes to transfer some buildings from J27 (Laguna City) to J26 (Yau Tong West) because the population of J27 (Laguna City) will deviate from the population quota by +49.15% in 2019. In addition, as the hillside behind Laguna City has become a new development zone, there are community ties between these two DCCAs.	This proposal is **not accepted** because it is not feasible to adjust the boundaries of the adjacent DCCAs to absorb the excessive population of J27 (Laguna City) due to geographical factor.
29	J28 – King Tin	1	-	Supports the provisional recommendations.	The supporting view is noted.

				• the proposal made in the representations will make the population figures of these two DCCAs become closer.	

Appendix II - K

Tsuen Wan District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	Supports the provisional recommendations on all DCCAs of the Tsuen Wan District.	The supporting view is noted.
2	All DCCAs	2	-	(a) Object to re-arranging the order of the DCCA codes as it will cause confusion to electors. It may also discourage electors from voting and increase the chance of casting the votes wrongly. (b) Propose to assign new codes to newly created DCCAs only, for example, the DCCA code for the new K03 (Tsuen Wan South) should be K19.	Items (a) and (b) These proposals are **not accepted** because: (i) allocating codes to DCCAs is for the sake of easy identification of DCCAs on the boundary maps and providing the public with a quicker and easier way in locating the DCCA(s) which they are looking for. According to the established working principles, when drawing up the provisional recommendations, the EAC will rationalise the allocation of the DCCA codes for all administrative districts by assigning the codes in a clockwise direction with a view to making the DCCAs with consecutive codes contiguous to each other as far as possible, so that it is easier for the public to locate the

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					DCCA(s); (ii) the DCCA codes are not directly related to electors' voting; and (iii) there is a representation supporting the rationalisation of DCCA codes. It considers that the DCCA codes in the provisional recommendations have enabled the public to locate the DCCAs on the maps more quickly (please see item 1 of General Issues in Appendix II).
3	All DCCAs	1	-	(a) Supports the provisional recommendations on K07 (Tsuen Wan Centre), K08 (Discovery Park), K09 (Fuk Loi), K10 (Luk Yeung), K12 (Tsuen Wan Rural), K14 (Lai To), K15 (Allway), K16 (Cheung Shek), K17 (Shek Wai Kok), K18 (Lei Muk Shue West) and K19 (Lei Muk Shue East).	<u>Item (a)</u> The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on K01 (Tak Wah), K02 (Yeung Uk Road), K03 (Tsuen Wan South), K04 (Hoi Bun), K11 (Ma Wan) and K13 (Ting Sham).	<u>Item (b)</u> The view is noted.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) Proposes to restore the name of K05 (Tsuen Wan West) to "Lai Hing" which was used in the 2011 DC Ordinary Election.	Item (c) This proposal is **not accepted** because in the 2015 delineation exercise, the DCCA concerned was named as "Tsuen Wan West" to reflect its geographical location. The public are used to the DCCA name. Change of the DCCA name may cause confusion to the public.
				(d) Objects to the provisional recommendations on K05 (Tsuen Wan West) and K06 (Clague Garden), and proposes to transfer Ocean Pride and The Pavilia Bay from K05 (Tsuen Wan West) to K06 (Clague Garden) because the above two housing estates are geographically closer to K06 (Clague Garden) and the expected intake date of both estates will be after June 2019. Re-delineation of the boundaries of the DCCAs would not have any significant impact on their populations.	Item (d) This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected populations under the proposal will be larger, too.
				(e) Proposes to name K13 (Ting Sham) as "Sham Ting" to reflect that Sham Tseng has a greater population than other areas in the DCCA.	Item (e) This proposal is **not accepted** because there is no apparent difference between the proposed name "Sham Ting" made in the representation and the name "Ting Sham" made in the provisional recommendations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(f) Taking into account the development of Lantau, proposes to put K11 (Ma Wan) in the Islands District in the delineation exercise for the 2023 DC Ordinary Election.	Item (f) The proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
4	K01– Tak Wah K02 – Yeung Uk Road K03 – Tsuen Wan South K04 – Hoi Bun K05 – Tsuen Wan West K06 – Clague Garden K07 – Tsuen Wan Centre K08 – Discovery Park	1	-	Objects to the provisional recommendations. Proposes to re-delineate the DCCAs and change the names of some DCCAs. Details are as follows: K01 (Tak Wah) includes the areas in the east of Tai Ho Road, the south of Castle Peak Road, the west of Texaco Road, and the north of Sha Tsui Road. K02 (Yeung Uk Road) includes the areas in the east of Wo Tik Street, the south of Sha Tsui Road, the west of Texaco Road, and the north of Yeung Uk Road. Renaming of the DCCA is required. K03 (Tsuen Wan South) includes the areas in the east of Tai Ho Road, the south of Yeung Uk Road, the west of Texaco Road, the north of Wing Shun Street, and Vision City. K04 (Hoi Bun) includes Riveria Gardens.	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of K06 (Clague Garden) (8 054) will be below the statutory permissible lower limit (-51.48%); and (ii) the number of affected DCCAs under the proposal made in the representation will be 10 more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	K09 – Fuk Loi K10 – Luk Yeung K12 – Tsuen Wan Rural K13 – Ting Sham K14 – Lai To K15 – Allway K16 – Cheung Shek K17 – Shek Wai Kok			<u>K05 (Tsuen Wan West)</u> includes the areas of Yau Kom Tau, Ting Kau, Bayview Garden, Belvedere Garden Phase 3, Serenade Cove and The Pavilia Bay. Restores the name of the DCCA to "Lai Hing". <u>K06 (Clague Garden)</u> includes the areas of Ocean Pride, Clague Garden Estate, Skyline Plaza and Tsuen Wan Plaza. <u>K07 (Tsuen Wan Centre)</u> includes the areas of Tsuen Wan Centre, and Tsuen King Garden. Renaming of the DCCA is required. <u>K08 (Discovery Park)</u> includes the areas of Discovery Park and Fuk Loi Estate. Renaming of the DCCA is required. <u>K09 (Fuk Loi)</u> includes the areas in the east of Tai Chung Road, the south of Hoi Pa Street and Castle Peak Road – Tsuen Wan, the west of Tai Ho Road North, and the north of Tai Pa Street. Renaming of the DCCA is required. <u>K10 (Luk Yeung)</u> includes Luk Yeung Sun Chuen, and the areas in the north of Castle Peak Road, the south and the east of Sai Lau Kok Road.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				K12 (Tsuen Wan Rural) proposes to rename the DCCA as "Tsing Lung Tau". K13 (Ting Sham) includes the areas of Bellagio, Rhine Garden, Ocean Pointe and Sham Tseng Village. Renames the DCCA as "Sham Tseng". K14 (Lai To) includes the areas of Hanley Villa, Belvedere Garden Phases 1 and 2, The Panorama and Summit Terrace. K15 (Allway) includes the areas of Allway Gardens, Tsuen Tak Gardens, Kam Fung Garden, The Cairnhill, The Cliveden, Kwong Pan Tin Tsuen and Pak Tin Pa San Tsuen. K16 (Cheung Shek) includes Cheung Shan Estate, the north of Cheung Pei Shan Road, and the village houses along and in the vicinity of Route Twisk. K17 (Shek Wai Kok) includes Shek Wai Kok Estate and its nearby areas.	
5	K01 – Tak Wah K03 – Tsuen Wan South	1	-	(a) Objects to the provisional recommendations on the transfer of Vision City from K01 (Tak Wah) to K03 (Tsuen Wan South).	Item (a) This representation is **not accepted** because based on the 2015 original DCCA boundary, the population of K01 (Tak Wah) (21 511) will exceed the statutory

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	K04 – Hoi Bun				permissible upper limit (+29.59%). With a view to maintaining the population within the statutory permissible range, it is necessary to transfer some of the buildings in K01 (Tak Wah) to the adjacent DCCAs. Given that the new DCCA K03 (Tsuen Wan South) adjacent to K01 (Tak Wah) has sufficient room to absorb the excessive population of K01 (Tak Wah), the provisional recommendations proposed to transfer Vision City which is closest to K03 (Tsuen Wan South) from K01 (Tak Wah) to K03 (Tsuen Wan South).
				(b) Proposes to transfer Waterside Plaza from K04 (Hoi Bun) to K03 (Tsuen Wan South).	<u>Item (b)</u> This proposal is **not accepted** because the population of K04 (Hoi Bun) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
6	K03 – Tsuen Wan South K05 – Tsuen Wan West	1	-	(a) Objects to the provisional recommendations on K05 (Tsuen Wan West). Proposes to use Tai Ho Road as the eastern boundary of K05 (Tsuen Wan West) and transfer the Pavilia Bay from K05 (Tsuen Wan West) to K03 (Tsuen Wan South) because:	<u>Item (a)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representation , the population of K03 (Tsuen Wan South) (21 280) will exceed the statutory permissible upper limit

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	K06 – Clague Garden			• The Pavilia Bay in K05 (Tsuen Wan West) is very close to City Point in K03 (Tsuen Wan South). The two estates are just separated by Wing Shun Street; and • given the extensive area of K05 (Tsuen Wan West), it is difficult for the DC member concerned to serve the residents living on the eastern and western sides of the DCCA, rendering them unable to receive the services to which they are entitled.	(+28.20%); and (ii) the delineation recommendations must be based on objective data of the population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors for consideration.
				(b) Proposes to transfer Parc City from K06 (Clague Garden) to K05 (Tsuen Wan West) because its neighbouring Ocean Pride is also included in K05 (Tsuen Wan West).	<u>Item (b)</u> This proposal is **not accepted** because the population of K06 (Clague Garden) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
7	K03 – Tsuen Wan South K16 – Cheung Shek	1	-	Holds no objection to the provisional recommendations.	The view is noted.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
8	K07 – Tsuen Wan Centre K10 – Luk Yeung K15 – Allway K16 – Cheung Shek K17 – Shek Wai Kok	1	2	Consider that the populations are unevenly distributed among the DCCAs in the Tsuen Wan District. For instance, the populations of K10 (Luk Yeung), K16 (Cheung Shek) and K17 (Shek Wai Kok) are around 12 000 to 13 000, whereas the population of K15 (Allway) is as high as 19 000. Two of the representations indicate that the extensive area of K15 (Allway) makes it difficult for the DC member concerned to serve the residents. Propose to transfer the village houses in the vicinity of Route Twisk from K15 (Allway) to K10 (Luk Yeung) or K07 (Tsuen Wan Centre).	This proposal is **not accepted** because: (i) the population quota for the 2019 DC Ordinary Election is 16 599, and the legislation allows the population in a DCCA to exceed or fall short of the population quota by not more than 25% (i.e. between 12 449 and 20 749). For DCCAs where the populations do fall within the statutory permissible range, adjustments to their boundaries would not be necessary in principle; (ii) the population of K15 (Allway) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors for consideration.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
9	K08 – Discovery Park	1	-	Supports the provisional recommendation.	The supporting view is noted.
10	K11 – Ma Wan	1	1	Taking into account the development of Lantau, proposes to put K11 (Ma Wan) in the Islands District in the delineation exercise for the 2023 DC Ordinary Election with a view to enhancing the efficiency of district administration. Another representation proposes to group the northeastern part of Lantau in K11 (Ma Wan) in the Islands District.	The proposals made in the representations involve alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.

Appendix II - L

Tuen Mun District

	L07 – Tsui Hing L08 – Shan King L09 – King Hing L10 – Hing Tsak L11 – San Hui			Tsui) so that the latter will comprise the entire Siu Lun Court, Oceania Heights and Nerine Cove; and • adjusts the boundaries of L05 (Yau Oi South) and L06 (Yau Oi North) so that these two DCCAs will comprise Tsui Ning Garden in L04 (Siu Tsui), part of Yau Oi Estate in L05 (Yau Oi South), part of Yau Oi Estate in L06 (Yau Oi North) and Goodview Garden.	
	L15 – Yuet Wu L16 – Siu Hei L17 – Wu King L20 – Lok Tsui L21 – Lung Mun			(b) Objects to the provisional recommendations on dividing Shan King Estate into L08 (Shan King) and L09 (King Hing), and Tai Hing Estate into L09 (King Hing) and L10 (Hing Tsak). Considers that re-delineation of the DCCAs concerned can rectify the above situation and the problem of having a relatively large population in L11 (San Hui). Details of the proposals are as follows: • deletes L16 (Siu Hei) so as to free up a DCCA for the creation of a new DCCA in the area of Tai Hing Estate. The name of the new DCCA is "Tai Hing";	Item (b) This proposal is **not accepted** because the populations of L07 (Tsui Hing), L08 (Shan King), L09 (King Hing), L10 (Hing Tsak), L15 (Yuet Wu), L16 (Siu Hei), L17 (Wu King), L20 (Lok Tsui) and L21 (Lung Mun) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• transfers Siu Hei Court and Miami Beach Towers from L16 (Siu Hei) to L17 (Wu King) and L20 (Lok Tsui) respectively, and Marina Garden to L15 (Yuet Wu); • transfers the area in the west of Lung Mun Road in L20 (Lok Tsui) (including Lung Kwu Tan), and the areas in the north of Wong Chu Road and in the west of Lung Mun Road in L21 (Lung Mun) to L08 (Shan King); • transfers some of the buildings in L08 (Shan King) to L09 (King Hing) so that the latter will only include Shan King Estate and renames it as "Shan King North". For L08 (Shan King), renames it as "Shan King South & Castle Peak"; and • transfers Chelsea Heights in L07 (Tsui Hing) and the area of Choy Yee Bridge in L11 (San Hui) to L10 (Hing Tsak). Renames L10 (Hing Tsak) as "Choy Yee Bridge".	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
4	L01 – Tuen Mun Town Centre L11 – San Hui L15 – Yuet Wu L16 – Siu Hei L17 – Wu King	1	-	(a) Objects to the transfer of the area of Ming Ngai Street to L11 (San Hui), and requests that the original boundary of L01 (Tuen Mun Town Centre) be remained unchanged. Reasons are as follows: • people living in Ming Ngai Street, Lee Yuen Mansion and Mai Kei Building are long-time residents who have developed strong emotional bonds with L01 (Tuen Mun Town Centre); • in terms of district and street management, transferring the street to L11 (San Hui) is strange and incongruous; • retaining the street in L01 (Tuen Mun Town Centre) will not have any impact on the population distribution of Tuen Mun Town Centre as the population therein is not large. In addition, even if there is an increase in the population of L01 (Tuen Mun Town Centre), it will only increase the workload of the DC member concerned but will have	<u>Item (a)</u> This proposal is **not accepted** because: (i) based on the 2015 original DCCA boundary, the population of L01 (Tuen Mun Town Centre) (20 982) will exceed the statutory permissible upper limit (+26.41%). In order to maintain the population of the DCCA within the statutory permissible range, some buildings in the DCCA must be transferred to the adjacent DCCA; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				no impact on the entire Tuen Mun District; and • the delineation criteria disregard the overall planning of the area and the wishes of the residents. Delineation of DCCAs should not be decided rigidly on the basis of population quota, but the district as a whole.	
				(b) The total population of the three DCCAs, namely L15 (Yuet Wu), L16 (Siu Hei) and L17 (Wu King) is 39 406. They should be grouped into two DCCAs.	Item (b) This proposal is **not accepted** because the populations of L15 (Yuet Wu), L16 (Siu Hei) and L17 (Wu King) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
5	L02 – Siu Chi L03 – On Ting L04 – Siu Tsui L05 – Yau Oi South L06 – Yau Oi North	1	-	To ensure local integrity and from a long term perspective, proposes to: • transfer Siu On Court from L02 (Siu Chi), where the population is higher than the population quota by about 20%, to L03 (On Ting); • transfer part of Siu Lun Court from L03 (On Ting) to L04 (Siu Tsui); • transfer Tsui Ning Garden from L04 (Siu Tsui) to L06 (Yau Oi North); and	This proposal is **not accepted** because the populations of L02 (Siu Chi), L03 (On Ting), L04 (Siu Tsui), L05 (Yau Oi South) and L06 (Yau Oi North) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• transfer Oi Ming House and Oi Hei House from L06 (Yau Oi North) to L05 (Yau Oi South).	
6	L07 – Tsui Hing L12– So Kwun Wat L25 – Po Tin L28 – Yan Tin	1	-	Supports the provisional recommendations.	The supporting view is noted.
7	L12 – So Kwun Wat L28 – Yan Tin	-	1	Agrees to create new DCCAs in the areas of So Kwun Wat and Yan Tin Estate.	The supporting view is noted.
8	L12 – So Kwun Wat L13 – Sam Shing L14 – Hanford	7	-	(a) One representation supports the provisional recommendations on L14 (Hanford).	<u>Item (a)</u> The supporting view is noted.
				(b) Three representations propose to transfer Aegean Coast from L14 (Hanford) to L12 (So Kwun Wat) as Aegean Coast is geographically situated in So Kwun Wat.	<u>Item (b)</u> These proposals are **not accepted** because according to the proposal made in the representations, the population of L14 (Hanford) (10 095) will be below the statutory permissible lower limit (-39.18%).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) One representation proposes to transfer The Bloomsway from L12 (So Kwun Wat) to L14 (Hanford) as the housing estate is geographically closer to L14 (Hanford). If the proposal will result in an insufficient population in L12 (So Kwun Wat), then transfer Aegean Coast from L14 (Hanford) to L12 (So Kwun Wat).	Item (c) This proposal is **not accepted** because if The Bloomsway is transferred from L12 (So Kwun Wat) to L14 (Hanford), the population of L12 (So Kwun Wat) (11 561) will be below the statutory permissible lower limit (-30.35%). If Aegean Coast is also transferred from L14 (Hanford) to L12 (So Kwun Wat), the population of L14 (Hanford) (12 362) will be below the statutory permissible lower limit (-25.53%).
				(d) One representation proposes to transfer four villages (i.e. Tai Lam Chung Tsuen, Luen On San Tsuen, Tai Lam Wong Uk and Tai Lam Wu Uk) from L13 (Sam Shing) to L12 (So Kwun Wat). Reasons are as follows: • makes the populations of L12 (So Kwun Wat) and L13 (Sam Shing) to be closer to the population quota, which helps improve population distribution; • Siu Lam Tsuen, So Kwun Wat Tsuen and Nim Wan Tsuen in L12 (So Kwun Wat) as well as Tai Lam Chung Tsuen and Luen On San Tsuen in L13 (Sam Shing) are all under Tuen Mun Rural Committee.	Item (d) This proposal is **not accepted** because there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving community identities and local ties.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Thus, their residents have similar backgrounds and concerns. The proposal can achieve community integrity and cater for the unique needs of the community; • geographically, Tai Lam Chung Tsuen, Luen On San Tsuen, Tai Lam Wong Uk and Tai Lam Wu Uk as well as So Kwun Wat and Siu Lam, are all located in the north of Castle Peak Road – Tai Lam. Therefore, designating Castle Peak Road – Tai Lam as the DCCA boundary can better tie in with the geographical environment and the physical features of the area; • Tai Lam Chung and Siu Lam belonged to the same DCCA in the past. Residents nearby have similar concerns. Hence, the proposal can preserve the original community ties; and • the proposal only involves changes to two existing DCCAs and has no impact on the major housing estates in the area.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(e) One representation objects to the provisional recommendations on L12 (So Kwun Wat), L13 (Sam Shing) and L14 (Hanford). To even out the populations of these DCCAs and reduce the impact on L14 (Hanford), as well as to take into consideration the preservation of community integrity and local ties, proposes to: • retain the area of Tsing Ying Road (i.e. The Bloomsway and Harrow International School Hong Kong) in L14 (Hanford) so that community integrity and local ties can be preserved. The Bloomsway is close to Seaview Garden and Palm Beach in L14 (Hanford). On the contrary, it is separated from the area of Avignon in L12 (So Kwun Wat) by a small hill and Harrow International School Hong Kong, and therefore there is lack of ties; and • transfer Tai Lam Chung and the villages and residential buildings in the area of Tsing Fat Street in L13 (Sam Shing) to L12 (So Kwun Wat). As L12 (So	<u>Item (e)</u> This proposal is **not accepted** because: (i) there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving community identities and local ties; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Kwun Wat) has many villages, transferring the above villages and residential buildings to L12 (So Kwun Wat) will enable the DC member concerned to focus on the village affairs in the area. In addition, as Tai Lam and Siu Lam are close to each other, and both located in the marginal region of the southeastern Tuen Mun, the integration of both places into one DCCA can preserve community integrity and local ties.	
				(f) One representation considers that following the development of the southeastern part of Tuen Mun, the nature of Sam Shing Estate and other low-rise private residential buildings and the rural area in L13 (Sam Shing) are not similar, and proposes to: • transfer The Bloomsway and Harrow International School Hong Kong from L12 (So Kwun Wat) to L14 (Hanford); • transfer Sam Shing Estate from L13 (Sam Shing) to L14 (Hanford), and Tai Lam Chung to L12 (So Kwun Wat); and • transfer Aegean Coast	<u>Item (f)</u> This proposal is **not accepted** because the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community. Besides, the proposal made in the representation is not obviously better than the provisional recommendations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				from L14 (Hanford) to L13 (Sam Shing). Rename the latter as "Gold Coast".	
9	L25 – Po Tin L28 – Yan Tin	10	-	(a) Object to the creation of a new DCCA comprising Yan Tin Estate and other villages. Reasons are summarised as follows: • the provisional recommendations have not taken into account the different needs of residents in the public housing estates and villages; • forming a DCCA solely for Yan Tin Estate can effectively safeguard the interests of residents, preserve community harmony and give appropriate assistance to the residents; • the residents of Yan Tin Estate will jeopardise the tranquil environment of Tze Tin Tsuen; • the residents of Tze Tin Tsuen do not like being in the same DCCA with outsiders; • the delineation of DCCAs should not be carried out only on the basis of population size,	<u>Items (a) to (c)</u> These proposals are **not accepted** because: (i) upon receipt of the representations, the EAC conducted site visit and noted that Yan Tin Estate and other villages are very close to each other; (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community; (iii) arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration for delineation; and (iv) the EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. During the consultation period, members of the public can express their views on the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				but also community integrity and identity; • switching DCCAs causes confusion to the residents; and • before formulating the provisional recommendations, the EAC did not consult the residents who are now forced to accept them.	provisional recommendations through different means. The EAC will consider every representation received during the consultation period objectively before making the final recommendations.
				(b) Nine representations suggest Yan Tin Estate forming an independent DCCA.	
				(c) One representation agrees to transfer Hanison Garden, Grand Villa, San Hing Tsuen, Villa Pinada and Yan Tin Estate to L28 (Yan Tin) but suggests that Tze Tin Tsuen be transferred to L25 (Po Tin) because according to the provisional recommendations, the population of L28 (Yan Tin) is slightly higher than the population quota while that of L25 (Po Tin) is lower than the population quota by 7.04%. Transferring Tze Tin Tsuen to L25 (Po Tin) will bring about a more balanced population distribution between L25 (Po Tin) and L28 (Yan Tin). In addition, Tze Tin Tsuen has always belonged to L25 (Po	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Tin). Minimising changes to the DCCA can maintain its stability and facilitate residents' adoption.	
10	L25 – Po Tin L28 – Yan Tin	1	-	Agrees to the provisional recommendations in principle and suggests transferring Kei Lun Wai from L25 (Po Tin) to L28 (Yan Tin) because Kei Lun Wai is geographically closer to Yan Tin Estate than Po Tin Estate. Besides, this can also facilitate the provision of services by DC members.	This proposal is **not accepted** because the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
11	L25 – Po Tin L28 – Yan Tin L29 – Tuen Mun Rural	1	-	Agrees to create a new DCCA in the area of Yan Tin Estate. In order to even out the populations of L25 (Po Tin), L28 (Yan Tin) and L29 (Tuen Mun Rural), proposes to: • transfer Villa Pinada from L28 (Yan Tin) to L25 (Po Tin); and • transfer the area of Tuen Tsz Wai from L29 (Tuen Mun Rural) to L28 (Yan Tin).	This proposal is **not accepted** because the population of L29 (Tuen Mun Rural) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
12	L28 – Yan Tin L29 – Tuen Mun Rural L30 – Fu Tai	2	-	(a) One representation proposes to re-delineate the boundaries of L28 (Yan Tin), L29 (Tuen Mun Rural), L30 (Fu Tai) and L31 (Prime View) so that community integrity is preserved, small communities are not isolated and the population distribution of each DCCA	<u>Items (a) and (b)</u> These proposals are **not accepted** because the populations of L29 (Tuen Mun Rural), L30 (Fu Tai) and L31 (Prime View) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	L31 – Prime View			is more balanced. Details are as follows: • transfers Napa Valley, Beneville and South Hill Crest from L31 (Prime View) to L30 (Fu Tai); • transfers Botania Villa and Fuk Hang Tsuen from L30 (Fu Tai) to L29 (Tuen Mun Rural); and • transfers Tuen Tsz Wai and Tsing Chuen Wai from L29 (Tuen Mun Rural) to L28 (Yan Tin).	
				(b) One representation considers that Fu Tai Estate in L30 (Fu Tai) is not closely connected with the rural area in the DCCA. Proposes to transfer the villages of L29 (Tuen Mun Rural) to L28 (Yan Tin) so that L29 (Tuen Mun Rural) has room to absorb the villages of L30 (Fu Tai).	

Appendix II - M

Yuen Long District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.* *		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	Proposes to establish the Tin Shui Wai DC.	The proposal made in the representation involves the change of administrative district, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
2	All DCCAs	1	-	(a) Supports the provisional recommendations on all DCCAs of the Yuen Long District (except items 2(b) to (d) as mentioned below).	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on M02 (Yuen Long Centre), M07 (Nam Ping), M08 (Pek Long) and M09 (Yuen Long Tung Tau).	Item (b) The view is noted.
				(c) Proposes to rename M09 (Yuen Long Tung Tau) as "Tai Kiu & Tung Tau" to avoid causing confusion to people outside the District.	Item (c) This proposal is **not accepted** because the DCCA name in the provisional recommendations can appropriately reflect the location of the DCCA. Besides, the name proposed in the representation is not obviously better than that in the provisional recommendations.

* W: Number of written representations.
O: Number of oral representations.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				(d) Objects to the provisional recommendations on the transfer of three blocks of Lynwood Court to M22 (Kingswood South). Considers that M22 (Kingswood South) and M27 (Kingswood North) are too far away from each other. Proposes to maintain the original boundary of M22 (Kingswood South) and adopts the following to solve the problem of excessive population in M27 (Kingswood North): • transfers Lynwood Court to M26 (Chung Pak) and then transfers Chung Pik House and Chung Shui House of Tin Chung Court from M26 (Chung Pak) to M25 (Chung Wah). If the population of M26 (Chung Pak) will exceed the statutory permissible upper limit after the adjustments, transfers Chung Ki House and Chung Wa House of Tin Chung Court to M25 (Chung Wah). • if the population of M26 (Chung Pak) will still exceed the statutory permissible upper limit after the above adjustments, then	<u>Item (d)</u> This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be three more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				proposes to adjust the boundaries of the following DCCAs concurrently: <u>M23 (Shui Oi)</u> includes the original area and Shui Kwok House and Shui Chuen House of Tin Shui Estate. <u>M24 (Shui Wah)</u> transfers Shui Kwok House and Shui Chuen House of Tin Shui Estate to M23 (Shui Oi), and absorbs Tin Wah Estate in M25 (Chung Wah). <u>M25 (Chung Wah)</u> includes Tin Chung Court. Changes the name of the DCCA to "Tin Chung". <u>M26 (Chung Pak)</u> includes Central Park Towers, Lynwood Court of Kingswood Villas and Kingswood Ginza. Changes the name of the DCCA to "Pak Lai". • if the above proposals are not feasible, proposes to transfer Blocks 1 to 3 of Lynwood Court together with Kingswood Ginza to M26 (Chung Pak).	

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				(e) Although the populations of M28 (Yuet Yan), M29 (Ching King), M30 (Fu Yan), M31 (Yat Chak), M32 (Tin Heng) and M33 (Wang Yat) meet the population requirements, based on the total population of the District, the total number of seats for these DCCAs should be one less than the existing number of elected seats. Taking into account the future developments of Areas 112 and 115 in Tin Shui Wai, proposes to create one elected seat for the above DCCAs in the delineation exercise for the 2023 DC Ordinary Election so as to cater for the community needs of Tin Shui Wai.	Item (e) In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
3	M01 – Fung Nin M02 – Yuen Long Centre M03 – Fung Cheung M04 – Yuen Lung	1	-	(a) Considers that Grand YOHO should be transferred from M10 (Shap Pat Heung North) to M04 (Yuen Lung) so that same type of residential buildings can be put in the same DCCA to comply with the statutory criterion regarding the preservation of community identities. In addition, proposes to transfer the area in the north of Fung Yau Street North in M04 (Yuen Lung) to M03 (Fung Cheung) because:	Items (a) to (d) These proposals are **not accepted** because**:** (i) the number of affected DCCAs under the proposal made in the representation will be six more than that in the provisional recommendations. The affected populations under the proposal will be larger, too; and (ii) the delineation recommendations must be based on objective

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
	M07 – Nam Ping M08 – Pek Long M09 – Yuen Long Tung Tau M10 – Shap Pat Heung North M29 – Ching King M31 – Yat Chak M32 – Tin Heng M33 – Wang Yat			• in the delineation exercise for the 2015 DC Ordinary Election, the construction of Grand YOHO had not yet completed. Hence, the delineation of the area concerned would not have any impact on the DCCA. However, Grand YOHO is now completed for intake; and • Grand YOHO, YOHO Town and YOHO Midtown are under the same residential project of the same developer. The latter two are now in M04 (Yuen Lung) which has a relatively low population. Therefore, Grand YOHO should also be transferred to M04 (Yuen Lung). (b) After the proposed adjustments in item 3(a), to transfer both the buildings, such as The Parcville, separated by Tung Tau Industrial Area and Kwan Lok Sun Tsuen to M10 (Shap Pat Heung North) so as to ease the problem of relatively high populations in M08 (Pek Long) and M02 (Yuen Long Centre).	data of population distribution. Developer of an estate and land use planning of an area are not the relevant factors of consideration.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				(c) Points out that many DCCAs in Tin Shui Wai, i.e. M29 (Ching King), M31 (Yat Chak), M32 (Tin Heng), M33 (Wang Yat), etc., have a relatively high population. They are more in need of a new DCCA to improve the problem of excessive population than M02 (Yuen Long Centre), M07 (Nam Ping) and M08 (Pek Long). Therefore, the EAC should create a new DCCA at the above locations in Tin Shui Wai.	
				(d) if a new DCCA will be created at the location of Shap Pat Heung, the EAC should also consider transferring part of the area in the south of Ma Tong Road in M01 (Fung Nin) to other DCCAs in Shap Pat Heung. Reasons are as follows: • the boundary of M01 (Fung Nin) has never stretched beyond Ma Tong Road from 1994 to 2011; • due to the increase of population in Shap Pat Heung, M01 (Fung Nin) has absorbed part of the area in the south of Ma Tong Road since 2011. However, according to the outline zoning plan,	

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				the areas in the south and north of Ma Tong Road are clearly having different planning intentions. While the south of Ma Tong Road is mainly zoned for "Village Type Development", the north of Ma Tong Road is zoned for high-density residential (Group A) buildings; and • after the above adjustments, M01 (Fung Nin) and M03 (Fung Cheung) will have room to absorb part of the area in the south of Yuen Long Main Road in M02 (Yuen Long Centre) in order to further ease the situation of having a relatively high population in M02 (Yuen Long Centre).	
4	M03 – Fung Cheung M04 – Yuen Lung M10 – Shap Pat Heung North	1	-	Proposes to transfer Grand YOHO to M04 (Yuen Lung) and transfer the single buildings outside the area of the YOHO Mall from M04 (Yuen Lung) to M03 (Fung Cheung).	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
5	M04 – Yuen Lung M10 – Shap Pat Heung North M11 – Shap Pat Heung East M37 – Kam Tin	1	-	Objects to the provisional recommendations on the new DCCA M10 (Shap Pat Heung North). Proposes to: • merge Long Shin Estate, Shek Tong Tsuen and Tung Shing Lei in M11 (Shap Pat Heung East) with Park YOHO and Riva in M37 (Kam Tin) to form a new DCCA; and • transfer Grand YOHO to M04 (Yuen Lung) so as to group YOHO Town, YOHO Midtown and Sun Yuen Long Centre, which are similar by nature and connected to one another, into the same DCCA in order to highlight the community integrity. The representation considers that the above proposal can maintain the status of M11 (Shap Pat Heung East) and M37 (Kam Tin) for comprising mainly indigenous inhabitants and inhabitants of villages, preserving community integrity, and avoiding to split M11 (Shap Pat Heung East) into two DCCAs. It can also preserve the community ties between Grand YOHO and YOHO Town, YOHO Midtown and Sun Yuen Long Centre, which are connected by footbridge.	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the respective populations of the new DCCA and M37 (Kam Tin) will be below the statutory permissible lower limit, which are: New DCCA: 12 214, -26.42% M37: 12 393, -25.34%; and (ii) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
6	M02 – Yuen Long Centre M04 – Yuen Lung M08 – Pek Long M09 – Yuen Long Tung Tau	1	-	Objects to the provisional recommendations on the transfer of the private buildings originally belong to M08 (Pek Long) to M09 (Yuen Long Tung Tau) because the area is a residential area and there is no change on its population and structure. Proposes to: • transfer only the area around Yuen Long On Ning Road in M02 (Yuen Long Centre) to the new DCCA M09 (Yuen Long Tung Tau); or • split M04 (Yuen Lung) into two DCCAs.	This proposal is **not accepted** because: (i) the population quota for the 2019 DC Ordinary Election is 16 599, and the statutory permissible range is between 12 449 and 20 749. The population of M04 (Yuen Lung) is 13 761, which is not sufficient for the creation of two DCCAs; and (ii) according to the proposal made in the representation, the population of M09 (Yuen Long Tung Tau) will be about 7 725 only, which will be below the statutory permissible lower limit (-53.46%).
7	M08 – Pek Long M09 – Yuen Long Tung Tau	-	1	Supports the provisional recommendations.	The supporting view is noted.
8	M11 – Shap Pat Heung East M12 – Shap Pat Heung West	2	-	Point out that the population of M11 (Shap Pat Heung East) will be less than that of M12 (Shap Pat Heung West) by about 5 600, and no large housing estates will be completed in M11 (Shap Pat Heung East). On the contrary, there will be population intakes arising from the completion of a large number of small houses in M12	This proposal is **not accepted** because the affected area under the proposal made in the representations will be larger than that in the provisional recommendations. The affected population will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				(Shap Pat Heung West) in a short period of time so there will be a continuous increase of the population in the DCCA. In view of the above, propose to transfer Hung Tso Tin Tsuen, Shui Tsiu Lo Wai and Nam Hang Tsuen which belong to the same clan in M12 (Shap Pat Heung West) to M11 (Shap Pat Heung East). The representations consider that the proposal has the following advantages: • balances the populations of M11 (Shap Pat Heung East) and M12 (Shap Pat Heung West); • facilitates management and handling of residents' complaints; • will not break the local ties; and • ties in with the rural development in Yuen Long in future.	
9	M13 – Ping Shan South M14 – Hung Fuk M16 – Ping Shan Central	1	-	Considers that the provisional recommendations of putting Hung Fuk Estate alone in the new DCCA M14 (Hung Fuk) has overestimated the population intake in Hung Fuk Estate next year. Proposes to transfer part of the area in the adjacent M13 (Ping Shan South) to M14 (Hung Fuk) so as to balance the populations of M13 (Ping Shan South), M14	This proposal is **not accepted** because: (i) the affected area under the proposal made in the representation will be larger than that in the provisional recommendations. The affected population will be larger, too; and

		W	*O*		
				(Hung Fuk) and M16 (Ping Shan Central).	(ii) the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
					data available for the delineation exercise.
10	M14 – Hung Fuk M16 – Ping Shan Central	2	-	Object to the provisional recommendations on the transfer of the permitted burial ground (No. YL54) for the indigenous inhabitants in Shek Po Tsuen, Fui Sha Wai, Hung Uk Tsuen and Kiu Tau Wai of Ping Shan in M16 (Ping Shan Central) to M14 (Hung Fuk). Reasons are as follows: • from a historical perspective, the burial ground has all along been within the village boundaries of Hung Uk Tsuen in M16 (Ping Shan Central). From the aspects of historical connection, networking, culture and lifestyle, the burial ground has an inseparable relationship with the village; • from a humanistic perspective, Hung Fuk Estate is a newly completed public housing estate while the burial ground has been the funeral area for the indigenous inhabitants of Hung Uk Tsuen for hundred years. There is no relationship between the burial ground and the residents of Hung Fuk Estate. To transfer the burial ground for indigenous inhabitants to M14 (Hung Fuk) will increase the	These representations are **accepted**. As confirmed with the LandsD, the area mentioned by the representations is the burial ground of Shek Po Tsuen, Fui Sha Wai, Hung Uk Tsuen and Kiu Tau Wai in M16 (Ping Shan Central). In view of this, the EAC agrees to make a technical adjustment to the boundaries of the DCCAs concerned to transfer the burial ground (No. YL54) to M16 (Ping Shan Central) according to the proposal made in the representations. The adjustment does not involve any population.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				chance of conflicts between the indigenous inhabitants and residents of the public housing estate; and • as for the geographical setting, Hung Tin Road has eight traffic lanes (dual carriageway with traffic southbound and northbound for both flyover and at-grade road). Hung Tin Road happens to separate Hung Uk Tsuen from Hung Fuk Estate, where residents and villagers live in two separate areas with different cultures. If the burial ground is transferred to another DCCA in future, residents of that DCCA may put forth development and zoning proposals or even request removing or relocating the burial ground. This will seriously jeopardise and deprive the traditional rights and interests of the indigenous inhabitants of Hung Uk Tsuen.	
11	M14 – Hung Fuk M16 – Ping Shan Central M17 – Shing Yan	1	-	Objects to the provisional recommendations on the new DCCA M17 (Shing Yan) since Tin Shing Court is included in "Tin Shui Wai Outline Zoning Plan" while Ping Yan Court is not. The delineation of M17 (Shing Yan) is therefore unable to preserve the local ties of the places concerned and will impede the infrastructure planning of Tin Shui Wai or	These proposal are **accepted** because: (i) based on the 2015 original DCCA boundary, the population of M18 (Tin Shing) (21 055) will exceed the statutory permissible upper limit (+26.84%); (ii) according to the proposal,

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
	M18 – Tin Shing M31 – Yat Chak M32 – Tin Heng M33 – Wang Yat			Ping Shan, and the future Hung Shui Kiu New Development Area, etc. Proposes to: • maintain the original boundary of M18 (Tin Shing); and • include Ping Yan Court and Hung Fuk Estate in the same DCCA as they are geographically close and both under Ping Shan and the future Hung Shui Kiu New Development Area. Changes the name of the DCCA to "Hung Yan". • in addition, as the populations of M31 (Yat Chak) and M32 (Tin Heng) are close to the statutory permissible upper limit, create a new DCCA in the relevant areas. Details are as follows: <u>New DCCA "Tin Heng"</u> includes most of Tin Heng Estate. <u>M31 (Yat Chak)</u> includes Tin Yat Estate and part of Tin Chak Estate. <u>M32 (Tin Heng)</u> includes a small part of Tin Heng Estate and half of Tin Chak Estate. Changes the name of the DCCA to "Heng Chak". or	the population of the DCCA "Hung Yan" (21 017) (area including Ping Yan Court, Hung Fuk Estate as well as Kiu Tau Wai, Shek Po Tsuen and Hung Uk Tsuen in between) will exceed the statutory permissible upper limit (+26.62%); (iii) the populations of M31 (Yat Chak), M32 (Tin Heng) and M33 (Wang Yat) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (iv) the delineation recommendations must be based on objective data of the population distribution. Local development in future is not the relevant factor of consideration.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				• taking into account the local ties, split M31 (Yat Chak), M32 (Tin Heng) and M33 (Wang Yat) into four DCCAs. Details are as follows: <u>New DCCA</u> includes most of Tin Heng Estate. <u>M31 (Yat Chak)</u> includes Tin Yat Estate. <u>M32 (Tin Heng)</u> includes a small part of Tin Heng Estate and Tin Chak Estate. <u>M33 (Wang Yat)</u> includes Grandeur Terrace.	
12	M17 – Shing Yan M18 – Tin Shing	22	1	Support the provisional recommendations.	The supporting view is noted.
13	M16 – Ping Shan Central M17 – Shing Yan M18 – Tin Shing	1279^	3	(a) Object to splitting Tin Shing Court into M18 (Tin Shing) and M17 (Shing Yan) and request retaining the whole Tin Shing Court in M18 (Tin Shing). Reasons are summarised as follows: • Tin Shing Court has been occupied for 18	<u>Item (a)</u> This proposal is **not accepted**. In each DC delineation exercise, the EAC will review the boundaries of the DCCAs which were allowed to deviate from the permissible range in the past. If there are changes in the objective circumstances of those DCCAs allowed to depart from the permissible

^ Of which, 1 272 are template letters and one representation contains 1 756 signatures from the public.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				years and its owners' corporation ("OC") has been established for more than 10 years. The housing estate has become an entity with its own community identities and local ties. Splitting Tin Shing Court into two DCCAs will cause confusion to the residents, create division and lead to conflicts and arguments. This will affect the OC's management, waste local resources and increase the administrative burden of the housing estate; • one DC member in M18 (Tin Shing) is enough in terms of the provision of community services and resources. There is no need to increase the number of elected seats in the area. The resources should be deployed to meet the needs of other DCCAs; • retaining the whole of Tin Shing Court in the same DCCA will allow the DC member to play the role as a bridge between residents and the Government; • Ping Yan Court should	range in the past, such as the addition of new seats within the administrative districts or there is room for adjustment in the adjacent DCCAs, the EAC will appropriately adjust their boundaries in light of the actual situations. Only under special circumstances, having regard to the community identities, traditional close local ties or unique geographical environment, consider it necessary to depart from strict adherence to the requirement of the statutory permissible range, the EAC will propose the population of a DCCA be allowed to depart from the permissible range according to the statutory criteria. Given the statutory permissible upper limit, it is not uncommon to divide a large-scale public or private housing estate into different DCCAs. Actually, such situation happened in the past DC delineation exercises. In 2015, the population of M18 (Tin Shing) exceeded the statutory permissible upper limit, however, having considered that there was no new DCCA and no suitable option for adjustments, the EAC allowed the population of M18 (Tin Shing) to depart from the statutory permissible range.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				have a dedicated DC member who will be responsible for helping residents learn about and adapt to the community life; and • it is generally regarded that West Rail Tin Shui Wai Station divides Tin Shui Wai in the north from Yuen Long in the south. As M17 (Shing Yan) straddles both the northern and southern areas, residents of Ping Yan Court will not be able to identify whether they are residents of Tin Shui Wai or Yuen Long.	For the present delineation exercise, taking into account that the new DCCA M17 (Shing Yan) has enough room to absorb part of the population of adjacent M18 (Tin Shing) to solve the latter's problem of having a population in excess of the statutory permissible upper limit, the EAC proposed to transfer five blocks of buildings in M18 (Tin Shing) to M17 (Shing Yan). Besides, according to the proposal made in the representations, the populations of both M17 (Shing Yan) and M18 (Tin Shing) will deviate from the statutory permissible range, which are: M17: 6 126, -63.09% M18: 21 055, +26.84% Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of the population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
				(b) One representation states that the population of M18 (Tin Shing) has always exceeded the statutory permissible upper limit.	<u>Item (b)</u> This proposal is **not accepted** because based on the 2015 original DCCA boundary, the population of M18 (Tin Shing)

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				To avoid splitting Tin Shing Court, proposes to put the whole Tin Shing Court and Ping Yan Court in M18 (Tin Shing) so that the DC member concerned could serve the residents of both Tin Shing Court and Ping Yan Court.	(21 055) has exceeded the statutory permissible upper limit (+26.84%). Delineating Ping Yan Court to M18 (Tin Shing) will make the population of the DCCA further exceed from the statutory permissible upper limit.
				(c) One representation states that the details of the provisional recommendations have been made known to a political party which has started distributing promotional leaflets in the area of the new DCCA before the provisional recommendations were made public. The representation queries the source of information of that political party.	Item (c) Throughout the whole process of drawing up the provisional recommendations, confidentiality is preserved, including the consultation with the DOs and communication with other working partners. Before the provisional recommendations are made public, the EAC would not consult any members of the local community, nor would it disclose any details of the delineation to any organisations or individuals beyond its working partners. The EAC believes that all parties taking part in the exercise will abide by the principle of confidentiality and will not divulge the information to any other parties. Follow-up actions would be taken seriously if the EAC receives any complaint supported by substantive evidence.
				(d) One representation proposes to transfer the villages in the area of Kiu Tau Wai in M16 (Ping Shan	Item (d) This proposal is **not accepted** because according to the proposal, the population of

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				Central) to M17 (Shing Yan) so as to preserve the ties between M17 (Shing Yan) and its surrounding areas.	M17 (Shing Yan) (6 484) will be below the statutory permissible lower limit (-60.94%).
14	M19 – Tin Yiu M20 – Yiu Yau M21 – Tsz Yau	1	-	In order to balance the populations of the DCCAs and for the sake of long-term management of the housing estates, as well as to allow the public to identify the geographical locations of M19 (Tin Yiu), M20 (Yiu Yau) and M21 (Tsz Yau) more easily, proposes to: • transfer Yau Tai House of Tin Yau Court in M20 (Yiu Yau) to M21 (Tsz Yau) and change the name of the DCCA to "Tin Yiu North"; and • transfer Yiu Lung House of Tin Yiu Estate in M19 (Tin Yiu) to M20 (Yiu Yau) and change the name of the DCCA to "Tin Yiu South".	This proposal is **not accepted** because the populations of M19 (Tin Yiu), M20 (Yiu Yau) and M21 (Tsz Yau) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
15	M22 – Kingswood South M27 – Kingswood North	884[#]	-	Object to the provisional recommendations on the transfer of Blocks 1 to 3 of Lynwood Court and Fortune Kingswood to M22 (Kingswood South). Request maintaining the original boundaries of M22 (Kingswood South) and M27 (Kingswood North). Reasons are summarised as follows:	This proposal is **accepted**. In reviewing the boundaries of the DCCAs, it is a statutory requirement that the EAC has to examine the existing boundaries of DCCAs on the basis of the population of individual DCCAs in the year in which the relevant election would be held, and appropriately adjust the

[#] Of which, 873 are template letters.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				• the environments and populations of the housing estates in M22 (Kingswood South) and M27 (Kingswood North) basically do not have much changes. Since the residents started to move-in in the 1990s, these two DCCAs have become two independent and inseparable communities of their own. The provisional recommendations will break the community integrities of the housing estates in M22 (Kingswood South) and M27 (Kingswood North); • since 1999, all buildings of the housing estates in M22 (Kingswood South) and M27 (Kingswood North) have been delineated in their respective DCCAs; • Lynwood Court is a unified and inseparable housing estate. Each block has ties with one another; • in order to balance the populations of the DCCAs, the EAC has adopted an impersonalised approach failing to assess the actual environment and ignoring the interests of the residents. The EAC should reduce the inconvenience caused to the residents arising from boundary adjustments;	boundaries of those DCCAs with projected population exceeding the permissible upper or lower limits with a view to ensuring that their projected populations will fall within the statutory permissible range. In the 2015 DC delineation exercise, the EAC's provisional recommendations proposed to allow the population of M27 (Kingswood North) (23 223) to exceed the statutory permissible upper limit (+36.90%). During the then public consultation period, the EAC received a number of representations expressing that the EAC should adjust the boundaries of the DCCA or create a new DCCA in the area concerned in accordance with the statutory criteria. However, taking into account the community integrity and geographical factors, the EAC considered that as no apparently acceptable option was given, it did not accept the views made in the representations at that time. In drawing up the provisional recommendations in the present delineation exercise, in response to the representations received in the last exercise as mentioned above, the EAC reviewed the situation in M27 (Kingswood North) afresh. Having considered that

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				• Sherwood Court, Chestwood Court, Locwood Court in M22 (Kingswood South) are geographically very far away from Maywood Court, Lynwood Court, Kenswood Court in M27 (Kingswood North). It takes approximately 20 minutes of walking. Besides, they are separated by the large Tin Shui Wai Park. It takes 30 minutes for the residents of Blocks 1 to 3 of Lynwood Court in M27 (Kingswood North) to get to the polling station in M22 (Kingswood South). This will reduce residents' desire to vote significantly; • Lynwood Court of Kingswood Villas comprises 10 blocks of residential properties and 416 parking spaces. In accordance with the Deed of Mutual Covenant of the housing estate, each block should have two representatives to participate in the work of the owners' committee. Therefore, each block has ties with one another. In addition, splitting a housing estate that only has 10 blocks of residential buildings into two different DCCAs will not only cause confusion to the administration and management of the housing	community integrity is not the sole and absolute factor of consideration and the buildings in M27 (Kingswood North) and M22 (Kingswood South) are all under Kingswood Villa, the EAC proposed to transfer some buildings in M27 (Kingswood North) to M22 (Kingswood South) so that the population of M27 (Kingswood North) will fall within the statutory permissible range. During the present public consultation period, the EAC received a large number of representations stating that M22 (Kingswood South) and M27 (Kingswood North) are separated by the large Tin Shui Wai Park. After site visit, the EAC notes that the area of Tin Shui Wai Park is rather large separating M22 (Kingswood South) and M27 (Kingswood North) into two independent DCCAs. After careful consideration of the extent of geographical barriers and in the absence of other feasible alternatives, the EAC agrees to the proposal made in the representations to keep the original boundaries of M22 (Kingswood South) and M27 (Kingswood North) unchanged, and allow the population of M27 (Kingswood North) (22 036) to exceed the statutory permissible upper limit (+32.75%).

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				estate, but also to the residents who will find it hard to reflect their views on livelihood matters to their respective DC members; • the EAC cannot adjust the DCCA boundaries solely for strict compliance with the statutory permissible range without taking heed of the demands of the residents in the southern and northern DCCAs of Kingswood Villas in respect of the issues on traffic, park and leisure facilities in their respective DCCAs, e.g. currently they have different bus and light rail routes; • the transfer of Blocks 1 to 3 of Lynwood Court in M27 (Kingswood North) to M22 (Kingswood South) will cause confusion to the administration and management of the housing estate and local residents as well as divide the residents. This will be unfavourable to the development of a harmonious community and will make it difficult for the residents to identify their respective DC members. As a result, the residents' wishes cannot be properly reflected to the DC; • there are only around 2 000 units in Lynwood Court.	According to the proposal made in the representations, the respective populations of M22 (Kingswood South) and M27 (Kingswood North) are: M22: 16 712, +0.68% M27: 22 036, +32.75% Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of the population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				If they are served by two DC members, it will result in a waste of resources. In addition, when there are conflicts, the DC member of M22 (Kingswood South) will inevitably first take care of the interests of the residents of Sherwood Court, Chestwood Court and Locwood Court at the expense of the needs of the minority group of residents in Blocks 1 to 3 of Lynwood Court. Furthermore, if the elected DC members of M22 (Kingswood South) and M27 (Kingswood North) have different political stances or ideas, it will inevitably lead to polarisation of Lynwood Court and bring the residents into a political dilemma; and • query that the provisional recommendations may have political consideration and criticise that compared with the DC members, tasking the EAC to deal with the delineation exercise is like "laymen regulating professionals".	
16	M22 – Kingswood South M26 – Chung Pak	1	-	Objects to the transfer of Blocks 1 to 3 of Lynwood Court to M22 (Kingswood South) which are separated by Tin Shui Wai Park. Considers that the population of M27	Please see item 15.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
	M27 – Kingswood North			(Kingswood North) should be allowed to exceed the statutory permissible upper limit. If there is a need for re-delineation, proposes to transfer Blocks 1 to 3 of Lynwood Court to M26 (Chung Pak) which has a certain number of private housing estates.	
17	M22 – Kingswood South M23 – Shui Oi M24 – Shui Wah M25 – Chung Wah M26 – Chung Pak M27 – Kingswood North	2	-	Point out that a number of public and private residential buildings have been completed one by one in Tin Shui Wai and the populations of the relevant residential projects after completion may not match with the figures in the delineation exercise. Besides, the EAC's working principle of giving priority to that with the least adjustments would not solve the problem of splitting residential estates but would further divide the DCCAs. One representation objects to the provisional recommendations on the transfer of three blocks of Lynwood Court to M22 (Kingswood South) and considers that M22 (Kingswood South) is separated from M27 (Kingswood North) by the large Tin Shui Wai Park. The representation proposes to re-delineate the boundaries of the following DCCAs and change their names:	This proposals is **not accepted** because: (i) in drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises. (ii) the number of affected DCCAs under the proposal made in the representations will be four more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				M22 (Kingswood South) includes Tin Oi Court, Locwood Court and Sherwood Court. M23 (Shui Oi) includes most part of Tin Shui Estate. Changes the name of the DCCA to "Tin Shui". Another representation specifically proposes to transfer Shui Kwok House and Shui Chuen House of Tin Shui Estate in M24 (Shui Wah) to M23 (Shui Oi). M24 (Shui Wah) includes Tin Wah Estate and a small part of the buildings of Tin Shui Estate. M25 (Chung Wah) includes Tin Chung Court. Changes the name of the DCCA to "Tin Chung". M26 (Chung Pak) includes Lynwood Court, Chestwood Court, Central Park Towers, Central Park Towers II, Harbour Plaza Resort City and Tin Shui Wai Park. Changes the name of the DCCA to "Ga Pak" or "Kingswood Central". M27 (Kingswood North) includes Maywood Court and Kenswood Court.	

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
18	M23 – Shui Oi M24 – Shui Wah	1	-	Proposes to transfer Shui Sum House of Tin Shui Estate in M23 (Shui Oi) to M24 (Shui Wah) because: • the polling station at T.W.G.Hs. Yiu Dak Chi Memorial Primary School in M24 (Shui Wah) is more convenient to electors and will raise their desire to vote; and • the population distribution in M23 (Shui Oi) and M24 (Shui Wah) is unjust. While there are nine buildings in M23 (Shui Oi), there are only seven buildings in M24 (Shui Wah).	This proposal is **not accepted** because: (i) the populations of M23 (Shui Oi) and M24 (Shui Wah) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of the population distribution. Arrangement on polling stations is not the relevant factor of consideration. The EAC has referred this view to the REO for consideration.
19	M35 – Fairview Park M36 – San Tin M38 – Pat Heung North M39 – Pat Heung South	-	1	States that the boundaries of two sets of DCCAs, namely M35 (Fairview Park) and M36 (San Tin), as well as M38 (Pat Heung North) and M39 (Pat Heung South), are undesirable because both have a piece of farmland sticking out.	This representation is **not accepted** because the delineation of these two sets of DCCAs is based on their boundaries as Existing Villages. The area between M35 (Fairview Park) and M36 (San Tin) involves the Existing Village of Wo Shang Wai while that between M38 (Pat Heung North) and M39 (Pat Heung South) involves the Existing Village of Ng Ka Tsuen.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
20	M36 – San Tin M37 – Kam Tin	2[%]	-	Object to the transfer of Mo Fan Heung in M37 (Kam Tin) to M36 (San Tin). Request retaining Mo Fan Heung in M37 (Kam Tin). Reasons are as follows: • Mo Fan Heung is one of the villages under the purview of the Kam Tin Rural Committee. It does not have any regular ties with San Tin; • Mo Fan Heung, Wah Shing Tsuen, Fung Kat Heung and Wing Kei Tsuen in Kam Tin have formed the "Four Villages Association" since 1973 to work for the shared interests of the four villages. If Mo Fan Heung is transferred from Kam Tin to M36 (San Tin), it is worried that the elected DC member will put more efforts for the interests of San Tin, especially for the minor works in the area. Besides, community problems may also be politicised; • since the establishment of the DC, the six rural committees of Yuen Long have had their respective DCCAs and each rural committee has its own village boundary. There	This proposal is **accepted**. In accordance with the EACO, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors, including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the area concerned. In drawing up the provisional recommendations, the EAC noted that Mo Fan Heung is geographically contiguous to M36 (San Tin). Therefore, the EAC proposed to transfer Mo Fan Heung from M37 (Kam Tin) to M36 (San Tin) so that the population of M37 (Kam Tin) will fall within the statutory permissible range. Taking into account the fact provided by the representations that Mo Fan Heung is under the purview of the Kam Tin Rural Committee and they have traditional village ties, the EAC considers not appropriate to transfer the village to a DCCA which is under the purview of another rural committee. Given there is no other feasible alternative option, the EAC agrees to retain Mo Fan Heung in M37 (Kam Tin) and allows the population of M37 (Kam

[%] Of which, one representation contains 164 signatures from the public.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				has not been a cross-village representation among them. Historically, Mo Fan Heung has been included in Kam Tin; • Mo Fan Heung has always belonged to Kam Tin. Mo Fan Heung Residents Association has always maintained close ties with the Kam Tin Rural Committee and the elected DC member of M37 (Kam Tin) to make collaborative efforts in improving the environment of the area and helping villagers to solve a lot of local problems in the area. If the matters of Mo Fan Heung are handled by a DC member outside Kam Tin, different views or unnecessary arguments and conflicts may easily arise when handling rural affairs and the residents' interests may even be undermined; • current registered address of the residents concerned is Kam Tin Mo Fan Heung. They may be required to change their registered address due to the change of their DCCA, which will cause inconvenience to them; • most of the eligible electors of Mo Fan Heung are elderlies who are unable to go to M36 (San Tin) to vote	Tin) to slightly exceed the statutory permissible upper limit. According to the proposal made in the representations, the respective populations of M36 (San Tin) and M37 (Kam Tin) are: M36: 19 617, +18.18% M37: 20 792, +25.26% Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of the population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				in the election; and • as for geographical consideration, Mo Fan Heung, Wah Shing Tsuen and Fung Kat Heung are all located in the east of San Tin Highway. Incoming traffic to the villages has to pass through Fung Kat Heung Road. The geographical connection among the villages has greatly facilitated their frequent contacts and built up an integrated village community. If Mo Fan Heung is detached from the DCCA "Kam Tin", it will not only break the community integrity, but also greatly undermine the local ties among the areas.	
21	M38 – Pat Heung North M39 – Pat Heung South	3	-	Support the transfer of Ng Ka Tsuen to M38 (Pat Heung North) because: • it helps balance the ever-increasing population of M39 (Pat Heung South); and • the provisional recommendations can run through the southern and northern parts of Pat Heung, enabling the DC to collect more accurately views of the residents concerned on the policies, e.g. transport that will affect the whole of Pat Heung.	The supporting view is noted.

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
22	M38 – Pat Heung North M39 – Pat Heung South	2	-	Object to the transfer of Ng Ka Tsuen and Kong Ha Wai to M38 (Pat Heung North) because: • M38 (Pat Heung North) and M39 (Pat Heung South) have all along been clearly delineated by Kam Tin River. The provisional recommendations will cause confusion to the villagers of Ng Ka Tsuen and Kong Ha Wai in M38 (Pat Heung North) and reduce their desire to vote; • the entire section of Kam Sheung Road running from Ng Ka Tsuen to Sheung Tsuen is the main road in Pat Heung South. Village representatives and villagers in the area along Kam Sheung Road running from Ng Ka Tsuen to Sheung Tsuen unanimously request widening Kam Sheung Road. If Ng Ka Tsuen is transferred to M38 (Pat Heung North), it will weaken their grounds for the request; • the population of M39 (Pat Heung South) in 2019 is 20 545, which still will not exceed the statutory limits (i.e. within ±25% deviation from the population quota of 16 599); • the need for re-delineation	These representations are **not accepted** because**:** (i) according to the proposal made in the representations, the population of M39 (Pat Heung South) (21 132) will exceed the statutory permissible upper limit (+27.31%); (ii) the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population

Item No.	*DCCAs*	*No. **		*Representations*	*EAC's Views*
		W	*O*		
				is queried as there are no additional elected seats and the populations of both the southern and northern parts of the area have not become closer after re-delineation; and • after the land resumption incident in 2017, Ng Ka Tsuen has remained vacant. The accuracy of the relevant population figures is doubtful.	census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise; (iii) the delineation recommendations must be based on objective data of the population distribution. Arrangement on district administration matters is not the relevant factor of consideration; and (iv) there is a view supporting the provisional recommendations (please see item 21).

Appendix II - N

North District

Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
1	All DCCAs	1	-	Has no adverse comments on the provisional recommendations on all DCCAs of the North District.	The view is noted.
2	All DCCAs	1	-	(a) Supports the provisional recommendations on N03 (Cheung Wah), N04 (Wah Do), N05 (Wah Ming), N06 (Yan Shing), N07 (Fanling South), N08 (Shing Fuk), N09 (Ching Ho), N16 (Sha Ta) and N18 (Queen's Hill) as they have taken into account the community integrity and population distribution, which are more feasible.	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on N01 (Luen Wo Hui), N02 (Fanling Town), N14 (Tin Ping West) and N17 (Tin Ping East). Although the provisional recommendations are in line with the statutory criteria on population, they do not reduce the population difference among the DCCAs. To even out the populations of the DCCAs concerned, it proposes to	Item (b) The view is noted. In drawing up the provisional recommendations, the EAC has strictly adhered to the statutory criteria under the EACO and its working principles. The recommendations were made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				form a separate DCCA in 2023 only comprising Tin Ping Estate, while the remaining parts of N14 (Tin Ping West) and N17 (Tin Ping East) together with the housing estates in N01 (Luen Wo Hui) to form another DCCA and be renamed as "Fanling North".	
				(c) Objects to the provisional recommendations on N10 (Yu Tai), N11 (Sheung Shui Rural), N12 (Choi Yuen), N13 (Shek Wu Hui) and N15 (Fung Tsui). Although they are in line with the statutory criteria on population, the undesirable situation of having DCCAs spanning the north and south of the East Rail Line persists. The following adjustments are proposed: • transfers the area in the east of Fan Kam Road from N11 (Sheung Shui Rural) to N10 (Yu Tai) because the areas around Ying Pun and Lin Tong Mei rely on Fan Kam Road as the access; and • transfers Tsung Pak Long (and Tai Tau Leng) from N11 (Sheung Shui Rural) to N12 (Choi Yuen), and maintains the 2015 original DCCA boundaries of N13 (Shek	<u>Item (c)</u> This proposal is **not accepted**. The EAC agrees that the proposal made in the representation will make the population of N11 (Sheung Shui Rural) fall within the statutory permissible range. However, after balancing the relevant factors, the EAC considers that the provisional recommendations are more desirable than the proposal made in the representation because: (i) the proposal made in the representation will split Ying Pun, an Existing Village, into N10 (Yu Tai) and N11 (Sheung Shui Rural), which will break the traditional community ties of the village; (ii) based on the 2015 original DCCA boundaries, the population of N15 (Fung Tsui) (15 997) will be below the population quota (-3.63%) and that of

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				Wu Hui) and N15 (Fung Tsui) so as to reflect the fact that the residents of Tsung Pak Long use the community facilities of Choi Yuen Estate and to reduce the population difference between N12 (Choi Yuen) and other DCCAs.	N12 (Choi Yuen) (17 222) will exceed the population quota (+3.75%). Therefore, it is more desirable to transfer Tsung Pak Long and Tai Tau Leng to N15 (Fung Tsui) to reduce the population deviation of N11 (Sheung Shui Rural) from the population quota; and (iii) there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving local ties, geographical factors and transport.
3	N01 – Luen Wo Hui N02 – Fanling Town N03 – Cheung Wah N07 – Fanling South N10 – Yu Tai N11 –	1	-	Considers that the provisional recommendations only make minor changes, which would affect community integrity and make the boundaries of the DCCAs even more criss-crossing. They are also of little help in narrowing down the population difference among the DCCAs. It proposes to make adjustments to the DCCAs concerned on a holistic basis. Details are as follows: <u>N01 (Luen Wo Hui)</u> transfers Wing Fok Centre, Wing Fai Centre, Regentville and Grand Regentville to N17 (Tin Ping East), and absorbs	This proposal is **not accepted** because the number of affected DCCAs under such proposal will be five more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
	Sheung Shui Rural N13 – Shek Wu Hui N14 – Tin Ping West N15 – Fung Tsui N17 – Tin Ping East N18 – Queen's Hill			Fanling Wai and other villages in N02 (Fanling Town). <u>N02 (Fanling Town)</u> comprises Fanling Town Centre, Fanling Centre, Avon Park and Dawning Views. <u>N07 (Fanling South)</u> comprises the Residential (Group B) development at Kat Cheung Crescent, government quarters at Po Wing Road, Tai Ping Estate and Yuk Po Court. The name of the DCCA is to be discussed. <u>N10 (Yu Tai)</u> transfers Tai Ping Estate to N07 (Fanling South), and absorbs the land for Residential (Group C) development and village-type development at Kai Leng in the south of Pak Wo Road in N07 (Fanling South), as well as the villages in Kwu Tung South located in the southern part of N11 (Sheung Shui Rural) where the residents use Fan Kam Road as their main access instead of by way of the centre of Kwu Tung in the north. <u>N14 (Tin Ping West)</u> comprises Tin Ping Estate and On Shing Court as the total population of these two housing estates has fallen to the level of a DCCA, and be renamed as "Tin Ping".	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				N15 (Fung Tsui) absorbs the areas in the south of River Indus, and the north of Ma Sik Road and Tin Ping Road located in N14 (Tin Ping West) and N17 (Tin Ping East) because these areas and Tin Ping Shan Tsuen in N15 (Fung Tsui) are in the Fanling North Development Area. If N15 (Fung Tsui) cannot completely absorb the above areas due to excessive population, the EAC may consider letting part of the areas be absorbed by N01 (Luen Wo Hui) or N18 (Queen's Hill). N17 (Tin Ping East) comprises Wing Fok Centre, Wing Fai Centre, Regentville, Grand Regentville, Belair Monte and Green Code and be renamed as "Luen Wo North".	
4	N05 – Wah Ming N06 – Yan Shing	-	1	Proposes to transfer Fai Ming Estate, which will be ready for occupation in 2019, from N06 (Yan Shing) to N05 (Wah Ming).	This proposal is **not accepted** because the populations of N05 (Wah Ming) and N06 (Yan Shing) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
5	N06 – Yan Shing N10 – Yu Tai N11 – Sheung	1	-	Agrees with the provisional recommendations on N10 (Yu Tai), N11 (Sheung Shui Rural), N13 (Shek Wu Hui) and N15 (Fung Tsui). However, in the long run, as the populations of the above DCCAs and N06 (Yan Shing) are expected to exceed 18 500, the EAC should	The supporting view is noted. In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations,

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
	Shui Rural N13 – Shek Wu Hui N15 – Fung Tsui			consider re-delineating the DCCAs concerned or creating an additional DCCA.	existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
6	N10 – Yu Tai N15 – Fung Tsui	1	-	Proposes to transfer Golf Parkview from N10 (Yu Tai) to N15 (Fung Tsui) because it is farther away from Cheung Lung Wai Estate in N10 (Yu Tai) than from Tsung Pak Long in N15 (Fung Tsui).	This proposal is **not accepted** because the populations of N10 (Yu Tai) and N15 (Fung Tsui) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required. Based on the 2015 original DCCA boundary, the population of N11 (Sheung Shui Rural) (24 075) will substantially exceed the statutory permissible upper limit (+45.04%), adjustments to the boundaries of N10 (Yu Tai) and N15 (Fung Tsui) are therefore proposed under the provisional recommendations so as to absorb part of the population of N11 (Sheung Shui Rural).
7	N11 – Sheung Shui Rural N15 – Fung Tsui	2	-	Object to the provisional recommendations on N11 (Sheung Shui Rural). Reasons are summarised as follows: • Tai Tau Leng and Tsung Pak Long have close ties with other villages in N11 (Sheung Shui Rural). The	These representations are **not accepted** because if the DCCA boundary of N11 (Sheung Shui Rural) remains unchanged, the population of the DCCA (24 075) will substantially exceed the statutory permissible upper limit (+45.04%).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				proposed transfer of these two villages to N15 (Fung Tsui) will break the ties among the villages; and • the proposed adjustment to the DCCA boundary of N11 (Sheung Shui Rural) will undermine the integrity and cohesion of the Sheung Shui rural community.	
8	N11 – Sheung Shui Rural N14 – Tin Ping West N15 – Fung Tsui N17 – Tin Ping East	2	-	(a) Propose to transfer Tsui Lai Garden from N15 (Fung Tsui) to N14 (Tin Ping West). Reasons are summarised as follows: • since the 1999 DC Election, Tsui Lai Garden has been grouped with a number of villages to form the DCCA "Fung Tsui". Being a high-density development and a government-subsidised sale property, there are quite a lot of incompatibilities in terms of community characteristics, community nature, lifestyle, and culture and customs between Tsui Lai Garden and the villages in the DCCA. Residents of Tsui Lai Garden and those living in the villages in the DCCA do not rely on the community and transport facilities of the other,	<u>Items (a) and (b)</u> These proposals are **not accepted** because: (i) the populations of N14 (Tin Ping West) and N15 (Fung Tsui) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required. Based on the 2015 original DCCA boundary, the population of N11 (Sheung Shui Rural) (24 075) will substantially exceed the statutory permissible upper limit (+45.04%), adjustment to the boundary of N15 (Fung Tsui) is therefore proposed under the provisional recommendations so as to absorb part of the population of N11 (Sheung Shui Rural);

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				therefore, each side has its own requests and issues of concern. The provisional recommendations on transferring Tai Tau Leng and Tsung Pak Long to N15 (Fung Tsui) will worsen the situation; • since N15 (Fung Tsui) is mainly composed of residents from villages and its elected DC member is also from the villages, the DC member only focuses on local affairs pertaining to the rural areas and the requests of residents of Tsui Lai Garden are overlooked; • Tsui Lai Garden and Tin Ping Estate in N14 (Tin Ping West) are both public housing projects. The two communities are of the same nature and the residents have similar interests and concerns in community issues. Moreover, the community ties between Tsui Lai Garden and N14 (Tin Ping West) are close as residents of the former frequently use the community facilities in N14 (Tin Ping West) while residents of Woodland Crest in N14 (Tin Ping West) often go	(ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community; and (iii) arrangements on district administration matters or community services provided by DC members are not the factors of consideration in delineating DCCAs.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
				shopping in the nearby Tsui Lai Garden Shopping Arcade. Also, with regard to transport planning, residents of Tsui Lai Garden and Tin Ping Estate use the same group of bus routes when travelling within and out of the North District; and • the populations of the two DCCAs will still fall within the statutory permissible range after transferring Tsui Lai Garden from N15 (Fung Tsui) to N14 (Tin Ping West).	
				(b) In order to reflect the composition of the DCCAs concerned after the above adjustments, one of the representations proposes to rename N15 (Fung Tsui) and N11 (Sheung Shui Rural) as "Sheung Shui Rural East" and "Sheung Shui Rural West" respectively. It also proposes to rename N14 (Tin Ping West) and N17 (Tin Ping East) as "Ping Tsui" and "Luen Ping" of which the former represents Tin Ping Estate and Tsui Lai Garden within the DCCA and the latter represents Tin Ping Estate as well as Belair Monte and Green Code situated in Luen Wo Hui.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
9	N11 – Sheung Shui Rural N16 – Sha Ta	1	-	(a) Proposes to amend the boundaries of the DCCAs concerned in accordance with the jurisdiction of the Hong Kong Special Administrative Region ("HKSAR") after the 2019 DC Ordinary Election. As a result of the training of the Shenzhen River, some pieces of the land in the DCCAs concerned are no longer under the jurisdiction of the HKSAR, and a few pieces of the land under the HKSAR's jurisdiction have not yet been included within the boundaries of the DCCAs concerned.	<u>Items (a) and (b)</u> The proposal made in the representation involves modification of the boundary of the HKSAR and alteration of administrative district boundaries, which do not fall under the purview of the EAC. The EAC has referred these views to the Government for consideration.
				(b) Proposes to include Lok Ma Chau Loop in N11 (Sheung Shui Rural) or M36 (San Tin) of the Yuen Long District because it is under the jurisdiction of HKSAR but not yet included in any DCCA or geographical constituency of the LegCo. This area will be developed into a high-tech and innovation hub, which is highly related to surrounding communities and districts.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's views*
		W	*O*		
10	N16 – Sha Ta	1	-	Proposes to split Sha Tau Kok and Ta Kwu Ling into two DCCAs because the North District is composed of four districts, namely, Sheung Shui, Fanling, Sha Tau Kok and Ta Kwu Ling. It is unfair to the residents by placing Sha Tau Kok and Ta Kwu Ling under one DCCA and it is unreasonable to delineate DCCAs based on population.	In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO and the population distribution in delineating the DCCA boundaries. The population of N16 (Sha Ta) is only 17 305, which is insufficient to form two separate DCCAs having populations within the statutory permissible range. Moreover, under the proposal made in the representation, splitting Sha Tau Kok and Ta Kwu Ling into two DCCAs will result in the number of DCCAs in the North District exceeding its total number of elected seats, which does not comply with the requirement under the above Ordinance. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.

Appendix II - P

Tai Po District

Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	(a) Supports the provisional recommendations on P01 (Tai Po Hui), P02 (Chung Ting), P03 (Tai Po Central), P04 (Tai Yuen), P05 (Fu Heng), P06 (Yee Fu), P07 (Fu Ming Sun), P08 (Kwong Fuk & Plover Cove), P09 (Wang Fuk), P10 (Tai Po Kau), P11 (Wan Tau Tong), P12 (San Fu), P15 (Tai Wo) and P18 (Shuen Wan).	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on P19 (Sai Kung North) and proposes to include P19 (Sai Kung North) in the Sai Kung DC in 2023 having regard to the development along Sai Sha Road.	Item (b) The proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
				(c) Same as item 5(a).	Item (c) Please see item 5(a).
2	P02 – Chung Ting	1	-	Given that the aggregate population of P02 (Chung Ting), P03 (Tai Po Central), P04 (Tai Yuen), P05 (Fu Heng) and P08 (Kwong Fuk & Plover Cove) is only 70 000,	This proposal is **not accepted** because: (i) under the proposal made in the representation, the number of DCCAs will

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	P03 – Tai Po Central P04 – Tai Yuen P05 – Fu Heng P08 – Kwong Fuk & Plover Cove			the five DCCAs should be re-delineated into four. Proposes: • to transfer Heng Tai House of Fu Heng Estate from P02 (Chung Ting) to P05 (Fu Heng); • to transfer Chung Nga Court from P02 (Chung Ting) to P04 (Tai Yuen); • to transfer Ting Nga Court, Jade Plaza and Treasure Garden from P02 (Chung Ting) to P03 (Tai Po Central); and • to transfer Eightland Gardens from P02 (Chung Ting) to P08 (Kwong Fuk & Plover Cove); or, by using Lam Tsuen River as the boundary, to transfer Blocks 20 to 23 of Tai Po Centre from P03 (Tai Po Central) to P08 (Kwong Fuk & Plover Cove), and to transfer Eightland Gardens to P03 (Tai Po Central).	be smaller than the total number of elected seats in the Tai Po District which violates the requirements of the EACO; and (ii) the populations of P02 (Chung Ting), P03 (Tai Po Central), P04 (Tai Yuen), P05 (Fu Heng) and P08 (Kwong Fuk & Plover Cove) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
3	P02 – Chung Ting P04 – Tai Yuen P05 – Fu Heng	1	-	Considers that the provisional recommendations have not taken into account the problem of population deviation and the existence of geographical barriers in the relevant DCCAs, because: • the DCCA boundary of P17 (Hong Lok Yuen) has	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be five more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	P13 – Lam Tsuen Valley P14 – Po Nga P16 – Old Market & Serenity P17 – Hong Lok Yuen P18 – Shuen Wan			been in place since 1999 and the area is cut off by hills. Despite the fact that the population growth of the DCCA in 2019 is due to the completion of the private residential housing Mont Vert in the east, the provisional recommendations still propose to re-delineate Tai Po Tau located in the middle section of the DCCA. This will cause an even greater divide between the east and the west of the DCCA; • the provisional recommendations will substantially increase the population of P14 (Po Nga) and make it close to the statutory permissible upper limit, which can do little to improve the issue of population deviation of the DCCAs; and • the provisional recommendations have failed to address the problem of unreasonable composition of communities in P17 (Hong Lok Yuen) and P02 (Chung Ting). Proposes: • to transfer Tai Po Garden and Parc Versailles in P13 (Lam Tsuen Valley) and	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Tai Po Tau Shui Wai in P17 (Hong Lok Yuen) to P14 (Po Nga); • to reduce the area of P17 (Hong Lok Yuen) so that its coverage will be limited to the west of the intersection between Ting Lai Road and San Wai Tsai Road, and transfer Serenity Park from P16 (Old Market & Serenity) to P17 (Hong Lok Yuen); • to transfer Jade Plaza, Eightland Gardens, Treasure Garden and Fortune Plaza from P02 (Chung Ting) to P16 (Old Market & Serenity) and rename P16 (Old Market & Serenity) as "Tai Po Old Market"; • to transfer Heng Tai House of Fu Heng Estate from P02 (Chung Ting) to P05 (Fu Heng), and put Chung Nga Court in P02 (Chung Ting), Nam Hang, Tai Po Area 9, Alice Ho Miu Ling Nethersole Hospital and Tai Po Hospital, Yue Kok, Fung Yuen and Ha Hang in P17 (Hong Lok Yuen), as well as the Education University of Hong Kong and the private residential buildings at Lo Ping Road and Lo Fai Road in P18 (Shuen Wan) to form a separate DCCA to be	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				named as "Tai Po North"; • to transfer the Education University of Hong Kong and the private residential buildings at Lo Ping Road and Lo Fai Road from P18 (Shuen Wan) to "Tai Po North" to ease the condition of a relatively large population in P18 (Shuen Wan); and • where appropriate, to transfer Ting Nga Court from P02 (Chung Ting) to the DCCA "Tai Po Old Market" or P04 (Tai Yuen).	
4	P02 – Chung Ting P05 – Fu Heng P06 – Yee Fu P07 – Fu Ming Sun P08 – Kwong Fuk & Plover Cove P09 – Wang Fuk	1	-	Considers that the residents of the same housing estate have same community needs, so it should be grouped under one DCCA. Owing to geographical and demographic considerations, proposes: • to transfer Heng Tai House of Fu Heng Estate from P02 (Chung Ting) to P05 (Fu Heng), treating Fu Heng Estate as a single DCCA; • to transfer Shin Kwan House and Shin Lun House of Fu Shin Estate from P07 (Fu Ming Sun) to P06 (Yee Fu), treating Fu Shin Estate as a single DCCA;	This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be six more than that in the provisional recommendations. The affected population under the proposal will be larger, too; (ii) the populations of P02 (Chung Ting), P05 (Fu Heng), P06 (Yee Fu), P07 (Fu Ming Sun), P08 (Kwong Fuk & Plover Cove) and P12 (San Fu) will fall within the statutory permissible range. According to the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	P10 – Tai Po Kau P12 – San Fu			• to transfer Yee Nga Court from P06 (Yee Fu) to P07 (Fu Ming Sun) so as to group the Home Ownership Scheme estates, namely Yee Nga Court, Ming Nga Court and Sun Hing Garden under a single DCCA; • to transfer Kwong Yan House, Kwong Lai House and Kwong Yee House of Kwong Fuk Estate from P09 (Wang Fuk) to P08 (Kwong Fuk & Plover Cove), treating Kwong Fuk Estate as a single DCCA; • to group Wang Fuk Court in P09 (Wang Fuk) with Elegance Garden and Uptown Plaza in P12 (San Fu) to form a single DCCA; and • to group Daisyfield, Mayfair By The Sea I, Mayfair By The Sea II, Providence Bay, Providence Peak, Redland Garden, The Graces · Providence Bay and Trackside Villas in P09 (Wang Fuk) to form a single DCCA or to merge them with P10 (Tai Po Kau), which is also close to Tolo Harbour and Tolo Highway, to form a single DCCA.	established working principles, adjustments to their existing boundaries are not required; and (iii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
5	P02 – Chung Ting P05 – Fu Heng P13 – Lam Tsuen Valley P14 – Po Nga P15 – Tai Wo P16 – Old Market & Serenity P17 – Hong Lok Yuen	109^	3	(a) Hold reservation on the provisional recommendations on P13 (Lam Tsuen Valley), P14 (Po Nga), P16 (Old Market & Serenity) and P17 (Hong Lok Yuen). Reasons are summarised as follows: • P16 (Old Market & Serenity) and P17 (Hong Lok Yuen) are separated from P13 (Lam Tsuen Valley) and P14 (Po Nga) by the East Rail Line in the provisional recommendations. The two communities are alienated from each other. On the contrary, the area in the north of the East Rail Line such as Serenity Villa has a stronger connection with the community in Tai Po Old Market; • the impact of the provisional recommendations on P14 (Po Nga) is too great and the provisional recommendations are also undesirable to P17 (Hong Lok Yuen), because the populations of the two DCCAs are both close to the statutory permissible upper limit; and	<u>Item (a)</u> This proposal is **accepted** because: (i) after receiving the representations, the EAC conducted a site visit and noticed that Tai Po Garden, Parc Versailles and Tai Po Tau Shui Wai, which are in the south of the East Rail Line, are geographically very close to P14 (Po Nga), while Tai Po Tau, Serenity Villa and The Wonderland, which are in the north of the East Rail Line, are even closer to P16 (Old Market & Serenity). The EAC, after considering the proposals in different representations (items 3 and 5), considers item 5(a) which uses the East Rail Line as the dividing line in transferring Tai Po Garden, Parc Versailles and Tai Po Tau Shui Wai to P14 (Po Nga) while Tai Po Tau, Serenity Villa and The Wonderland to P16 (Old Market & Serenity) is a more natural way of delineation. According to the proposal made in the representations, the

^Of which, 95 are of different types of template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• the proposal made in the representations can reduce the population disparity among the above DCCAs. Proposes: • to transfer Tai Po Garden, Parc Versailles and Tai Po Tau Shui Wai to P14 (Po Nga); and • to transfer the area in the north of the East Rail Line, including Tai Po Tau, Serenity Villa and The Wonderland, to P16 (Old Market & Serenity). One representation further proposes to transfer the surrounding area of Ying Pun Ha, San Wai Tsai and Chuk Hang from P17 (Hong Lok Yuen) to P16 (Old Market & Serenity).	respective populations of P13 (Lam Tsuen Valley), P14 (Po Nga), P16 (Old Market & Serenity) and P17 (Hong Lok Yuen) are as follows: P13: 17 508, +5.48% P14: 17 451, +5.13% P16: 17 381, +4.71% P17: 20 488, +23.43% The populations of P13 (Lam Tsuen Valley) and P17 (Hong Lok Yuen) will be the same as those under the provisional recommendations, but the populations of P14 (Po Nga) and P16 (Old Market & Serenity) will be closer to the population quota when compared with the provisional recommendations. In general, while there will be four existing DCCAs being affected under the proposal made in the representations, which is one more than that in the provisional recommendations, the affected population will be the same as the provisional recommendations. In addition, using East Rail Line as the DCCA boundary is a more natural way of

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		delineation, and the proposal made in the representations is also more desirable in terms of geographical consideration. This proposal is therefore accepted; and (ii) for the representation which further proposes transferring the surrounding area of Ying Pun Ha, San Wai Tsai and Chuk Hang from P17 (Hong Lok Yuen) to P16 (Old Market & Serenity), since the affected population (7 895) will be larger than that in the proposal made in item 5 (a)(i) (6 794) by 1 101, the proposal is therefore **not accepted**.
				(b) notice that the population of P13 (Lam Tsuen Valley) does not exceed the statutory permissible upper limit. Proposes: • to retain Parc Versailles in P13 (Lam Tsuen Valley); and • to transfer Tai Po Tau Shui Wai to P14 (Po Nga), and to transfer Tai Po Tau, Serenity Villa and The Wonderland to P16 (Old Market & Serenity) which mainly comprises private	<u>Item (b)</u> (i) Based on the 2015 original DCCA boundary, the population of P13 (Lam Tsuen Valley) (20 955) will exceed the statutory permissible upper limit (+26.24%) and adjustment is therefore required for maintaining the population within the statutory permissible range; and (ii) the proposal to transfer Tai Po Tau Shui Wai to P14 (Po Nga), and Tai Po

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				buildings instead of transferring them to P14 (Po Nga) which comprises public housing and Home Ownership Scheme estates.	Tau, Serenity Villa and The Wonderland to P16 (Old Market & Serenity) is **accepted**. Please see item 5(a).
				(c) since the area comprising Tai Po Tau, Serenity Villa and The Wonderland is separated from the area of P14 (Po Nga) by the railway track, and that the living area and the types of residence of the two areas are different, it will be difficult for the DC member to strike a right balance in handling the differing views of residents in the two DCCAs. On the other hand, the population of P16 (Old Market & Serenity) is away from the population quota, and some residents of Tai Po Tau use the living facilities in P16 (Old Market & Serenity) and access to MTR Tai Wo Station through Serenity Park. Proposes: • to transfer Tai Po Tau, Serenity Villa and The Wonderland to P16 (Old Market & Serenity); or • to form a separate DCCA comprising the newly transferred areas according to the composition of DCCAs.	<u>Item (c)</u> (i) The proposal to transfer Tai Po Tau, Serenity Villa and The Wonderland to P16 (Old Market & Serenity) is **accepted**. Please see item 5(a); and (ii) referring to the proposal to form a separate DCCA, in respect of the 2019 DC Ordinary Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is no new DCCA for the Tai Po District for the next DC Ordinary Election. The number of new DCCAs to be created is a statutory pre-set for the EAC, to which the EAC has no authority to revise or vary.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(d) Object to the provisional recommendations on P13 (Lam Tsuen Valley), P14 (Po Nga) and P17 (Hong Lok Yuen). Reasons are summarised as follows: • the EAC transferred Tai Po Tau Shui Wai to P17 (Hong Lok Yuen) in 2015 on grounds that P14 (Po Nga) mainly comprised public housing and Home Ownership Scheme estates, hence turned down the proposal to transfer the relevant area to P14 (Po Nga) as set out in the representations at the time. However, it appears that the provisional recommendations now overturn the decision in 2015 and the residents will find it hard to adapt; • the community composition and types of residence in P13 (Lam Tsuen Valley) and P17 (Hong Lok Yuen) are different from those of P14 (Po Nga). Grouping public housing estates, Home Ownership Scheme estates, village houses and luxurious residential units under one single DCCA would break the community	<u>Item (d)</u> These proposals are **not accepted** because: (i) if the excess populations in P13 (Lam Tsuen Valley) and P17 (Hong Lok Yuen) are absorbed by those DCCAs with a population lower than the population quota, the number of affected DCCAs will be two more than that in the proposal under item 5(a)(i); (ii) if the DCCA boundaries remain unchanged, the population of P13 (Lam Tsuen Valley) (20 955) will exceed the statutory permissible upper limit (+26.24%), and the population of P17 (Hong Lok Yuen) (23 835) will also exceed the statutory permissible upper limit (+43.59%); (iii) regarding the views on transferring Tai Po Tau Shui Wai, the EAC needs to consider different options for adjusting the DCCA boundaries having regard to the actual situation at the time each delineation exercise is carried out. Apart from population figures, other statutory criteria will also be taken into account. In the last

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				identity and local ties of the area; • Tai Po Garden and Parc Versailles in P13 (Lam Tsuen Valley) are located in rural area, while P14 (Po Nga) comprises mainly public housing and Home Ownership Scheme estates. The community composition and service needs of residents of the two DCCAs are not the same, making it difficult for the DC member to manage; • Tai Po Tau Shui Wai was transferred to P17 (Hong Lok Yuen) four years ago, the provisional recommendations now propose to group it under P14 (Po Nga), making the residents difficult to adapt; • the provisional recommendations will lead to a surge in population (around 7 000) in P14 (Po Nga). There will also be a substantial increase in the size of the DCCA, affecting its community integrity. This will cause inconvenience to residents and DC	delineation exercise, the population of P17 (Hong Lok Yuen) was within the statutory permissible range and had the capacity to absorb the excess population in the neighbouring P13 (Lam Tsuen Valley). Therefore, after reviewing the situations of P14 (Po Nga) and P17 (Hong Lok Yuen), the EAC considered it more desirable to transfer Tai Po Tau Shui Wai from P13 (Lam Tsuen Valley) to P17 (Hong Lok Yuen), which was an urban-cum-rural DCCA. However, the situation is different in the present delineation exercise. The population of P17 (Hong Lok Yuen) will also exceed the statutory permissible upper limit and have no capacity to absorb the excess population in the neighbouring P13 (Lam Tsuen Valley). On the contrary, it is necessary for P17 (Hong Lok Yuen) to transfer its excess population to the neighbouring DCCA. Therefore, it was proposed to transfer Tai Po Tau Shui Wai, together with Tai Po Tau, The Wonderland and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				member, and reduce the resources for district services; • by drawing reference to DCCAs where the populations are allowed to deviate from the statutory permissible range, the EAC should take into account factors such as community integrity, local ties, geographical factors and transport instead of arbitrarily transferring the population from a rural DCCA to a neighbouring DCCA comprising public housing estate and Home Ownership Scheme estate. The population structure should be considered; • P15 (Tai Wo) and the adjacent P14 (Po Nga) both comprise one public housing estate and one Home Ownership Scheme estate. Under the provisional recommendations, population difference between the two DCCAs is enlarged. The ratio of residents to the amount of service they can receive from a DC member will be affected; and	Serenity Villa to P14 (Po Nga) in the provisional recommendations. The EAC understands that villages and estates in the New Territories belong to different communities. However, the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of villages and housing estates. In fact, urban-rural integration is common in Hong Kong. In the past DC delineation exercises, similar boundary adjustments were also made to ensure that the populations of DCCAs concerned would fall within the statutory permissible range. Moreover, the EAC will first consider transferring buildings or villages that are close to the DCCA boundary, and of suitable population figures and geographical locations when adjusting DCCA boundaries. Since Tai Po Tau Shui Wai is geographically close to the DCCA boundary, it is inevitable for it to be

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• frequent change of DCCAs and DC members is unfair to the residents of the DCCAs concerned. One representation considers it unreasonable to adhere to the principle of affecting the least number of DCCAs rather than considering the population disparity among DCCAs concerned. Seven representations propose that the population in excess of the statutory permissible range in P13 (Lam Tsuen Valley) and P17 (Hong Lok Yuen) be absorbed by DCCAs with a population lower than the population quota, namely P02 (Chung Ting), P14 (Po Nga), P15 (Tai Wo) and P16 (Old Market & Serenity). One representation proposes to maintain the boundaries of the above DCCAs in order to preserve community identity and local ties.	more vulnerable to be transferred in each delineation exercise; and (iv) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.
				(e) Object to the transfer of Tai Po Garden and Parc Versailles to P14 (Po Nga). Reasons are summarised as follows: • over the years, Tai Po Garden and Parc Versailles are private housings and have become part of the rural	<u>Item (e)</u> These proposals are **not accepted** because: (i) if Nam Wa Po Village in P13 (Lam Tsuen Valley) is transferred to P17 (Hong Lok Yuen), the population of P17 (Hong Lok Yuen) (21 889) will exceed the statutory

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				area, whereas P14 (Po Nga) comprises mainly public housing estate and Home Ownership Scheme estate. The two DCCAs differ from each other in terms of community composition, housing nature as well as service needs of the residents. It will be difficult for the DC member to manage; • the services provided by the DC member is considered satisfactory. It is of the view that the EAC should not re-delineate the DCCA boundary on grounds of population without adequate consultation. This will make it impossible for residents to vote for the DC member they support and thus affecting the district work of the DC member; • the population affected under the provisional recommendations is considerable, leading to a surge in the population in P14 (Po Nga) while a decline in the population in P13 (Lam Tsuen Valley), creating a population disparity of nearly 3 000;	permissible upper limit (+31.87%); (ii) regarding the proposal to transfer the villages on the periphery of P13 (Lam Tsuen Valley) to other DCCAs, in addition to Nam Wa Po Village as proposed in item 5(e)(i), the EAC has also considered the feasibility of transferring other villages on the periphery of P13 (Lam Tsuen Valley), such as Lin Au and Pun Chun Yuen. While P12 (San Fu) is the closest DCCA to the above villages, they are geographically far away from each other and thus the option is not viable. On the contrary, Tai Po Garden, Parc Versailles and Tai Po Tau Shui Wai which are proposed to be transferred to P14 (Po Nga) under the provisional recommendations are geographically very close to P14 (Po Nga); (iii) the representation that proposes to create one DCCA at Tai Wo Service Road West in P13 (Lam Tsuen Valley) is not feasible. It is because in respect of the 2019 DC Ordinary

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• according to the statistics of the 2016 Population By-census, the populations of P13 (Lam Tsuen Valley) and P14 (Po Nga) both fall within the statutory permissible range. The statistics concerned are not only more reasonable than those adopted in making the provisional recommendations but also can mitigate the impact brought about by the re-delineation of DCCAs; and • the population of P13 (Lam Tsuen Valley) will surge again upon the completion of large-scale residential development projects in the DCCA. 59 representations propose to transfer Nam Wa Po Village from P13 (Lam Tsuen Valley) to P17 (Hong Lok Yuen) given that Nam Wa Po Village is an indigenous village, connected with the adjoining P17 (Hong Lok Yuen) geographically and they both belong to rural area. The service needs of their respective residents are quite similar to each other. The above proposal will affect less population. It will not only reduce the population of P13 (Lam Tsuen Valley) and	Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is no new DCCA for the Tai Po District for the next DC Ordinary Election. The number of new DCCAs to be created is a statutory pre-set for the EAC, to which the EAC has no authority to revise or vary; (iv) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community. Besides, community services provided by DC members is not the relevant factor of consideration; (v) the delineation exercise for the 2019 DC Ordinary Election is conducted on the basis of projected population figures as at 30 June 2019. Based on the 2015 original DCCA boundary, the population of P13 (Lam Tsuen

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				achieve a balanced allocation of resources between the two DCCAs, but also preserve the way of service provision to the indigenous villages and rural areas. One of the representations considers that in view of the growing population, one DCCA should be created in the area surrounding the villages along both sides of the railway track adjacent to Tai Wo Service Road West in P13 (Lam Tsuen Valley). 11 representations propose to transfer the villages on the periphery of P13 (Lam Tsuen Valley) to other DCCAs. Nine representations consider that the EAC has not consulted the public on the relevant provisional recommendations.	Valley) (20 955) will exceed the statutory permissible upper limit (+26.24%). Therefore, adjustment to its boundary is necessary so that the population will fall within the statutory permissible range; and (vi) the EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. Members of the public can express their views on the provisional recommendations through different means. The EAC will consider every representation received during the consultation period objectively before making the final recommendations. As in past exercises, the EAC has strictly adhered to section 19 of the EACO and conducted public consultation for no less than 30 days on its provisional recommendations.
				(f) Object to the transfer of Tai Po Tau, The Wonderland and Serenity Villa to P14 (Po Nga). Reasons are summarised as follows:	<u>Item (f)</u> These proposals are **not accepted** because: (i) regarding the proposal

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• Tai Po Tau and Tai Po Tau Shui Wai are indigenous villages. They both belong to Luen Yick and are also under the purview of the Tai Po Rural Committee. Villagers thereof have been maintaining their traditional lifestyle and organising traditional events to pass on the cultural heritage and foster ties among the villagers; • from the perspectives of history and living environment, Tai Po Tau, The Wonderland and Serenity Villa have been part of the rural DCCA P17 (Hong Lok Yuen). Transferring them to P14 (Po Nga) is unreasonable and will break the integrity of the rural DCCA; • while traditional villagers have their distinctive lifestyle, residents of small houses also have their unique needs. Hence, effective resolution to village issues and conflicts between indigenous residents and residents of housing estates rely on the assistance of DC members who are acquainted with village	made in the representation to transfer Mont Vert from P17 (Hong Lok Yuen) to P05 (Fu Heng), the affected population under the proposal (4 201) will be larger than that in the provisional recommendations (3 347) by 854. Besides, after receiving the representations, the EAC conducted a site visit and noticed that the population of Mont Vert and that of P05 (Fu Heng) are separated by slopes and hospitals, and the two areas are located at different levels geographically, making the proposal undesirable; (ii) Tai Po Tau and Tai Po Tau Shui Wai belonged to different DCCAs before 2015. The EAC considers that although Tai Po Tau and Tai Po Tau Shui Wai are located in different DCCAs, both of their village issues are all handled by the Tai Po Rural Committee; (iii) the delineation recommendations must be based on the population distribution

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				affairs; • P14 (Po Nga) comprises mainly public housing and Home Ownership Scheme estates. The community composition and service needs of the residents are different. The DC member will have difficulties in coping with the needs of the residents; • the scope of responsibilities and the tasks involved in a DCCA comprising mainly housing estates are very different from those involved in a rural DCCA; • given that the populations of P14 (Po Nga) and P17 (Hong Lok Yuen) have already deviated from the population quota, transferring the population of P17 (Hong Lok Yuen) to P14 (Po Nga) will make the population of P14 (Po Nga) to deviate further from the population quota; and • in the past exercise, the EAC had taken on board proposals made in representations received	and relevant local factors. It is inevitable that a DCCA is composed of more than one community. Besides, community services provided by DC members is not the relevant factor of consideration; and (iv) the EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. Members of the public can express their views on the provisional recommendations through different means. The EAC will consider every representation received during the consultation period objectively before making the final recommendations. As in past exercises, the EAC has strictly adhered to section 19 of the EACO and conducted public consultation for no less than 30 days on its provisional recommendations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*

				on grounds of community identities and residents' expectation on physical features of DCCAs. Two representations object to the transfer of Tai Po Tau Shui Wai to P14 (Po Nga). It is because both Tai Po Tau and Tai Po Tau Shui Wai always belong to rural DCCAs and the same clanship. Besides, as they are villages under development, DC member who possesses knowledge on rural affairs is needed to take forward the work of improving village facilities. The assistance from DC member is also required in dealing with issues relating to land and housing matters, etc. As a number of large-scale works projects will be carried out in the DCCA, the traditional community ties in the village and continuity of village projects will be affected if such projects are to be overseen by DC members who are not experienced in dealing with village affairs. One representation proposes to transfer Mont Vert from P17 (Hong Lok Yuen) to P05 (Fu Heng) and to keep Tai Po Tau, The Wonderland and Serenity Villa unchanged. It is because the population of P05 (Fu Heng) is below the population quota. Transferring Mont	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Vert to P05 (Fu Heng) can reduce the deviation of the DCCA's population from the population quota. The above proposal can better realise community integrity and representativeness. One representation points out that the workload of DC member will not be affected as Mont Vert in P17 (Hong Lok Yuen) has its own management company to coordinate and manage all matters related to the estate. It is also considered inappropriate to transfer Tai Po Tau and Tai Po Tau Shui Wai to other DCCAs in view of the completion of Mont Vert. One representation is of the view that the public has not been fully consulted on the delineation recommendations. Another representation expresses dissatisfaction over the fact that the consultation on provisional recommendations lasted for one month only. The timeframe is too short for the DC member of the DCCA concerned or any persons who intend to stand at the election to make their responses.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(g) Propose to transfer Nam Wa Po Village from P13 (Lam Tsuen Valley) to P17 (Hong Lok Yuen) and to transfer Mont Vert from P17 (Hong Lok Yuen) to another DCCA comprising housing estates because: • the location of Nam Wa Po Village is geographically closer to P17 (Hong Lok Yuen); • the above proposal can even out the population of the DCCAs; and • there is a big difference between the work for a DCCA comprising mainly housing estates and that for a DCCA with rural areas. The provisional recommendations will have an impact on the provision of services by DC members.	<u>Item (g)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of P17 (Hong Lok Yuen) (21 035) will exceed the statutory permissible upper limit (+26.72%); (ii) after receiving the representations, the EAC conducted a site visit and noticed that there are main roads between Nam Wa Po Village in P13 (Lam Tsuen Valley) and P17 (Hong Lok Yuen). The two places are rather far apart; and (iii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.
6	P03 – Tai Po Central	1	-	As the population of P10 (Tai Po Kau) exceeds the statutory permissible upper limit, proposes: • to reduce the area of P10 (Tai Po Kau) to cover only the area spanning from Ha	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be three more than that in the provisional recommendations. The affected population under

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	P08 – Kwong Fuk & Plover Cove P09 – Wang Fuk P10 – Tai Po Kau P12 – San Fu			Wong Yi Au to Cheung Shue Tan; • to transfer Wun Yiu, Lai Chi Shan, Pun Shan Chau, Ta Tit Yan, Shan Tong New Village, The Paramount, JC Castle, etc. from P10 (Tai Po Kau) to P12 (San Fu), and group them together with Pan Chung, Chung Shun Lane, Ma Wo, Kam Shan, Shek Kwu Lung, Kam Shek, Classical Gardens, Dynasty View, etc. to form a separate DCCA to be named either as "Wun Yiu" or "Tai Po South"; • to transfer part of Kwong Fuk Estate from P09 (Wang Fuk) to P08 (Kwong Fuk & Plover Cove), and group Wang Fuk Court, Grand Palisades, The Paragon, Uptown Plaza and Elegance Garden to form P09 (Wang Fuk) which is to be renamed; and • to transfer Plover Cove Garden from P08 (Kwong Fuk & Plover Cove) to P03 (Tai Po Central) to improve community integrity as the former DCCA will then only be made up of the entire Kwong Fuk Estate.	the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
7	P09 – Wang Fuk P10 – Tai Po Kau	2	2	(a) Support the provisional recommendations.	Item (a) The supporting view is noted.
				(b)(i) Support the transfer of Pak Shek Kok from P10 (Tai Po Kau) to P09 (Wang Fuk); and (ii) propose to rename P09 (Wang Fuk) as "Wang Fuk & Pak Shek Kok" to emphasise that Pak Shek Kok is located within the DCCA.	Item (b)(i) The supporting view is noted. Item (b)(ii) This proposal is **not accepted** because the existing name of P09 (Wang Fuk) has been used since 1999 and the public are used to this name. The change of the DCCA name may cause confusion to the public.
				(c) Propose to retain Phases I, II and III of Providence Bay and the surrounding area of Mayfair By The Sea in P10 (Tai Po Kau) because the above housing estates and the other housing estates in P09 (Wang Fuk) are of different nature. Also, as there are new developments being put up for sale in Providence Bay and the Pak Shek Kok area, re-delineation of DCCA boundaries may be required in the next DC term, thereby bringing inconvenience to the residents.	Item (c) This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of P10 (Tai Po Kau) (25 895) will exceed the statutory permissible upper limit (+56.00%); (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		(iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
				(d) Propose to retain Mayfair By The Sea I and Mayfair By The Sea II in P10 (Tai Po Kau) because they are geographically relatively far away from P09 (Wang Fuk) and also differ from the latter in terms of community identities. Besides, the DC member of P10 (Tai Po Kau) has all along maintained good communication with the residents of Mayfair By The Sea.	<u>Item (d)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of P10 (Tai Po Kau) (21 786) will exceed the statutory permissible upper limit (+31.25%); and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community. Besides, community services provided by DC members is not the relevant factor of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
8	P10 – Tai Po Kau P12 – San Fu	2	-	Propose to transfer The Balmoral from P10 (Tai Po Kau) to P12 (San Fu) because: • geographically, The Balmoral is adjacent to Classical Gardens in P12 (San Fu); • at present, services for residents of The Balmoral are mainly provided by DC member of P12 (San Fu); and • there are only 79 households in The Balmoral. While the proposal has limited impact on the population of the above DCCA, it can provide convenience to the residents of The Balmoral and shorten the travelling distance to the polling station.	This proposal is **not accepted** because: (i) the population of P12 (San Fu) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members and arrangement on polling station are not the relevant factors of consideration. The EAC has referred the view on the arrangement on polling station to the REO for consideration.
9	P13 – Lam Tsuen Valley P17 – Hong Lok Yuen P18 – Shuen Wan	7	-	In view of the growing populations in P13 (Lam Tsuen Valley), P17 (Hong Lok Yuen) and P18 (Shuen Wan), propose to split the above three DCCAs into four. One representation considers that two new DCCAs should be created in the Tai Po District.	In respect of the 2019 DC Ordinary Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is no new DCCA for the Tai Po District for the next DC Ordinary Election. The number of new DCCAs to be created is a statutory pre-set for the EAC, to which the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					EAC has no authority to revise or vary.
10	P19 – Sai Kung North	3	1	(a) Propose to transfer P19 (Sai Kung North) to the Sha Tin DC. One representation states that the daily activities of residents of the DCCA are more closely related to their counterparts in the Sha Tin District. The transfer can better reflect the current development of the DCCA and the living habits of the residents.	<u>Items (a) and (b)</u> The proposals made in the representations involve alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred the views to the Government for consideration.
				(b) Propose to include P19 (Sai Kung North) in the Sai Kung DC. One representation considers that the future development of the DCCA is closely related to the Sai Kung District. On the contrary, its relationship with the Tai Po District is declining. The transfer can facilitate the district administration of the DCCA.	

Appendix II - Q

Sai Kung District

Summaries of Written/Oral Representations

		W	*O*		
1	All DCCAs	1	1	Propose to add the elements of Tseung Kwan O to the name of the Sai Kung DC and rename it as "Sai Kung Tseung Kwan O District Council". Reasons are summarised as follows: • there are five elected seats for Sai Kung and 24 elected seats for Tseung Kwan O in the Sai Kung DC. Consider that the change of name can better reflect the composition of the Sai Kung DC; • following the development of Tseung Kwan O New Town, the existing number of elected seats and the size of population of Tseung Kwan O are far more than those of Sai Kung; and • the Sai Kung DC Secretariat and Conference Room have also been relocated from Sai Kung Government Offices to Tseung Kwan O New Town. One representation also proposes to make Tseung Kwan O New Town an independent DC.	The proposal made in the representations involves alteration of administrative district name and boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.

* W: Number of written representations.
O : Number of oral representations.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
2	All DCCAs	1	-	Holds no objection to the provisional recommendations on all DCCAs of the Sai Kung District.	The view is noted.
3	All DCCAs	1	-	(a) Supports the provisional recommendations on Q04 (Hang Hau East), Q05 (Hang Hau West), Q06 (Choi Kin), Q07 (Kin Ming), Q08 (Do Shin), Q09 (Wai King), Q10 (Hoi Chun), Q13 (O Tong), Q14 (Sheung Tak), Q15 (Kwong Ming), Q17 (Tsui Lam), Q18 (Po Lam), Q19 (Yan Ying) and Q22 (King Lam).	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on Q01 (Sai Kung Central), Q02 (Pak Sha Wan) and Q03 (Sai Kung Islands). Considers that there are close community ties among the above three DCCAs. Therefore, adjustments should be made to their boundaries so that the populations of these three DCCAs will fall within the statutory permissible range.	Item (b) Please see item 5(i).
				(c) Proposes to transfer Anderson Road Development Area from Q05 (Hang Hau West) to the Kwun Tong District to facilitate district administration.	Item (c) The proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(d) Holds reservation on the provisional recommendations on Q11 (Po Yee), Q12 (Fu Kwan), Q23 (Hau Tak), Q24 (Fu Nam), Q25 (Tak Ming), Q26 (Nam On), Q27 (Kwan Po), Q28 (Wan Po North) and Q29 (Wan Po South). Considers that the provisional recommendations fail to solve the issue of the dumbbell shape of Q27 (Kwan Po) resulted from spanning Wan Po Road and the problem of Q24 (Fu Nam) being split into two parts in the middle by Q23 (Hau Tak). Proposes to rectify the above situations by the EAC in the re-delineation in 2023.	Item (d) The proposal is noted. In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
				(e)(i) Taking into consideration of community integrity and population distribution, considers that the provisional recommendations on Q16 (Hong King), Q20 (Wai Yan) and Q21 (Wan Hang) are feasible; and (ii) since Q16 (Hong King) has a smaller population, proposes to transfer Tseung Kwan O Village and Yau Yue Wan Village from Q05 (Hang Hau West) to Q16 (Hong King) as both villages	Item (e)(i) The view is noted. Item (e)(ii) This proposal is **not accepted** because the population of Q05 (Hang Hau West) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				use Po Lam Road North as access and they share common issues of concern with Q16 (Hong King).	
4	All DCCAs	-	1	(a) Considers that the provisional recommendations on all DCCAs of the Sai Kung District are very desirable on the whole.	Item (a) The supporting view is noted.
				(b) Considers that the delineation of Q24 (Fu Nam), Q25 (Tak Ming) and Q26 (Nam On) in Hang Hau does not take into account the geographical distance and links between housing estates in each DCCA. Queries why it has been allowed not to make any changes to the boundaries of the above DCCAs since 2007 due to the fact that their populations have not deviated from the statutory permissible range.	Item (b) The populations of Q24 (Fu Nam), Q25 (Tak Ming) and Q26 (Nam On) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
5	Q01 – Sai Kung Central	2	-	Object to remain the boundary of Q01 (Sai Kung Central) unchanged. Consider that since the population of the DCCA is only 10 000, it is proposed to make adjustment to the boundary of Q01 (Sai Kung Central) along with its neighbouring DCCAs, and absorb the populations of other DCCAs or be included in other DCCAs with a population below the statutory permissible lower limit.	This proposal is **not accepted** because: (i) based on the 2015 original DCCA boundary, the population of Q01 (Sai Kung Central) (10 901) will be below the statutory permissible lower limit (-34.33%). Its neighbouring DCCAs are Q02 (Pak Sha Wan) and Q03 (Sai Kung Islands). The population of Q03 (Sai

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				One representation queries that to remain the DCCA boundary of Q01 (Sai Kung Central) unchanged is based on political consideration.	Kung Islands) is also below the statutory permissible lower limit. Hence, there is no room to transfer its population to Q01 (Sai Kung Central). The population of the other neighbouring DCCA Q02 (Pak Sha Wan) is dispersed over various villages and the surrounding area of Pak Sha Wan. The populations in Q02 (Pak Sha Wan) and Q01 (Sai Kung Central) are separated by a water treatment works, Sai Kung Outdoor Recreation Centre and a country park, making them geographically far away from each other. If Q01 (Sai Kung Central) is included in the neighbouring DCCA Q03 (Sai Kung Islands) with a population below the statutory permissible lower limit according to the proposal made in the representations, the population of the DCCA (22 510) will exceed the statutory permissible upper limit (+35.61%). Furthermore, after merging the DCCAs, the number of DCCAs will be smaller than the total number of elected seats in the Sai Kung District which does not meet the requirements of the EACO; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					(ii) the delineation recommendations must be based on objective data of population distribution. Political factors will not be taken into consideration.
6	Q01 – Sai Kung Central Q02 – Pak Sha Wan	1	-	Expresses objection over the fact that the EAC has yet to deal with the problem of underpopulation in Q01 (Sai Kung Central) over the past few exercises, and proposes to transfer the village houses in the surrounding areas of Pak Kong and Wu Lei Tau from Q02 (Pak Sha Wan) to Q01 (Sai Kung Central).	This proposal is **not accepted**. Please see item 5(i).
7	Q01 – Sai Kung Central Q02 – Pak Sha Wan Q03 – Sai Kung Islands Q04 – Hang Hau East	1	-	As the populations of Q01 (Sai Kung Central), Q02 (Pak Sha Wan), Q03 (Sai Kung Islands) and Q04 (Hang Hau East) will be below the population quota, it is considered that the current total population of the above four DCCAs can be shared by three elected seats. Therefore, it is proposed to delete one elected seat from the Sai Kung District to avoid wasting public money.	This proposal is **not accepted** because in accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
8	Q01 – Sai Kung Central Q02 – Pak Sha Wan Q03 – Sai Kung Islands Q05 – Hang Hau West	1	-	As the populations of Q01 (Sai Kung Central), Q02 (Pak Sha Wan) and Q03 (Sai Kung Islands) are below the population quota and the total population of these three DCCAs is only about 38 000, it is proposed to re-delineate the DCCAs concerned to reduce one elected seat. Details are as follows: • to transfer the surrounding areas of Po Lo Che, Yau Ma Po to Muk Min Shan, Jade Villa, Lotus Villas, etc. surrounding Ngau Liu as well as the area along Tai Mong Tsai Road up to Hopes Villa from Q03 (Sai Kung Islands) to Q01 (Sai Kung Central); and • to merge Q02 (Pak Sha Wan) and Q03 (Sai Kung Islands) into a DCCA "Rural Sai Kung". If the population still falls short, to absorb the rural part of Q05 (Hang Hau West).	This proposal is **not accepted** because in accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.
9	Q01 – Sai Kung Central Q02 – Pak Sha Wan Q03 – Sai Kung Islands	1	-	(a) As the population of Q01 (Sai Kung Central) is below the statutory permissible lower limit, the total population of Q01 (Sai Kung Central) and the neighbouring Q02 (Pak Sha Wan) and Q03 (Sai Kung Islands) can be shared by two elected seats. Proposes to adjust and merge the three DCCAs to free up one elected seat for	<u>Item (a)</u> This proposal is **not accepted** because: (i) please see item 5(i); (ii) the number of affected DCCAs under the proposal made in the representation will be seven more than that in the provisional recommendations. The affected population under

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	Q04 – Hang Hau East Q05 – Hang Hau West Q12 – Fu Kwan Q23 – Hau Tak Q24 – Fu Nam Q25 – Tak Ming Q26 – Nam On Q27 – Kwan Po Q28 – Wan Po North			the re-delineation of those DCCAs in the vicinity of MTR Hang Hau Station and through the formation of a new DCCA to rectify the undesirable shapes of the DCCAs concerned. Details are as follows: • to transfer Maritime Bay from Q25 (Tak Ming) to Q26 (Nam On). Q25 (Tak Ming) only includes Ming Tak Estate, Yuk Ming Court and Wo Ming Court; • to transfer La Cite Noble from Q27 (Kwan Po) to Q26 (Nam On), and to absorb Oscar By The Sea in Q28 (Wan Po North), or The Grandiose in Q12 (Fu Kwan) at the same time; • to form a new DCCA that comprises East Point City in Q26 (Nam On) and Residence Oasis in Q24 (Fu Nam); and • to re-delineate On Ning Garden in Q26 (Nam On), Yu Ming Court and Fu Ning Garden in Q24 (Fu Nam) and Hau Tak Estate and Chung Ming Court in Q23 (Hau Tak) into two DCCAs.	the proposal will be larger, too; and (iii) although the shape of a DCCA is a relevant factor of consideration, it is confined by population distribution to a certain extent and is not a prime factor of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) In order to bring the populations of Q04 (Hang Hau East) and Q05 (Hang Hau West) closer to the population quota, it is proposed to transfer the surrounding area of Tai Po Tsai Village in Q05 (Hang Hau West) to Q04 (Hang Hau East).	Item (b) This proposal is **not accepted** because the populations of Q04 (Hang Hau East) and Q05 (Hang Hau West) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
10	Q02 – Pak Sha Wan Q03 – Sai Kung Islands	4	-	Object to the provisional recommendations on Q02 (Pak Sha Wan) and Q03 (Sai Kung Islands). In order to preserve the integrity of rural villages and avoid making residents difficult to adapt, it is proposed that the boundaries and names for the DCCAs adopted in 2015 should remain unchanged. One representation also states that residents of the above two DCCAs are used to having Po Lo Che Road as the boundary. Changing the DCCA boundary will affect residents' desire to seek help from DC members and to vote.	This proposal is **not accepted** because: (i) according to the proposal made in the representations, the population of Q03 (Sai Kung Islands) (11 609) will be below the statutory permissible lower limit (-30.06%); (ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration; and (iii) there is no sufficient objective information and justification to prove that the provisional recommendations will affect the integrity of the rural villages.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
11	Q04 – Hang Hau East Q16 – Hong King Q17 – Tsui Lam Q18 – Po Lam Q20 – Wai Yan Q21 – Wan Hang Q28 – Wan Po North Q29 – Wan Po South	1	-	(a) In the provisional recommendations, a new DCCA Q20 (Wai Yan) will be formed in the surrounding area of Po Lam. The populations of the new DCCA Q20 (Wai Yan) along with its neighbouring DCCAs Q16 (Hong King), Q17 (Tsui Lam), Q18 (Po Lam) and Q21 (Wan Hang) are below the population quota while the populations of Q28 (Wan Po North) and Q29 (Wan Po South) are above the population quota. In addition, 10 000 people are expected to move into Phases 4 and 5 of LOHAS Park in 2019. Therefore, it is proposed that the location of the new DCCA be reconsidered.	<u>Item (a)</u> This proposal is **not accepted** because: (i) based on the 2015 original DCCA boundary, the population of Q21 (Wan Hang) (20 988) will exceed the statutory permissible upper limit (+26.44%). The EAC therefore proposed to create a new DCCA Q20 (Wai Yan) in the area of Verbena Heights located in Q21 (Wan Hang) so that the population of the DCCA will fall within the statutory permissible range; (ii) the populations of Q28 (Wan Po North) and Q29 (Wan Po South) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) Proposes to transfer the surrounding area of Pak Shing Kok in Q04 (Hang Hau East) to Q28 (Wan Po North), or re-delineate the boundaries of Q28 (Wan Po North) and Q29 (Wan Po South) and create a new DCCA. Reasons are as follows: • the populations of 14 DCCAs in the Sai Kung District will be below the population quota. Taking into consideration the community integrity, local ties, geographical factors, transport and population distribution, the EAC did not adjust the boundaries of those DCCAs. In fact, for some DCCAs, their local ties, geographical and transport situations have yet to be considered; • most of Shaw Movie City is currently included in Q28 (Wan Po North) while its entrances, exits and main roads (Pak Shing Kok Road) belong to Q04 (Hang Hau East), causing problems in district administration and management; • as for geographical and transport situations, getting to the	Item (b) This proposal is **not accepted** because: (i) the populations of Q04 (Hang Hau East), Q28 (Wan Po North) and Q29 (Wan Po South) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangement on district administration matters is not the relevant factor of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				surrounding area of Pak Shing Kok currently entails passing through Wan Po Road. Getting to and from Pak Shing Kok also relies on MTR LOHAS Park Station or public transport at Tseung Kwan O Town Centre; • the environmental hygiene problem of the surrounding area of Pak Shing Kok has been affecting the housing estates in Q28 (Wan Po North); and • the proposal can facilitate administration and management.	
12	Q04 – Hang Hau East Q28 – Wan Po North Q29 – Wan Po South	-	1	(a) Taking the geographical setting into consideration, it is proposed to transfer the dormitories of Fire and Ambulance Services Academy and the surrounding area of Pak Shing Kok in Q04 (Hang Hau East) to Q28 (Wan Po North) and Q29 (Wan Po South), or re-delineate the above DCCAs and add elected seats in the future.	<u>Item (a)</u> This proposal is **not accepted** because the populations of Q04 (Hang Hau East), Q28 (Wan Po North) and Q29 (Wan Po South) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
				(b) Proposes to add an elected seat to Q28 (Wan Po North) and Q29 (Wan Po South), and form a DCCA that comprises Le Prestige, Phase 2 of LOHAS Park	<u>Item (b)</u> This proposal is **not accepted** because: (i) the populations of Q28 (Wan Po North) and Q29

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(with a population of 16 000) in Q29 (Wan Po South) and another DCCA that comprises Hemera, Phase 3 of LOHAS Park in Q29 (Wan Po South), The Beaumount and Phases 4, 5 and 6 of LOHAS Park in Q28 (Wan Po North) because: • Q28 (Wan Po North) and Q29 (Wan Po South) each have a population of about 19 000 while Phases 4, 5 and 6 of LOHAS Park have been put up for sale; and • the proposal can adjust the populations of the above DCCAs to about 16 000 to 17 000 per DCCA.	(Wan Po South) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; (ii) please see item 22(i) and (ii); and (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
				(c) Proposes to set up a polling station at the school opposite Oscar By The Sea in Q28 (Wan Po North) because it currently takes 45 minutes for residents there to get to the polling station in Hang Hau to vote.	<u>Items (c) and (d)</u> The EAC has referred the relevant views concerning the arrangement on polling station to the REO for consideration.
				(d) Proposes to set up a polling station at the new international school next to The Beaumount in Q28 (Wan Po North) to make it easier for residents to vote.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(e) The population of the Sai Kung District is 470 000, which is 50 000 more than 420 000 in the last term. Considers that three elected seats should be added.	Item (e) In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As this proposal made in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.
13	Q05 – Hang Hau West	1	-	Proposes to transfer areas near the housing estates in the Kwun Tong District within Anderson Road Development Area in Q05 (Hang Hau West) to the Kwun Tong District because they are geographically closer, hence having stronger community ties among residents.	The proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
14	Q06 – Choi Kin Q07 – Kin Ming	1	-	Q06 (Choi Kin) has a population of 19 000, making it the most populated DCCA in the Sai Kung District in the provisional recommendations. In order for the DC member of that DCCA to serve Choi Ming Court more efficiently, it is proposed to transfer Kin Ching House and Kin Hei House of Kin Ming Estate in Q06 (Choi Kin) to Q07 (Kin Ming) to even out the populations of these two DCCAs.	This proposal is **not accepted** because: (i) the populations of Q06 (Choi Kin) and Q07 (Kin Ming) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of population distribution.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					Community services provided by DC members is not the relevant factor of consideration.
15	Q10 – Hoi Chun	4	-	(a) Propose to rename Q10 (Hoi Chun) as "Tseung South". Reasons are summarised as follows: • the DCCA name "Hoi Chun" in the provisional recommendations is similar to Wings At Sea of LOHAS Park in Chinese, causing confusion easily; • the proposed name is in line with the common knowledge that the cluster of housing estates in the above DCCA is located in the south of Tseung Kwan O; and • the above DCCA includes The Wings II, IIIA and IIIB, Corinthia By The Sea, The Parkside, Twin Peaks, Ocean Wings, The Papillons, Monterey, Alto Residences and Capri but only housing estates of The Wings contain the word "Chun" and the names of The Papillons and Ocean Wings contain the word "Hoi".	<u>Items (a) and (b)</u> These proposals are **not accepted** because most DCCAs in the Sai Kung District in the provisional recommendations are named according to the established working principle of making reference to the major housing estates. The names proposed in the representations fail to reflect the characteristics or areas of the relevant DCCA.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				One representation considers that the English name of Q10 (Hoi Chun) may be renamed as "Tseung South".	
				(b) Propose to rename Q10 (Hoi Chun) as "O South". Reasons are summarised as follows: • the proposed name can accurately reflect the location of the DCCA concerned, including the housing estates in the south of MTR Tseung Kwan O Station; • the DCCA name in the provisional recommendations is similar to that of Ocean Wings and will be associated with The Wings II, IIIA and IIIB. It may lead to misunderstanding that the DCCA only includes the above buildings; and • Q10 (Hoi Chun) includes 12 housing estates located at the southern tip of Tseung Kwan O, including The Wings II, IIIA and IIIB, Corinthia By The Sea, The Parkside, Twin Peaks, Ocean Wings, Savannah, The Papillons, Monterey, Alto Residences and Capri.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				One representation considers that the English name of Q10 (Hoi Chun) can be renamed as "O South" or "TKO South". However, "TKO South" is longer and relatively undesirable.	
16	Q10 – Hoi Chun Q12 – Fu Kwan	-	2	Query whether the projected population figure (18 000) of Q10 (Hoi Chun) has been overestimated. Reasons are summarised as follows: • most of the newly-completed housing estates in the above DCCA contain small flats and many have yet to be occupied. Feeder minibuses are seldom used by residents; and • about 5 400 flats have been occupied in the above DCCA and there are currently about 6 600 flats in Q12 (Fu Kwan) but the projected populations of the two DCCAs are both 18 000. One representation considers that more housing estates may be transferred to the above DCCA.	The projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
17	Q10 – Hoi Chun Q16 – Hong King Q20 – Wai Yan Q21 – Wan Hang	1	-	Proposes to remain the original boundaries of Q16 (Hong King) and Q21 (Wan Hang) unchanged because: • Q20 (Wai Yan) is formed by splitting Q21 (Wan Hang) and Q16 (Hong King), which is different from how new DCCAs were created in the south of Tseung Kwan O in the past; • the population of Q16 (Hong King) will substantially decrease after the re-delineation whereas the population of the south of Tseung Kwan O including LOHAS Park and the surrounding area of Chi Shin Street will continue to increase. Therefore, it is unreasonable to create only one new DCCA Q10 (Hoi Chun); • the boundaries of Q16 (Hong King), Q20 (Wai Yan) and DCCAs in the south of Tseung Kwan O may need to be re-delineated in 2023 due to the above population factors; • considers that the provisional recommendations are not in line with the trend of population growth and that	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of Q21 (Wan Hang) (20 988) will exceed the statutory permissible upper limit (+26.44%); (ii) for the newly-completed housing estates surrounding the area in the south of Tseung Kwan O, according to the 2015 original DCCA boundary, the population of Q11 (Po Yee) (33 553) will exceed the statutory permissible upper limit (+102.14%). The provisional recommendations proposed to create a new DCCA Q10 (Hoi Chun) within the area of Q11 (Po Yee) but outside the Bauhinia Garden and Yee Ming Estate so that the population of the latter DCCA will fall within the statutory permissible range; (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				there are also political consideration; and • the splitting of Q21 (Wan Hang) into two DCCAs in the provisional recommendations cause confusion to the residents.	consideration; and (iv) the delineation recommendations must be based on objective data of population distribution. Political factors will not be taken into consideration.
18	Q11 – Po Yee	1	-	Supports the provisional recommendations.	The supporting view is noted.
19	Q16 – Hong King Q20 – Wai Yan	12^	-	(a) Propose to retain Well On Garden, Finery Park and Radiant Towers in Q16 (Hong King), and that new DCCA Q20 (Wai Yan) comprises Verbena Heights and Serenity Place in Q16 (Hong King). Reasons are summarised as follows: • the above proposal is in line with the consideration given to the geographical location of the DCCA and more beneficial to the community integrity; • Well On Garden, Finery Park and Radiant Towers have all along belonged to Q16 (Hong King) and have a distant relationship with Verbena Heights. The provisional recommendations will break the community ties;	<u>Item (a)</u> This proposal is **not accepted** because: (i) according to the proposal made in the representations, the population of Q20 (Wai Yan) (10 929) will be below the statutory permissible lower limit (-34.16%); and (ii) there is no sufficient objective information and justification to prove that the proposal made in the representations is obviously better than the provisional recommendations in terms of preserving local ties as well as geographical factors.

^One representation contains signatures of 54 residents of Well On Garden.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• Serenity Place and Verbena Heights were developed and built by Hong Kong Housing Society. They belong to the same type of housing estate; • residents of Well On Garden are well used to belonging to Q16 (Hong King) over the years; and • no new buildings are developed in Q16 (Hong King).	
				(b) Propose that Q16 (Hong King) comprises Hong Sing Garden, King Ming Court, Well On Garden and Finery Park and that Q20 (Wai Yan) comprises Serenity Place, Radiant Towers and Verbena Heights. One representation considers that the proposal can achieve a more balanced population distribution among the DCCAs and help DC members provide services to residents in a more fair and efficient manner with the same amount of resources.	<u>Item (b)</u> This proposal is **not accepted** because: (i) even though the affected population under the proposal made in the representations (6 625) will be smaller than that in the provisional recommendations (7 018) by 393, according to the proposal made in the representations, Well On Garden and Finery Park will be separated from other buildings in Q16 (Hong King) by Serenity Place. In addition, Serenity Place in Q16 (Hong King) is separated from Radiant Towers and Verbena Heights in Q20 (Wai Yan) by a main road Po Hong Road. On the contrary, according to the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		provisional recommendations, Well On Garden, Finery Park and Radiant Towers, which are built side by side along Yuk Nga Lane in Q20 (Wai Yan), are geographically closer to Verbena Heights. Therefore, generally speaking, it is more reasonable in geographical terms to delineate Q16 (Hong King) and Q20 (Wai Yan) with the main road Po Hong Road as the boundary; and (ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.
20	Q16 – Hong King Q20 – Wai Yan Q21 – Wan Hang	-	1	Supports the provisional recommendations.	The supporting view is noted.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
21	Q16 – Hong King Q20 – Wai Yan Q21 – Wan Hang	1	-	Objects to the re-delineation of the boundaries of Q16 (Hong King) and Q21 (Wan Hang). Considers that the populations of these DCCAs are stable and the creation of a new DCCA will cause disturbance to both the community and residents, and hence proposes to maintain the original DCCA boundaries as well as to cancel the creation of new DCCA Q20 (Wai Yan).	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of Q21 (Wan Hang) (20 988) will exceed the statutory permissible upper limit (+26.44%); and (ii) if creation of the new DCCA Q20 (Wai Yan) is cancelled, the number of DCCAs will be smaller than the total number of elected seats in the Sai Kung District which does not meet the requirements of the EACO.
22	Q16 – Hong King Q20 – Wai Yan Q21 – Wan Hang Q28 – Wan Po North	1	-	Objects to the re-delineation of Q16 (Hong King) and Q21 (Wan Hang) into three DCCAs (including the new DCCA Q20 (Wai Yan)). Proposes to remain the boundary of Q21 (Wan Hang) unchanged and allow its population to slightly exceed the statutory permissible upper limit. And to form two new DCCAs by merging the surrounding area of Tseung Kwan O South Town Centre with Oscar By The Sea in Q28 (Wan Po North) because: • Q16 (Hong King) and Q21 (Wan Hang) are well-established DCCAs with long-existing local ties and co-operation. Hence, their DCCA	This proposal is **not accepted** because: (i) in respect of the 2019 DC Ordinary Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is an increase in the number of elected seats by two to 29 for the Sai Kung District for the next DC Ordinary Election. In accordance with the EACO, the EAC must follow the number of elected seats as stipulated for each DC under the DCO in delineating the DCCA boundaries, and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				boundaries should not be rashly re-delineated; • there are no new development projects or large-scale population changes in both DCCAs from 2015 to 2019. Their populations in 2019 will also be smaller than those in 2015 by about 1 000. On the contrary, there have been constant population intakes in the new housing estates on the Tseung Kwan O South Waterfront in recent years, leading to a continuous growth in the population there; • the above proposal can better reflect places that have population growth in the DCCA and is also in keeping with the tradition that the Sai Kung DC creates new DCCAs in newly-developed housing estates and places that have population growth; • the above proposal affects the least number of existing DCCAs, brings the populations of the DCCAs to fall within the statutory permissible range, and also facilitates district work; • in the above proposal, re-delineation of the DCCA boundaries in 2023	strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors; (ii) according to the 2015 original DCCA boundary, the populations of two DCCAs in the Sai Kung District, namely Q11 (Po Yee) and Q21 (Wan Hang), will exceed the statutory permissible upper limit while the populations of the remaining DCCAs will be within the statutory permissible range or below the statutory permissible lower limit. Therefore, the EAC proposed to create the two new DCCAs in Q10 (Hoi Chun) and Q20 (Wai Yan) so as to ensure that the populations of Q11 (Po Yee) and Q21 (Wan Hang) will fall within the statutory permissible range; (iii) the EAC notes that based on the 2015 original DCCA boundary, Q21 (Wan Hang) comprises different housing estates and in the provisional recommendations, only Verbena Heights is delineated in the new DCCA. The EAC

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				regarding the DCCAs of which their boundaries are adjusted in this exercise can be avoided; and • the EAC's principle of allowing the populations of other DCCAs to slightly exceed the statutory permissible upper limit due to community integrity and local ties is also applicable to Q21 (Wan Hang).	considers that there is no sufficient objective information and justification to prove that the provisional recommendations would break the community integrity and local ties of Q21 (Wan Hang); (iv) as regards the proposal to create a new DCCA in the south of Tseung Kwan O, please see item 17(ii); (v) the delineation recommendations must be based on objective data of population distribution. Arrangement on district administration matters is not the relevant factor of consideration; and (vi) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
23	Q16 – Hong King Q20 – Wai Yan	-	1	Proposes to add a new DCCA in Q28 (Wan Po North) and Q29 (Wan Po South) because: • the provisional recommendations will bring the population of Q16 (Hong King)	This proposal is **not accepted**. Please see item 11(a).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	Q21 – Wan Hang Q28 – Wan Po North Q29 – Wan Po South			(approximately 12 000) closer to the statutory permissible lower limit and the populations of Q20 (Wai Yan) and Q21 (Wan Hang) are also decreasing. The boundaries of the above DCCAs may need to be re-delineated in the next term as their populations may be below the statutory permissible lower limit; and • the populations of both Q28 (Wan Po North) and Q29 (Wan Po South) are over 18 000 and there will soon be a population intake in Phase 6 of LOHAS Park.	
24	Q20 – Wai Yan	-	1	Supports the proposed Chinese name of Q20 (Wai Yan), but holds reservation on not citing the "Well" of "Well On Garden" in the proposed English name.	This proposal is **not accepted** because the relevant proposal is not in keeping with the EAC's established practice of forming the English names of DCCAs.
25	Q21 – Wan Hang	1	-	Objects to the re-delineation of the boundary of Q21 (Wan Hang) and considers that the private buildings there should not be transferred because that DCCA is a residential area with no changes in its population and community structure.	This proposal is **not accepted** because according to the proposal made in the representation, the population of Q21 (Wan Hang) (20 988) will exceed the statutory permissible upper limit (+26.44%).
26	Q23 – Hau Tak Q24 – Fu Nam	1	-	(a) Objects to the current composition of Q24 (Fu Nam) because: • the above DCCA	<u>Items (a) and (b)</u> These proposals are **not accepted** because: (i) the populations of Q23

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	Q26 – Nam On Q27 – Kwan Po			comprises housing estates, namely Residence Oasis, Fu Ning Garden and Yu Ming Court. These three housing estates are not geographically connected. As Residence Oasis is far away from the core area of Q24 (Fu Nam), its rights and interests are often overlooked; and • Fu Ning Garden and Yu Ming Court are Home Ownership Scheme estates while Residence Oasis is a private housing estate. Their residents are facing different community problems. Proposes: • to transfer Residence Oasis in Q24 (Fu Nam) to Q26 (Nam On), or form a new DCCA with housing estates in the surrounding area of MTR Hang Hau Station such as East Point City or On Ning Garden. If the population is required to be closer to the population quota, Nan Fung Plaza in Q26 (Nam On) may be transferred to Q27 (Kwan Po) to form a DCCA with La Cite Noble.	(Hau Tak), Q24 (Fu Nam), Q26 (Nam On) and Q27 (Kwan Po) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; (ii) the delineation recommendations must be based on objective data of population distribution. Arrangement on district administration matters is not the relevant factor of consideration; and (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) The representation also proposes to draw reference to the options proposed in an online article as follows: <u>Option 1</u> to transfer Residence Oasis in Q24 (Fu Nam) to Q23 (Hau Tak), Tak On House and Tak Yue House of Hau Tak Estate in Q23 (Hau Tak) to Q24 (Fu Nam), and East Point City in Q26 (Nam On) to Q24 (Fu Nam) to compensate for the decrease in population resulting from the transfer of Residence Oasis to another DCCA. Reasons are as follows: • the population distribution of the three DCCAs after the re-delineation will be more even. Local ties will also become closer; • there will be one DCCA less with a population exceeding the statutory permissible upper limit; • there are still new residents moving into Residence Oasis while population outflow in Q23 (Hau Tak) has led to a gradual decrease in its population. The growth in population of Residence Oasis can be offset by the decrease in	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				population in the above DCCA; and • the above proposal has taken into account the population changes in the DCCAs in the future. No need of re-delineation in the future; or <u>Option 2</u> to transfer Yu Ming Court in Q24 (Fu Nam) to Q23 (Hau Tak), to form Q24 (Fu Nam) that comprises East Point City in Q26 (Nam On), Fu Ning Garden and Residence Oasis, and to transfer Chung Ming Court in Q23 (Hau Tak) to Q26 (Nam On); or <u>Option 3</u> to transfer Chung Ming Court in Q23 (Hau Tak) to Q26 (Nam On), and East Point City in Q26 (Nam On) to Q23 (Hau Tak).	
27	Q27 – Kwan Po Q28 – Wan Po North Q29 – Wan Po South	-	1	The representation states that Tseung Kwan O is divided into three large areas: the area surrounding Tseung Kwan O Waterfront is Tseung Kwan O South or Town Centre Area; Q27 (Kwan Po) (excluding Tseung Kwan O Plaza) is Hang Hau Area; and Q28 (Wan Po North) and Q29 (Wan Po South) are LOHAS Park Area. Considers that the three areas above should be considered in conjunction in delineating the	This proposal is **not accepted** because: (i) the populations of Q27 (Kwan Po), Q28 (Wan Po North) and Q29 (Wan Po South) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				DCCA boundaries. Proposes: • to transfer Tseung Kwan O Plaza in Q27 (Kwan Po) to DCCAs in Tsuen Kwan O South because even though Q27 (Kwan Po) has comprised the housing estates Tseung Kwan O Plaza and La Cite Noble since 2015, they are relatively far away from each other geographically. Hence, it is difficult for the DC member of the DCCA to handle affairs with regard to residents of the above housing estates. Moreover, Tseung Kwan O South (or Town Centre Area) is where residents of Tseung Kwan O Plaza carry out their daily activities; and • to transfer Oscar By The Sea in Q28 (Wan Po North) to Q27 (Kwan Po) because the community features of the two DCCAs are similar.	(ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.

Sha Tin District

Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	(a) Supports the provisional recommendations on R01 (Sha Tin Town Centre), R02 (Lek Yuen), R03 (Wo Che Estate), R04 (City One), R05 (Yue Shing), R06 (Wong Uk), R22 (Sui Wo), R25 (Hoi Nam), R26 (Chung On), R27 (Kam To), R28 (Ma On Shan Town Centre), R29 (Wu Kai Sha), R30 (Lee On), R31 (Fu Lung), R32 (Kam Ying), R33 (Yiu On), R34 (Heng On), R35 (Tai Shui Hang) and R36 (On Tai).	Item (a) The supporting view is noted.
				(b) Objects to the provisional recommendations on R07 (Sha Kok) and holds reservation on the provisional recommendations on R08 (Pok Hong), R09 (Shui Chuen O) and R10 (Jat Chuen). Considers that despite the populations of the above DCCAs will fall within the statutory permissible range, it is relatively undesirable to split Shui Chuen O Estate into two DCCAs.	Item (b) This representation is **not accepted** because if the entire Shui Chuen O Estate is delineated into one DCCA, the population of the DCCA (29 387) will exceed the statutory permissible upper limit (+77.04%).

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(c) Holds reservation on the provisional recommendations on R11 (Chun Fung), R12 (Sun Tin Wai), R13 (Chui Tin), R14 (Hin Ka), R17 (Keng Hau), R20 (Tai Wai), R38 (Di Yee) and R39 (Bik Woo).	Item (c) The view is noted.
				(d) Holds reservation on the provisional recommendations on R16 (Wan Shing), R18 (Tin Sum) and R19 (Chui Ka). Proposes to maintain the boundary of R19 (Chui Ka) and transfer Carado Garden from R16 (Wan Shing) to R18 (Tin Sum). It is because Carado Garden is further away from Festival City in R16 (Wan Shing) geographically, on the contrary, it shares to use Tin Sam Street with Lung Hang Estate and Tin Sam Tsuen in R18 (Tin Sum) and they belong to the same community. The representation considers that the proposal can even out the populations of the above DCCAs and improve the shape of R18 (Tin Sum).	Item (d) This proposal is **not accepted** because: (i) the affected population under the proposal made in the representation (6 077) will be larger than that in the provisional recommendations (2 154) by 3 923; (ii) according to the provisional recommendations, the population of R19 (Chui Ka) will become 18 417 after absorbing Holford Gardens from R16 (Wan Shing), deviating from the population quota by +10.95%. However, according to the proposal made in the representation, the population of R18 (Tin Sum) will substantially increase to 20 404 after absorbing Carado Garden from R16 (Wan Shing), deviating from the population quota by +22.92%. Comparatively speaking, the provisional recommendations are more desirable; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					(iii) although the shape of a DCCA is a relevant factor of consideration, it is confined by population distribution to a certain extent and is not a prime factor of consideration.
				(e) Holds reservation on the provisional recommendations on R15 (Lower Shing Mun) and R21 (Chung Tin). Proposes to transfer Mei Chuen House of Mei Tin Estate from R21 (Chung Tin) to R15 (Lower Shing Mun) in order to maintain the community characteristics of Mei Tin Estate provided that the populations of these DCCAs will fall within the statutory permissible range.	Item (e) This proposal is **not accepted** because: (i) the populations of R15 (Lower Shing Mun) and R21 (Chung Tin) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) according to the proposal made in the representation, the population of R15 (Lower Shing Mun) (21 755) will exceed the statutory permissible upper limit (+31.06%).
				(f) Objects to the provisional recommendations on R23 (Fo Tan) and R24 (Chun Ma). Proposes to transfer Dragons Range from R23 (Fo Tan) to R24 (Chun Ma) as the population of R23 (Fo Tan) is relatively larger. Also, there are local ties between Dragons Range and R24 (Chun Ma) since Lai Ping Road is the only access to Dragons Range.	Item (f) This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					(ii) there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving local ties.
				(g) Holds reservation on the provisional recommendations on R37 (Yu Yan), R40 (Kwong Hong) and R41 (Kwong Yuen). Proposes: • to transfer Mui Tsz Lam and Ah Kung Kok Fishermen Village from R37 (Yu Yan) to R40 (Kwong Hong) because the residents of these two places need to use the roads in R35 (Tai Shui Hang), R39 (Bik Woo) or R40 (Kwong Hong) for access and their community ties with R37 (Yu Yan) are not strong. It is therefore more reasonable to transfer them to R40 (Kwong Hong); and • to transfer To Shek, Chap Wai Kon, Ngau Pei Sha, Siu Lek Yuen and Kwun Yam Shan Village, etc. from R37 (Yu Yan) to R41 (Kwong Yuen). It is	Item (g) This proposal is **not accepted** because the population of R37 (Yu Yan) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				because the above areas, together with R41 (Kwong Yuen), are all affected by the traffic at Tate's Cairn Tunnel, and the proposal can even out the populations of the above five DCCAs.	
2	R01 – Sha Tin Town Centre R11 – Chun Fung R12 – Sun Tin Wai R13 – Chui Tin R15 – Lower Shing Mun R16 – Wan Shing R18 – Tin Sum R19 – Chui Ka R20 – Tai Wai	1	-	Since the buildings of Sun Chui Estate and Mei Tin Estate are delineated into different DCCAs, and R19 (Chui Ka) straddles across the areas separated by the rail line of MTR Tai Wai Station, it is proposed: • to transfer Mei Chuen House of Mei Tin Estate from R21 (Chung Tin) to R15 (Lower Shing Mun) and absorb the entire Tung Lo Wan Hill located in R01 (Sha Tin Town Centre); • that R15 (Lower Shing Mun) only includes Mei Tin Estate and Mei Ying Court and that the areas surrounding Tai Wai New Village, Sha Tin Heights and Tai Po Road in the DCCA be transferred to R19 (Chui Ka); • that R20 (Tai Wai) only includes May Shing Court and Mei Lam Estate, that the area surrounding Tai Wai Village in the DCCA be transferred to R19 (Chui Ka) and to rename R20 (Tai Wai) as "Mei Lam";	This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be eight more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (ii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	R21 – Chung Tin			• that R19 (Chui Ka) also absorbs Holford Gardens from R16 (Wan Shing), that Sun Chui Estate in the DCCA be transferred to R13 (Chui Tin) and to rename R19 (Chui Ka) as "Tai Wai"; • that R13 (Chui Tin) only includes the entire Sun Chui Estate, and that King Tin Court in the DCCA be transferred to R18 (Tin Sum), and to transfer Golden Lion Garden Stage II to R11 (Chun Fung) and World-Wide Gardens to other DCCAs; and • to transfer Fung Shing Court, Sha Tin Tau Village and Sha Tin Tau New Village from R11 (Chun Fung) to R12 (Sun Tin Wai) and absorb the area surrounding Chui Tin Street from R12 (Sun Tin Wai) and Golden Lion Garden Stage II from R13 (Chui Tin) and to rename R11 (Chun Fung) as "Che Kung Miu".	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
3	R01 – Sha Tin Town Centre R11 – Chun Fung R19 – Chui Ka R20 – Tai Wai R26 – Chung On R27 – Kam To R28 – Ma On Shan Town Centre R30 – Lee On R31 – Fu Lung R32 – Kam Ying R33 – Yiu On R34 – Heng On R35 – Tai Shui Hang	1	-	Proposes: • to transfer The Riverpark from R11 (Chun Fung) to R01 (Sha Tin Town Centre); • to transfer Grandway Garden, Grandeur Garden and residential buildings surrounding the area between Tsuen Nam Road and Chik Fuk Street from R19 (Chui Ka) to R20 (Tai Wai) and rename R19 (Chui Ka) as "Sun Chui"; • to transfer Vista Paradiso and Oceanaire from R26 (Chung On) to R35 (Tai Shui Hang) and also to transfer Ma On Shan Recreation Ground and Sports Ground in the DCCA to R34 (Heng On); • to transfer The Waterside and Marbella from R27 (Kam To) to R28 (Ma On Shan Town Centre) and rename R27 (Kam To) as "Kam Fung"; • to transfer Kam Lung Court from R31 (Fu Lung) to R30 (Lee On) and rename R31 (Fu Lung) as "Fu Po"; and • to transfer On Luk Street Park from R32 (Kam Ying) to R33 (Yiu On).	This proposal is **not accepted** because: (i) if Vista Paradiso and Oceanaire are to be transferred from R26 (Chung On) to R35 (Tai Shui Hang), the population of R35 (Tai Shui Hang) (29 153) will exceed the statutory permissible upper limit (+75.63%). Besides, as Ma On Shan Recreation Ground and Sports Ground located in R26 (Chung On) have no population, there is no need to adjust the boundaries; and (ii) the populations of R01 (Sha Tin Town Centre), R11 (Chun Fung), R20 (Tai Wai), R27 (Kam To), R28 (Ma On Shan Town Centre), R30 (Lee On), R31 (Fu Lung), R32 (Kam Ying) and R33 (Yiu On) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
4	R07 – Sha Kok R08 – Pok Hong R09 – Shui Chuen O R10 – Jat Chuen	1	-	In the light of increasing population in the foreseeable future, proposes to create two new DCCAs at Shui Chuen O Estate. Details are as follows: • the DCCA Jat Min comprises Jat Min Chuen, Yue Shing Court and Tsang Tai Uk; • the DCCA Sha Kok comprises Sha Kok Estate, Sha Tin Wai and Fui Yiu Ha New Village; • the DCCA Pok Hong comprises Pok Hong Estate and Tsok Pok Hang San Tsuen; and • Shui Chuen O Estate is split into two DCCAs, each including nine blocks.	This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (ii) the delineation recommendations are made on the basis of overall consideration from a macro perspective. No special emphasis to any DCCA will be given. It is proposed in the representation to create two new DCCAs at Shui Chuen O Estate. In view of the needs to create new DCCAs in other locations of the Sha Tin District so that their populations will be brought within the statutory permissible range, the proposal to create two new DCCAs at Shui Chuen O Estate is therefore not desirable.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
5	R07 – Sha Kok R08 – Pok Hong R09 – Shui Chuen O R13 – Chui Tin R14 – Hin Ka R15 – Lower Shing Mun R16 – Wan Shing R17 – Keng Hau R18 – Tin Sum R19 – Chui Ka R21 – Chung Tin	5^	1	(a) Propose : • to transfer Holford Gardens from R16 (Wan Shing) to R15 (Lower Shing Mun); and • to transfer Mei Ying Court and some of the buildings of Mei Tin Estate or Mei Chi House of Mei Tin Estate from R15 (Lower Shing Mun) to R21 (Chung Tin). Reasons are summarised as follows: • it is expected that the property development atop MTR Tai Wai Station in R19 (Chui Ka) will be completed in 2022 or 2023, at which time the population of the DCCA concerned will substantially increase and exceed the statutory permissible upper limit. Hence, a re-delineation will be required; • in the future, it is likely that Holford Gardens needs to be transferred to other DCCAs again as a result of the substantial increase in the population of R19 (Chui Ka). Frequently transferring Holford Gardens to different DCCAs is unfair to the residents there; and	<u>Item (a)</u> This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representations will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; (ii) after receiving the representations, the EAC conducted a site visit and noticed that Holford Gardens located in R16 (Wan Shing) is geographically closer to Grandeur Garden and Grandway Garden located in R19 (Chui Ka), being only separated by Mei Tin Road and connected by crossing facilities such as lifts and footbridges. On the contrary, there is longer distance from Holford Gardens to R15 (Lower Shing Mun). Therefore, geographically, it is more desirable to transfer Holford Gardens to R19 (Chui Ka); (iii) according to the projected population in 2019, R19 (Chui Ka) has more capacity than R15 (Lower

^Of which, one representation contains 1 544 signatures from the public.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	R22 – Sui Wo R23 – Fo Tan R25 – Hoi Nam R26 – Chung On R27 – Kam To R37 – Yu Yan R40 – Kwong Hong R41 – Kwong Yuen			• the proposal can bring the population of R21 (Chung Tin) closer to the population quota. Three representations consider that: • there are other DCCAs in Tai Wai (e.g. R13 (Chui Tin), R14 (Hin Ka), R18 (Tin Sum) and R21 (Chung Tin)) that have a smaller population than R19 (Chui Ka); and • the population of R19 (Chui Ka) is the closest to the population quota. There is no urgent need to adjust its existing boundary. Two representations consider that: • Mei Chuen House of Mei Tin Estate is currently in R21 (Chung Tin). Transferring the adjacent Mei Chi House and Mei Ying Court to R21 (Chung Tin) is more appropriate in geographical terms (such as the sharing of community facilities); • there will not be any completion of large-scale residential projects in R15 (Lower Shing Mun) and R21 (Chung Tin) in the future. Hence, there will not be a substantial increase in population; and	Shing Mun) to absorb the excess population of R16 (Wan Shing); (iv) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration; (v) Holford Gardens has not been transferred multiple times. Holford Gardens originally belonged to R15 (Lower Shing Mun). Until 2015, as the populations of that DCCA and two adjacent DCCAs exceeded the statutory permissible upper limit, a new DCCA Wan Shing was created at the location of Holford Gardens, Festival City and Carado Garden. Grandeur Garden and Grandway Garden, which are in R19 (Chui Ka) that absorbs Holford Gardens under the provisional recommendations, belonged to the same DCCA as Holford Gardens in 1999, 2003 and 2007;

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• the population of R15 (Lower Shing Mun) can be maintained at a similar level. Two representations consider that it is unreasonable not to accept the representations concerned based on geographical factors. It is because the distance between A Kung Kok and Yu Chui Court in R37 (Yu Yan) is far apart and both places have no community ties at all yet they are still in the same DCCA. • One of the representations states that the geographical barrier between the surrounding area of Lower Shing Mun connecting Sha Tin Heights and Mei Tin Estate and Tai Wai New Village in R15 (Lower Shing Mun) is greater, whereas Holford Gardens and Lower Shing Mun are a single entity. The proposal can better meet the statutory criteria for delineation. • One of the representations states that the same proposal was made in a representation with regard to the DCCA boundaries for the 2015 DC Election. At the time, the EAC refused to accept the representation concerned and pointed out that Holford Gardens, Festival City and Carado Garden are located in the town centre of Tai Wai	(vi) the representation received with regard to the DCCA boundaries for the 2015 DC Election as mentioned in the present representation referred to the transfer of Holford Gardens to R21 (Chung Tin), instead of to R15 (Lower Shing Mun). Therefore, it is different from this representation. Furthermore, the EAC's view at that time, i.e. Holford Gardens is geographically separated from R15 (Lower Shing Mun) and R21 (Chung Tin), remains valid; and (vii) the composition of each DCCA is determined by its own unique features. It is not appropriate to make comparison solely based on one factor.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				using common community facilities. Taking into consideration the geographical and community factors, the cluster of residential buildings belongs to a relatively independent society with community integrity. They are geographically separated from Tai Wai New Village of R15 (Lower Shing Mun). However, it was pointed out in the representation that there was no direct access between Mei Tin Estate and Tai Wai New Village in R15 (Lower Shing Mun) as the two places were separated by a crematorium and a funeral parlour. Therefore, geographical factors should not be the reason for the refusal of the representation. One representation considers that: • there are no obvious links between Holford Gardens and R19 (Chui Ka) in terms of physical features and local ties. In addition, Tai Wai Market cannot serve as a connecting facility between both places as this relatively large public facility is used by residents of various areas in Tai Wai. Hence, this cannot be the reason to transfer Holford Gardens to R19 (Chui Ka);	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• Holford Gardens originally belonged to R15 (Lower Shing Mun). Residents do not need to re-adapt to the DCCA and its public facilities; • the proposal made in the representations can stabilise the populations of the adjacent DCCAs and no re-delineation will therefore be needed in the future; and • similar to the practice used in delineating the surrounding area of Tai Wai in the past, Mei Tin Road is used as the separator in delineating the DCCAs near R19 (Chui Ka). The proposal can better reflect the geographical characteristics of the community.	
				(b) One representation considers that the populations of some DCCAs in the Sha Tin District are closed to the statutory permissible upper limit or lower limit and that the populations of adjacent DCCAs are not effectively distributed. Proposes that changes should be made to the boundaries of these DCCAs to even out their populations. They include: • R07 (Sha Kok), R08 (Pok Hong) and R09 (Shui Chuen O);	<u>Item (b)</u> The view is noted. In drawing up the provisional recommendations, the EAC has strictly adhered to the statutory criteria under the EACO and its working principles. The recommendations were made on the basis of the projected populations, existing DCCA boundaries and relevant local factors.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• R14 (Hin Ka) and R17 (Keng Hau); • R22 (Sui Wo) and R23 (Fo Tan); • R25 (Hoi Nam), R26 (Chung On) and R27 (Kam To); and • R40 (Kwong Hong) and R41 (Kwong Yuen).	
6	R08 – Pok Hong R09 – Shui Chuen O R10 – Jat Chuen	1	-	Holds no objection to the provisional recommendations.	The view is noted.
7	R08 – Pok Hong R09 – Shui Chuen O R10 – Jat Chuen	1	1	(a) Query the projected population of R08 (Pok Hong) as stated in the provisional recommendations. It is because the population of R08 (Pok Hong) decreases instead of increases after the transfer of four villages to it under the provisional recommendations. The representations consider that miscalculation of population will affect the decision on delineation. The information provided in the representation is as follows:	<u>Item (a)</u> The projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• according to the paper of the Development and Housing Committee of the Sha Tin DC — Population of Public Housing Estates and Private Sector Participation Scheme Courts in Sha Tin (as at 1 June 2018), the population of Pok Hong Estate is 16 615 in total; and • according to the Summaries of DCCA boundaries of DC Elections in 2011 and 2015, the projected populations of R08 (Pok Hong) were 17 186 and 16 341 respectively.	out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.
				(b) Propose to set up a polling station at Shui Chuen O Estate in the 2019 DC Election because the arrangement of setting up two polling stations at Pok Hong Estate for electors of Pok Hong Estate and Shui Chuen O Estate respectively to cast their votes in the 2018 LegCo By-election gave rise to misunderstanding and chaos. Also due to the absence of sufficient directions on the polling day, some electors went to a wrong polling station and as a result were unable to vote.	<u>Item (b)</u> The EAC has referred the relevant view concerning the arrangement on polling station to the REO for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				One representation also proposes to set up a polling station at kindergartens, schools or social welfare organisations. If there are no indoor venues at Shui Chuen O Estate suitable for setting up a polling station, may consider setting up an outdoor polling station.	
				(c) One representation objects to the transfer of Sha Tin Wai, Sha Tin Wai New Village, Fui Yiu Ha and Tse Uk Village to R08 (Pok Hong) and proposes to retain them in R10 (Jat Chuen) instead. It is because: • delineation of DCCA boundaries should be conducted under the principle of affecting the least number of DCCAs; • Sha Tin Wai, Sha Tin Wai New Village, Fui Yiu Ha and Tse Uk Village originally belonged to the DCCA Jat Min in 2015 and they should continue to be included in R10 (Jat Chuen); and • since 2011, Sha Tin Wai, Sha Tin Wai New Village, Fui Yiu Ha and Tse Uk Village together with Tsok Pok Hang San Tsuen and Tsang Tai Uk	Item (c) This proposal is **not accepted** because according to the proposal made in the representation, the population of R10 (Jat Chuen) (21 592) will exceed the statutory permissible upper limit (+30.08%).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				have been delineated into the same DCCA. On the premise that electors' views and community integrity are to be honoured, the above places should continue to be included in R10 (Jat Chuen).	
8	R08 – Pok Hong R09 – Shui Chuen O R10 – Jat Chuen R14 – Hin Ka R15 – Lower Shing Mun R16 – Wan Shing R17 – Keng Hau R18 – Tin Sum R19 – Chui Ka	1	-	(a) Proposes: • to transfer one block of Shek Mun Estate Phase 2 from R38 (Di Yee) to R39 (Bik Woo) and the remaining two blocks to R37 (Yu Yan); • to transfer Ah Kung Kok Fishermen Village from R37 (Yu Yan) and Greenhill Villa from R38 (Di Yee) to R40 (Kwong Hong); and • to transfer Kwong Lam Court from R40 (Kwong Hong) to R41 (Kwong Yuen). It is because: • the populations of R38 (Di Yee) and R39 (Bik Woo) are only about 16 000 while those of R40 (Kwong Hong) and R41 (Kwong Yuen) are only about 13 000. The situation therein are completely different from that at Shui Chuen	<u>Item (a)</u> This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be two more than that in the provisional recommendations; (ii) based on the 2015 original DCCA boundary, the populations of R39 (Bik Woo) and R40 (Kwong Hong) will exceed the statutory permissible upper limit, hence, the EAC proposed to create the new DCCA R38 (Di Yee) in-between the above two DCCAs so that the populations of the DCCAs concerned would fall within the statutory permissible range. The provisional recommendations do not affect other DCCAs of which the populations will fall within the statutory permissible range; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	R20 – Tai Wai R21 – Chung Tin R22 – Sui Wo R23 – Fo Tan R37 – Yu Yan R38 – Di Yee R39 – Bik Woo R40 – Kwong Hong R41 – Kwong Yuen			O Estate and the area near Tai Wai where their populations are increasing. Hence, disagrees with the creation of the new DCCA R38 (Di Yee) at the proposed location; • there are no ties between the area in the south of MTR City One Station and Ah Kung Kok Fishermen Village in R37 (Yu Yan); • the proposal made in the representation can release one DCCA for the creation of a new DCCA at Shui Chuen O Estate (item (b) below) or the area near Tai Wai (item (d) below) to solve the problem of population exceeding the permissible upper limit; and • the populations of the above four DCCAs will be adjusted to fall within the range from 16 000 to 19 000 after the proposed adjustments, which are more desirable than the provisional recommendations.	(iii) please see items 4(ii) and 8(d)(ii).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) To best comply with the EAC's working principles, population figures and statutory requirements, proposes that: • the boundary of R08 (Pok Hong) remains unchanged; • R10 (Jat Chuen) shall comprise buildings under the DCCA Jat Min in the last term (excluding Shui Chuen O Estate) and maintain its original name "Jat Min"; and • Shui Chuen O Estate be split into two DCCAs. It is because: • it is estimated that the population of Shui Chuen O Estate, after its completion, will be as high as 30 000. The creation of R09 (Shui Chuen O) with a population of up to some 20 000, and the substantial increase of the population of and the changes made to R10 (Jat Chuen) as made in the provisional recommendations are neither in line with the statutory criteria nor the working principles; and	<u>Item (b)</u> This proposal is **not accepted** because: (i) please see item 4(ii); and (ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• Jat Min Chuen is far away from Shui Chuen O Estate and it will be difficult for a DC member to take care of the needs of two estates. Including one of the phases of Shui Chuen O Estate in R10 (Jat Chuen) will make it difficult for the residents to seek assistance. This will also increase the burden on the DC member of R09 (Shui Chuen O) and cause unfairness.	
				(c) Proposes to transfer the area surrounding Hin Tin from R17 (Keng Hau) to R14 (Hin Ka) for the purposes of evening out the populations of the two DCCAs and greater fairness.	Item (c) This proposal is **not accepted** because the populations of R14 (Hin Ka) and R17 (Keng Hau) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.
				(d) Proposes: • to transfer May Shing Court from R20 (Tai Wai) to R21 (Chung Tin); • to transfer Mei Chuen House of Mei Tin Estate from R21 (Chung Tin) to R15 (Lower Shing Mun); • to form a new DCCA by comprising buildings	Item (d) This proposal is **not accepted** because: (i) the number of affected DCCAs under the proposal made in the representation will be four more than that in the provisional recommendations. The affected population under the proposal will be larger, too;

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				surrounding Sha Tin Heights in R15 (Lower Shing Mun) together with Holford Gardens in R16 (Wan Shing), Grandeur Garden, Grandway Garden and buildings in the north of MTR Tai Wai Station in R19 (Chui Ka); and • to transfer Tin Sam from R18 (Tin Sum) to R19 (Chui Ka) and to form a DCCA by absorbing Carado Garden in R16 (Wan Shing) and Lung Hang Estate in R18 (Tin Sum). It is because: • the aggregate population of R15 (Lower Shing Mun), R16 (Wan Shing), R19 (Chui Ka) and R20 (Tai Wai) amounts to 78 000 and therefore a new DCCA should be created at this location; and • only one block (Mei Chuen House) of Mei Tin Estate is included in R21 (Chung Tin) and it is not in line with the principle of community integrity.	(ii) the delineation recommendations are made on the basis of overall consideration from a macro perspective. No special emphasis to any DCCA will be given. It is proposed in the representation to create a new DCCA at the relevant location. However, among the DCCAs as mentioned in the representation, only R16 (Wan Shing) has a population exceeding the statutory permissible upper limit. In view of the needs to create new DCCAs in other locations of the Sha Tin District so that their populations will be brought within the statutory permissible range, the proposal to create a new DCCA at this location is therefore not desirable; and (iii) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(e) To even out the populations of these two DCCAs and having regard to the possibility of over-estimating or under-estimating the populations of certain areas, proposes to transfer Pat Tsz Wo Village and Wo Liu Hang together with buildings closer to the side of Wo Liu Hang Road from R23 (Fo Tan) to R22 (Sui Wo).	<u>Item (e)</u> This proposal is **not accepted** because: (i) the affected population under the proposal made in the representation (1 651) will be larger than that in the provisional recommendations (717) by 934; and (ii) the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.
9	R09 – Shui Chuen O R10 – Jat Chuen	-	1	Proposes that Shui Chuen O Estate Phase 1 be retained in R10 (Jat Chuen) and that the new DCCA R09 (Shui Chuen O) comprises Shui Chuen O Estate Phases 2, 3 and 4 because: • in the past two LegCo Election and By-election, residents of Shui Chuen O Estate Phase 1 belonged to R10 (Jat Chuen). Maintaining such delineation can avoid confusion amongst residents with regard to their respective DCCAs; • residents of Shui Chuen O Estate Phase 1 are well used to seeking help from the DC member of R10 (Jat Chuen); and • Shui Chuen O Estate is built on hillsides, of which Phases	This proposal is **not accepted** because: (i) if Shui Chuen O Estate Phases 2, 3 and 4 be delineated into the same DCCA, the population of the DCCA (21 402) will exceed the statutory permissible upper limit (+28.94%); (ii) after receiving the representation, the EAC conducted a site visit and noticed that Shui Chuen O Estate Phase 1 is located in the centre of the Estate. Comparatively speaking, Shui Chuen O Estate Phase 2 is nearer to the lifts which connect it to the area down the hill and is closer to R10 (Jat Chuen) geographically; and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				1 and 4 are located up the hill. There are escalators and footbridges connecting Phases 4 and 2, which is located down the hill. Hence, the delineation of Shui Chuen O Estate Phases 2, 3 and 4 in the same DCCA will make it more convenient for residents to seek help and for the DC member to provide services.	(iii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration.
10	R09 – Shui Chuen O R10 – Jat Chuen	6[#]	1	(a) Propose to set up a polling station at Shui Chuen O Estate. Six representations state that in the 2018 LegCo By-election, residents of Shui Chuen O Estate had to go downhill to vote at the polling station, thus causing inconvenience to them (especially the elderly).	Item (a) The EAC has referred the relevant view concerning the arrangement on polling station to the REO for consideration.
				(b) Six representations object to the provisional recommendations on including Shui Chuen O Estate Phases 1, 3 and 4 in the same DCCA, and propose to include Shui Chuen O Estate Phases 2, 3 and 4 in the same DCCA. Reasons are summarised as follows: • five representations state that Shui Chuen O Estate Phases 2, 3 and 4 have more in common in terms of the geographical	Item (b) This proposal is **not accepted** because: (i) please see item 9(i) and (ii); and (ii) there is no sufficient objective information and justification to prove that the provisional recommendations will affect the community integrity as mentioned in the representation.

[#]All are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				environment. Their social and humanistic qualities are highly similar; • one representation states that residents of Shui Chuen O Estate Phases 2, 3 and 4 moved in at about the same time; and • one representation states that during the 2018 LegCo By-election, residents of Shui Chuen O Estate Phase 1 belonged to R10 (Jat Chuen) and those of Phases 2, 3 and 4 belonged to another DCCA. The provisional recommendations will affect community integrity.	
11	R09 – Shui Chuen O R10 – Jat Chuen	31[%]	-	Propose to set up a polling station at Shui Chuen O Estate each for R09 (Shui Chuen O) and R10 (Jat Chuen) respectively. 30 representations consider that: • according to the last DC Ordinary Election, arrangements were made for residents of Shui Chuen O Estate to vote at the Hong Kong Girl Guides Association Pok Hong Camp	The EAC has referred the relevant view concerning the arrangement on polling station to the REO for consideration.

[%]Of which, 30 are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Site. As Shui Chuen O is built on hillsides, going to the polling station mainly involves walking on steep roads, making it extremely inconvenient for the residents; and • it is observed that venues such as community halls, sports centres, schools, etc. are mainly acquired for use as polling stations in other DCCAs. Even though the relevant facilities cannot be found in the vicinity of Belair Gardens, a polling station can still be set up at a covered corridor. There are currently three kindergartens, two offices of the HD and one relatively large plaza at Shui Chuen O Estate. It is hoped to make good use of these venues to set up polling stations so as to bring convenience to residents of Shui Chuen O Estate. One representation considers that: • in the 2018 LegCo By-election, arrangements were made for electors of Shui Chuen O Estate to vote at the polling station at The Salvation Army Tin Ka Ping School in Pok Hong Estate, causing inconvenience to the electors. Arrangements that involve cross-DCCA voting are unreasonable; and	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• there are three kindergartens, three offices of the HD and an open space with a covered walkway at Shui Chuen O Estate. Consideration can be given to choosing two of the venues as polling stations.	
12	R10 – Jat Chuen	1	-	Objects to the provisional recommendations because: • Shui Chuen O Estate and Jat Min Chuen in R10 (Jat Chuen) are located up and down the hill respectively, making them geographically separated; • the two estates are separated by R07 (Sha Kok) and R08 (Pok Hong), which will have a considerable bearing on the distribution of community resources and the continuity of services provided by the elected DC member; • Jat Min Chuen is an old estate while Shui Chuen O Estate is a new housing estate. Hence, electors have different community needs. The provisional recommendations will break community harmony; and • it takes time for residents to go to the DC member's office to seek help.	This representation is **not accepted** because: (i) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community. Besides, Jat Min Chuen and Shui Chuen O Estate originally belonged to the same DCCA; and (ii) arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
13	R12 – Sun Tin Wai R13 – Chui Tin R19 – Chui Ka	1	-	Proposes to transfer Golden Lion Garden Stage I from R12 (Sun Tin Wai) to R13 (Chui Tin) or R19 (Chui Ka) because: • residents of Golden Lion Garden Stage I pass by Sun Chui Estate, meet with the DC member of the DCCA and use the facilities there every day; • the office of current DC member of R12 (Sun Tin Wai) is set up at Sun Tin Wai Estate up the hill, which causes inconvenience to residents of Golden Lion Garden Stage I to go there to seek help. On the contrary, the office of the person who provides services to residents of Golden Lion Garden Stage I is located in the adjacent DCCA; and • residents of Golden Lion Garden Stage I are required to vote at the polling station at Sun Tin Wai Estate. This will affect their desire to vote.	This proposal is **not accepted** because: (i) the population of R12 (Sun Tin Wai) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members and arrangement on polling station are not the relevant factors of consideration. The EAC has referred the relevant view concerning the arrangement on polling station to the REO for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
14	R14 – Hin Ka R16 – Wan Shing R18 – Tin Sum R19 – Chui Ka	1	-	Objects to the transfer of Holford Gardens from R16 (Wan Shing) to R19 (Chui Ka), and proposes to transfer it to R14 (Hin Ka) or R18 (Tin Sum) because: • Holford Gardens have been delineated into different DCCAs multiple times, rendering residents without a fixed DCCA; • the population of R19 (Chui Ka) is larger than those of adjacent R14 (Hin Ka), R18 (Tin Sum), etc. It is expected that the property development atop MTR Tai Wai Station will be completed in the near future. Its population will leave the adjacent DCCAs further behind; and • the provisional recommendations will increase the workload and pressure of DC member of R19 (Chui Ka).	This proposal is **not accepted** because: (i) R14 (Hin Ka) and R16 (Wan Shing) are not adjacent to each other. They are separated by R17 (Keng Hau). It is not feasible to transfer the excess population of R16 (Wan Shing) to R14 (Hin Ka); (ii) Holford Gardens in R16 (Wan Shing) and R18 (Tin Sum) are separated by Festival City. It is not desirable to transfer it to R18 (Tin Sum); (iii) the delineation recommendations must be based on objective data of population distribution. Community services provided by DC members is not the relevant factor of consideration; and (iv) please see item 5(a)(v).
15	R14 – Hin Ka R17 – Keng Hau	1	-	Taking into account community integrity, proposes that R14 (Hin Ka) and R17 (Keng Hau) be re-delineated, details are as follows: • one of the DCCAs comprises Hin Pui House, Hin Tak House, Hin Yeung House, Hin Hing House, Hin Yau House, Hin Wan House, Hin Fu House and Hin Kwai	This proposal is **not accepted** because the populations of R14 (Hin Ka) and R17 (Keng Hau) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				House of Hin Keng Estate and renamed as "Hin Keng"; and • the other DCCA comprises Sheung Keng Hau Village, Ha Keng Hau Village, Hin Tin Village, Ka Tin Court, Ka Shun Court, Ka Keng Court, Hin Yiu Estate, Hill Paramount, Parc Royale and Julimount Garden and renamed as "Ka Keng".	
16	R15 – Lower Shing Mun R16 – Wan Shing R19 – Chui Ka R21 – Chung Tin	1	-	It is expected that the population of R19 (Chui Ka) will substantially increase after the completion of the property development atop MTR Tai Wai Station in the DCCA. To avoid transferring Holford Gardens to another DCCA again in the next term and causing inconvenience to residents there, proposes: • to transfer Holford Gardens from R16 (Wan Shing) to R15 (Lower Shing Mun); and • to transfer Mei Ying Court from R15 (Lower Shing Mun) to R21 (Chung Tin) which is formed mainly by Home Ownership Scheme estates.	This proposal is **not accepted** because: (i) according to the proposal made in the representation, the population of R15 (Lower Shing Mun) (21 159) will exceed the statutory permissible upper limit (+27.47%); (ii) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too; and (iii) please see item 5(a)(iii) and (iv).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
17	R16 – Wan Shing R18 – Tin Sum R19 – Chui Ka	1	1	Propose to transfer Carado Garden from R16 (Wan Shing) to R18 (Tin Sum) instead of transferring Holford Gardens to R19 (Chui Ka). One representation considers that the population of R18 (Tin Sum) is relatively low and thus will be closer to the population quota after the proposed adjustment compared to that in the provisional recommendations. One representation considers that the provisional recommendations will shatter several communities and proposes to rename R16 (Wan Shing) as "Tai Wai South" after the proposed adjustment.	Please see item 1(d).
18	R22 – Sui Wo R23 – Fo Tan	1	-	To even out the population of these two DCCAs, proposes to transfer Man Hang and The Grandville from R23 (Fo Tan) to R22 (Sui Wo).	This proposal is **not accepted** because: (i) the affected population under the proposal made in the representation (2 149) will be larger than that in the provisional recommendations (717) by 1 432; and (ii) The Grandville in R23 (Fo Tan) is situated on a hill, which is geographically far apart from the main housing estates in R22 (Sui Wo).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
19	R22 – Sui Wo R23 – Fo Tan	91[&]	-	(a) Propose to retain villages namely Kwai Tei New Village, Kwai Tei Village, Fo Tan Kuk San Tsuen and Wong Chuk Yeung, etc. in R23 (Fo Tan). Reasons are summarised as follows: • villages in Fo Tan District share common culture and history. Sha Tin has already been divided into "Nine Yeuk" (九約) according to geographical locations and inter-village ties, of which the "Fo Tan Yeuk" (火灘(火炭)約) includes villages such as Wong Chuk Yeung, Pat Tsz Wo, Lok Lo Ha and Wo Liu Hang. The provisional recommendations will break the historical heritage, community identities and local ties of villages in Fo Tan. 90 representations consider that: • residents of villages such as Wong Chuk Yeung together with Pat Tsz Wo, Lok Lo Ha and Wo Liu Hang share common concerns, mainly about the overall planning of the villages such as construction of village houses, burglaries in villages, problems of hill roads and cleaning, which are different from R22 (Sui Wo) residents' concerns about	<u>Items (a) and (b)</u> These proposals are **not accepted** because: (i) if villages namely Kwai Tei New Village, Kwai Tei Village, Fo Tan Kuk San Tsuen and Wong Chuk Yeung, etc. are retained in R23 (Fo Tan) or according to the proposal (b) made in the representation, the populations of R22 (Sui Wo) and R23 (Fo Tan) will deviate from the statutory permissible range: R22: 12 153, -26.78% R23: 21 237, +27.94% (ii) Sha Tin has been divided into nine "Yeuk"s (約) in the past. "Yeuk" (約) is an alliance of nearby villages. In fact, the villages included in some "Yeuk"s (約) have been delineated into different DCCAs from the first DC. The villages included in the "Fo Tan Yeuk" (火灘約) as mentioned in the representations are originally distributed in various DCCAs in 2015, namely R22 (Sui Wo), R23 (Fo Tan) and R24 (Chun Ma). It is also the case for villages of other "Yeuk"s in the Sha Tin

[&]All are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				local affairs. It will be difficult for the DC member of that DCCA to take care of their needs which will in turn harm villagers' interests; and • having the same DC member to serve residents of various villages can address to their needs more effectively. 47 representations state that: • the villages usually organise community events together. If these villages are delineated into different DCCAs, it will increase the difficulty to organise community events in the future; and • the villages have always looked after one another and established unique local ties. The villages reflect views on village issues to the Government and DC members on each other's behalf. 43 representations state that villagers have already cultivated a strong sense of belonging to Fo Tan and have good relationship with villagers of various villages. One representation considers that: • the main types of housing in R22 (Sui Wo) are Home Ownership Scheme estates	District (e.g. San Tin and Tin Sam, which are under "Tin Sam Yeuk" (田心約), belong to R12 (Sun Tin Wai) and R18 (Tin Sum) respectively). The EAC considers that although the villages included in these "Yeuk"s (約) are located in different DCCAs, their villages issues are all handled by the Sha Tin Rural Committee; (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration; (iv) the delineation recommendations must be based on the population distribution and relevant local factors. It is inevitable that a DCCA is composed of more than one community. Besides, R23 (Fo Tan) comprises of not only villages, but also some private housing estates; and (v) it is an established practice that the delineation exercise for a DC ordinary election should be

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				and private housing, while that of the area surrounding Kwai Tei New Village is village houses. Transferring these villages to R22 (Sui Wo) under the provisional recommendations will make these residents of villages become the minority who will easily be neglected. On the contrary, there are still villages such as Pat Tsz Wo, Lok Lo Ha and Wo Liu Hang in R23 (Fo Tan). Retaining the area surrounding Kwai Tei New Village in R23 (Fo Tan) will be good for villagers to raise the same requests and protect their interests; and • delineating various villages into different DCCAs will disperse the policy support provided by DC members and the Government and disable the effective deployment of resources.	conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.
				(b) One representation further proposes to transfer the areas in the southwest of Fo Tan Road, San Chuk Street and Wo Sheung Tun Street, i.e. the areas surrounding Wo Sheung Tun Street subsidised sale flats development project and Fo Tan public housing project, from R23 (Fo Tan) to R22 (Sui Wo).	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
20	R23 – Fo Tan	1	-	Holds no objection to the provisional recommendations.	The view is noted.
21	R23 – Fo Tan R24 – Chun Ma	1	-	Proposes to transfer the upper Kau To Shan development area along Lai Ping Road from R23 (Fo Tan) to R24 (Chun Ma). It is because the population of R23 (Fo Tan) is relatively high while that of R24 (Chun Ma) is relatively low. If there is a reversal of population flow of the two DCCAs after the proposed adjustment, proposes that the traditional lower Kau To Shan along Kau To Shan Road be transferred to R23 (Fo Tan).	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.
22	R25 – Hoi Nam	1	1	Support the provisional recommendations.	The supporting views are noted.
23	R25 – Hoi Nam R26 – Chung On	2	1	Object to the transfer of the private housing estates from R26 (Chung On) to R25 (Hoi Nam) and propose to maintain the boundary of R26 (Chung On). Reasons are summarised as follows: • two representations consider that Oceanaire has been transferred to different DCCAs for every term of election since intake, driving its residents to seek assistance from different DC members in different terms. This neither shows any care about the feelings of Oceanaire's residents, nor is	This proposal is **not accepted** because: (i) according to the proposal made in the representations, the population of R26 (Chung On) (21 655) will exceed the statutory permissible upper limit (+30.46%), while that of the new DCCA R25 (Hoi Nam) (7 111) will be below the statutory permissible lower limit (-57.16%); (ii) based on the 2015 original DCCA boundary, the populations of R26 (Chung

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				in line with the principle of community integrity; • one representation states that Oceanaire is linked with Baycrest, Vista Paradiso and Chung On Estate, while MTR Heng On Station of Ma On Shan Line is in the centre of the housing estates and there are walkways between these housing estates for direct access. Therefore, the claim that Oceanaire is far away from these housing estates is not true, and the EAC should have considered this during the last term. In addition, the newly-built The Met. Bliss in R26 (Chung On) is a housing estate of small flats with a population of only about 300, hence it is not justified to replace Oceanaire and Baycrest with The Met. Bliss; and • one representation considers that the increase of population in Sha Tin is confined to certain areas while the population and development characteristics of R26 (Chung On) are relatively steady.	On) and R36 (On Tai) will exceed the statutory permissible upper limit, hence, the EAC needs to create the new DCCA R25 (Hoi Nam) in-between the two DCCAs so that the populations of the DCCAs concerned will fall within the statutory permissible range, and Oceanaire is located in-between the two DCCAs; (iii) Oceanaire has not been transferred multiple times. Oceanaire was built on a site originally belonged to R36 (On Tai) and hence belonged to it after its completion. In 2015, when the population of R36 (On Tai) exceeded the statutory permissible upper limit, Oceanaire was transferred to R26 (Chung On); and (iv) geographically, there are walkways for the residents of Oceanaire to go to other areas in R26 (Chung On). However, comparatively speaking, Oceanaire is even closer to the housing estates located in R25 (Hoi Nam).

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
24	R25 – Hoi Nam R26 – Chung On	-	1	States that Oceanaire has been transferred to different DCCAs for many times and there are no new housing estates or buildings nearby. Enquires about the reason(s) for the creation of new DCCA R25 (Hoi Nam).	Please see item 23(ii) and (iii).
25	R25 – Hoi Nam R26 – Chung On R27 – Kam To R28 – Ma On Shan Town Centre R29 – Wu Kai Sha R36 – On Tai	1	-	The populations of R25 (Hoi Nam) and R36 (On Tai) in the provisional recommendations are obviously relatively low and it is proposed that: • Sausalito be retained in R36 (On Tai); • R27 (Kam To) should only include Kam Fung Court and be renamed as "Kam Fung"; • Vista Paradiso be transferred from R26 (Chung On) to the new DCCA R25 (Hoi Nam) and that the DCCA should absorb those parts other than Kam Fung Court of R27 (Kam To) and part of the buildings in R28 (Ma On Shan Town Centre) such as Fok On Garden; and • Villa Athena be transferred from R29 (Wu Kai Sha) to R28 (Ma On Shan Town Centre), so as to relieve the situation of R29 (Wu Kai Sha) which has a relatively high population.	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be three more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
26	R25 – Hoi Nam R26 – Chung On R29 – Wu Kai Sha R36 – On Tai	1	-	Queries why the EAC only recommended the creation of new DCCA R25 (Hoi Nam) in R26 (Chung On) and R36 (On Tai) rather than making adjustment to the boundary of R29 (Wu Kai Sha). The representation considers that R29 (Wu Kai Sha), comprising five private housing estates with a projected population already close to the statutory permissible upper limit, is the DCCA with the largest population in the Sha Tin District. It is expected that, upon intake of the new housing estate St. Barths in the second quarter of 2019, the projected population of the DCCA will exceed the statutory permissible upper limit.	This representation is **not accepted** because: (i) the population of R29 (Wu Kai Sha) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; (ii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration; and (iii) based on the 2015 original DCCA boundary, the populations of R26 (Chung On) and R36 (On Tai) will exceed the statutory permissible upper limit, hence, the EAC needed to create the new DCCA R25 (Hoi Nam) in-between the two DCCAs so that the populations of the DCCAs concerned will be brought within the statutory permissible range.

Item No.	***DCCAs***	***No.****		***Representations***	***EAC's Views***
		W	***O***		
27	R29 – Wu Kai Sha	1	-	(a) States that R29 (Wu Kai Sha) is the DCCA with the largest population in the Sha Tin District and its population is close to the statutory permissible upper limit. It is expected that, upon intake of the new housing estate St. Barths in the DCCA in the first half of 2019 and given that the population has not been included in R29 (Wu Kai Sha), the population of the DCCA will exceed the statutory permissible upper limit. The representation queries that the EAC does not intend to strictly adhere to the statutory criteria (a) and (b).	Item (a) Please see item 26.
				(b) Despite that the population of R29 (Wu Kai Sha) is nearly 8 000 more than those of some other DCCAs, the delineation of its DCCA boundary is still considered reasonable taking into account factors of community identity and local ties.	Item (b) The view is noted.
				(c) Considers that the EAC must uphold and adhere to the principle of "factors with political implications are not taken into consideration", and that the election must be conducted in a fair and impartial manner.	Item (c) The delineation recommendations must be based on objective data of population distribution. Political factors will not be taken into consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
28	R36 – On Tai	1	-	States that the English name of R36 (On Tai) is the same as that of J11 (On Tai) in the Kwun Tong District.	As the current name for R36 (On Tai) has been in use since 2003 and the majority of the public are used to this name, changing the name may cause confusion amongst the public. Therefore, the DCCA R36 will retain its current name "On Tai" "鞍泰". In respect of the new DCCA J11 (On Tai) in the Kwun Tong District, to avoid confusion, EAC will recommend renaming the DCCA as "觀塘安泰" and "Kwun Tong On Tai" in English.
29	R37 – Yu Yan R38 – Di Yee R39 – Bik Woo R40 – Kwong Hong	1	-	Proposes that: • the new DCCA be composed of Greenhill Villa, Shek Mun Estate Phases 1 and 2; • the Castello be retained in R40 (Kwong Hong); and • the areas of A Kung Kok and A Kung Kok Shan be transferred from R37 (Yu Yan) and R40 (Kwong Hong) to R39 (Bik Woo). It is because: • the shape of the new DCCA R38 (Di Yee) looks strange and local ties within the DCCA are questionable; • the delineation is considered unreasonable as Shek Mun Estate Phase 1 and the private housing estates	This proposal is **not accepted** because: (i) please see item 8(a)(ii); (ii) the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. Besides, A Kung Kok in R37 (Yu Yan) and A Kung Kok Shan in R40 (Kwong Hong) are located far away from adjacent main housing estates. Taking geographical factor into consideration, the proposal made in the representation on transferring the above areas to R39 (Bik Woo) is not obviously desirable; (iii) Shek Mun Estate Phase 1 and Garden Vista, Pictorial

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				located at the riverfront are delineated into the same DCCA even with the Shek Mun Industrial Area in between, while Shek Mun Estate Phase 2 is delineated into another DCCA; and • A Kung Kok and A Kung Kok Shan are far away from R37 (Yu Yan) and R40 (Kwong Hong) but are, on the contrary, adjacent to R39 (Bik Woo). This proposal can also address the problem of under-population after the proposed adjustments stated in the representation.	Garden as well as Ravana Garden located at the riverside in R39 (Bik Woo) have been delineated into the same DCCA since 2011. On the contrary, Shek Mun Estate Phase 2 is a newly-built housing estate. Hence, there is no sufficient objective information and justification to prove that the proposal made in the representation is obviously better than the provisional recommendations in terms of preserving local ties; and (iv) although the shape of a DCCA is a relevant factor of consideration, it is confined by population distribution to a certain extent and is not a prime factor of consideration.
30	R38 – Di Yee	2	-	Support the provisional recommendations.	The supporting views are noted.

Kwai Tsing District
Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	-	1	Supports the provisional recommendations on all DCCAs of the Kwai Tsing District.	The supporting view is noted.
2	All DCCAs	1	-	(a) Supports the provisional recommendations on S03 (Kwai Shing East Estate), S04 (Upper Tai Wo Hau), S05 (Lower Tai Wo Hau), S07 (Kwai Chung Estate North), S11 (On Yam), S14 (Kwai Fong), S18 (Cho Yiu), S19 (Lai King), S20 (Kwai Shing West Estate), S21 (On Ho), S22 (Wai Ying), S23 (Tsing Yi Estate), S24 (Greenfield), S25 (Cheung Ching), S26 (Cheung Hong), S27 (Shing Hong), S28 (Tsing Yi South), S29 (Cheung Hang), S30 (Ching Fat) and S31 (Cheung On).	Item (a) The supporting view is noted.
				(b) Other than those mentioned in item 2(a) above, holds reservation on the provisional recommendations on the remaining DCCAs. Proposes that more consideration should be given to community ties in future delineation exercises, including to draw up a new	Item (b) The view is noted.

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				working principle stipulating that the population of a split-up housing estate in a single DCCA cannot be less than 3 000 or three building blocks so as to avoid the relevant residents in the DCCA being neglected.	
				(c) With reference to a survey conducted by HKU Social Sciences Research Centre for the Sham Shui Po DC in 2002, requests the EAC to relay to the Government that the residents living in the south of Lai King Hill Road in the Kwai Tsing District support the transfer of that area to the Sham Shui Po District.	Item (c) The proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
3	S01 – Kwai Hing S02 – Kwai Luen S06 – Kwai Chung Estate South	19^	4	(a) Object to the transfer of Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate, and Kwai Fuk Court from S06 (Kwai Chung Estate South) to S01 (Kwai Hing) and request withdrawing the relevant provisional recommendations. Reasons are summarised as follows: • the five building blocks concerned and S01 (Kwai Hing) are	Item (a) This proposal is **accepted.** In reviewing the boundaries of the DCCAs, it is a statutory requirement that the EAC has to examine the existing boundaries of DCCAs on the basis of the population of individual DCCAs in the year in which the relevant election will be held. The EACO stipulates that apart from taking into account the projected population, the EAC must also have regard to the other statutory factors, including community identities, preservation of local ties and

^ Of which, seven are template letters. Besides, one representation contains 666 signatures from the public.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	S07 – Kwai Chung Estate North			separated by a steep slope and the lift which was requested for years has still not been built. Therefore, it would be very dangerous and inconvenient for the residents to go to and fro the two DCCAs. It is also difficult for the residents concerned to go to S01 (Kwai Hing) to seek assistance from the DC member; • all buildings of Kwai Chung Estate are closely connected in terms of historical development, geographical location and community needs. Besides, their community development is unique; • the provisional recommendations break community integrity and identities of Kwai Chung Estate because the residents of Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate, and Kwai Fuk Court share the living space, geographical location and facilities such as shopping arcade, market, leisure facilities, car park and social services organisation with the residents of other building blocks of Kwai	physical features (such as the size, shape, accessibility and development) of the relevant area when adjusting the DCCA boundaries. Based on the 2015 original DCCA boundary, the population of S06 (Kwai Chung Estate South) (21 829) will exceed the statutory permissible upper limit (+31.51%), hence there is a need to adjust its boundary by transferring some of its buildings to the adjacent DCCA with a view to maintaining the population of the DCCA within the statutory permissible range. When drawing up the provisional recommendations, the EAC noted that the Government has agreed to build an escalator next to the staircase connecting S01 (Kwai Hing) and S06 (Kwai Chung Estate South) ("a-hundred-step staircase") and the construction works will be carried out from 2 May 2018 to 1 May 2019. Therefore, transferring Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate, and Kwai Fuk Court to S01 (Kwai Hing) is geographically feasible. Nevertheless, upon receipt of the representations, the EAC conducted site visits in August and September 2018 and noted that the relevant works had not commenced yet. According to the Government's works

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Chung Estate. They are also facing the same community issues; • should not solely consider the compliance with the principle that the DCCA population cannot exceed the population quota. The principle of preserving community integrity is more important; • there are various types of buildings in S01 (Kwai Hing). If Chun Kwai House, Ha Kwai House and Chau Kwai House of another housing estate, and the disciplined services quarters Kwai Fuk Court are also included in the DCCA, it will be difficult for the DC member to serve and handle views of residents with different interests from different groups; • query the population figures of S01 (Kwai Hing) and S06 (Kwai Chung Estate South). The representations consider that Kwong Fai Circuit in S01 (Kwai Hing) contains a lot of subdivided units. The EAC's reliance on the figures from the population by-census may possibly seriously	schedule, there must be a delay in the above works. In view of this and having taken geographical factor into consideration, the EAC agrees to retain Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate, and Kwai Fuk Court in S06 (Kwai Chung Estate South). In the absence of better alternative option, the EAC proposes to keep the boundary of S06 (Kwai Chung Estate South) unchanged and allow its population (21 829) to exceed the statutory permissible upper limit (+31.51%). According to the proposal made in the representations, the respective populations of S01 (Kwai Hing) and S06 (Kwai Chung Estate South) are: S01: 13 197, -20.50% S06: 21 829, +31.51%. Regarding the views on the population figures, the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				underestimate the population of the DCCA. In fact, the actual total population of S06 (Kwai Chung Estate South) is roughly over 19 000, which is in line with the statutory requirement and no adjustment is required; • as the owner and management organisation of Kwai Chung Estate, the population figures provided by the HD should be more accurate. According to the figures provided by the HD, the provisional recommendations will render the population of S06 (Kwai Chung Estate South) below the statutory permissible lower limit; • there is no substantial change in the population of S06 (Kwai Chung Estate South) and hence no need to transfer some of the buildings in the DCCA to S01 (Kwai Hing); • constant changes to DCCA boundaries and the division of Kwai Chung Estate into three DCCAs make it hard for the public to adapt and	derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise. Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				seek assistance from the DC member; • the elderlies living at Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate are used to the service of the incumbent DC member. They worry that it will be hard for them to communicate with an unfamiliar DC member in future; and • dividing Kwai Chung Estate into three DCCAs and having three DC members serving the estate would make it difficult for them to reach a consensus, because the three DC members may have different stands and views on social issues.	
				(b) One representation proposes to retain Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate in S06 (Kwai Chung Estate South), but supports the transfer of Kwai Fuk Court to S01 (Kwai Hing).	<u>Item (b)</u> This proposal is **not accepted** because Kwai Fuk Court is separated from S01 (Kwai Hing) by Chun Kwai House, Ha Kwai House and Chau Kwai House of Kwai Chung Estate.
				(c) One representation suggests that if retaining the original boundary of S06 (Kwai Chung Estate South) will	<u>Item (c)</u> This proposal is **not accepted** because:

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				cause its population to exceed the statutory permissible upper limit, then proposes to transfer one of the housing estates in the DCCA concerned to S07 (Kwai Chung Estate North) and Sun Kwai Hing Gardens be retained in S01 (Kwai Hing).	(i) the population of S07 (Kwai Chung Estate North) (20 053) is already close to the statutory permissible upper limit (+20.81%). It has no sufficient room to absorb the population of any one of the housing estates in S06 (Kwai Chung Estate South); and (ii) according to the proposal made in the representation, the population of S02 (Kwai Luen) (11 594) will be below the statutory permissible lower limit (-30.15%).
4	S01 – Kwai Hing S02 – Kwai Luen S06 – Kwai Chung Estate South S07 – Kwai Chung Estate North S15 – Hing Fong	2	-	(a) One representation considers that under the provisional recommendations, the populations of the newly created S02 (Kwai Luen), S06 (Kwai Chung Estate South) and S15 (Hing Fong) are relatively low, while that of S01 (Kwai Hing) is seriously high. Besides, the problem of relatively high population of S07 (Kwai Chung Estate North) has still been unresolved. Proposes to: • retain Hibiscus Park in S15 (Hing Fong) so that its population will increase to about 16 000; • transfer Kwai Chun Court and Kwai Hing	<u>Item (a)</u> This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Estate (around 7 000 people) from S01 (Kwai Hing) to S02 (Kwai Luen) so that the population of S02 (Kwai Luen) will become around 19 000; • retain Kwai Fuk Court in S06 (Kwai Chung Estate South); and • group Chun Kwai House, Ha Kwai House and Chau Kwai House of S06 (Kwai Chung Estate South), Pak Kwai House and Hop Kwai House of S07 (Kwai Chung Estate North), and Kwong Fai Circuit of S01 (Kwai Hing) together to form a new DCCA. After such adjustments, the population of S07 (Kwai Chung Estate North) will decrease to 14 000.	
				(b) One representation objects to the provisional recommendations on S01 (Kwai Hing), S02 (Kwai Luen), S06 (Kwai Chung Estate South) and S15 (Hing Fong) because they neglect the issue of local ties and are not supported by population data. According to the provisional recommendations, the populations of S02 (Kwai Luen), S06 (Kwai Chung Estate South) and S15	Item (b) This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the provisional recommendations. The affected population under the proposal will be larger, too.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(Hing Fong) will all be less than 15 000, while those of S01 (Kwai Hing) and S07 (Kwai Chung Estate North) will be as high as over 20 000, which means the arrangements are unreasonable. Proposes to: • transfer Pak Kwai House and Hop Kwai House of S07 (Kwai Chung Estate North) and Kwai Fuk Court of S06 (Kwai Chung Estate South) to S01 (Kwai Hing) so that they will be grouped with Kwong Fai Circuit and Kwai Hing Estate to form S01 (Kwai Hing); and • transfer Kwai Chun Court of S01 (Kwai Hing) to S02 (Kwai Luen) so that it will be grouped with Kwai Chun Court, Sun Kwai Hing Gardens, Kwai Hong Court and Kwai Luen Estate to form S02 (Kwai Luen).	
5	S01 – Kwai Hing S02 – Kwai Luen	-	1	(a) Objects to creating the two new DCCAs in the Kwai Chung District but not on Tsing Yi Island where two big housing estates have been completed.	Item (a) This representation is **not accepted** because the populations of all DCCAs on Tsing Yi Island will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	S08 – Shek Yam S10 – Tai Pak Tin East S12 – Shek Lei North S15 – Hing Fong			(b) Proposes to retain Shek Foon House, Shek Cheung House and Shek Fu House of Shek Lei (II) Estate in S12 (Shek Lei North) and transfer Ning Fung Court in S08 (Shek Yam) to the new DCCA S10 (Tai Pak Tin East) instead, because the population of S08 (Shek Yam) is over 19 000 and both Ning Fung Court and the buildings along Tung Chi Street in S10 (Tai Pak Tin East) are private residential buildings located closer to S10 (Tai Pak Tin East) than Shek Lei (II) Estate.	Item (b) This proposal is **not accepted** because according to the proposal made in the representation, the population of S12 (Shek Lei North) (22 392) will exceed the statutory permissible upper limit (+ 34.90%).
				(c) Proposes to retain Hibiscus Park in S15 (Hing Fong).	Item (c) This proposal is **not accepted** because according to the proposal made in the representation, the population of S02 (Kwai Luen) (12 176) will be below the statutory permissible lower limit (−26.65%).
6	S02 – Kwai Luen S10 – Tai Pak Tin East	1	-	Supports the provisional recommendations.	The supporting view is noted.
7	S08 – Shek Yam	1	-	Agrees with the provisional recommendations on S08 (Shek Yam). Although its population will still be 19 000, the provisional	This proposal is **not accepted** because the number of affected DCCAs under the proposal made in the representation will be one more than that in the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	S09 – Tai Pak Tin West S10 – Tai Pak Tin East S12 – Shek Lei North S13 – Shek Lei South			recommendations have taken into account factors of local ties and community integrity. Having said that, for the purpose of evening out the populations of the DCCAs, proposes to: • transfer Shek Kai House and Shek Wah House of S13 (Shek Lei South) to S12 (Shek Lei North) to avoid dividing Shek Lei (II) Estate into three DCCAs; • transfer Shek Yan House and Shek Kwong House of S12 (Shek Lei North) to S10 (Tai Pak Tin East); and • transfer Fortuna House, Kwai Po Building, Kwai Fu Building and Hoi Cheong Building of S10 (Tai Pak Tin East) to S09 (Tai Pak Tin West).	provisional recommendations. The affected population under the proposal will be larger, too.
8	S10 – Tai Pak Tin East	1	-	Objects to the provisional recommendations on the new DCCA S10 (Tai Pak Tin East) because it will benefit a certain party and contravene the principle of fairness of an election. Besides, it will create difficulties for members of the public to seek assistance.	The delineation recommendations must be based on objective data of population distribution. Political factor will not be taken into consideration.
9	S10 – Tai Pak Tin East	21[#]	3	Object to the provisional recommendations on S10 (Tai Pak Tin East) and S12 (Shek	<u>Item (a)</u> This proposal is **not accepted** because:

[#]Of which, 19 are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	S12 – Shek Lei North S13 – Shek Lei South			Lei North). Propose to retain Shek Foon House of Shek Lei (II) Estate in S12 (Shek Lei North). Reasons are summarised as follows: • Shek Foon House and Shek Yan House in S12 (Shek Lei North) are connected by a footbridge. The residents of Shek Foon House always use the footbridge to reach the shopping arcade in S12 (Shek Lei North), while the residents of Shek Yan House always use the open space outside Shek Foon House. Transferring Shek Foon House to S10 (Tai Pak Tin East) will hinder the residents of the housing estate from participating in community activities together and undermine the community integrity. Furthermore, the provisional recommendations will confuse the residents of Shek Foon House and affect their intention of applying for voter registration, hence lowering the voter turnout; • the provisional recommendations are confusing to residents and making them difficult to adapt; and	(i) the affected population under the proposal made in the representations (7 765) will be larger than that in the provisional recommendations (7 139) by 626; (ii) Shek Foon House, Shek Cheung House, Shek Fu House, Shek Hei House and Shek Fook House are all situated at Tai Pak Tin Street and close to the new DCCA S10 (Tai Pak Tin East). The representations propose to transfer Shek Hei House and Shek Fook House from S12 (Shek Lei North) to S10 (Tai Pak Tin East), which is not obviously better than the provisional recommendations in terms of preserving community identities and integrity; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• having three DC members in one housing estate contravenes the principles of preservation of local ties and consideration of community development. Besides, as Shek Foon House is located far from the private residential buildings of S10 (Tai Pak Tin East), the provisional recommendations will in turn isolate Shek Foon House. The residents of public housing estates and private residential buildings are having different needs.	
				(a) 15 representations propose to transfer Shek Hei House and Shek Fook House from S12 (Shek Lei North) to S10 (Tai Pak Tin East) having regard to community identities and integrity.	
				(b) Two representations propose to re-delineate Shek Lei (II) Estate as an individual DCCA, i.e. to transfer Shek Kai House and Shek Wah House from S13 (Shek Lei South) to S12 (Shek Lei North), so as to maintain its integrity.	<u>Item (b)</u> This proposal is **not accepted** because: (i) based on the 2015 original DCCA boundary, the population of S12 (Shek Lei North) (22 392) will exceed the statutory permissible upper limit (+34.90%). According to the proposal made in the representations, the population of the DCCA concerned will further exceed the statutory

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					permissible upper limit; and (ii) the population of S13 (Shek Lei South) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required.
10	S13 – Shek Lei South S16 – Wah Lai	3	1	Propose to transfer Greenknoll Court from S16 (Wah Lai) to S13 (Shek Lei South) because: • Greenknoll Court is connected to S13 (Shek Lei South) geographically; • it is hard for the DC member of S16 (Wah Lai) to serve Greenknoll Court. Therefore, it is difficult for the residents of Greenknoll Court to seek assistance from the DC member; and • the polling station for S16 (Wah Lai) is far from Greenknoll Court.	This proposal is **not accepted** because: (i) the populations of S13 (Shek Lei South) and S16 (Wah Lai) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries are not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members, and polling station arrangement are not the relevant factors of consideration. The EAC has referred the view on polling station arrangement to the REO for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
11	S16 – Wah Lai	1	-	Proposes to group Wah Yuen Chuen, Wonderland Villas, and Regency Park and its neighbouring rural villages together of S16 (Wah Lai) to form a DCCA, and group Lai Yiu Estate, Tsui Yiu Court and Greenknoll Court together to form another DCCA because: • the way of living of the residents of Wonderland Villas and Regency Park is completely different from that of the residents of Lai Yiu Estate, and so are their needs for community services; and • geographically, Wonderland Villas is relatively far from Lai Yiu Estate.	This proposal is **not accepted** because: (i) the population of S16 (Wah Lai) will fall within the statutory permissible range. According to the established working principles, adjustment to its existing boundary is not required; and (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services are not the relevant factors of consideration.
12	S16 – Wah Lai S17 – Lai Wah	1	-	Proposes to delete S17 (Lai Wah) and group Wah Lai Estate, Lai Yan Court, Happy Villa, Laichikok Bay Garden and Wah Fung Garden in the DCCA together with Lai Chi Kok Government Offices, Lai Chi Kok Park Sports Centre, Lai Chi Kok Park Swimming Pool, Lai Chi Kok Park (Stage I), Nob Hill and Ching Lai Court in the Sham Shui Po District in a new DCCA in the Sham Shui Po District. The name of the new DCCA is "Lai Wan". Regarding the remaining parts in S17 (Lai Wah), i.e. Kau Wa Keng, Kau Wa Keng San Tsuen, Chung Shan Terrace, Chung Shan	This proposal is **not accepted** because: (i) in accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. Deleting S17 (Lai Wah) as proposed in the representation will make the total number of DCCA less than the number of seats in the Kwai Tsing District, which does not comply with the above statutory requirement. As this proposal made in the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Lodge, Greenwood Villas, Greenwood Regency, Lai King Fire Station and Cheung Hang Village, they will be transferred to S16 (Wah Lai).	representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration; and (ii) the proposal made in the representation involves alteration of administrative district boundaries, which does not fall under the purview of the EAC. The EAC has referred this view to the Government for consideration.
13	S23 – Tsing Yi Estate	1	-	Proposes to rename S23 (Tsing Yi Estate) as "Tsing Luk" because the three main housing estates in the DCCA concerned, i.e. Greenview Villa, Tsing Yi Estate and Tsing Yi Garden are located at Tsing Luk Street. Renaming the DCCA as "Tsing Luk" will make it clear to the residents their respective DCCA areas.	This proposal is **not accepted** because the name of the DCCA has been used since 1999 and members of the public are used to the name. Moreover, there is no adjustment to its boundary in the present delineation exercise and change of the DCCA name may cause confusion to the public.
14	S24 – Greenfield S26 – Cheung Hong S27 – Shing Hong	3	-	Propose to transfer Hong Ping House, Hong On House and Hong Shing House of Cheung Hong Estate from S27 (Shing Hong) to S26 (Cheung Hong). It is difficult	These proposals are **not accepted** because: (i) the populations of S24 (Greenfield), S26 (Cheung Hong) and S27 (Shing Hong) will fall within the statutory permissible range. According to the established working principles, adjustments to their existing boundaries

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				for them to change their habits, including voting at elections and seeking assistance from the DC members. It is believed that the proposal made in the representations can reduce the inconvenience currently faced by residents and the intangible pressure brought to them by the change of DCCAs. The proposal can also enhance district harmony; • the building structure, size of unit, amenities and family size of Cheung Hong Estate Phases I and II are very different, so are the community facilities and management; and • the proposal will ensure smoother and more integrated handling of housing affairs by the DC member. One representation proposes, at the same time, to transfer Chung Mei Lo Uk Tsuen, Lam Tin Resite Village, Tai Wong Ha Resite Village, Tsing Fai San Tsuen, Tsing Yu New Village and Yim Tin Kok Resite Village from S24 (Greenfield) to S27 (Shing Hong) to avoid constantly revising DCCA boundaries in future and to preserve the physical features, community identities and ties of the areas concerned.	are not required; (ii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration; and (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration.

Appendix II - T

Islands District

Summaries of Written/Oral Representations

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
1	All DCCAs	1	-	(a) Supports the provisional recommendations on T07 (Discovery Bay), T08 (Peng Chau & Hei Ling Chau), T09 (Lamma & Po Toi) and T10 (Cheung Chau).	Item (a) The supporting view is noted.
				(b) Holds reservation on the provisional recommendations on T01 (Lantau), T02 (Yat Tung Estate South), T03 (Yat Tung Estate North), T04 (Tung Chung South), T05 (Tung Chung Central) and T06 (Tung Chung North) because the populations of the DCCAs concerned are the highest in Hong Kong, far exceeding the statutory permissible upper limit. Taking into account the future overall development plan of Tung Chung and Lantau, proposes that the EAC should request the Government to add at least two more seats in the Islands District in respect of the 2023 DC Ordinary Election so as to cater for	Items (b) and (c) In respect of the 2019 DC Ordinary Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is no additional seat in the Islands District for the next DC Ordinary Election. In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. The EAC has no power to increase or decrease the number of elected seats/DCCAs in any administrative district. As this proposal made in the representation is related to the

* W: Number of written representations.
O : Number of oral representations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				the community problems caused by the increase in population and foster the development of district administration. (c) Proposes to amend the EACO and DCO to allow the EAC to increase or reduce the number of seats in every administrative district within the limit of 10% so as to cater for each administrative district's need on the basis of its population and community characteristics. Under the above proposal, the Islands District can add one seat to balance the situation that some of the DCCAs in Tung Chung have populations of more than 20 000 while those in the DCCAs of Peng Chau and Lamma Island are less than 7 000.	enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration. Besides, in drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
2	All DCCAs	-	1	Holds no objection to the provisional recommendations on all DCCAs of the Islands District.	The view is noted.
3	All DCCAs	1	-	Hopes the EAC to review the delineation of DCCAs and number of seats in the present delineation exercise and no need to conduct the review in 2023.	As the matter mentioned in the representation is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
4	All DCCAs	1	-	States that there is a technical error in the provisional recommendations on the Islands District because among the 10 DCCAs, the populations of two DCCAs will be below the statutory permissible lower limit while five of them will exceed the statutory permissible upper limit. Moreover, the population of the Islands District is around 190 000 and so 11.18 DC members are required. The representation considers that the delineation of DCCAs in the Islands District has the following negligence: • the CMAB did not take the unique geographical factors of the Islands District into consideration; • the REO did not provide advice to CMAB; • LegCo did not realise the profound effect that could be brought about by the calculation of the figures related to the DCCAs; and • the Islands DC has knowledge on the geographical and population distribution of the Islands District as well as the increase in population in Lantau and Tung Chung but it did not object to the number of DCCAs for the Islands District.	This proposal is **not accepted** because: (i) in accordance with the EACO, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the relevant area. The EAC cannot adjust the boundaries solely with strict compliance with the statutory permissible range without considering the other statutory factors mentioned above. When drawing up the provisional recommendations, the EAC has examined the feasibility of combining T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi). However, as these two DCCAs do not have any direct transport link, the EAC proposed that the boundaries of the above two DCCAs should remain unchanged and their populations be allowed to continue to deviate from the permissible range (the populations of the above

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				To solve the problem of the Islands District, proposes: • to combine T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi); or • the EAC to suggest to the Government amending the DCO for adding one DCCA to the Islands District. After that, to split T01 (Lantau) into T01 "Lantau" and T11 "North Lantau" and maintain the original boundaries of T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North).	two DCCAs in the 2015 delineation exercise were also allowed to deviate from the statutory permissible range); and (ii) please see items 1(b) and (c).
5	All DCCAs	1	-	Supports the combination of Cheung Chau to free up a DCCA for creation in Tung Chung. Moreover, as the populations of T01 (Lantau), T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) will far exceed the statutory permissible upper limit and those of T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi) will be far below the statutory permissible lower limit, proposes to combine T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi) and change the name of the DCCA to "Peng Chau, Hei Ling Chau, Lamma and Po Toi". On the basis of the above proposals, except that the	This proposal is **not accepted** because: (i) according to the proposal made in the representation to adjust the boundaries of T04 (Tung Chung South), T05 (Tung Chung Central) and T06 (Tung Chung North), the affected population will be larger than that in the provisional recommendations; and (ii) please see item 4.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				provisional recommendations on T07 (Discovery Bay) remain unchanged, proposes to adjust the boundaries of other DCCAs as follows: <u>T01 (Lantau)</u> includes the areas covered in the provisional recommendations but to exclude all the villages in the north of Shek Mun Kap. <u>New DCCA T02</u> includes Mun Tung Estate, Yu Tai Court and all the villages in the north of Shek Mun Kap. <u>T02 (Yat Tung Estate South)</u> includes Yat Tung (I) Estate. Changes the DCCA code to T03. Retains the name of the DCCA as "Yat Tung Estate South". <u>T03 (Yat Tung Estate North)</u> includes Yat Tung (II) Estate. Changes the DCCA code to T04. Retains the name of the DCCA as "Yat Tung Estate North". <u>T04 (Tung Chung South)</u> includes Tung Chung Crescent, Fu Tung Estate and Yu Tung Court. Changes the DCCA code to T05. <u>T05 (Tung Chung Central)</u> includes Seaview Crescent and Coastal Skyline. Changes the DCCA code to T06.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				T06 (Tung Chung North) includes Caribbean Coast, Ying Tung Estate, The Visionary and Century Link. Changes the DCCA code to T07.	
6	All DCCAs	1	-	Considers that the number of DCCAs in the Islands District should not be decided by population alone as in other administrative districts. Its unique situation should be taken into consideration.	In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises. Moreover, the recommendations of the EAC are made on the basis of overall consideration from a macro perspective. No special emphasis to any particular administrative district or DCCA will be given.
7	T01 – Lantau T02 – Yat Tung Estate South T03 – Yat Tung Estate North	2	-	(a) Propose the EAC to maintain the original boundaries of T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) and request the Government to add one DCCA in the area of Mun Tung Estate in T01 (Lantau), maintain Cheung Chau in two DCCAs and combine T08 (Peng Chau & Hei Ling Chau) and T09	Item (a) These proposals are **not accepted** because: (i) in respect of the 2019 DC Ordinary Election, the Government has completed the review on the number of elected seats and the subsidiary legislation was passed by the LegCo in January 2018. There is no

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
	T04 – Tung Chung South T05 – Tung Chung Central T06 – Tung Chung North T08 – Peng Chau & Hei Ling Chau T09 – Lamma & Po Toi T10 – Cheung Chau			(Lamma & Po Toi) so as to free up a DCCA for creation of a new DCCA in Tung Chung. Reasons are as follows: • according to the provisional recommendations, the populations of all T01 (Lantau), T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) will be 40% higher than the population quota. Based on the figures, it is obvious that one more DCCA should be added; • the populations of T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi) will be almost 60% lower than the population quota, and these two DCCAs are originally formed by different islands. Therefore, they could be combined into one DCCA. After combination, the population of the DCCA can still meet the statutory requirement and the characteristics of the DCCA will not be affected; and	additional seat in the Islands District for the next DC Ordinary Election. In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries; (ii) according to the proposal made in the representations, the populations of T05 (Tung Chung Central) and T06 (Tung Chung North) will exceed the statutory permissible upper limit: T05: 20 845, +25.58% T06: 22 965, +38.35%; (iii) it is an established practice that the delineation exercise for a DC ordinary election should be conducted on the basis of the latest projected population figures as at 30 June of the election year. Developments thereafter will not be taken into consideration; and (iv) please see item 4.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• having considered the actual geographical situation of Cheung Chau, its population distribution and the completion of new residential buildings one after the other in the foreseeable future, it is reasonable to delineate Cheung Chau into two DCCAs. On the basis of the above proposal for adding a DCCA, proposes the following adjustments to the boundaries of the relevant DCCAs: <u>T01 (Lantau)</u> includes the areas covered in the provisional recommendations but to exclude Mun Tung Estate and all the villages in Tung Chung. <u>New DCCA</u> includes Mun Tung Estate, the villages in the south of Tung Chung Road running from Lung Tseng Tau to Fui Yiu Ha, Chek Lap Kok New Village, Tei Po New Village, Ma Wan New Village, areas around Shan Ha, Yu Tai Court, North Lantau Hospital, Wong Nai Uk, Ma Wan Chung, Sha Tsui Tau and Shek Lau Po. <u>T04 (Tung Chung South), T05 (Tung Chung Central) and T06 (Tung Chung North)</u> transfers Seaview Crescent	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				from T04 (Tung Chung South) to T05 (Tung Chung Central). As the population of T05 (Tung Chung Central) will substantially exceed the statutory permissible upper limit, the Monterey Cove, Phase 1 of the Caribbean Coast should be transferred to T06 (Tung Chung North) while La Mer, which has less population be retained in T05 (Tung Chung Central).	
				(b) state that if the EAC and the Government will not add one DCCA as proposed in item (a), T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi) should be combined so that a new DCCA can be created in the area of Mun Tung Estate.	Items (b) and (c) These proposals are **not accepted**. Please see item 4.
				(c) One representation proposes to maintain the original boundaries of T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) and combine T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi) to free up a DCCA for creation in the areas of Mun Tung Estate, Yu Tung Court and the villages of the Tung Chung Rural Committee because: • the boundaries of T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi)	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				should not be remained unchanged simply because they do not have any direct transport link. If the population of individual DCCA will be substantially low, it is inevitable to combine it with other DCCA even if they are not close to each other; and • the proposal could make the populations of T01 (Lantau), T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) fall within the statutory permissible range.	
8	T01 – Lantau T02 – Yat Tung Estate South T03 – Yat Tung Estate North	1	-	Objects to the provisional recommendations on T01 (Lantau), T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North). In order to make the populations of the above three DCCAs in compliance with the statutory requirements and preserve the community ties, proposes to re-delineate the whole Yat Tung Estate and the villages such as Ma Wan Chung and Chek Lap Kok New Village of T01 (Lantau) into three DCCAs.	This proposal is **not accepted** because based on the 2015 original DCCA boundary, apart from the villages such as Ma Wan Chung and Chek Lap Kok New Village, the area of T01 (Lantau) also covers Mun Tung Estate, Mui Wo, Lantau South, Tai O, etc. According to the proposal made in the representation, after re-delineating the whole Yat Tung Estate and the villages such as Ma Wan Chung and Chek Lap Kok New Village in T01 (Lantau) into three DCCAs, the remaining areas of T01(Lantau) cannot be transferred to its adjacent

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					DCCAs having regard to the population distribution and geographical as well as transport factors.
9	T01 – Lantau T08 – Peng Chau & Hei Ling Chau T10 – Cheung Chau	1	-	(a) To narrow down the population deviation of T01 (Lantau) from the population quota, proposes: • to transfer Tai Shui Hang, Kau Shat Wan and Man Kok from T01 (Lantau) to T08 (Peng Chau & Hei Ling Chau) because they are closer to T08 (Peng Chau & Hei Ling Chau) and there is kaito ferry serving Tai Shui Hang, Nim Shue Wan and Peng Chau; • to use Lantau South Country Park and Chi Ma Wan Road as the boundary and transfer Chi Ma Wan Peninsula to T10 (Cheung Chau) because most of the population in Chi Ma Wan Peninsula is at Chi Ma Wan Pier and the Sea Ranch. The residents mainly rely on the Cheung Chau kaito ferry instead of land transport to travel to South Lantau. According to the criterion of preservation of local ties, Chi Ma Wan	<u>Item (a)</u> his proposal is **not accepted** because: (i) although the population of T01 (Lantau) (24 685) will still exceed the statutory permissible upper limit (+48.71%) under the provisional recommendations, the provisional recommendations have substantially improved the situation of the DCCA from exceeding the statutory permissible upper limit. According to the proposal made in the representation, after transferring Tai Shui Hang, Kau Shat Wan and Man Kok to T08 (Peng Chau & Hei Ling Chau) and part of the areas in the Chi Ma Wan Peninsula to T10 (Cheung Chau), the population of T01 (Lantau) (24 237) will still exceed the statutory permissible upper limit (+46.01%). In terms of the deviation from the population quota, there is no apparent improvement over the provisional recommendations;

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Peninsula should be put in T10 (Cheung Chau); • to transfer Shek Kwu Chau and Soko Islands to T10 (Cheung Chau) because relatively speaking, Cheung Chau is near to these two islands. Moreover, transferring Shek Kwu Chau and Soko Islands to T10 (Cheung Chau) will not increase its population drastically; and • if Cheung Chau continues to be spilt into two DCCAs, then Chi Ma Wan Peninsula can be transferred from T01 (Lantau) to "Cheung Chau North" and the name of the DCCA can be changed to "Cheung Chau North and Chi Ma Wan". As for Shek Kwu Chau and Soko Islands of T01 (Lantau), they can be transferred to "Cheung Chau South" and the name of the DCCA can be changed to "Cheung Chau South and Soko Islands". The adjustments will also increase the populations of the DCCAs concerned.	(ii) Man Kok is under the Mui Wo Rural Committee. According to the proposal made in the representation, transferring it to T08 (Peng Chau & Hei Ling Chau) will undermine the traditional village ties of the area concerned; and (iii) according to the proposal made in the representation, after transferring part of the areas in the Chi Ma Wan Peninsula to T10 (Cheung Chau), the population of the latter will further exceed the statutory permissible upper limit: Provisional recommendations: T10: 21 752, +31.04% Proposal made in the representation: T10: 22 131, +33.33%

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) With the continuous development of the Tung Chung New Town, in the long run, the villages in T01 (Lantau) can be split and transferred to other DCCAs with public housing estates or private housing estates to form a new DCCA.	Item (b) In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The EAC will continue to adhere to the above in future delineation exercises.
10	T02 – Yat Tung Estate South T09 – Lamma & Po Toi	1	-	States that the population in T02 (Yat Tung Estate South) is around 20 000 while that in T09 (Lamma & Po Toi) is around 6 000. Apart from an elected member, there are also two ex-officio members, i.e. a total of three DC members in T09 (Lamma & Po Toi). On average, one DC member needs to serve only 2 000 people, just one tenth of the workload of the DC member in T02 (Yat Tung Estate South).	In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. The workload of DC members is not the relevant factor of consideration.
11	T02 – Yat Tung Estate South T03 – Yat Tung Estate North	1^	-	Supports the provisional recommendations on T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North). Reasons are as follows: • with the intake of Mun Tung Estate, the population of Tung Chung West will	The supporting view is noted.

^ The representation contains 12 signatures from the public.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				increase by more than 10 000 people. The provisional recommendations have successfully distributed the increased population to T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) evenly; • there are 4 000 residents at Hong Yat House and Ching Yat House which are transferred to T03 (Yat Tung Estate North). If Ching Yat House is remained in T02 (Yat Tung Estate South), the population of the DCCA will exceed 25 000, resulting in a crisis to the system; and • disagrees on criticising the DCCA delineation on grounds of building types because there are quite a number of similar cases in other DCCAs across Hong Kong.	
12	T02 – Yat Tung Estate South T03 – Yat Tung Estate North	548[#]	-	(a) Object to the delineation of T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North). Propose to maintain the original boundaries of these two DCCAs. Reasons are summarised as follows: • originally, T02 (Yat Tung Estate South)	<u>Item (a)</u> This proposal is **not accepted** because based on the 2015 original DCCA boundary, the population of T01 (Lantau) (36 109) will substantially exceed the statutory permissible upper limit (+117.54%) because of the completion of Mun Tung Estate. As there is no

[#] Of which, 546 are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				comprises Yat Tung (I) Estate while T03 (Yat Tung Estate North) comprises Yat Tung (II) Estate. The livelihood of the residents in these estates are distinctly separated and they are used to seeking assistance from the DC members of their respective DCCAs. The provisional recommendations proposed to transfer Hong Yat House and Ching Yat House of Yat Tung (I) Estate to T03 (Yat Tung Estate North). Such will undermine the integrity of the two communities; • it is unfair to the residents of Hong Yat House and Ching Yat House as they are deprived of their rights to vote in T02 (Yat Tung Estate South); • Hong Yat House has been transferred to different DCCAs in each election. This caused confusion to the residents and disregarded the community ties and integrity; and	additional seat in the Islands District after the review on the number of elected seats of each administrative district by the Government and Mun Tung Estate does not have any connection with other rural areas in Lantau, the provisional recommendations proposed to transfer Mun Tung Estate from T01 (Lantau) to the adjacent T02 (Yat Tung Estate South). After the above adjustment, the percentage deviation of T02 (Yat Tung Estate South) will be as high as 70%. To narrow down the difference among different DCCAs in terms of the percentage of population deviation from the population quota, it is proposed in the provisional recommendations to transfer Hong Yat House and Ching Yat House of Yat Tung (I) Estate to T03 (Yat Tung Estate North). The respective populations of the DCCAs concerned are: T01: 24 685, +48.71% T02: 23 475, +41.42% T03: 24 772, +49.24% Regarding the other issues as mentioned in the representations, the delineation recommendations must be based on objective data of population distribution. Arrangements

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				• according to the provisional recommendations, the populations of the DCCAs concerned will deviate substantially from the permissible upper limit of the population quota.	on district administration matters or community services provided by DC members are not the relevant factors of consideration. Besides, there is a representation supporting the provisional recommendations (please see item 11).
				(b) There are 546 template representations stating that the EAC did not consult the residents before making the provisional recommendations on transferring Hong Yat House and Ching Yat House of Yat Tung (I) Estate to T03 (Yat Tung Estate North).	<u>Item (b)</u> The EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. During the consultation period, members of the public can express their views on the provisional recommendations through different means. The EAC will consider every representation received during the consultation period objectively before making the final recommendations.
				(c) Two representations state that the EAC has substantially overestimated the intake population of Mun Tung Estate. The population of Mun Tung Estate will not be as high as that estimated in the provisional recommendations. One of the representations proposes to transfer only Hong Yat House of Yat Tung (I) Estate to T03 (Yat Tung Estate North) and	<u>Item (c)</u> This proposal is **not accepted** because according to the proposal made in the representation, the populations of T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) will deviate from the population quota. The representation is not obviously better than the provisional recommendations.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				transfer Mun Tung Estate to T02 (Yat Tung Estate South) as the representation estimates that the intake rate of Mun Tung Estate will only be 40% in 2019. According to this projection, after the above proposed adjustment, the populations of T02 (Yat Tung Estate South) and T03 (Yat Tung Estate North) will be 22 483 and 22 287 respectively. Although the populations of the DCCAs concerned will still exceed the statutory permissible upper limit, the populations in these two DCCAs will be more even when compared with the provisional recommendations. It will also be fair and just to the residents and future DC members of the two DCCAs.	Provisional recommendations: T02: 23 475, +41.42% T03: 24 772, +49.24% The proposal made in the representation: T02: 25 883, +55.93% T03: 22 364, +34.73% Regarding the view on the population figures, the projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.
13	T06 – Tung Chung North	1	-	Supports the provisional recommendation.	The supporting view is noted.
14	T04 – Tung Chung South T06 – Tung Chung North	1	-	Considers that the provisional recommendations on transferring Ying Tung Estate to T06 (Tung Chung North) will cause confusion to the residents.	Based on the 2015 original DCCA boundary, the population of T04 (Tung Chung South) (36 777) will substantially exceed the statutory permissible upper limit (+121.56%). To maintain the population of the DCCA within the statutory permissible range, adjustment to its boundary is required.
15	T04 – Tung Chung South T05 – Tung Chung Central T06 – Tung Chung North	1	-	Considers that the names of T04 (Tung Chung South), T05 (Tung Chung Central) and T06 (Tung Chung North) cannot clearly describe the Tung Chung New Town. Therefore, proposes to rename T04 (Tung Chung South), which is located at the town centre, as "Tung Chung Town Centre", T05 (Tung Chung Central) in the east of the town centre and Tung Chung East interchange as "Tung Chung East" and T06 (Tung Chung North) as "Tung Chung Waterfront".	The proposal is **not accepted** because the DCCA names in the provisional recommendations have already reflected the geographical locations of the DCCAs. Besides, the DCCA names "Tung Chung South" and "Tung Chung North" have been used since 2007 and the public are used to these DCCA names. Change of the DCCA names will cause confusion to the public.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
16	T04 – Tung Chung South T05 – Tung Chung Central T06 – Tung Chung North	1	-	Disagrees to transferring the Seaview Crescent and La Mer, Phase 5 of the Caribbean Coast to T04 (Tung Chung South) and T06 (Tung Chung North) respectively because: • the Seaview Crescent, Caribbean Coast and Coastal Skyline are geographically adjacent to each other and have all along been in T05 (Tung Chung Central); • in the 2011 DC delineation exercise, the EAC did not accept putting the Seaview Crescent and Tung Chung Crescent in the same DCCA because these two estates were separated by the North Lantau Highway; • La Mer, Phase 5 of the Caribbean Coast and the other four phases of the Caribbean Coast are put in T06 (Tung Chung North) and T05 (Tung Chung Central) respectively. The same housing estate will be served by two DC members; and • the serving DC member has established a good relationship with the residents. The residents are shocked and dissatisfied with the change of the DCCA.	This representation is **not accepted** because: (i) in each DC delineation exercise, the EAC will review the boundaries of the DCCAs which were allowed to deviate from the permissible range in the past. If there are changes in the objective circumstances of those DCCAs allowed to depart from the permissible range in the past, such as the addition of new seats within the administrative districts or there is room for adjustment in the adjacent DCCAs, the EAC will appropriately adjust their boundaries in light of the actual situations. For the present delineation exercise, as based on the 2015 original DCCA boundary, the population of T04 (Tung Chung South) (including T06 (Tung Chung North)) (36 777) will substantially exceed the statutory permissible upper limit (+121.56%), the EAC proposed to create a new DCCA T06 (Tung Chung North) in the areas of Century Link, The Visionary and Ying Tung Estate. After transferring part of

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					the population to the new DCCA, there is room for T04 (Tung Chung South) to absorb the excessive population of T05 (Tung Chung Central). Therefore, the EAC proposed to transfer Seaview Crescent from T05 (Tung Chung Central) to T04 (Tung Chung South); (ii) for the 2011 and 2015 DC delineation exercises, although the population of T05 (Tung Chung Central) exceeded the statutory permissible upper limit, taking into account its deviation from the population quota and the separation of T05 (Tung Chung Central) and T04 (Tung Chung South) by the North Lantau Highway, the EAC proposed to maintain the boundary of T05 (Tung Chung Central) unchanged and allow its population to exceed the statutory permissible upper limit. The respective population of T05 (Tung Chung Central) in 2011 and 2015 were: 2011: 22 048, +27.58% 2015: 22 450, +32.34% However, for the present delineation exercise, the

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					populations of the DCCAs in Tung Chung will substantially increase making the population of T05 (Tung Chung Central) (24 546) to exceed considerably the statutory permissible upper limit (+47.88%). In spite of the North Lantau Highway between T05 (Tung Chung Central) and T04 (Tung Chung South), the EAC noticed that there is a footbridge between Seaview Crescent in T05 (Tung Chung Central) and Tung Chung Crescent in T04 (Tung Chung South). Therefore, the provisional recommendations proposed to transfer the Seaview Crescent from T05 (Tung Chung Central) to T04 (Tung Chung South). After the above adjustment, the population of T04 (Tung Chung South) (21 213) will only slightly exceed the statutory permissible upper limit (+27.80%); and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					community services provided by DC members are not the relevant factors of consideration.
17	T10 – Cheung Chau	1	1	Support the provisional recommendations on combining Cheung Chau into one DCCA.	The supporting view is noted.
18	T10 – Cheung Chau	453[%]	6	(a) Object to the provisional recommendations on combining Cheung Chau into one DCCA. Propose to maintain Cheung Chau in two DCCAs. Reasons are summarised as follows: • it is not reliable for the EAC to combine Cheung Chau into one DCCA by making reference to the result of the population by-census of the C&SD as the actual figures. The projected population of Cheung Chau will not be less than 30 000; • Cheung Chau is a popular island among Hong Kong people and tourists around the world. It is facing a lot of issues about community and people's livelihood as well as tourism development. The	<u>Item (a)</u> This proposal is **not accepted** because: (i) based on the 2015 original DCCA boundary, the populations of T04 (Tung Chung South) (including T06 (Tung Chung North))(36 777, +121.56%) and T05 (Tung Chung Central) (24 546, +47.88%) will substantially exceed the statutory permissible upper limit. As there is no additional seat for the Islands District after the review on the number of elected seats of each administrative district by the Government, under such circumstances, after examining the boundaries of all DCCAs and balancing the population distribution and geographical situation of the Islands District, the EAC proposed to combine Cheung Chau South with

[%] Of which, 440 are template letters.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				issues have to be handled by the DC members. If there is only one DC member, the residents have to wait longer time for assistance. This will lead to their dissatisfaction against the Government; • the provisional recommendations disregard the actual situation in Cheung Chau that many residents and slopes there without any public transport. The residents can only travel by bike or on foot. If there is only one elected seat, the residents will have to face many difficulties when seeking assistance; and • although Cheung Chau and Tung Chung are both in the Islands District, they are two places with different populations, community structures and living circles. Moreover, they are very far from each other and it takes about four hours for a round trip journey. One of the representations further states that Tung	Cheung Chau North, considering that they are geographically close to each other and both of their populations will be below the statutory permissible lower limit, and hence can free up a DCCA for creation in Tung Chung; (ii) in principle, combining DCCAs will not break any community integrity. Moreover, Cheng Chau is a Market Town and a single constituency in the Kaifong Representative Election. As such, the EAC did not agree with the notion that combining Cheung Chau South and Cheung Chau North will break the community integrity of the area or cause disharmony between the two places; and (iii) the delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration. Regarding the view on population figures, the projected population figures

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Chung and Cheung Chau are not adjacent DCCAs. Combining Cheung Chau to free up a DCCA for creation of a new DCCA in Tung Chung violates the EAC's working principle – "where the population falls outside the permissible range, adjustments will be made to their boundaries and those of adjacent DCCAs".	as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(b) 385 representations state that there was no consultation before drawing up the provisional recommendations and public opinion was ignored.	Item (b) The EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. During the consultation period, members of the public can express their views on the provisional recommendations through different means. The EAC will consider every representation received during the consultation period objectively before making the final recommendations.
				(c) One representation states that even after consultation with the Chairman and Deputy Chairman of the Islands DC and the DO, the EAC still proposed to combine Cheung Chau. This will split the community.	Item (c) In order to comply with the statutory criteria, it is necessary for the EAC to have an understanding of the local characteristics, geographical environment and accessibility of the proposed DCCAs so that the feasibility of the various options be considered thoroughly. Taking into account that the DOs, being officers responsible for district administration, do have more comprehensive and in-depth knowledge on the local characteristics, geographical and transport matters of their administrative districts, as a long standing practice, the EAC will invite the DOs to provide factual information of their respective administrative districts on such matters for reference.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
					Throughout the whole process of drawing up the provisional recommendations, confidentiality is preserved, including the consultation with the DOs and communication with other working partners. Before the provisional recommendations are made public, the EAC would not consult any members of the local community, nor disclose any details of the delineation exercise to any organisations or individuals beyond its working partners.
				(d) One representation considers that the area of Cheung Chau is bigger than the whole Wan Chai District but it has only one elected seat versus 13 seats in the Wan Chai District.	<u>Items (d) to (f)</u> In accordance with the EACO, the EAC must follow the number of elected seats stipulated for each DC under the DCO in delineating the DCCA boundaries. As these proposals made in the representations are related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.
				(e) Four representations consider that the EAC should increase the number of elected seats in the Islands District instead of combining Cheung Chau.	
				(f) One representation proposes to split Cheung Chau into three DCCAs just like the past.	

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				(g) One representation states that according to the record, it is estimated that there will be more cases for Cheung Chau residents to seek assistance from the DC members. Therefore, it is necessary to have two DCCAs in Cheung Chau so that there will be sufficient manpower to assist the residents.	Item (g) The delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration.
				(h) One representation proposes to combine "Cheung Chau North" and T08 (Peng Chau & Hei Ling Chau) so as to maintain two elected seats in Cheung Chau.	Item (h) This proposal is **not accepted** because in accordance with the EACO, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors, including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the relevant area when adjusting the DCCA boundaries. In view of the inconvenient transport between "Cheung Chau North" and T08 (Peng Chau & Hei Ling Chau), the EAC did not propose to combine these two DCCAs in the provisional recommendations.
				(i) Another representation proposes to combine T08 (Peng Chau & Hei Ling Chau) and T09 (Lamma & Po Toi) for freeing up a DCCA and to maintain two elected seats for	Item (i) This proposal is **not accepted**. Please see item 4.

Item No.	*DCCAs*	*No.**		*Representations*	*EAC's Views*
		W	*O*		
				Cheung Chau.	
				(j) The representation states that according to a survey conducted, majority of the Cheung Chau residents object to the provisional recommendations.	Item (j) The view is noted. Please see item 18(a).
19	T08 – Peng Chau & Hei Ling Chau T09 – Lamma & Po Toi T10 – Cheung Chau	-	2	Hold no objection to the provisional recommendations but hope that the EAC will explain why it proposed to combine "Cheung Chau South" and "Cheung Chau North" instead of other islands in the Islands District for freeing up a DCCA.	Please see items 4 and 18(a).

Appendix II - General Issues

General Issues

Summaries of Written/Oral Representations

*No.**		*Representations*	*EAC's Views*
W	*O*		
Item 1: General views on the delineation			
3	-	Support the EAC's provisional recommendations. One representation supports the EAC's independent operation to uphold a fair and just system.	The supporting view is noted.
1	-	Supports the EAC to re-arrange the order of the DCCA codes for quick identification of the DCCA locations in the map and clear understanding of the DCCAs concerned.	The supporting view is noted.
1	-	Considers that the EAC has failed to let the members of the public understand and inspect the relevant information on the population figures adopted in the delineation process. The representation puts forth the following views: • the legislation requires that the population in each DCCA must be near the population quota. The EAC should first ensure that the population in each DCCA is as near to the population quota as practicable. However, on the contrary, the EAC's working principle has stated that for DCCAs where the projected population falls within the statutory permissible	In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries and relevant local factors. As regards the relevant population figures, the EAC will examine whether it is appropriate to show the projected populations of individual DCCAs before adjustments to their boundaries in the consultation document of the provisional recommendations for public information in the next DC delineation exercise.

* W: Number of written representations.
O : Number of oral representations.

*No.**		*Representations*	*EAC's Views*
W	*O*		
		range, their boundaries will be maintained as far as possible; • according to the working principle, the EAC adopts the way which affects the least number of existing DCCAs or less population when adjusting DCCA boundaries. In practice, such working principle is contradictory to the statutory criteria of having regard to community identities and preservation of local ties, and will make the shapes of some DCCAs become odd; • objectively, adopting the option with minimum changes in delineating DCCA boundaries will give rise to a political effect and favour the interests and planning of certain political parties. Besides, the EAC's argument that a representation is not accepted because there is a view supporting a particular delineation recommendation which may involve political consideration; and • irregular boundaries or boundaries without regard to land surface features or overhead structures such as hills and waters, major roads, railway tracks, etc. will undermine community integrity and create difficulties for electors to understand the area of the DCCAs.	

*No.**		*Representations*	*EAC's Views*
W	***O***		
1	-	Makes the following comments with respect to the EAC's delineation exercises and suggests that the Government should increase the number of DC seats, provide more resources and prevent the ever-growing need for adjustments of DCCAs: • due to the small size of a DCCA as opposed to the high level of population flow, the number of DCCAs with boundary adjustments in the present delineation exercise is more than that in the past. As required by the legislation, a DCCA should be represented by about 17 000 people and frequent re-delineation of DCCA boundaries will be required once there is a 25% change in population (about 4 250 people); • re-delineation of DCCAs should be kept to the minimum as frequent adjustments will have an impact on the election results; • the current practice of deciding the number of seats before re-delineating the DCCAs is not desirable. For instance, the overall population of the Wan Chai District is declining, however, since no seats will be deducted, B02 (Oi Kwan), B03 (Canal Road), B04 (Causeway Bay) and B07 (Tai Hang) are to be affected. On the other hand, the population of J27 (Laguna City) continues to exceed the permissible upper limit as the increase in the number of seats in the Kwun Tong District is inadequate; and	As the suggestion on amendment to the number of DC seats is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration. In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO. Both population quota and deviation from the permissible range are statutory requirements which the EAC must comply with in the delineation exercise. It is a statutory requirement that the EAC has to examine the existing boundaries of all DCCAs on the basis of the projected populations of individual DCCAs in the year in which the relevant election would be held, and appropriately adjust the boundaries of those DCCAs with projected populations exceeding the statutory permissible upper or lower limits with a view to ensuring that their projected populations do fall within the statutory permissible range. For DCCAs where the projected populations do fall within the permissible range, adjustment to their boundaries would not be necessary in principle. Pursuant to the EACO, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the relevant area when adjusting the DCCA boundaries. With the ongoing urban

*No.**		*Representations*	*EAC's Views*
W	*O*		
		• the EAC invites the DOs to provide views relating to community characteristics, local ties and the actual development of their respective administrative districts. Such arrangement gives the DOs a pivotal role in the delineation process and it is hard to ensure that the DOs are free from political influence. Besides, it is difficult for the public to confirm whether the DOs have gathered the views from the members of the local community and whether the views are impartial or not.	development, many areas are well-developed with comprehensive community infrastructure and ancillary transport facilities. Hence, community identities and local ties are, more often than not, no longer obvious factors justifying the keeping or re-delineation of the existing boundaries for most DCCAs. Therefore, factors on community identities and local ties considered by the EAC refer to those overwhelming and incontrovertible objective facts, such as the preservation of traditional ties between villages or retaining unique communities with historical elements. In order to comply with the above statutory criteria, the EAC considers it essential to have an understanding of the local characteristics, geographical environment and the accessibility of the proposed DCCAs so that the feasibility of various options could be assessed thoroughly. Taking into account that the DOs, being officers responsible for district administration, do have more comprehensive and in-depth knowledge on the local characteristics, geographical and transport matters of their administrative districts, as a long standing practice, the EAC will invite DOs to provide factual information of their respective administrative districts on such matters for reference. When the DOs are invited to provide information, the EAC has specified that only information of objective facts on local characteristics, geographical and transport situations are sought. The important principle that political facts will be not taken into account has been

*No.**		*Representations*	*EAC's Views*
W	*O*		
			emphasised. The advice provided by the DOs is only a part of the variety of reference material when the delineation recommendations were drawn up by the EAC. The EAC has given all round consideration to all statutory requirements, in particular the population figures affected, before making the recommendations. In addition, if representations received during the public consultation period have put forward different views about the local environment, where required, the EAC will task its staff to conduct site visits to appreciate and assess the arguments raised in the representations before drawing up the final recommendations.
9	2	(a) Consider that EAC's use of projected population as a factor for consideration in the delineation has led to fragmentised DCCAs and the approach is both rigid and out of touch with the actual situation. For instance, splitting a housing estate into three different DCCAs would disrupt social harmony and turn them into battlegrounds for competing groups (including political parties). Besides, it also failed to take into account the issue of community integrity. Propose that the EAC should not only take into account the population figures but also other factors in the delineation.	<u>Items (a) to (d)</u> Pursuant to the EACO, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors, including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the relevant area when adjusting the DCCA boundaries. Factors on community identities and local ties considered by the EAC refer to those overwhelming and incontrovertible objective facts, such as the preservation of traditional ties between villages or retaining unique communities with historical elements. There are various options in delineating DC boundaries and there is no sole or absolute way to do so. The EAC must take all the factors into account, mainly

*No.**		*Representations*	*EAC's Views*
W	***O***		
		(b) One representation states that the presence of too many private buildings, especially old single block buildings in a DCCA makes it difficult for a DC member to provide service. For example, L11 (San Hui) in the Tuen Mun District has more than 40 single block buildings. Considers that the EAC's provisional recommendations have not taken into account the factors of actual population size, community identities, local characteristics, types of buildings and number of buildings. Moreover, boundaries adjustments in every four years would cause confusion among the residents, making it difficult for them to cast their votes or seek assistance from DC members. Five representations state that the EAC's delineation is politically motivated and biased in favour of a certain political camp.	the population figures while having regard to the other statutory factors such as geography and accessibility, etc. These factors do certainly not include political ones or any factors not relevant to the statutory requirements. Due to the statutory permissible upper limit in delineating DCCA boundaries, large-scale public or private housing estates are normally divided into different DCCAs. The delineation recommendations must be based on objective data of population distribution. Arrangements on district administration matters or community services provided by DC members are not the relevant factors of consideration. As the view about review and amendment to the DCO is related to the enactment of the primary legislation, which does not fall under the purview of the EAC, the EAC has referred the relevant view to the CMAB for consideration.
		(c) One representation states that the delineation of DCCAs has given rise to dissatisfaction across all political camps, which may undermine the Government's efforts in mustering sufficient support.	
		(d) One representation states that the delineation of DCCAs is not people-oriented. It fails to take into account various factors like the distribution of various social strata, cultural differences in different localities, community network, etc., and so makes it difficult for DC members to truly	

*No.**		*Representations*	*EAC's Views*
W	*O*		
		and effectively reflect the views of the residents and implement district policies. Therefore, proposes to: • review the delineation of boundaries afresh and re-organise those housing estates that have been arbitrarily divided into different DCCAs or merged with other DCCAs; • amend the legislation to stipulate that equal priority should be given to the factors of population, community identities and preservation of local ties as well as the physical features of the relevant area in delineating DCCA boundaries; and • conduct a comprehensive review and amendment to the DCO so as to enhance the function and power of DCs.	
		(e) One representation considers that the EAC disregards public opinion in delineating DCCA boundaries.	<u>Item (e)</u> The EACO stipulates that the EAC is responsible for drawing up the provisional recommendations and to consult the public thereafter. After the public consultation period, the EAC will consider each and every representation received with reference to the same set of statutory criteria and working principles. If the proposals received during public consultation period better comply with the statutory criteria and working principles for the delineation exercise than the provisional recommendations, the EAC will accept the proposals and revise its provisional recommendations

*No.**		***Representations***	***EAC's Views***
W	***O***		
			before submitting the final recommendations to the CE.
1	-	Considers that the reason for strange shapes of certain DCCAs is because of the EAC's overriding principle of "maintaining boundaries of the existing DCCAs". Proposes that in the long run, the EAC should make each DCCA with an equal number of population and re-delineate the boundaries of some DCCAs.	This proposal is **not accepted.** According to the current statutory criteria, the projected population in each proposed DCCA should be as near the population quota as practicable. However, it is not practicable for the population of each DCCA to strictly achieve a single population quota. Hence, the statutory criteria allow the population of a DCCA to exceed or fall short of the population quota by not more than 25%. As for those DCCAs where the projected populations do fall within the permissible range, adjustments to their existing boundaries would not be necessary in principle so as to avoid any impact on the established community ties between the existing DCCAs as far as possible.
4	-	Object to the re-delineation of the DCCA boundaries. One representation proposes that the boundaries of the DCCAs for the 2019 DC Ordinary Election should remain the same as those for the 2015 DC Ordinary Election.	The proposal is not **accepted**. According to the EACO, the EAC should refer to the projected populations of individual DCCAs in the year in which the relevant election would be held as well as the number of elected seats specified for each DC under the DCO to appropriately adjust the boundaries of those DCCAs with projected populations exceeding the statutory permissible upper or lower limits and those of the adjacent DCCAs.
-	2	Query the confidentiality of the provisional recommendations because some people had information about the contents of the recommendations and started electioneering activities before the recommendations were made public.	Throughout the whole process of drawing up the provisional recommendations, confidentiality is preserved, including the consultation with the DOs and communication with other working partners. Before the provisional recommendations are made

No. *		*Representations*	*EAC's Views*
W	*O*		
			public, the EAC would not consult any members of the local community, nor disclose any details of the delineation exercise to any organisations or individuals beyond its working partners. The EAC believes that all parties taking part in the exercise will abide by the principle of confidentiality and will not divulge the information to any other parties. Follow-up actions would be taken seriously if the EAC receives any complaint supported by substantive evidence.
-	1	Proposes to review the procedures of the delineation exercise and considers that the political inclinations of the DOs may have compromised the delineation recommendations.	Pursuant to the EACO, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors including community identities, preservation of local ties and physical features (such as the size, shape, accessibility and development) of the relevant area when adjusting the DCCA boundaries. In order to comply with the above statutory criteria, it is necessary for the EAC to have an understanding of the local characteristics, geographical environment and the accessibility of the proposed DCCAs so that the feasibility of the various options be considered thoroughly. Taking into account that the DOs, being officers responsible for district administration, do have more comprehensive and in-depth knowledge on the local characteristics, geographical and transport matters of their administrative districts, as a long standing practice, the EAC will invite the DOs to provide factual information of their respective administrative districts on such matters for reference. When the DOs are invited to provide information, the EAC has specified that

*No.**		*Representations*	*EAC's Views*
W	***O***		
			only information of objective facts on local characteristics, geographical and transport matters are sought. The important principle that political facts will be not taken into account has been emphasised. The advice provided by the DOs is only a part of the variety of reference material when the delineation recommendations were drawn up by the EAC. The EAC has given all round consideration to all statutory requirements, in particular the population figures affected, before making the recommendations. In addition, if representations received during the public consultation period have put forward different views about the local environment, where required, the EAC will task its staff to conduct site visits to appreciate and assess the arguments raised in the representations before drawing up the final recommendations.
1	2	(a) Propose to amend the statutory criteria so that the maximum deviation from the population quota for a DCCA be increased from 25% to 30% with a view to reducing the number of DCCAs requiring boundaries adjustments and better preserving the integrity of community.	<u>Items (a) to (c)</u> These proposals are policy-related and involve amendment to relevant legislation. The EAC has referred these views to the CMAB for consideration.
		(b) Propose to amend the EACO and DCO so that the EAC will be allowed to increase or reduce no more than 10% of the seats in each administrative district in response to a fall in population as well as the need to cater for local characteristics.	

*No.**		*Representations*	*EAC's Views*
W	***O***		
		(c) Propose that the population quota should not be calculated on the basis of the total population of Hong Kong divided by the number of elected seats. Instead, it should be calculated on the basis of administrative districts as each administrative district has its unique features.	
1	1	Request reviewing the DCCA boundaries afresh in view of the great disparity in populations amongst different DCCAs, ranging from the lowest of 6 501 to the highest of 24 772. One representation queries whether prolonged deviation from the population quota as in the case of some DCCAs is justified in terms of fair use of public money and public interest.	In respect of reviewing the boundaries of the DCCAs, the EACO requires that the EAC has to examine the existing boundaries of all DCCAs on the basis of the projected population of individual DCCAs in the year in which the relevant election would be held, and appropriately adjust the boundaries of those DCCAs with projected populations exceeding the permissible upper or lower limits with a view to ensuring that their projected populations do fall within the statutory permissible range. For DCCAs where the projected populations do fall within the permissible range, adjustment to their boundaries would not be necessary in principle. The EAC may under special circumstances, having regard to the community identities, traditionally close local ties or unique geographical environment of individual DCCAs, allow the population of a DCCA to deviate from the statutory permissible range according to the statutory criteria. In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria under the EACO and its working principles. The delineation should be made on the basis of the projected populations, existing DCCA boundaries

*No.**		*Representations*	*EAC's Views*
W	***O***		
			and relevant local factors.
Item 2: Population figures			
1	1	(a) Query the accuracy of the projected population figures, for example, those of B07 (Tai Hang) and E17 (East Tsim Sha Tsui & King's Park). One representation points out that the populations of certain DCCAs have increased despite the absence of newly completed buildings or large-scale development projects in those DCCAs, e.g. that of G01 (Ma Tau Wai) has increased from 17 000 in the previous term to 20 629 in the current term.	<u>Items (a) and (b)</u> The projected population figures as at 30 June 2019 are used for the delineation exercise for the 2019 DC Ordinary Election. As in the past, the projected population figures are provided by the AHSG, set up specially for the purpose of the delineation exercise under the Working Group on Population Distribution Projection in the PlanD. The current population distribution projections are derived by using scientific and systematic methodology based on the results of the 2016 population by-census carried out by the C&SD as well as the up-to-date official data kept by the relevant government departments. Members of the AHSG are all professional departments which all along have been responsible for territory-wide population census and projections on population distribution. They possess the most up-to-date information on the population and land and housing development, and the data are highly-accepted generally. The EAC has all along relied on the statistical figures provided by the AHSG, which are the only data available for the delineation exercise. The relevant population figures refer to Hong Kong's resident population (comprising usual residents and mobile residents), but not including the mobile population.
1	-	(b) Proposes that apart from residents, mobile population should also be taken into account in the delineation exercise. For instance, there are quite a lot of on-going commercial activities in C33 (Tsui Tak) due to the presence of industrial and commercial buildings, shopping centres and markets. The DC member concerned also has to handle the social problems caused by the mobile population.	

*No.**		*Representations*	*EAC's Views*
W	***O***		
Item 3: Consultation arrangements			
-	1	Proposes to make reference to the arrangements for the delineation of boundaries for the rural representative elections. If further adjustments to DCCA boundaries are required after the completion of the first round of consultation, another round of consultation for a period of one month will be conducted.	The EAC has followed the statutory requirement under Section 19 of the EACO to conduct a public consultation exercise on its provisional recommendations. In fact, it is practically impossible to conduct two rounds of public consultation under the current framework and tight timetable for conducting the delineation exercise.
-	1	Proposes to model on the practice adopted in the delineation exercise for the LegCo by listing out in the relevant documents all feasible options for each of the DCCA requiring boundary adjustments.	The number of constituencies and the statutory criteria for boundary delineation in respect of DC and LegCo are different. As a large number of DCCAs requiring boundary adjustments is involved in the DC delineation exercise and there are various options in delineating the DCCA boundaries, it is operationally infeasible to list out all feasible options in the relevant documents.
9	5	Consider that arrangements must be made for conducting public forum on the Hong Kong Island and more public forums should be conducted in various areas. One representation suggests that an additional public forum be conducted at a community centre in Tseung Kwan O or Sai Kung. Another representation proposes to organise a public forum in the New Territories West.	In preparing for the conduct of the public consultation on the provisional recommendations on the DCCA boundaries, the EAC would review the relevant arrangements in light of the experience gained from the previous consultation exercises. As for the views of the public on matters concerning public forum arrangements, the views have been noted by the EAC for reference in the future review on the relevant arrangements.

*No.**		*Representations*	*EAC's Views*
W	***O***		
Item 4: Electoral policy			
-	1	(a) Proposes to model on the arrangement for the LegCo general elections that a DCCA can have two seats if the population of the DCCA is too large. This will make it easier for members of the public to seek assistance from DC members.	<u>Items (a) to (c)</u> These proposals made in the representations involve amendment to the DCO and are related to the enactment of the primary legislation, which do not fall under the purview of the EAC. The EAC has referred these views to the CMAB for consideration.
1	-	(b) Considers the size of DCs is too small and fragmented. Proposes to set up councils which will take up similar roles as those of the former Urban Council and Regional Council so that eligible electors could vote to return DC members of the DCs of bigger size and participate in DC matters. Such arrangement would facilitate the implementation of district policies.	
1	-	(c) Proposes to combine the DCCAs and share resources as many of the electors are mobile population.	
Item 5: Electoral arrangements			
1	-	(a) Whenever there is a re-delineation of DCCA, there will be changes of polling stations without any consultation. Residents find this frustrating and inexplicable.	<u>Items (a) and (b)</u> In drawing up the delineation recommendations, the EAC must strictly adhere to the statutory criteria and the working principles. Apart from taking into account the projected population, the EAC must also have regard to other statutory factors,

*No.**		*Representations*	*EAC's Views*
W	***O***		
1	-	(b) Re-delineation of DCCA boundaries will have impact on the location of polling stations and the number of polling stations. It will also cause inconvenience to members of the public and lead to economic inefficiency.	including community identities, the preservation of local ties, physical features (such as the size, shape, accessibility and development) of the relevant area. Arrangement on polling stations is not the relevant factor of consideration. The EAC has referred the relevant view to the REO for consideration.

Changes Made to the DCCA Boundaries after the Public Consultation Exercise

Administrative District	No. of DCCAs Affected	Code and Name of DCCAs Affected
Wan Chai District	4	B03 Canal Road B04 Causeway Bay B07 Tai Hang B09 Broadwood
Sham Shui Po District	2	F20 So Uk F21 Lei Cheng Uk
Kowloon City District	3	G19 Whampoa East G20 Whampoa West G21 Hung Hom Bay
Wong Tai Sin District	3	H02 Lung Ha H07 San Po Kong H09 Tung Mei
	3	H15 Chuk Yuen North H17 Ching Oi H18 Ching On
Yuen Long District	2	M14 Hung Fuk M16 Ping Shan Central
	2	M22 Kingswood South M27 Kingswood North
	2	M36 San Tin M37 Kam Tin
North District*	2	N15 Fung Tsui N18 Queen's Hill

* As the AHSG, after the publication of the provisional recommendations, confirmed that a temporary structure located at the Ho Pak Section of Shek Wu San Tsuen, North District is split into N15 (Fung Tsui) and N18 (Queen's Hill), the EAC adjusted the boundaries of these two DCCAs in the final recommendations so as to put the entire temporary structure and its projected population in N18 (Queen's Hill).

Administrative District	No. of DCCAs Affected	Code and Name of DCCAs Affected
Tai Po District	2	P14 Po Nga P16 Old Market & Serenity
Kwai Tsing District	2	S01 Kwai Hing S06 Kwai Chung Estate South
Total :	27	

Changes Made to the DCCA Names after the Public Consultation Exercise

Administrative District	DCCA Code	DCCA Name	
		EAC's Provisional Recommendations	EAC's Final Recommendations
Kwun Tong District	J11	On Tai	Kwun Tong On Tai
Islands District	T02	Yat Tung Estate South	Mun Yat*

* To clearly reflect the distribution of major population in the DCCA concerned.

DCCAs with Population Exceeding the Permissible Range of the Population Quota
(Final Recommendations)

Administrative District	DCCA exceeding permissible range	Projected population (Deviation percentage)	Reasons
Southern District	D02 Ap Lei Chau Estate	12 062 (-27.33%) (same as that in the provisional recommendations)	The consideration of geographical factor and population distribution (the population of this DCCA was also allowed to deviate from the statutory permissible range in the 2015 DC delineation exercise)
Kowloon City District	G20 Whampoa West	20 898 (+25.90%) (higher than that in the provisional recommendations)	The need to preserve local ties of small-scale housing estate in the DCCA
Wong Tai Sin District	H18 Ching On	22 446 (+35.23%) (higher than that in the provisional recommendations)	The consideration of geographical factor and population distribution
Kwun Tong District	J27 Laguna City	24 757 (+49.15%) (same as that in the provisional recommendations)	The consideration of geographical factor (the population of this DCCA was also allowed to deviate from the statutory permissible range in the 2015 DC delineation exercise)

Administrative District	DCCA exceeding permissible range	Projected population (Deviation percentage)	Reasons
Yuen Long District	M27 Kingswood North	22 036 (+32.75%) (higher than that in the provisional recommendations)	The consideration of geographical factor (the population of this DCCA was also allowed to deviate from the statutory permissible range in the 2015 DC delineation exercise)
	M37 Kam Tin	20 792 (+25.26%) (higher than that in the provisional recommendations)	The need to preserve local ties of traditional communities
North District	N01 Luen Wo Hui	20 753 (+25.03%) (same as that in the provisional recommendations)	The need to preserve community identities and local ties
	N11 Sheung Shui Rural	20 757 (+25.05%) (same as that in the provisional recommendations)	The need to preserve local ties and the consideration of geographical and transport factors (the population of this DCCA was also allowed to deviate from the statutory permissible range in the 2015 DC delineation exercise)

Administrative District	**DCCA exceeding permissible range**	**Projected population (Deviation percentage)**	**Reasons**
Sai Kung District	Q01 Sai Kung Central	10 901 (-34.33%) (same as that in the provisional recommendations)	The consideration of geographical factor and population distribution (the population of this DCCA was also allowed to deviate from the statutory permissible range in the 2015 DC delineation exercise)
Kwai Tsing District	S06 Kwai Chung Estate South	21 829 (+31.51%) (higher than that in the provisional recommendations)	The consideration of geographical and transport factors
Islands District	T01 Lantau	24 685 (+48.71%) (same as that in the provisional recommendations)	The consideration of geographical and transport factors and population distribution
	T02 Mun Yat	23 475 (+41.42%) (same as that in the provisional recommendations)	
	T03 Yat Tung Estate North	24 772 (+49.24%) (same as that in the provisional recommendations)	

Administrative District	**DCCA exceeding permissible range**	**Projected population (Deviation percentage)**	**Reasons**
Islands District	T04 Tung Chung South	21 213 (+27.80%) (same as that in the provisional recommendations)	The consideration of geographical factor and population distribution
	T08 Peng Chau & Hei Ling Chau	6 622 (-60.11%) (same as that in the provisional recommendations)	The consideration of geographical and transport factors (the populations of these two DCCAs were also allowed to deviate from the statutory permissible range in the 2015 DC delineation exercise)
	T09 Lamma & Po Toi	6 501 (-60.83%) (same as that in the provisional recommendations)	
	T10 Cheung Chau	21 752 (+31.04%) (same as that in the provisional recommendations)	The consideration of geographical and transport factors*

**Based on the overall consideration of the Islands District, the two DCCAs in Cheung Chau are combined into one DCCA.*

Total number of DCCAs exceeding the permissible range of the population quota = 17

Boundary of district
[redacted] to: eacenq@reo.gov.hk 07/08/2018 21:45

Dear Sir,
It is inappropriate to divide a narrow Macdonnell Road of Hong Kong Island into its north to the Peak and south to the Wanchai districts. Please consider to modify the boundary of district by grouping the north and south sides of this narrow Macdonnell Road in either the Peak or Wanchai District.
Thanks for your kind consideration.

Best regards,
Dr Joseph Chiu

區議會分界意見 13/08/2018 14:08
From: [redacted]
To: eacenq@reo.gov.hk

選舉事務委員會
主席：

就區議會分界的諮詢，貴會建議將中西區原本A07觀龍區及A06堅摩區的區號碼對換，本人認為沒有這個必要，這兩個區的選區劃界沒有改變，但區號就改變了，本人認為這是多餘的，而且用了多年，居民習慣了，改變造成不必要的混亂。因此，本人對此改變表示強烈反對。
謝謝！

楊開永

敬啟者：

反對重劃中西區東華選區

本人反對重劃中西區東華選區，理由如下：

1. 東華選區及半山東選區之預計人口分別為 12904 及 16508，標準人口基數偏離百分比分別為-22.26%及-0.55%。按二零一九年區議會一般選舉選區分界及名稱臨時建議公眾諮詢文件中的附錄 I，選區分界的劃定(I)法定準則 1(b)所指，選管會須確保該選區的人口偏離標準人口基數不超出 25%，即 12498 人至 20749 人的幅度之內。 換言之，東華選區及半山東選區均不超出法定準則的限制，沒有重劃之必要。

2. 按諮詢文件附錄 I(II)工作原則(a)段所指，人口數字在許可之幅度的現有選區，其分界會盡量保持不變。既然東華選區及半山東均不超出法定準則，選管會應根據工作守則行事，保持東華選區及半山東選區分界不變。

3. 綜合中西區預計人口數字，整個中西區的人口偏離標準人口基數均不超出 25%，因此，選管會只重劃東華選區及半山東選區，實屬針對性的選擇。

4. 東華及半山東選區已經設立超過 24 年，5 屆區議會的選民已經習慣所屬區域，對社區已建立歸屬感，突然改變所屬選區，令居民無所適從。

5. 鴨巴甸街是半山往中區的主要道路，加上鴨巴甸街是有歷史價值的街道，將其左右分為兩個區域是破壞其完整性

最後，本人促請選管會按法定準則及工作守則處理選區重劃一事，並考慮到社區獨特性及社區聯繫，撤回重劃東華選區及半山東選區之建議，維持整個中西區選區分界不變。

此致

選舉管理委員會 主席（傳真：2511 1682）

致選舉管理委員會:

反對 2019 年區議會選舉一般選區分界臨時建議

本人反對選管會公布的 2019 區議會選區劃分建議，建議提出從大坑選區割走希雲街及加路連山道一帶，併為銅鑼灣選區。這是自 1999 年第一屆區議會來首次改動大坑選區邊界。

希雲街、加路連山道歷屆以來皆是大坑選區一部分，以禮頓道為界，在交通、環境、醫療上與聖保祿小區唇齒相依。再者，在禮頓道以北，即原 B04 銅鑼灣選區，禮頓道以南即原 B07 大坑選區，就是住宅及社區用地，原先的劃分相對合理，是一個完整的版塊，生活圈一致。

是次選區劃分目的既為令各選區內「預計人口符合法例許可幅度」，按正常邏輯及合理性，選管會應從鵝頸或維園選區，劃分予銅鑼灣選區，而非如現時建議般從大坑選區割走希雲街及加路連山道一帶。

本人認為現時灣仔區區議會選區劃分相對合理，反對改劃大坑選區的臨時建議

選管會日前公佈選區臨時分界建議，其中有針對銅鑼灣區的大改動。謝斐道、駱明大廈、美漢大廈、新城大廈、海宮大廈和海都大廈劃歸灣仔區，然後將希雲街至加路連山道一帶劃入銅鑼灣區！

事實上，過度商業化的發展一直對本區帶來不同的影響，包括常住人口數字，過去十多年，我們面對過一座又一座住宅大廈收購重建成商廈，銅鑼灣區常住人口持續下降，選管會因而作出重新劃界建議，伍婉婷都理解。

然而，波斯富街至景隆街一段謝斐道，屬銅鑼灣鬧市核心地段一部分，與景隆街至柬角道一帶樓宇有整體共通性，新選區劃界影響了社區完整性，並對小區規劃與解決社區問題帶來更大困難。

選管會指出是次選區是根據人口數字作主要考慮，然而，法定準則(c)亦列明：選管會須顧及社區獨特性及地方聯繫的維持，以及有關區域的自然特徵(例如大小、形狀、交通方便程度及發展等)，新增別區議員的工作評價，選民可透過四年一次的選舉投票評定功過，但若經常重新劃界，選民便失去評核的機會，

如果您也認同社區完整性的重要，如果您也不想跟駱明大廈、美漢大廈、新城大廈、海宮大廈和海都大廈分手，請您跟我們一起向選管會提出反對！

反對從銅鑼灣區劃走華明、新城、美漢、海宮及海都大廈

20/08/2018 17:56

From: [redacted]
To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>

[法定規則C：考慮社區完整性]

四年一度的區議會選舉，跟普羅大眾小市民有何關係？

登記做選民，運用手中一票選出跟自己有共同理念的、自己認同的、相信他/她能為小社區做點事的人。再四年後，無論政績如何，只要他/她繼續參選，您還是可以運手中一票給他/她一張成績表。

可是，基於小選區有一個常住人口基數限制，在社區不斷更新之下，有些地區，面臨人口過剩或不足，選管會在選舉前一年多提出重新劃界建議，確保每個小選區人口沒有跌出16,599上下限25%範圍外。換句話說，有部分選民，即使沒有遷家，也將要在下一屆區議會選舉跟原來的區議員說再見，沒有機會透過神聖一票表達對原來那位的認同或不滿。

作為區議員，對於客觀數字反映的劃界需要，我理解。工作上，是否重劃選區，任內具體工作還是會如常，要發聲的要爭取的要服務的...還是一如既往。可是，令人納悶的是整個重新劃界考慮，並不全面。

首先，根據法定準則(a) 選舉管理委員會（"選管會"）在切實可行的情況下，須確保各建議選區人口盡量接近標準人口基數。即16 599人，(b) 倘某選區實際上不能遵從上述(a)項的規定，選管會須確保該選區的人口偏離標準人口基數不超 出 25% (即 12 449人至 20 749人的幅度之內)。這一點，在是次重新劃界建議中，沒有被充分反映，有選區人口超出一倍，也有選區人口低於基數超過30%亦未有被重新劃界。

究其原因，可能選管會「很貼心」，在這些個別選區引用了法定準則(c)作考慮，即：選管會須顧及社區獨特性及地方聯繫的維持，以及有關區域的自然特徵 (例如大小、形狀、交通方便程度及發展等)。

那麼，恕我「把口唔收」大膽一問，這個「法定準則(c)」，為什麼沒有在全港唯一常住人口下降的灣仔區被考慮？

銅鑼灣、鵝頸、愛群人口都低於下限，選管會建議將鵝頸區的維景樓劃入愛群區，銅鑼灣區的海宮、海都、美漢、肇明及新城大廈劃入鵝頸區，信和廣場至景隆街一段謝斐道，左右兩旁大廈從今之後屬兩個不同選區；銅鑼灣則從大坑接收希雲街至加路連山道一帶住宅大廈。

當一座又一座住宅大廈重建成商廈，銅鑼灣區常住人口持續下降，是事實。但實在真心不明白，何以要在原來常住人口低於下限的銅鑼灣劃走一個小區？左劃一個小社區、右硬塞一條街，一加一減人口增幅不大，但一個小區則因此被切割開來！

灣仔區不同小區有不同特色，盲目以數字作劃界考慮實在不智。如果你也認同社區完整性，請把握時間在8月21日前跟我們一起向選管會提意見！

To whom it may concern:

Re. the 2019 DC election proposed constituency boundary revision,
I would like to raise my objection to the following proposal:

Tai Hang constituency: transfer of the portion of Leighton Road (near Haven Street) and west of Caroline Hill Road to Causeway Bay constituency.
Reason: There has been no change to the Tai Hang's population and the characteristic of the resident composition therein.

Proposed change of constituency: Reduction of the bulky Broadwood constituency and enlargement of Oi Kwan constituency which has insufficient electoral population and residents.

Yours faithfully,

Patrick Kwong

選舉管理委員會
馮驊主席：

二〇一九年年底將舉行第六屆區議會選舉。選舉管理委員會日前公布來年的選區劃界諮時建議：當中十八區中共有一百二十八個選區須重新劃界，同時將新增二十一個議席。閣下強調：選區劃界是按地區人數調整劃分，當中並無政治因素。本人十分認同！但，對於按地區人數調整劃分的同時有否按地區實況？還是機械地按數字處理，對選民影響十分大，會令選民誤認為選管會沒有恪守選舉公平原則。

選舉法例列明每名區議員需要服務一萬六千五百九十九人，不能多或少於此數的百分之二十五，數字是按標準人口基數而計算出來，選管會須按此擬定區界。閣下強調：今次劃界是按地區人數調整劃分，劃分時已盡量按照地方聯繫和社區獨特性進行，過程不含政治因素。

請問？全港唯一常住人口下降的灣仔區的重劃是怎樣介界？銅鑼灣、鵝頸、愛群人口都低於下限，選管會為何建議將鵝頸區的愉景樓劃入愛群區？銅鑼灣區的海宮、海都、海殿、肇明及新城大廈劃入鵝頸區？信和廣場至最隆街一段謝斐道，左右兩旁大廈劃為屬兩個不同選區？銅鑼灣則從大坑接收希雲街至加路連山道一帶住宅大廈？令原來常住人口低已於下限的銅鑼灣選區還要劃走一個小區？左劃一個小社區、右硬塞一條街，一加一減人口增幅不大，但一個小區則因此被切割，社區的完整性被破壞！

本人曾任十多年委任議員，深深了解到地方聯繫和社區獨特性對社區發展的作用和重要，因此，特函 閣下期望能否關注到灣仔區，特別是銅鑼灣選區重劃建議對原有社區的影響和合理性。謝謝！

[redacted]

致 選舉管理委員會馮驊主席：

本辦事處自七月廿三日起於社交平台收集市民對二零一九年區議會選區改劃臨時建議之意見，現要求選舉管理委員會接納。詳見附件。

灣仔區議員
楊雪盈 謹啟
二零一八年八月二十日

023(2)

再者，在規劃層面，今次打算被割走的希雲街，及加路連山道前機電署，分別份屬銅鑼灣、黃泥涌兩張分區大綱草圖。我們和周邊區民一直反對銅鑼灣過度商業化，在政府蓄勢待發要將加山政府土地改劃成商業區之際，將持異見的當區議員抽離，明顯是司馬昭之心。

選管會的理由是由於人口基數下限，於是要割街予銅鑼灣選區。但為何要從大坑下手？不難令人想到，是要蠶食灣仔唯一民主派議席的選區。灣仔區人口持續下降，如果真的以現有基準計算下，議席數目理應只有約十一席。大坑一下子跌入近乎法定下限的人口數，將會有墮進大坑行政區遊一分為二的危險，甚或因未來灣仔人口持續減少，而有被其他選區吸收的可能。政府應檢討的是在人口持續下跌的情況下，是否有需要在灣仔維持13個議席。但在選舉議席已成定局的情況下，以影響最少選區的原則，應維持選區邊界，並衡量將來有否需要刪減選區；現時選區改劃東拼西湊，將原有小社區分拆，無視規劃、不去妥善回應整個灣仔區人口下降的事實，並不健康。

今次受影響的區不只我一個，在全港有多民主派區均受影響，令人認為選管會今次是一場精心策劃的政治計算，有「棒打出頭鳥」之嫌。其他受影響的包括范國威、鄺俊宇、鄺葆賢、葉榮等等。

可是選管會的僅有的兩場諮詢會只設在九龍及新界，我對此感到極度不滿，亦促選管會於港島區舉行諮詢會。因此，我們更需要每一位市民，一人一信向選管會表達意見！無論是電郵、傳真還是親身出席，希望大家支持！

‼8月21日截止！‼

公眾諮詢會：
日期：8月1日 / 8月3日
時間：1900-2130
地點：荔枝角社區會堂 / 隆亨社區中心
（按：香港島多達17選區有重大改動，但選管會竟然於撤銷上一屆港島諮詢會的安排，令人遺憾）

KK Ho Q01:
按選區分界建議圖於 2015 年的原區 界，選區 Q01(西貢市中心)在 2019 年的 預計人口會低於法例許可的下限。**但鑑 於社區完整性、地方聯繫、地理交通和 人口分布的考慮，調整鄰近選區的分界 以令選區 Q01(西貢市中心)的人口能調 整至法例許可幅度之內並不可行**，故此 建議選區分界維持不變，並容許其人口 繼續偏離法例許可幅度(於 2015 年的選 區分界，此選區的人口亦獲准偏離法例 許可幅度)。

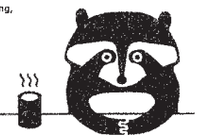
楊雪盈議員辦事處 Office of Clarisse Yeung, District Councilor

[redacted] [redacted] [redacted] 楊雪盈 Clarisse Yeung



致　選舉管理委員會馮驊主席：

本辦事處自七月廿三日起收集居民網上聯署，反對二零一九年區議會選區改劃臨時建議，現要求選舉管理委員會接納。詳見附件。

灣仔區議員
楊雪盈　謹啟
二零一八年八月二十日

意見	姓名	聯絡電話	電郵地址
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。	wong cheuk kuen	[redacted]	[redacted]

023(12)

希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。 很難相信在完全沒有理據支持下，選管會突然將希雲街、加路連山道一帶剔出大坑選區不是一個政治考慮。	Prima YU	[redacted]	[redacted]
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。	Michelle	[redacted]	[redacted]
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。 對比2015年及2019年之對定區議會選區範圍建議 https://www.cac.gov.hk/pdf/distco/2015dc/ch/2_wc_ch.pdf https://www.cac.gov.hk/pdf/distco/2019dc/ch/2_wc(Chi).pdf 由於灣仔區議會維持13個分區不變，在計算兩次建議「標準人口基數偏離百分比」可作直接比較。 2015年灣仔區議會選區範圍與2011年基本沒有變更，單從「標準人口基數偏離百分比」於2015年只有3區偏離值低於-20%，但2019年的建議中卻增至7區偏離值低於-20%。同時亦由2015年沒有一區偏離值高於-10%，但2019年的建議中卻有3區偏離值高於-10%。 若比較「標準人口基數偏離百分比」之均方差，經計算後得出2019年區內之「標準人口基數偏離百分比」的離散程度大於2015年的建議。 足見2019年建議越偏離法律所規定的標準人口基數，並且對不同選區帶有明顯差別處理，因此選舉管理委員會的建議並不可取。 再參考統計處2016年中期人口普查結果「按區議會分區／選區、年、性別及年齡劃分的人口」，亦發現2015年建議中的人口估算，與2016年中期人口普	OMAR KAN	[redacted]	[redacted]

023(13)

選所得的人口數字相比，個別區份有明顯的差距，銅鑼灣選區在2016年的人口比2015年估算少17.6%，跑馬地選區的同期人口亦比估算少10.6%。由此可見選舉管理委員會依賴相關人口估算數據作為選區範圍建議的重要準則亦會帶有明顯誤差。 有見及此，本人向選舉管理委員會表達2019年灣仔區之暫定區議會選區範圍建議，並不可取，亦與法例原意相違背。本人亦向選舉管理委員會建議2019年灣仔區之區議會選區範圍，沿用2015年的選區範圍。			
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。 今次諮詢會沒有在港島區舉行，莫視希雲街和加路連山居民諮詢，不尊重民意，草率了事，含有政治成份。	Chen Chu lan	[redacted]	[redacted]
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。	LO SHU KEUNG	[redacted]	[redacted]
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。	Jason Ng	[redacted]	[redacted]
希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。	Betty Chu	[redacted]	[redacted]

希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不宜合併，如此劃界將破壞社區完整性。 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫。 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口爲由，改動選區劃界。 選舉管理委員會今次沒有在港島區諮詢民意，隨便重新劃界，不尊重民意，表示欲怒。	Chu chi yui	[redacted]	[redacted]

致　選舉管理委員會

馮驊主席：

反對二零一九年區議會大坑選區分界建議

我們是一群希雲街／加路連山道居民。選舉管理委員會提出臨時建議，擬將希雲街、加路連山道一帶劃出一直所屬的大坑選區，改入銅鑼灣選區。選管會未有考慮法定的社區完整性及地方聯繫，對灣仔居民極為不公，詳列如下：

一、破壞地方聯繫

希雲街、加路連山道與大坑其他小社區一樣，由舊樓和小店組成，面對樓宇管理和市區重建等問題，有著共同訴求，與甲級商廈林立的銅鑼灣選區截然不同。然而，此改劃打散社區，使代議士無法聚焦社區訴求，百害而無一利。

二、分拆人口安排不合理

選管會以人口不足法定下限為由，由大坑劃走希雲加山，卻不從人口較多的樂活、司徒拔道選區人手，如此安排並不合理。

三、朝令夕改，社區問題難跟進

一旦希雲加山被劃出大坑選區，楊綠盈團隊為大廈多年跟進的樓宇維修、交通、沖厠水、消防指示等問題，進度將受影響。部份問題涉及個人私隱，法團過上的問題亦需長時間跟進處理，我們認為不宜拆散如此地區聯繫。

四、取消諮詢會，毫不尊重港島人

是次臨時建議影響17個港島選區，比上屆多逾8倍，理應多加諮詢；選管會卻倒行逆施，取消以往於的觀塘新界諮詢會，致使年老居民長途跋涉，繁忙時段坐車一小時多到沙田公眾諮詢會表達意見。以資源有限為由取消香港島的諮詢會實在荒謬，亦對港島居民毫不尊重。

基於上述原因，我們認為，選管會對大坑選區的分界建議嚴重損害希雲加山居民利益，安排亦不合理。我們要求選管會撤回建議，勿將希雲加山劃出大坑選區。

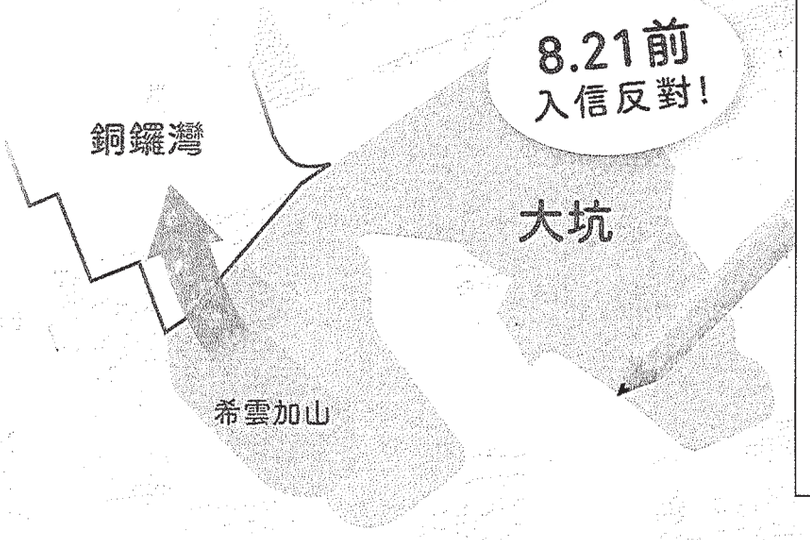
B. 灣仔區 Wan Chai District

[redacted]
議員辦事處

此為範本申述共 122 份 (序號 028-149)

選區改劃諮詢中
希雲加山
或被剔出大坑選區



七月底，選舉管理委員會公佈新一屆區議會選區分界建議，將過百個區議會分區重新劃界。一直屬於**大坑選區**的希雲街、加路連山道一帶或剔出大坑，改入**銅鑼灣選區**。

028

請填妥此信，並於**8月19日或之前**交回位於高士威道16－22號高威樓大堂的議員辦事處信箱（9樓F室）；
或於以下時間交到希雲街街站：

8月15日 下午4-6時
8月17日 下午5-7時

我們會轉寄至選管會秘書處。

反對選舉管理委員會建議將希雲街、加路連山道一帶剔出大坑選區

姓名：吳英華　　聯絡電話：[redacted]

簽名：[redacted]　　地址：[redacted]

致　選舉管理委員會主席：

本人謹此提出反對改變「B07 大坑選區」劃界，理據如下：
（如該段落未能代表你的意見，請於 □ 加上「X」號）

☑ 希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不易合併，如此劃界將破壞社區完整性；

☑ 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫；

☑ 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口為由，改動選區劃界。

□ 希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不易合併，如此劃界將破壞社區完整性；

□ 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫；

□ 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口為由，改動選區劃界。

反對選舉管理委員會建議將希雲街、加路連山道一帶剔出大坑選區

姓名：Betty Choi 聯絡電話：[redacted]

簽名：RC 地址：[redacted]

致 選舉管理委員會主席：

本人謹此提出反對改變「B07 大坑選區」劃界，理據如下：
（如該段落未能代表你的意見，請於 ☐ 加上「X」號）

☑ 希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不易合併，如此劃界將破壞社區完整性；

☑ 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫；

☑ 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口為由，改動選區劃界。

致 選舉管理委員會主席：

本人謹此提出反對改變「B07 大坑選區」劃界，理據如下：
（如該段落未能代表你的意見，請於 □ 加上「X」號）

□ 希雲街、加路連山道與鋼鐵灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不易合併，如此劃界將破壞社區完整性；

□ 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫；

□ 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口為由，改動選區劃界。

☒ 希雲街、加路連山道與鍋鑊灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不易合併，如此劃界將破壞社區完整性；

☒ 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫；

☒ 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口為由，改動選區劃界。

反對選舉管理委員會建議將希雲街、加路連山道一帶剔出大坑選區

姓名：CHEUNG LOK FAI 聯絡電話：[redacted]

簽名：[redacted] 地址：[redacted]

致 選舉管理委員會主席：

本人謹此提出反對改變「B07 大坑選區」劃界，理據如下：
（如該段落未能代表你的意見，請於 □ 加上「X」號）

□ 希雲街、加路連山道與銅鑼灣商業區屬兩個不同社區，社區特徵、面對的問題各異，不易合併，如此劃界將破壞社區完整性；

□ 重新劃界影響社區個案跟進，這些個案多數涉及私隱，並需要長期跟進，如此劃界將破壞社區連繫；

□ 即使與預期人口下跌，政府於2015年仍決定不理人口趨勢，保持灣仔的議席在13席。故此，現在不應以人口為由，改動選區劃界。

2019年區議會一般選舉選區分界及名稱臨時建議
意見書

2018年8月21日

選舉管理委員會公布的「2019年區議會一般選舉選區分界及名稱臨時建議」，提出調整共12個現有選區分界的臨時建議，引來社會各界極大反彈及民憤，民建聯對此表示憂慮及關注。我們認為，今次涉及調整選區數目之多，前所未有，而有關臨時建議更帶來前所未有的負面影響，包括破壞社區完整性及獨特性，不顧選舉性地強行將原屬兩區或不同區的居民分離或合併，以及削弱居民享受應有的穩定及優質社區服務。

分界建議須顧及社區獨特性

選管會表示，按《選舉管理委員會條例》，選管會須檢視所有選區的現有分界，並對該些預計人口超出法例許可上限或下限的選區，適當地調整其分界，以令其預計人口符合法例許可幅度，就此，我們明白選管會的上述法定職責，然而，我們同樣期望，選管會須同時體現《選舉管理條例》第20(3)條的規定，即選管會作出分界建議時，須顧及「社區獨特性及地方聯繫的維持」，以及「有關區域或其部分的自然特徵，例如大小、形狀，以及交通方便程度及發展」。因此，我們認為，選管會提出的分界建議，不能只考慮選區人口的調整及與法例許可上限或下限的要求，必須同時顧及對社區獨特性及地方聯繫的維持等因素。

顧及居民連繫性
不應強行分拆或合併選區

因應預測人口的增加，選管會調整選區分界的同時，應當設有全面規劃同時亦須顧及居民的緊密連繫，以及社區發展完整性，不應強行分拆選區，例如將共有13座獲字的寶達邨一分為二，份屬不同選區，完全無視了社區完整性及同鄰居民的歸屬感。選管會如此欠缺詳細和完整的規劃及考慮，可謂前所未有。

分界建議應顧及居民生活不受影響

我們認為，法例規定選管會定期檢視選區分界的立法原意，應當出於以人為本的精神。以人為本，首從顧及居民生活不受影響，讓市民享受優質及穩定的地區服務，藉此讓當區居民建立社區歸屬感，凝聚社區和諧及穩定。因此，儘管個別選區的人口預為超出法例許可，但在以人為本的精神下，選管會提出分界建議時，應情理兼備，除以數據、科學的態度考慮人口數據外，更要以人為本，考慮居民對社區已凝聚的歸屬感，以及社區完整性、連繫性及獨特性。

就此，在收集市民意見後，就灣仔區的臨時劃界建議提出意見，期望選管會從善如流，修改臨時建議：

灣仔

臨時劃界建議破壞B02「愛群」、B03「鵝頭」、B04「銅鑼灣」及B07「大坑」四個選區的社區完整性，民建聯反對臨時建議，要求維持原來的劃界安排。理由如下：

1. 「銅鑼灣」區被劃走的五座大廈，與崇光百貨後一帶的謝斐道及駱克道廟同一小社區，面對共同的交通及社區問題。此外，將「大坑」區加山一帶劃入「銅鑼灣」區，只與「銅鑼灣」相隔教堂及商廈群，卻造成同一條街道的問題涉及兩名當區區議員。我們認為加山一帶與「大坑」的社區聯繫較薄，由同一名區議員處理小社區的問題，比較名正言順，亦更有代表性。
2. 政府改動劃界的理據，是「銅鑼灣」區及「鵝頭」區人口不足，所以將「大坑」區600居民劃給「銅鑼灣」區，在「銅鑼灣」區劃走600居民給「鵝頭」區，在「鵝頭」區又劃走400居民給「愛群」區，但從數字上「銅鑼灣」區人口根本沒有改變，「鵝頭」區亦沒大出入，相反「愛群」區增加了400，「大坑」區減少了600，這種增減幾百名居民的改動作用根本不大，卻破壞了社區聯繫。

鍾嘉敏

灣仔區議員

本人很反对銅鑼灣選区改劃建議

我叫 Ip Wai Yee 我已居住 [redacted] 30年有多

大约在5年前我开始接觸 [redacted]

議員我感覺她和她的助理们很親切

友善我跟他们建立了好像朋友的关係

實在不希望也不願意就这样分开

[redacted] 及她的助理们待人親切友善

[redacted] 議員實在很了解及照顧長者们

亦都熟悉美漢大廈居民及附近环境

无理由就此拆散我们希望 [redacted] 的辦事处

就在我居住的环境对面僅僅2分鐘的路

程方便快捷。

P.S.

本人懇求選管会撤回銅鑼湾選区重新

劃界建議。

反對選區重劃 21/08/2018 22:45

From: [redacted]

To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>

致選管會，

本人近日從不同途徑得知選區重劃安排，深感不安，因當中看不到公平原則。如跟港城選民人口數目多於一倍，但沒有任何修正。相反，灣仔大坑區被劃走希雲街一帶舊樓。選管會的說法，是附近選區（銅鑼灣、鵝頸、愛群）人口都低於下限，所以要從大坑抽調些人。但明明司徒拔道、樂活選較鵝頸、愛群接近，為甚麼要偏偏從大坑抽調？全部選區都低於標準的話，應該整體刪減議席，絕非拿大坑區開刀。如此不公正的安排，倒不如不要重劃，故本人反對選管會重劃選區之安排。

[redacted] 選民

致：選舉管理委員會

馮驊主席：

"文化力量" 對選區劃界臨時建議的意見

文化力量是一個以文化建設，文化深耕，建立公民社會為宗旨的不牟利團體。因此，我們對第六屆區議會選舉選舉管理委員會的選區劃界臨時建議提出：選舉法例列明每名區議員需要服務一萬六千五百九十九人，不能多或少於此數的百分之二十五，數字是按標準人口基數而計算出來，選管會須按此擬定區界。

本會認為：劃界在按地區人數調整劃分的基礎上，必須按照地方聯繫和社區獨特性進行，以免影響公民參與和社區發展。如原來常住人口低已於下限的銅鑼灣選區還要劃走一個小區？銅鑼灣則從大坑接收希雲街至加路連山道一帶住宅大廈？又如將鵝頸區的愉景樓劃入愛群區？銅鑼灣區的海宮、海都、美漢、肇明及新城大廈劃入鵝頸區？信和廣場至景隆街一段謝斐道，左右兩旁大廈劃為屬兩個不同選區？左劃幾座大廈、右硬塞一條街，一加一減只為人口數字。結果是人口增幅不大，但一個小區則因此被切割，社區的完整性被破壞，也令公民參與失去動力！

請主席 閣下對灣仔區重劃的選區重新進行檢視，並把地方聯繫、社區獨特性和公民參與，以及社區發展列為重點考慮因素。

建議重劃 C17, C18 的建議
23/07/2018 23:31
Hide Details
From: [redacted]

To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>

你好！

隨著未來的新單位落城，C18及 C19 將會有大量居民入伙，為免區議員未能分身於海景大廈城市花園，建議C18部份地區(電器道以南地方)歸作 C17地區負責，謝謝！

Thanks and Best Regards,

盧先生敬上

2019年區議會臨時建議意見 17/08/2018 21:46
From: [redacted]
To: eacenq@reo.gov.hk

致選管會:

本人同意選管會建議將耀東邨耀安樓劃入上耀東(C30)選區，因上耀東多年來人口不斷下跌，不停處於選區法定可接受人口的下限，加上上耀東只有4幢公屋及2幢居屋是選區過細，只相隔一條馬路便是另一個選區不便居民...

故此本人支持選管會的決定，將耀安樓劃入上耀東選區。

二零一九年區議會選區劃界意見 17/08/2018 21:54

From: [redacted]
To: eacenq@reo.gov.hk

多年來耀東邨居民叫上耀東是包括耀安樓及耀豐樓，今次選管會終於將其中一幢耀安樓劃入上耀東，實在是明智之選，因為耀東邨人口老化，特別是第一期最先入伙的上耀東，很多居民因年老過身，又有後生仔女搬走，人口一定不停下跌，咁小人就選一個區議員出來，但只劃剩一幢上耀東的耀豐樓是孤立耀豐樓居民，耀豐樓和耀安樓只相隔十步，所以選管會應該一齊將耀安樓耀豐樓劃去上耀東。多謝！

2019年區議會選舉選區分界臨時建議意見(C30上耀東及C29下耀東) 18/08/2018 20:28
From: [redacted]
To: eacenq@reo.gov.hk

致選管會秘書處：

今次選區劃界將耀東邨耀安樓劃到上耀東(C30)，我十分同意。

因多年黎耀安樓、耀豐樓都是用小巴及巴士出入，與上耀東居民的習慣相同，大家都是居於耀東半山。即使居於耀安樓及耀豐樓，居民亦會表示居於上耀東。

但與耀安樓距離相隔十步的耀豐樓在今次沒有劃入上耀東，本人十分失望，令到劃界欠社區完整性，因耀豐樓與耀安樓居民的習慣與上耀東相同，劃入同一選區有助上耀東區議員處理居民相同的交通訴求，例如巴士及小巴的問題，選管會應該將耀豐樓連同耀安樓一併劃入上耀東(C30)，上耀東劃入耀安樓後，人口預計百份比依然系 -20.78%，絕對可以劃埋耀豐樓入上耀東(C30)。

Proposed Constituency Boundaries of "amp;Shaukeiwan (C06)" and "amp;A Kung Ngam (C07)" Constituencies for the 2019 District Council Ordinary Election 19/08/2018 01:44
From: [redacted]
To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>
Please respond to [redacted]

Dear Sir/Madam,

I write to express my comments over the proposed constituency boundaries of "Shaukeiwan (C06)" and "A Kung Ngam (C07)" Constituencies for the 2019 District Council Ordinary Election.

My view is that one of the major estates in C07 constituency, namely **Eastway Towers**, should be transferred to the adjacent C06 constituency for the following reasons:

(a) Though the projected populations for C06 and C07 constituencies are still within the permissible range, the projected population for C06 (i.e. 14,076) falls short of the population quota (i.e. 16,599) by 15.2% while the projected population for C07 (i.e. 18,823) exceeds the population quota by 13.4%. Transferring the Eastway Towers, consisting of 3 blocks and 528 residential flats in total (with an estimated population of 2,500 to 3,000), from C07 constituency to the adjacent C06 constituency will greatly help to alleviate the huge population difference (more than 4,700) between these two constituencies;

(b) Some new residential buildings within the C07 constituency (e.g. 17 Shau Kei Wan Main Street East) will start flat in-take in 2019. Such increase in population may not be accurately included and reflected in the projected population for C07 constituency; and

(c) Having considered factors including geographical factor, community integrity and local ties, transferring Eastway Towers from C07 constituency to C06 constituency are in the best interest of both constituencies.

To enable the elected district councillors to better serve the residents in both constituencies, I should be most grateful if the Electoral Affairs Commission would favourably accede to my request stated above.

Please also note that I wish to keep my name and email address confidential. Such information should not be published for public information.

Regards,
[redacted]

強烈要求將西灣河選區新成街劃入下耀東選區 21/08/2018 12:02

From: [redacted]
To: eacenq@reo.gov.hk

致選舉管理委員會：

西灣河現在有多個建築地盤都起緊住宅，有西灣河街11號、筲箕灣道182號及筲箕灣道225號的地盤，而成安街亦有多幢樓宇正被發展商接洽進行收購，而成安街2-4號更是掉空了多年，上述地方一旦重建成樓宇可以用盡地積比例，加上有3個地盤落成住宅及入伙，西灣河區(C28)將會有大量人口增長，以往選管會不停修改劃界，令居民難以習慣，無所適從，選管會應該預視到上述地區情況，及早劃界，而不是到人口爆滿又再修改劃界，令在分界邊緣的居民很難知道誰是服務他的區議員。

加上一個區議員做唔唞咁多野，如果一個區咁滿人口都係對居民不公平，所以建議選管會應將新成街的樓宇(新成中心3幢、樂群大廈、碧巒閣)劃去下耀東(C29)。

是次下耀東劃界後，標準人口基數偏離百分比仲係+2.81%，絕對可以容納多幾幢大廈，加上下耀東無好似西灣河咁有建築地盤，唔會預計有大量人口增長，所以將新成街的樓宇劃去下耀東是合理的決定。加上選管會已經劃走左一幢公屋耀安樓去上耀東區，下耀東絕對可以容納更多人口。希望選管會接納意見！

筲箕灣小市民
2018年8月21日

238

就西灣河(C04)、下耀東(C29)、上耀東(C30)區議會選區劃界的意見 21/08/2018 14:04

From: [redacted]
To: eacenq@reo.gov.hk

上耀東在劃入耀安樓後，預計人口百份比仲係-20.78%，仲係大幅偏離標準人口基數，點解選管會唔一併將耀豐樓劃入上耀東，耀豐樓及耀安樓只係20層高的公屋，兩幢先等同上耀東一幢40層高的公屋。

咁做可以令同一條耀東邨，兩個選區的預計人口百份比唔好差咁遠，對兩個區議員都合理D，公平D。

宜家下耀東民建聯區議員的辦事處在耀豐樓，選管會係咪因為受壓及有政治考慮先唔建議一併劃耀豐樓到上耀東，因為耀豐樓與耀安樓其實只係相鄰，距離少於50米，最正常的做法是一併將耀安樓及耀豐樓劃到上耀東(C30)，而且上耀東只有13149人口，是過少。

另外，西灣河近新成街宜家都有個地盤起緊樓，人口都將會增加，而西灣河區宜家預計人口百份比已經去到+20.57%，應該劃新成街(由海富街開始的西灣河街)附近的樓宇劃入下耀東選區，為著將來可以預視到的人口增長作準備，亦令3區(西灣河, 下耀東, 上耀東) 3位區議員服務的人口不要相差太遠，對居民都公平。

選區分界意見 21/08/2018 15:13

From: [redacted]
To: eacenq@reo.gov.hk

敬啟者：

對於 貴會就2019年區議會選舉選區分界的建議，本人有以下建議：

在東區的下耀東(C29)和上耀東(C30)選區中，本人建議將耀豐樓都劃入至上耀東選區，因為這樣做的話，將能令該兩選區的人口更接近標準人口基數。再加上，在地理位置上，耀豐樓是較接近上耀東選區。最後，這樣分界能令上下耀東選區的分界更清楚，避免市民混淆自己所屬選區。

對於以上建議，煩請代為跟進及考慮。

耀東邨居民上

就2019年區議會選舉選區分界提出意見：阿公岩選區 (C07) 21/08/2018 15:22

From: [redacted]
To: eacenq@reo.gov.hk

1 Attachment

選舉管理委員會秘書處.docx

240(2)

筲箕灣社區辦事處
SHAU KEI WAN COMMUNITY OFFICE

選舉管理委員會秘書處
灣仔港灣道 25 號海港中心 10 樓

就 2019 年區議會選舉選區分界提出意見：阿公岩選區 (C07)

本人認為選舉事務處基於忽視社區完整性及其獨特性，反對 2019 年區議會選舉劃界建議，要求就筲箕灣三個選區劃界：C05 愛秩序灣，C06 筲箕灣，C07 阿公岩的劃界作出反對，並要求按照法定準則下，以 2003, 2007 年的選區劃界準則下作出調整。劃定選區是最主要考慮是維持社區特色及聯繫。就選管會建議的四屆區議會選區分界，一早有損早已建立筲箕灣的社區特色和歷史，以及居民之間的緊密聯繫。並會影響筲箕灣的社區完整。 同時就筲箕灣社區發展並未能一早得到居民的實際允許。

首先，根據法定準則(a)選舉管理委員會(「選管會」)在切實可行的情況下，須確保各建議選區人口盡量接近標準人口基數。即 16,599 人，(b)倘某選區實際上不能遵從上述(a)項的規定，選管會須確保該選區的人口偏離標準人口基數不超出 25%(即 12,449 人至 20,749 人的幅度之內）。

這一點，在是次重新劃界建議中，沒有被充分反映，有選區人口超出一倍，也有選區人口低於基數超過 30% 亦未有被重新劃界。究其原因，可能選管會「很貼心」，在這些個別選區引用了法定準則(c)作考慮，選管會須顧及社區獨特性及地方聯繫的維持，以及有關區域的自然特徵（例如大小、形狀、交通方便程度及發展等）。但是，就 C06 筲箕灣及 C07 阿公岩的劃界當中，從來沒有考慮當中歷史的演變，在選區人口盡量接近標準人口基數同時維持社區特色及聯繫，就過往四次選管會建議的區議會選區分界，一早有損早已建立筲箕灣的社區特色和歷史，以及居民之間的緊密聯繫，並會影響筲箕灣的社區完整。

忽視社區完整性及獨特性

選管會的建議側多只注重頭兩項的原則，而往往忽略社區獨特性及地方聯繫的情況，以阿公岩的選區劃界建議，當區前區議員[redacted]曾經就劃區分界問題在 2003, 2007, 2011, 2015 年的選區劃界提出反對及劃界建議。本人曾經就 2015 年區議會選舉劃界上就法定準則考慮提出反對及建議，對於選區客觀數字反映的劃界需要，我理解。工作上，是否重劃選區，任內具體工作選是會如常，要發聲的要爭取的要服務的… …還是一如既往。可是，令人納悶的是整個重新劃界考慮，並不全面。

為阿公岩（C07）選區劃界建議，包括了東大街單號，明華大廈，阿公岩村，崇潤道的

240(3)

筲箕灣社區辦事處
SHAU KEI WAN COMMUNITY OFFICE

住宅等。一直以來[redacted]及居民有提議整合選區及社區的完整性，包括：

1) 2011 年劃界建議，有 1 項反對把愛蝶灣由愛秩序灣選區轉編入筲箕灣選區，因為愛蝶灣屬居者有其屋計劃屋苑，與筲箕灣的私人樓宇有不同的社區獨特性。
2) 2011 年劃界建議，有 28 項建議把愛蝶灣由愛秩序灣選區轉編入筲箕灣選區，而非阿公岩選區，因為愛蝶灣與阿公岩在地理及社區聯繫上都不太緊密，並考慮到愛蝶灣在愛秩序灣社區整個完整性。
3) 2011 年劃界建議，有 27 項建議由現時社雲里、金華街和筲箕灣東大街雙號而建的私人樓宇轉編入阿公岩選區，而非把愛蝶灣轉編入或能紓緩阿公岩選區未符人口規定的情況。
4) 2015 年劃界建議，有 11 項反對選管會提議將一些筲箕灣東大街單號而建的私人樓宇轉編入筲箕灣選區，方能使現時的筲箕灣選區人口維持在法例許可的幅度之內。
5) 2015 年劃界建議，有建議就社區整合性重新去劃分筲箕灣三個選區劃界劃界，包括合併筲箕灣東大街為一個選區
6) 愛蝶灣與阿公岩的發展歷史不同。前者是自 2001 年起與愛東邨一併落成的新發展項目，後者則為六十年代至七十年代期間興建的舊式樓宇；以及期間興建的明華大廈
7) 愛蝶灣與阿公岩有不同的社區獨特性，居者有其屋計劃屋苑的文化及社區需要也與舊式私人樓宇和房協旗下的康租屋有不同
8) 明華大廈的居民已習慣在聖公會主城堂幼稚園的投票站投票，轉往筲箕灣官立小學的投票站投票，會對年老居民造成不便。

<u>多年來選管會反對所有建議的原因包括：</u>

1) 就選區完整性問題，來大街過去已經在 1994 年經已分劃為兩個選區
2) 建議調整後，並不能解決筲箕灣選區的預計人口低於法例許可下限的問題
3) 建議調整後，阿公岩選區預計人口會低於法例許可的下限，而筲箕灣選區的預計人口則會超出法例許可的上限。
4) 把愛蝶灣編入阿公岩選區，方能使現時的筲箕灣選區和阿公岩選區的人口維持在法例許可的幅度之內。
5) 建議調整後，仍不能解決 2011 年的愛秩序灣預計人口則會超出法例許可的上限。

過去 7 年來，此區人口並無大幅增減，但區議會劃界建議，不停地以將阿公岩選區劃走了 4- 5 座樓宇，人數少了 1 千人予筲箕灣選區，此建議有三大問題：

1) **破壞社區完整性及獨特性。**
把愛蝶灣編入阿公岩選區，愛蝶灣的居民，無論居住的空間地理位置、生活配套，如商場、街市、休憩設施、停車場，以及社會服務機構，都是與愛秩序灣其他樓宇居民共用，

240(4)

筲箕灣社區辦事處
SHAU KEI WAN COMMUNITY OFFICE

社區問題及改善均有其一致性，但選舉委員會就將劃至阿公岩選區，不單地理位置隔了東區走廊分隔，地理上選指入了筲箕灣東大街雙號的私人樓宇，更破壞選舉的完整性和獨特性，以及居民對社區的歸屬感。

2) 選區特性複雜，令議員及居民難於解決社區問題。
阿公岩選區內已有廉租屋、租者置其屋、居屋、舊式唐樓、私人樓宇、寮屋村屋，各階層利益已分歧，該區議員難於服務不同群體的居民及處理不同利益的意見。一直以來，筲箕灣社區依照選舉委員會建議居實有三位議員作為議員代表，一直對社區問題各位有立場和意見，難於尋求共識。

3) 選區經常變動，選民亦難以適應及尋求議員協助。
阿公岩選區內的私人樓宇多居區議會均被編配去筲箕灣選區，由 2007 年開始，不停地以將阿公岩選區劃走樓宇，令阿公岩選區一些年長的居民難於適應及尋求協助。何以要在 2003 年開始不停於原來常住人口一直維持的情況下，左割一個小社區、右砍塞一個屋苑，一加一減人口增幅不大，但筲箕灣各小區則因此被切割開來！整個筲箕灣區選民猶如「人球」被踢來踢去充撐人數，社區服務受影響之餘，更被剝奪以選票去評核屆區議員的權利。

選區人口超逸基準並非硬道理 保留社區完整性更重要
過去多年選管會劃界， 由 1999 年開始，每屆區議會劃界均出現選區超逸或低於基準人口 25%，由 1999 年至 2015 年，每年分別有 14-27 個選區超過有關標準，2019 年也有 11 個選區是類似情況。自愛蝶灣人口被編入阿公岩選區，於筲箕灣其他地區較少歸屬感，可能對整個愛秩序灣的整合和發展的關注較對筲箕灣發展選深，因而影響筲箕灣和阿公岩社區發展和等及參與。一些申述，阿公岩選區內的前區議員難以同時服務兩個或以上不同的社區。

作為該區的社區主任亦就不同事務亦難以向各方當區居民反映真正需要。而筲箕灣選區分界並不能對整個筲箕灣地區發展製造兩個利成便。反而只是將人口過份習中的幾條街道等整而成，未能夠為個當區居民反映真正需要。

選民被剝奪以選票評核區議員的權利

事實上，選管會區議會選區劃界過程封閉、指引含糊及無客觀標準，只會助長流言蜚語。選管會為區議會選區劃界，前半部分組織過程由當區民政事務專員主導、向地區人士摸底，以及決定選區命名。民政事務專員大多由政務官（AO）出任，

當一座又一座住宅大廈重建成新式住宅，整個筲箕灣區估計新外來人口亦會不停上升是

240(5)

筲箕灣社區辦事處
SHAU KEI WAN COMMUNITY OFFICE

事實，即使主席不用在當區親眼看見，只需要打開報紙看到每日的地產新聞亦要明白。可是，基於小選區有一個當住人口基數限制，在社區不斷更新之下，有些地區，面臨人口過剩或不足，選管會在選舉前一年多提出重新劃界建議，確保每個小選區人口沒有跌出 16,599 上下限 25%範圍外。換句話說，有部分選民，即使沒有搬家，也將要在下一屆區議會選舉跟原來的區議員說再見，沒有機會透過神聖一票表達對原來那位的認同或不滿。

筲箕灣區不同小區有不同特色，盲目以數字作劃界考慮實在不智。然而，選管會紙上談兵式的劃界，有如「紙上談兵」，令筲箕灣地區完整性一直被割碎，亦令筲箕灣居民無所適從。

「屋邨多老人及新移民，著重民生議題及福利，居屋居民著眼法團問題，而私樓居民期關心更長遠的政治議題」，希望選管會能夠真正達到「為民所有，為民所治，為民所享」。

2019年區議會一般選舉選區分界及名稱臨時建議的意見 21/08/2018 16:49

From: [redacted]
To: eacenq@reo.gov.hk

致選管會主席馮驊法官：

本人認為是次西灣河選區劃界，未有考慮到社區完整性及獨特性，筲箕灣老街坊一直以海晏街為界，過了海晏街便屬筲箕灣，而西灣河近年不斷有新樓宇落成，人口越來越多，是次的預計人口更加逼至2萬，本人認為選管會有低估人口，因現時很有樓宇快將入伙。

選管會應該考慮一次過的劃界，不會令居民因劃界改變而影響。是次選管會建議將下耀東(C29)的耀安樓劃入上耀東(C30)，本人認為應該連同耀豐樓一起劃入上耀東(C30)，一來可以解決上耀東多年來人口不停下降，人口過小的問題，二來下耀東(C29)可以有更大空間，劃入(C04)西灣河近新成街的私人樓宇，一次的重整，可以解決到西灣河區將來人口爆滿的問題，亦可解決上耀東人口過少的問題，請選管會大刀闊斧，一併進行改劃。

有關2019年區議會一般選舉選區分界及名稱臨時建議之意見書

政府於上月下旬公布新選區劃區建議，下屆區議會將會新增21個民選議席，即民選議 席會由現時的431個增至452個。雖然東區未受該次新選區劃區建議的影響，但基於 貴 會用作劃分選區的之法定準則及工作準則，包括劃分選區時須確保該選區的人口偏離 標準人口基數不超出25% (即 12 449人 至 20 749人的幅度之內)，以及須顧及區內的社 區獨特性、地方聯繫的維持和有關區域的自然特徵(例如大小、形狀、交通方便程度及 發展等)，東區區議會丹拿(C22)選區應需要有輕微改動。當中主要原因是 貴會竟未把 已落成在今年第三季入伙的柏蔚山的預計人口計算在內，致使如雋悅仍不劃入錦屏 (C21)選區，會做成資源不均的情況，詳見以下兩項原因。

在“標準人口基數”方面， 貴會須確保每選區的人口數字在許可幅度之內，即介乎12 449人至20 749人之間，而在2019年區議會一般選舉選區分界及名稱臨時建議當中，丹 拿(C22)選區的預計人口為15 959人。雖然丹拿選區的預計人口是符合每選區人口數字 的許可幅度之內，但是本人認為 貴會所得出之丹拿(C22)選區的預計人口有不當之處 ，因為現時 貴會並未將位於繼園街的新私人屋苑柏蔚山住戶計算於預計人口之中，柏 蔚山共有611個單位，假設以每單位2.5位居民以計算柏蔚山的人口數目，該屋苑約有1 527人，而柏蔚山現時已有住戶陸續入伙，由此預見2019年的時候，丹拿(C22)選區的 預計人口會比現時15 959人多出約1 527人。而錦屏(C21)選區在2019年的預計人口則 是16 085人，當丹拿(C22)選區的預計人口因柏蔚山屋苑而多出約1 527人，而錦屏 (C21)選區的預計人口則繼續維持16 085人。 貴會應平衡上述兩區的人口數目，把柏 蔚山屋苑計算在丹拿(C22)之中，再將雋悅劃入錦屏(C21)選區之中，令到兩區人口數 目相約，鄰近地區的資源分佈方為平均。

在顧及區內的社區獨特性、地方聯繫的維持和有關區域的自然特徵方面， 貴會將雋悅 劃入丹拿(C22)選區亦有不當之處。雋悅住戶除了有一條車路經丹拿區外，大部份雋 悅居民只會途經錦屏街及書局街出入屋苑(示意圖請查看圖一)，雋悅居民對社區的需 要理應與錦屏(C21)選區更為貼近。因此，與雋悅相連的錦屏(C21)選區應是更適合將雋 悅劃入其之內。

無論劃界怎變，本人亦樂意服務所有北角區市民。然而就人口及社區完整性而言，

242(2)

把 雋悅劃入錦屏(C21)選區似乎對居民的適應及資源分佈更佳。有見及此，本人現特此致 函 貴會提出上述對2019年區議會劃區的建議，希望會方能夠積極考慮上述意見，將丹 拿(C22)選區範圍重新規劃，把雋悅劃入錦屏(C21)選區，使到重新劃分的選區更貼近居 民之需要。

有關 2019 年區議會一般選舉選區分界及名稱臨時建議之意見書

政府於上月下旬公布新選區劃區建議，下屆區議會將會新增 21 個民選議席，即民選議席會由現時的 431 個增至 452 個。雖然東區未受該次新選區劃區建議的影響，但基於 貴會用作劃分選區的之法定準則及工作準則，包括劃分選區時須確保該選區的人口偏離標準人口基數不超出 25% (即 12 449 人 至 20 749 人的幅度之內)，以及須顧及區內的社區獨特性、地方聯繫的維持和有關區域的自然特徵(例如大小、形狀、交通方便程度及發展等)，東區區議會丹拿(C22)選區應需要有輕微改動。當中主要原因是 貴會竟未把已落成在今年第三季入伙的柏蔚山的預計人口計算在內，致使如雋悅仍不劃入錦屏(C21)選區，會做成資源不均的情況，詳見以下兩項原因。

在“標準人口基數”方面， 貴會須確保每選區的人口數字在許可幅度之內，即介乎 12 449 人至 20 749 人之間，而在 2019 年區議會一般選舉選區分界及名稱臨時建議當中，丹拿(C22)選區的預計人口為 15 959 人。雖然丹拿選區的預計人口是符合每選區人口數字的許可幅度之內，但是本人認為 貴會所得出之丹拿(C22)選區的預計人口有不當之處，因為現時 貴會並未將位於繼園街的新私人屋苑柏蔚山住戶計算於預計人口之中，柏蔚山共有 611 個單位，假設以每單位 2.5 位居民以計算柏蔚山的人口數目，該屋苑約有 1 527 人，而柏蔚山現時已有住戶陸續入伙，由此預見 2019 年的時候，丹拿(C22)選區的預計人口會比現時 15 959 人多出約 1 527 人。而錦屏(C21)選區在 2019 年的預計人口則是 16

242(4)

085 人，當丹拿(C22)選區的預計人口因柏蔚山屋苑而多出約 1 527 人，而錦屏(C21)選區的預計人口則繼續維持 16 085 人。 貴會應平衡上述兩區的人口數目，把柏蔚山屋苑計算在丹拿(C22)之中，再將雋悅劃入錦屏(C21)選區之中，令到兩區人口數目相約，鄰近地區的資源分佈方為平均。

在顧及區內的社區獨特性、地方聯繫的維持和有關區域的自然特徵方面， 貴會將雋悅劃入丹拿(C22)選區亦有不當之處。雋悅住戶除了有一條車路路經丹拿區外，大部份雋悅居民只會途經錦屏街及書局街出入屋苑(示意圖請查看圖一)，雋悅居民對社區的需要理應與錦屏(C21)選區更為貼近。因此，與雋悅相連的錦屏(C21)選區應是更適合將雋悅劃入其之內。

無論劃界怎變，本人亦樂意服務所有北角區市民。然而就人口及社區完整性而言，把雋悅劃入錦屏(C21)選區似乎對居民的適應及資源分佈更佳。有見及此，本人現特此致函 貴會提出上述對 2019 年區議會劃區的建議，希望貴方能夠積極考慮上述意見，將丹拿(C22)選區範圍重新規劃，把雋悅劃入錦屏(C21)選區，使到重新劃分的選區更貼近居民之需要。

二零一九年區議會一般選舉
選區分區及名稱臨時建議(公眾諮詢)
反對耀安樓下耀東(C29)分劃事宜

本人近日收到很多居民反映:「堅決反對選舉管理委員會計劃在 2019 年開始將耀安樓劃給上耀東(C30)，即 2019 年區議會選舉在耀華樓投票」，並對上述新安排深表遺憾。

本人和大部份居民希望保持下耀東邨不變(即按 2015 年區議會選舉安排)，認為臨時劃界建議破壞 C29「下耀東」區的社區完整性，我們反對臨時建議，要求維持原來的劃界安排，理由如下：

1. 地理環境：耀東邨以耀興道為分界，分「上耀東」及「下耀東」兩個選區，近海一邊的是「下耀東」，近山一邊的是「上耀東」，非常清晰，如單把一幢近海一邊的耀安樓劃到另一個選區，容易令居民混亂和破壞社區完整性。

2. 居民習慣：由於上述地理環境，近海一邊的下耀東邨包括耀安樓的居民，多數在下耀東或到山下留樓區活動，甚少到山上使用上耀東的設施。而且耀安樓居民一直被編配在「下耀東」選區，加上上述地理環境因素，居民屬於「下耀東」區的觀念已根深蒂固，要更改選區甚至投票地點，容易造成混亂。

故此，希望選管會維持「下耀東(C29) 的選區劃界不變(即按 2015 年區議會選舉安排)，有勞之處，謹此致謝。如有查詢，請致電 3709 6429 與本人或助理區小姐聯絡順祝

支持選管會就C29下耀東及C30上耀東的劃界建議並要求將耀豐樓劃入上耀東
21/08/2018 19:39
From: [redacted]
To: eacenq@reo.gov.hk

馮驊法官:

C04 (西灣河) 預計人口 20013人 (+20.57 %)
C29 (下耀東) 預計人口 17066人 (+2.81 %)
C30 (上耀東) 預計人口 13149人 (-20.78 %)

明顯地,西灣河人口過多,上耀東人口過少,選管會是次只將下耀東的耀安樓劃入上耀東區,明顯是不足夠,應該將耀安樓旁的耀豐樓,一同劃入上耀東區。將耀興道半山兩幢公屋(耀安樓及耀豐樓)劃至上耀東區,從而增加上耀東的人口,減少偏離標準人口基數。

及後,可以將下耀東近新成街邊界的樓宇,由西灣河區劃入下耀東區,因近新成街的居民在生活上亦在筲箕灣一帶活動多於在西灣河區,因為這邊較鄰近筲箕灣地鐵站,故此將新成中心、碧麗閣等樓宇劃入下耀東區,是保留社區的完整性,亦可舒緩西灣河臨近標準人口基數上限及區內正興建的樓宇及剛落成而入伙樓宇帶來增長的人口。

此致
選管會

二o一九年區議會一般選舉選區分界建議分界及名稱遞交書面意見 21/08/2018 21:27

From: [redacted]
To: eacenq@reo.gov.hk

致 選舉管理委員會:

本人現就 2019 年區議會選舉選區中,屬東區的 C07 選區分界提出意見。

本人認為選舉事務處基於忽視社區完整性及其獨特性,因而要求就筲箕灣三個選區劃界 – C05、C06、C07 的按照法定準則下,以 2003、2007年的選區劃界準則下作出調整。

根據法定準則(a)選舉管理委員會(「選管會」)在切實可行的情況下,須確保各建議選區人口盡量接近標準人口基數。即16,599人,(b)倘某選區實際上不能遵從上述(a)項的規定,選管會須確保該選區的人口偏離標準人口基數不超出25%(即12,449人至20,749人的幅度之內)。

這一點,在是次重新劃界建議中,沒有被充分反映,有選區人口超出一倍,也有選區人口低於基數超過30%亦未有被重新劃界。

選管會的建議則多只注重頭兩項的原則,而往往忽略社區獨特性及地方聯繫的情況,以阿公岩的選區劃界建議,當區前區議員[redacted]曾經就劃區分界問題在2003,2007, 2011, 2015年的選區劃界提出反對及劃界建議。本人曾經就2015年區議會選舉劃界上就法定準則考慮提出反對及建議,對於選區客觀數字反映的劃界需要,我理解。工作上,是否重劃選區,任內具體工作還是會如常,要發聲的要爭取的要服務的……還是一如既往。可是,令人納悶的是整個重新劃界考慮,並不全面。

為阿公岩(C067) 選區劃界建議,包括了東大街單號,明華大廈,阿公岩村,柴灣道的住宅等。一直以來[redacted]及居民有提議整合選區及社區的完整性,包括:

1) 2011年劃界建議,有1項反對把愛蝶灣由愛秩序灣選區轉編入筲箕灣選區,因為愛蝶灣屬居者有其屋計劃屋苑,與筲箕灣的私人樓宇有不同的社區獨特性。

2) 2011年劃界建議,有28項建議把愛蝶灣由愛秩序灣選區轉編入筲箕灣選區,而非阿公岩選區,因為愛蝶灣與阿公岩在地理及社區聯繫上都不太緊密。並考慮到愛蝶灣在愛秩序灣社區整個完整性。

3) 2011年劃界建議,有27項建議由現時杜賽里、禽華街和筲箕灣東大街雙號而建的私人樓宇轉編入阿公岩選區,而非把愛蝶灣轉編入或能舒緩阿公岩選區未符人口規定的情況。

4) 2015年劃界建議,有11項反對選管會提議將一些筲箕灣東大街單號而建的私人樓宇轉編入筲箕灣選區,方能使現時的筲箕灣選區人口維持在法例許可的幅度之內。

5) 2015年劃界建議,有建議就社區整合性重新去劃分筲箕灣三個選區劃界劃界,包括合併筲箕灣東大街為一個選區。

6) 愛蝶灣與阿公岩的發展歷史不同。前者是自2001年起興愛東邨一併落成的新發展項目,後者則為六十年代至七十年代期間興建的舊式樓宇;以及期間興建的明華大廈。

7) 愛蝶灣與阿公岩有不同的社區獨特性,居者有其屋計劃屋苑的文化及社區需要也與舊式私人樓宇和房協旗下的公共屋邨有不同。

245(2)

過去7年來，此區人口並無大幅增減，但區議會劃界建議，不停地以將阿公岩選區劃走了4-5座樓宇，人數少了一千人予筲箕灣選區，此建議有以下問題：

把愛秩灣編入阿公岩選區，愛秩灣的居民，無論居住的空間地理位置、生活配套，如商場、街市、休憩設施、停車場，以及社會服務機構，都是與愛秩序灣其他樓宇居民共用，社區問題及改善均有其一致性，但選舉委員會就將劃至阿公岩選區，不單地理位置隔了東區走廊分隔，地理上還插入了筲箕灣東大街雙號的私人樓宇，更破壞選舉的完整性和獨特性，以及居民對社區的歸屬感。

阿公岩選區內已有廉租屋、租者置其屋、居屋、舊式唐樓、私人樓宇、寮屋村屋，各階層利益已分歧，該區議員難於服務不同群體的居民及處理不同利益的意見。一直以來，筲箕灣社區依照選舉委員會建議落實有三位議員作為議員代表，一直對社區問題各位有立場和意見，難於尋求共識。

筲箕灣社區多屆區議會均被編配去不同的選區，由一九九九年開始，先被編與光輝圍同一選區，二零零七年又被劃去葵興選區，二零一五年終於與葵涌邨其他葵涌邨三、四期樓宇同歸於一個選區，當居民習慣了一個選區及新區議員不久，又要改劃至與葵興選區，令葵涌邨春、夏、秋葵樓一些年長的居民難於適應及尋求協助。

過去多年選管會劃界，由1999年開始，每屆區議會劃界均出現選區超逾或低於基準人口25%，由1999年至2015年，每年分別有14-27個選區超過有關標準，2019年也有11個選區是類似情況。自愛蝶灣人口被編入阿公岩選區，於筲箕灣其他地區較少歸屬感，可能對整個愛秩序灣的整合和發展的關注較對筲箕灣發展遜深，因而影響筲箕灣和阿公岩社區發展和等及參與。一些申述，阿公岩選區內的前區議員難以同時服務兩個或以上不同的社區。

作為該區的社區主任亦就不同事務亦難以向各方當區居民反映真正需要。而筲箕灣選區分界並不能對整個筲箕灣地區發展製造而因利成便，反而只是將人口過份集中的幾條街道篡整而成，未能夠為個當區居民反映真正需要。

筲箕灣區不同小區有不同特色，盲目以數字作劃界考慮實在不智。然而，選管會紙上談兵式的劃界，有如「紙上談兵」，令筲箕灣地區完整性一直被割碎，亦令筲箕灣居民無所適從。

敬啟者：
本人現就2019年區議會選舉中，油尖旺區議會中的九龍站（E02）選區之邊界提出意見。該區自1999年劃界以來，右上角以直角相交形式與其餘選區相接。然則，該角落卻有一小塊鄰近2019年的E07選區被劃入E02選區中（附圖以紅箭嘴示）。本人認為E02選區無故突出一塊與主要選區分離的陸地相當突兀，而該片狹小的陸地上現時只有海事處海港巡邏組的碼頭設施，而在可見將來亦難以發展任何供人居住之住宅。因此，選管會應考慮將該塊陸地劃入相鄰的選區（2019年的E07選區）以確保選區能按照地形而盡量正確繪製。

2019年區議會一般選舉選區分界及名稱臨時建議
[redacted] to: eacenq@reo.gov.hk 14/08/2018 09:55

選舉管理委員會於本年7月23日公布2019年區議會選區分界及名稱的臨時建議，並展開公眾諮詢。我們於油尖旺區生活及工作，對於政府因應各區人口分佈和轉變而檢討各區區議會民選議席數目表示支持。
然而，我們認為貴會在調整一個選區的分界時，除了考慮該區的居民數目外，亦應同時考慮選區的整體性。例如油尖旺區「佐敦南」選區，原先範圍由彌敦道以西、廣東道以東、佐敦道以南至梳士巴利道以北，包括有官涌街市、海防道臨時街市、佐治五世公園、九龍公園。按照現時選管會的建議，「佐敦南」選區範圍被大幅縮減，上述兩個公園和兩個街市均一併劃入新選區「尖沙咀西」。
我們對於選管會的建議難以理解和認同，由於街市和公園對居民而言是非常重要的社區公共設施，「佐敦南」選區的議員若不直接代表該區居民對街市和公園事宜作出跟進和改善建議，除了令選區的整體性受損，亦不符合區議員均衡承擔社區責任的原則，對整個「佐敦南」選區的管理也有所影響。
我們建議選管會再詳細審視「佐敦南」選區的分界，將鄰近的佐治五世公園和官涌街市重新納入該選區範圍，有利民選議員有效服務地區居民。

順祝鈞安!

2019 DC ELECTION BOUNDARIES
[redacted] to: eacenq@reo.gov.hk 20/08/2018 01:47
Please respond to Tst Res

1 個附件檔

TST DC 2019 Boundaries.pdf

Dear Sirs,

Many of our members live between Nathan Road and Mody Road (TSTE).

We are astonished that having divided up our district for the 2015 elections, there are now plans to further split the TST community.

In 2015 our harbourfront and TST East were bundled with King's Park. Relatives and friends living in TST East are most dissatisfied with this arrangement as they feel they have been neglected since then and have no representation.

Now you propose to further split our community by transferring residents south of Mody Road to TST West.

People living there have nothing in common with residents of developments like The Austin and Grand Austin, just as TST East has nothing in common with King's Park both long distances from TST.

The proposal is totally in contrast to the statement that "Pursuant to the statutory requirements, apart from taking into account the projected population, the EAC must also have regard to the other statutory factors, including community identities, preservation of local ties and physical features of the concerned areas when adjusting the DCCA boundaries.

Looking at the map is is quite clear that core TST would no longer be a cohesive district but spread all over the place. In comparison to other 'compact' constituencies it is obvious that we have been given the 'left overs'.

We find this totally unacceptable and have attached our proposal. King's Park numbers can be made up by repositioning some of the YauMaTei constituencies.

E20 (why do you keep changing the numbers?) should remain intact. We understand that there are not many people living in TST West so we propose that E01 could combine West and East. Then the district could have only two constituencies, a much more efficient arrangement.
If you continue to mess around with our district we will seriously consider opting out of the election process as it is quite obvious that the district councilors for TST East and West will no longer concentrate of local issues and work for the benefit of TST in general.

We are already less than satisfied with the performance of Yau Tsim Mong District Council and your proposals would certainly make members even less accountable to the local population.

Regards
Paul Kumar

Consultation on DC boundaries
[redacted] to: eacenq@reo.gov.hk 21/08/2018 01:40

Dear Sir/Madam,

As a long time resident I object strongly to proposal to further truncate E16 TST constituency.

Between Salisbury Road and Austin Road is a tight knit community, with a sizeable population of ethnic minorities. Many residents are also owners of small businesses and have lived in the area for decades. It would be ridiculous that Mody road become a partition.

Our district was already trimmed for 2015 election.

It is unacceptable that further downsizing be introduced.

It is quite evident from the image that our district has become the Yau Tsim Mong dustbin, where all the leftovers bits are parked to make up numbers.

致: 選管會秘書處

本人建議 F11(幸福)選區劃界不包括荔枝角道以南及西九龍走廊以北的範圍(星匯居)，將有關範圍撥入 F12(碧匯)選區，主要有兩大原因:

1. 令選區 F12(碧匯)及 F11(幸福)的人口均能調整至更接近標準人口基數(16 599)
2. 星匯居的社區完整性、地方聯繫、地理和人口分布更適合於F12(碧匯)選區

對區議會選區畫界建議 F13 & F18
to: eacenq@reo.gov.hk 25/07/2018 14:58

荔枝角北（F18）包括長沙灣道以南的工廠區和臨時家禽市場，此部分接近荔枝角中（F13）的居民，反而和荔枝角北（F18）的居民有一大段距離。荔枝角中的區議員理應比荔枝角北的區議員關心這片地方的情況，建議將這部份納入F13，F13和F18之間以長沙灣道為界。工廠區和家禽市場理應沒有人居住，此改動不會涉及選區人口變化。

有關2019年區議會一般選舉選區分界事宜.pdf

253(2)

致 選舉管理委員會

有關 2019 年區議會一般選舉選區分界事宜
就著於深水埗 龍坪及上白田區 (F22) 的劃界建議作出書面申訴

有關上白田 9-11 及 13 座的重建及影響：
房委會宣布 2020 年起清拆白田邨四座數字樓公屋，
而根據 2016 年
2016 人口普查 龍坪及上白田區(F23) 選區總人口為 16198 人

白田邨於 2018 年的人口總和約是 6800 人
白田上邨 9-11 座(重建搬遷期為 2018 年 9 月 - 2019 年 6 月份)
白田上邨 13 座(重建搬遷期為 2019 年 - 2020 年)

預計清拆年份	舊樓宇名稱	受影響單位數目	重建計劃期數	重建後落成年份	落成難簽物	備註
2018 年	白田商場及社區會堂	不適用	第 9 至 11 期	2018 年初（第 9 期） 2020/21 年度（第 10-11 期）	社區綜合大樓（第 9 期）及 2,000 個新建公屋單位，連同新商場（第 10-11 期）	社區綜合大樓（重建第 9 期）完成後， 社區會堂將會遷入該處
2019 年	第 13 座	約 900 個單位	第 12 期	2021/22 年度	新建小學	現有租戶在 2019/20 年度或之前遷入適合安置資源， 包括第 7 及第 8 期的新落成樓宇
2021 年	第 9 至第 11 座	約 1,650 個單位	第 13 期	2025/26 年度	2,100 個公屋單位	現有租戶在 2021/22 年度或之前遷入適合安置資源， 包括第 10 及第 11 期的新落成樓宇

根據以上資料 2019 年區選時 龍坪及上白田區 (F22) 正經歷公屋的重建期。
並會於 2019 年中及下旬有大幅度的人口變動，據悉已有部分的人口選擇調遷到深水埗區內的新建公屋單位 蘇屋邨 。而今次選舉委員會的臨時劃界建議本人懷疑未有考慮重建而調遷的人口，而下白田(F23)的選區劃界已包含了新的白田公屋興建，惟因為原邨安置的搬遷時間臨近 2019 年 7 月份，9-11 座的選民未有時間更改選民登記地址而出現錯區投票的情況。

因此，本人的建議選區劃界如下：

- 方案 1. 將 F04 的美映樓及美茹樓改為劃向龍坪及上白田區 F22，並把現有的 9-11,13 座上白田全數劃給 F22 下白田選區為一整個 白田選區，增加白田選區的社區完整性。
- 方案 2. 將現時重建中的上白田商場劃為 F22 選區，以把該區所有的選民調遷後重回同一選區內，而且並不會影響現時下白田選區的人口。
- 方案 3. 將現時石硤尾重建的 3,7 期劃入 F22 選區，以抵銷 2019 年中搬遷的人口流失。

鑑於現時選管會的方案並未有考慮重建白田邨的人口分佈，希望以上方案可以作出考慮。謝謝。

區議會選區劃界諮詢 - 深水埗區 16/08/2018 22:59

From: [redacted]
To: eacenq@reo.gov.hk

本人現為深水埗區 南昌西選區 居民，反對香港特區政府的提議，於2019年 區議會選舉的選區劃分中 將 南昌街、醫局街 撥入南昌南選區。

查 南昌街、醫局街 於過去十多年來，已曾分別被撥歸於三個不同的南昌選區，致令該街道沿線居民要向三個不同選區 的區議員求助，缺乏服務的一致性及延續性，同時降低區議員的服務效率。

有見及此，本人希望 南昌街、醫局街 於2019年區議會選舉的選區劃分中能保留在 南昌西選區 之內。

謝謝!

C.K. Pang

選舉管理委員會

有關深水埗F22龍坪及上白田選區

選管會於2018年7月擬定二零一九年區議會一般選舉的臨時建議，深水埗龍坪及上白田選區的居民對F22分界範圍表示支持，分界範圍亦確保了龍坪及上白田的社區完整。據往屆選舉情況，居民對龍坪及上白田選區有以下建議：

1. 由於上白田邨、澤安邨、郝德傑山、帝景峰、爾登豪庭、爾登華庭及嘉珀山位置均有段距離，必須繼續維持上白田邨1個票站、澤安邨及眾私樓區1個票站，合共2個票站。

2. 但在【2018年立法會九龍西補選】情況，在並沒有諮詢的情況下，原本的澤安邨票站被分為兩個票站，而票站與票站距離不足100米，引致大批選民頻頻去錯票站，情況十分混亂。而以往澤安邨選民投開票的票站改了位置，改去地區狹窄，在門外可清楚觀察投票區情況，有被視為貧富懸殊，極不被尊重感覺，澤安邨選民票站私隱度極低，為避免錯誤及紛爭延伸至2019年區議會選舉上，必須確保只一個澤安邨票站。

3. 大批澤安邨選民到來議員辦事處、互委會及現場民政署職員投訴，不被尊重，感覺被遺棄。

有關深水埗F22龍坪及上白田選區

選管會於2018年7月擬定二零一九年區議會一般選舉的臨時建議，深水埗龍坪及上白田選區F22分界範圍表示支持，分界範圍亦確保了龍坪及上白田的社區完整。據往屆選舉情況，對龍坪及上白田選區有以下建議：

1. 由於上白田邨，澤安邨、郝德傑山、帝景峰、爾登豪庭、爾登華庭及嘉珀山位置均有段距離，上白田邨、澤安邨及眾私樓區必須維持「上白田邨」及「澤安邨」兩個票站。
2. 現時上白田邨第9、10、11及13座正處於重建階段，附近樓宇及公衆設施已紛紛進行重建工程，行人通道被圍封，年老、使用輪椅及殘疾人士極之不便，如票站再設於白田天主教小學，對9,10,11座居民帶來極不便，我們建議票站設在9座地下空置店舖，為確保「上白田邨」票站不受重建影響，讓更多選民有效地往票站投票。
3. 而白田天主教小學鄰近下白田邨選民票站，即新白田社區會堂，必令上下邨選民造成大混亂。

為確保2019年深水埗龍坪及上白田選區順利進行，懇請選管會積極考慮上述建議。

反對將喜雅劃出寶麗區，使地區服務持續性受影響 20/08/2018 20:24
From: [redacted]
To: eacenq@reo.gov.hk, [redacted]

致：選舉委員會

2019年區議會一般選區劃界，選舉委員會將一直原屬於F01寶麗原區界內保安道以北近懷惠道的數座私人樓宇轉編入鄰近的選區F21李鄭屋，受影響的私人樓宇包括嘉莉閣(35戶)、寶華閣(96戶)及喜雅（1及2座共327戶）

今次選區重劃建議其中最受影響的是前身為土地發展公司（土發）的保安道/懷惠道重建項目，後由市區重建局負責的喜雅。喜雅由落成至成立法團，一直原屬於F01寶麗區界，本人一直向喜雅的住戶及法團提供服務，而另外2座較細的樓宇，都經常有住戶向本人尋求支援及服務。

2019年F01寶麗並未超逾人口上限，將上述3座一向原屬本區的私人樓宇劃出範圍，令社區服務的持續性受影響，亦對受影響居民不公平。本人反對選舉委員會就是次選區劃界改劃的建議，並要求選舉委員會繼續維持F01寶麗區的選區劃界，以使區內的服務持續性不受影響。

2019年區議會選舉一般選舉建議選區分界意見書(深水埗區) 21/08/2018 18:14
From: [redacted]
To: eacenq@reo.gov.hk

1 Attachment

WhatsApp Image 2018-08-21 at 6.10.16 PM.jpeg

選舉管理委員會秘書處執事先生:

2019年區議會選舉一般選舉建議選區分界意見書(深水埗區)

根據《選舉管理委員會條例》(第541章)("《選管會條例》")，選管會須根據有關選舉年度內個別選區的預計人口檢視所有選區的現有分界，並對於那些預計人口超出法例許可上限或下限的選區，適當地調整其分界。調整選區分界除了符合法例規定以外，亦要保持社區之完整性，使區議員能在社區裏發揮應用的作用。唯本人發現是次深水埗區的南昌北（F03）、石硤尾(F04)及南昌東(F05)選區的一般選舉建議選區分界未有適時調整其分界，以保持社區之完整性。故特致函 貴會闡述本人對建議選區分界之意見。

首先，南昌北(F03)選區及鄰近選區如石硤尾(F04)及南昌東(F05)選區的2019年預計人口均為約一萬九千人人口統計數字顯示上述三個選區，因此是次建議之目的為保持社區之完整性，而並非調整區內人口數字為，例如南昌東選區中石硤尾邨第19、20座其實較接近石硤尾，可改劃入石硤尾選區，此舉有助居民劃分在相同的社區之中。

就此，本人將詳述南昌北(F03)、石硤尾(F04)及南昌東(F05)選區的一般選舉建議選區重劃之新建議，以保持社區之完整性。本人建議將石硤尾邨第十九及二十座的範圍(附圖黃色)撥入石硤尾選區。由於該範圍較接近石硤尾選區，皆為石硤邨的一部分，重劃該範圍有助加強和連繫社區的完整性。另外，本人建議將大埔道以北(附圖綠色)一帶範圍，維持於南昌北選區。因大埔道以北一帶只有部分屋宇建議納入石硤尾區內，而並非該地段所有屋宇皆納入石硤尾，因此，將該範圍維持在南昌北選區，能有助保持南昌一帶居民對於社區的完整性。根據本人建議所改劃之選區分界，定能有助保持社區的完整性。

本人希望 貴會認真考慮落實本人提出之相關建議，以改善深水埗內居民生活之需要，有利區議員的工作需要。希望貴 會可考慮及落實本人提出之相關建議。如有任何查詢，可致電[redacted]，與本人聯絡。

順祝

鈞安！

2019年區議會選舉一般選舉建議選區分界意見書（深水埗區）- 離地劃區好離譜 社區完整好重要 反對改劃深水埗F03、F05及F22選區 21/08/2018 19:12
From: [redacted]
To: eacenq@reo.gov.hk

離地劃區好離譜
社區完整好重要
反對改劃深水埗F03、F05及F22選區

選舉管理委員會就2019年區議會選舉劃界建議，有超過100個選區被改劃，其中不少選區的改劃上是破壞社區完整性。就深水埗F03、F05及F22選區，我們作為當區/鄰近的區議員/地區工作者，我們反對現時選管會的建議，並希望選管會可以參考我們的建議改劃有關選區。

選管會需公開選區人口數字
現時選管會的預計人口只有每一選區的人口數字，但例如在私人屋苑、舊唐樓區，區議員則未能從公開途徑了解當區人口，往往只能從經驗或戶數推算人口數字。故此，當選管會諮詢劃區建議時，當區議員根本未能根據實際人口作出建議，往往變成選管會閉門造車。

就上述三區的情況，由於F03及F04兩區預計人口將會超出標準人口基數+25%，故此選管會建議將F03選區內的大埔道、北河街、白田街和巴域街內的私人樓宇（約1500至2000人）劃去F04選區，而F04選區內的石硤尾邨美如樓及美映樓（約5000人）劃去現時的F22選區。我們認為，此舉第一沒有顧及社區完整性，第二亦反映選管會劃區只考慮數字上的需要。

石硤尾邨與白田邨幾十年與白田視之為一個完整社區，邨民活動範圍也是在這兩條邨內，例如去買餸，飲茶，或者去社區會堂等，故此在選區劃界時，也該考慮相關因素。石硤尾邨預計人口中包石硤尾邨第三、七期重建計劃，約2000人內的人口，加上第六期重建計劃，導致F04選區超越人口上限，故此把美如樓及美映樓劃去鄰近的F22選區。可是，南山大坑東、西一直跟石硤尾白田是兩個社區，中間的交雜亦較少，而美如美映的邨民大多是在石硤尾邨七層大廈時期居住至今，與石硤尾的關係甚深。我們在諮詢期內亦向美如美映居民發問卷，有接近9成居民反對改劃。

我們建議，把現時F03大埔道、南昌街、巴域街及北河街內的私人樓宇（約1500人）劃去F05，F04內的石硤尾邨3、7期（約1000人）則劃去F23（下白田選區），則美如樓美映樓可重新劃回F04選區。重新劃區後，F03、F05及F23人口會維持在人口基數以內，F03則輕微超出不足1%（約100人）。上述改劃方式，令白田及石硤尾兩區確保社區完整性，亦可以把舊私樓改劃至本身同屬舊私樓的選區，並且預計人口也不會出現嚴重偏差。

我們希望選管會可以慎重考慮上述改劃建議，確保社區完整性，便利居民生活。

選舉管理委員會
馮驊大法官

區議會選舉 2019 年
暫定選區界線
意見書

本文就深水埗區議會暫定選區界線一事表達意見。我們反對就 F04 石硤尾及 F25 南山、大坑東及大坑西的重新劃界建議，主要理由是選管會未盡力估計 F04 毗鄰選區 F22 龍坪及上白田在選舉的年度即是 2019 年內的人口總數，以致得出錯誤的劃界建議。

（1）根據香港法例第 541 章《選舉管理委員會條例》第 20 條第（6）款（a）規定：「選管會須盡力估計在舉行建議的選舉年度內香港的人口總數或任何建議中的選區的人口總數（視屬何情況而定）」。

（2）根據選管會公布就 2019 年區議會一般選舉選區分界的劃定中的工作原則內（c）項所述：「除上文(b)項所述的情況外，凡人口超出許可幅度的現有選區，其分界及毗鄰選區的分界均會調整，以令該些選區的人口維持在法例許可幅度之內（除非有理據須基於社區獨特性、地方聯繫的維持及/或自然特徵而保持該些選區分界不變）。如果有多於一個調整選區分界的方法，選管會採用影響最少選區或較少人口的方法，否則，便採用偏離標準人口基數最少的方法。」

（3）F04 石硤尾區由於人口超出許可幅度，選管會建議 F04 內美映樓及美如樓改劃到毗鄰選區 F25 之內，令 F04 及 F25 均需作出劃界調整，從而令 F04 人口總數下降至法例許可的幅度之內。

（4）與 F04 毗鄰的選區，除了 F25 之外，還有 F02,F03,F05,F22 及 F23。且看該六區人口總數比較：

F02 預計人口有 15757
F03 預計人口有 19628
F05 預計人口有 19594
F22 預計人口有 15802
F23 預計人口有 16014
F25 預計人口有 19773（包括美映及美如樓）

從以上數字看到 F25 即使加入美映美如樓約 4500 人也沒有超出許可 20748 人的上限，而且相信亦是上述毗鄰選區中人口最少約有 15273 人的選區。表面來看，是按照本文第（2）段所引選管會的工作原則(C)項調整選區劃界。

262(3)

（5）然而，當深入了解上述另一個毗鄰選區 F22 龍坪及上白田的人口變化，就會出現不同的結論。且看該區內一些人口數據：

2015 年預計總人口：16794 人
2019 年預計總人口：15802 人
白田邨第 9 座 ：原有 658 戶，現有 590 戶，1710 人
白田邨第 10 座 ：原有 419 戶，現有 360 戶，1130 人
白田邨第 11 座 ：原有 594 戶，現有 500 戶，1630 人
白田邨第 13 座 ：原有 899 戶，現有 870 戶，2670 人

（6）上述白田邨第 9、10、11 及 13 座正面對重建調遷計劃。

根據房屋署公布，在接收調遷的新樓未落成之前，會給予該四座重建大廈的住戶有「提早調遷」的選擇，計劃如下：

2018 年 4 月開始 調遷到其他選區的租金較便宜及單位面積較大的翻新單位，預計約 100 戶，即是約 300 人（100 戶x3 人）離開 F22 選區。
2018 年 9 月開始 調遷到蘇屋邨新樓，根據房屋署公布，預留 500 可戶獲安排調遷，即是約 1,500 人（500 戶x3 人）離開 F22 選區。

（7）根據房屋署公布，第 9、10 及 11 座將於 2019 年第三季（即是 2019 年 7、8、9 月）開始正式調遷預留新樓，該三座合共約 4470 人，按六四比例(4470÷7140(4 座重建總人數)×100%)扣減當中重覆計算第 9,10 及 11 座的「提早調遷」人數約 960 人((300+1500)x60%)，即是約 3,510 人(4470-960)離開 F22 選區。

（8）按照本文上述第（6）及（7）段推算，截至 2019 年度 完結之前，約有 5,310 人(300+1500+3510)調遷離開 F22 選區。

（9）因此，選區 F22 龍坪及上白田於 2019 選舉年內的總人口應該是 10,492 人(15,802-5,310)，與標準人口基數偏離 -36.8%。

（10）然而，我們亦注意到 F22 選區於 2015 年的預計人口是 16,794 人，而 2019 年的預計人口是 15,802 人，減少了 992 人。我們無法得知這 992 人是否與白田重建調遷有關，儘管如此，就當作這 992 人是重覆計算了，那麼，F22 選區於 2019 年選舉年內的總人口亦可能是 11484 人(10,492+992)，與標準人口基數偏離 - 30.8%。

（11）有鑑於上述的數字資料及合理推斷之下，F22 龍坪及上白田不單只是 F04 石硤尾所毗鄰而又最少人口的選區，而且人口低於許可的幅度，其選區分界必須加以調整。

262(4)

（12）因此，F04 石硤尾選區界線應該與毗鄰 F22 龍坪及上白田一併調整，而不應該與 F25 南山、大坑東及大坑西一併調整。事實上，選管會曾經於 2007 年區議會暫定選區劃界說明中，建議 F22 選區與 F04 選區合併成為一區。

（13）基於上述第（12）段的說明，F22 選區界線需要調整之下，毗鄰 F23 下白田選區亦因此而需要調整。

（14）根據房屋署公布，白田邨第 9,10 及 11 座重建居民將於 2019 年第三季開始調遷到 F23 下白田選區之內，該區人口將會由 16,014 人增加至 20,784 人 (16,014+4470+300)，偏離標準人口基數+25.2%。

（15）基於上述第（14）段情況，既然 F23 亦必須調整選區劃界，好應該覆蓋整個白田邨範圍成為一個選區之內，從而達致顧及社區完整性，這亦正是選管會的工作原則之一。

反對G19,G20及G21 的選區分界及名稱臨時建議

01/08/2018 22:48

From: [redacted]
To: eacenq@reo.gov.hk

選管會秘書處台鑒

本人[redacted](姓名保密) 反對選管會對於G19-21的選區分界及名稱臨時建議，本人認為選管會
1) 並無考慮社區的獨特性 及 地方聯繫 的維持，這點反映在G20及 G21的分界，海濱南岸在只有7座的情況下被分為2個選區，及
2) 使至 G21 選區相當接近標準人口基數偏離百分比的上限

本人在此反建議如下
1) 有關於G19 選區標準人口基數偏離百分比少於1%，G19 及G20的選區的南面分界應改以望夏街為界，同時，東面應把紫苑苑撥入G19，停橋苑撥入G20,以保持兩者標準人口基數偏離百分比約為+ 5-10%,同時，G19,應有足夠空間納入未來紅磡灣新發展區的人口增長。
2) 同時，重新撥入海濱南岸全屋苑為G20選區，以維持社區完整性；另一方面，使G21人口的標準人口基數偏離百分比維持的 +15%.

此致

2019年區議會選舉一般選舉建議選區分界意見書(九龍城區)

10/08/2018 13:28

From: [redacted]
To: eacenq@reo.gov.hk

1 個附件檔

WhatsApp Image 2018-08-10 at 12.11.30 PM.jpeg

2019年區議會選舉一般選舉建議選區分界意見書(九龍城區)

根據《選舉管理委員會條例》(第541章)("《選管會條例》")，選管會須根據有關選舉年度內個別選區的預計人口檢視所有選區的現有分界，並對於那些預計人口超出法例許可上限或下限的選區，適當地調整其分界。調整選區分界除了符合法例規定以外，亦要保持社區之完整性，使區議員能在社區真發揮應用的作用。唯本人發現是次九龍城區的太子(G09)、九龍塘(G10)及龍城(G11)選區的一般選舉建議選區分界未有考慮預計人口超出法例許可上限或下限的選區，亦未適時調整其分界，以保持社區之完整性。故特致函 貴會闡述本人對建議選區分界之意見。

首先，九龍塘(G10)選區覆蓋的人口過多，超出法例許可上限， 議員需要照顧的區域過大，未能集中照顧小區內居民。從選管會資料所知，九龍塘選區的預計人口超出法例許可上限22%。實際人口亦有約21000人，是九龍城區之冠。本人認為此劃界對區議員工作造成困難之餘，亦對區內居民並不公平。由於此選區超出法例許可上限22%，議員需要照顧的區域過大，未能集中照顧小區內居民。就以九龍塘選區為例，此選區主要由畢架山、廣播道、九龍仔及蘭開夏道以北一帶獨立屋所組成，但各小區的社區問題及關注點各有不同。例如蘭開夏道以北一帶獨立屋會關注區內校巴引致擠塞問題,畢架山及廣播道居民會關注區內街道衛生問題。選區過大導致一位區議員難以兼顧多個小區的社區問題，故本人將於本意見書稍後部分詳述重劃選區之建議，以保持社區之完整性。

另外，九龍塘(G10)選區的鄰近選區如太子(G09)及龍城(G11)選區的2019年預計人口均低於法例標準約百分之十左右，人口統計數字顯示能加入更多相關之小區，以保持社區之完整性。從選管會資料所知，太子及龍城選區的2019年預計人口均約15000人，相對於九龍塘選區少約四分之一。如是次選舉能對以上三個選區重新劃界，不但能改善區議員的地區工作壓力，也可以保持社區之完整性。例如九龍塘選區近延文禮士道一帶其實較接近九龍城，可改劃入龍城選區，此舉有助居民劃分在相同的社區之中，亦

264(1)

264(2)

有助平均以上三個選區之居住人口數字。從而改善選區過大導致一位區議員難以兼顧多個小區的社區問題。

就此，本人將詳述九龍城區的太子(G09)、九龍塘(G10)及龍城(G11)選區的一般選舉建議選區重劃之新建議，以改善區議員的工作壓力及保持社區之完整性。本人建議將律倫街以南，對衡道以南及蘭開夏道以西的範圍(附圖黃色)撥入太子選區。由於該範圍較接近太子選區，重劃該範圍有助加強和連繫社區的完整性。另外，本人建議將延文禮士道以東、聯合道以西及東寶庭道以北(附圖綠色)一帶範圍，改劃到龍城選區。因該區居民主要到九龍城生活和消遣，加上與九龍塘中心地帶的距離十分遙遠。將該範圍改劃到龍城選區有助減低區議員地區工作壓力和加強保持延文禮士道一帶居民對於社區的完整性。根據本人建議所改劃之選區分界，既能減低區議員地區工作壓力和保持社區的完整性，亦改善這三區2019年至預計人口數字，並讓該三區之人口均符合法例規定。

本人希望 貴會認真考慮落實本人提出之相關建議，以改善九龍城區內居民生活之需要、有利區議會的運作及區議員工作需要。希望貴 會可早日賜覆及落實本人提出之相關建議。如有任何查詢，可致電[redacted]，與本人聯絡。

順祝
鈞安！

馮主席 :

有關: 啟德煥然壹居選區分配事宜

煥然壹居業主立案法團就煥然壹居（下稱屋苑）的啟德北（G12）選區分配對屋苑住戶已進行意見調查，綜合意見如下:-

我們知悉就個別需要調整分界的選區，選舉管理委員會（下稱貴會）須依照法定準則和工作原則進行調整。按照法定準則(c)項及工作原則(c)項分別所述，「選管會須顧及社區獨特性及地方聯繫的維持，以及有關區域的自然特徵(例如大小、形狀、交通方便程度及發展等)」以及「社區獨特性，地方聯繫的維持及/或自然特徵而保持該些選區分界不變等屬調整選區分界的考慮因素。」而我們認為，現時的選區劃界建議有部份地方與以上所引述的法定準則及工作原則有所出入。

社區的獨特性

本屋苑合共有 484 個單位，其中 322 個單位屬資助房屋，屋苑的常住人口約有 1,000 人，人口分佈屬居屋收入以上的市民。本苑的設施和規格屬私人物業，完成補地價後或直接從市區重建局以十足市價購入的單位可以作自由買賣及出租，與本區其餘私人樓宇無異。由於現時的新選區建議將啟晴邨及本屋苑納入為同一個啟德北（G12）選區，我們相信由於居民的生活背景及方式不盡相同，對民生事項的訴求、區內的資源和配套要求亦有差異，使區內缺乏統一性。本屋苑的地理位置鄰近區內其他私人樓宇，與有關私人樓宇的距離（約 75 米）比與啟晴邨的(約 150 米)還要近，而且屋苑性質及類型接近，生活背景及方式較為近似，因此我們認為將本屋苑納入啟德中及南（G14）選區與其他私人樓宇為同一選區更突顯社區獨特性及統一性。同時，我們亦認為因為同樣理由，將德朗邨的其中 3 幢樓宇與區內的其他私人屋苑歸入新的啟德中及南(G14)選區亦影響社區的獨特性及統一性。

265(2)

電話/Tel : (852) 2673 8573 電郵/Email : 3mukchui@gmail.com

地方聯繫的維持和區議員的資源分配

根據現有資料，G12 選區的預計人口約 14,000 人，而煥然壹居的常住人口為 1,000 人，只佔選區內的約 5%。由於啟晴邨的人口佔選區內的約 95%人口，獲選的區議員難免會按比例只會分配極少的資源和時間專注為本屋苑居民服務，對本屋苑居民享用社區資源上有所不公。而且若本屋苑在配套和生活上與啟晴邨有所衝突矛盾的時候，我們擔心在選票絕對數量的誘因下，區議員將難以持平為本屋苑調解紛爭及聆聽屋苑居民的訴求。然而，如屋苑獲納入啟德中及南（G14）選區，由於涉及不同私人樓宇，各屋苑的常住人口及選票數量不相伯仲，反而會提供誘因予獲選的區議員公平分配資源及時間。

我們的建議

我們建議將本屋苑與其他私人樓宇納入新的啟德中及南（G14）選區。這方案可以加強啟德北（G12）選區、啟德東（G13）選區及啟德中及南（G14）選區的社區獨立性及平衡資源分配，讓相關區議員更能有效收集一眾區內居民的聲音，產生協同效應。此建議並能予令人口基數偏差的範圍，拉近啟德 3 個選區的平均偏差（高低差由-15.72%到-23.77%收窄為由-17.75%到底-21.72%），我們認為屬一舉多得的方案。

我們懇請 貴會積極考慮此建議，並期待於稍後時間收到你們的回覆。

	EAC's Provisional recommendations			煥然壹居's recommendation	
Code of Constituency	Projected Population	+/- % of Population Quota	Population Quota	Proposed Suggestion	Proposed +/- % of Population Quota
G12	14,068	-15.25%	16,599	Switching 煥然壹居 to G14	13,068 -21.27%
G13	12,993	-21.72%	16,599	No change	12,993 -21.72%
G14	12,653	-23.77%	16,599	Adding 煥然壹居 from G12	13,653 -17.75%

擬議G20選區劃界 (申述人士其後更正選區代號應是G21) 17/08/2018 15:39

From: [redacted]
To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>

致：選舉管理委員會秘書處

就 貴處公佈有關2019年區議會選舉編議選區劃界，本人有如下意見：

本人自2007年7月底獲選為紅磡灣區區議員以來，選區涵蓋的範圍及服務對象如現況相若，多年來居民已熟習了尋求當區區議員服務模式。

而海濱南岸自落成以來亦一直屬於黃埔西選區，但按 貴處公佈的方案，則令海濱南岸從一個完整的屋苑分割為兩個選區，有礙選區完整性，更令居民在尋求服務時無所適從，難以識別哪一區屬於哪一個選區；因此，考慮到居民的不便亦對本人服務效率的影響，本人不認同是次選區劃界的安排，冀 貴處保留原有選區的劃界。

如需進一步資料，請隨時與本人（電話：[redacted]）或本處職員[redacted]（電話：[redacted]）聯絡。

選區選劃意見-黃埔西 19/08/2018 10:38

From: [redacted]
To: eacenq@reo.gov.hk

你好，本人黃埔西選民，意見如下：

1. **反對海濱南單劃分2個投票區域**，共7座但拿走其中2座劃另外一個選區，很難統一管理問題，難道每次屋苑有問題都請兩位議員一起來，忙要攻他們的時間，唔混就派個二打六助理來（黃埔東選區便如是，某舉貴議員大小事都唔會來，來也只為影相）。
2. 分割屋苑是不智的做法，也分化屋苑內居民，一個議員解決了共5座的問題，而另外2座未解決，你就是否會有更多的矛盾？選管會不要搬這個屋苑，你們目的是什麼？好好地無問題要搬分化，人口也跟之前差不多，多餘想法。請用心並真心為市民服務。

謝謝
海濱南岸居民

就2019年區議會選舉選區分界建議提供意見

21/08/2018 10:16

From: [redacted]
To: eacenq@reo.gov.hk

選舉管理委員會（選管會）現正就2019年區議會選舉選區分界建議進行諮詢，其中選管會建議將原在黃埔西選區內的海濱南岸第5及6座剔走，加入紅磡灣選區。我們對此表示強烈反對，反對原因有3點:

第一：破壞屋苑住戶聯繫

海濱南岸為一所擁有7座樓宇的私人屋苑，可是選管會建議海濱南岸第五及六座剔出黃埔西選區，令少部分居民被「踢走」於黃埔西選區之外。日後會出現同一屋苑的住戶即使面對同一個社區問題，卻要向兩個不同的區議員反映意見，難以聯繫屋苑內其他座數住戶向單一區議員表達意見，集中處理問題。

第二：破壞社區完整性

選管會將只佔海濱南岸整體面積2成多的第5及6座剔出黃埔西選區，將令黃埔西選區形狀更為「畸形」，除大型屋苑如黃埔花園、大古城和美孚新邨外，選管會過去規劃選區多數以整個私人屋苑範圍作為基礎規劃選區範圍，以現時紅磡灣選區為例，選區便包括整個紅磡灣中心及整個半島豪庭等等中型屋苑，便利居民和區議員就整體屋苑的社區事務和發展交流意見。選管會如果將佔整個屋苑面積少於3成的海濱南岸第5及6座改劃到其他選區，此絕對是錯誤的決定，破壞屋苑社區發展及令屋苑居民產生對選區範圍混淆。

第三：人口錯配極度擾民

根據選管會諮詢文件內的法定準則，任何一個選區的人口不應超出20,749人。但根據選管會的預測，改劃後的紅磡灣選區人口達20,510人，極為接近法定可容許人口上限。隨著人口自然增長，紅磡灣選區人口勢必超過法定上限，2019年區選後極大可能須再次重劃紅磡灣選區，極度擾民。

根據選管會的數據，若黃埔西選區保留海濱南岸第五及六座，其人口達20,658人，但仍未超出法定上限。另黃埔東選區人口只有16,629人，遠未觸及法定上限。因此，與其將海濱南岸「斬件」，將人口數字超標的危機由黃埔西選區推給同樣人口稠密的紅磡灣選區，我們建議選管會於2019年區議會黃埔西選區劃界中保留整個海濱南岸屋苑範圍，避免破壞海濱南岸完整性和紅磡灣選區於2023年再劃區的風險。

選管會於2019年後可再根據該區域人口流動情況，探討於2023年區議會劃界時將屋苑人口約1,000人的維港．星岸改劃去人口不足17,000人的黃埔東選區。將維港．星岸改劃入黃埔東選區後，相鄰三個選區的大小將與現時相若，及黃埔東住宅土地發展已飽和的情況下，將維港．星岸劃入黃埔東範圍有助平衡紅磡灣及黃埔西預計人口增長，並讓三個選區符合選管會標準人口基數要求，符合選管會的法定準則及工作原則。

2019年區議會選舉選區分界意見書

21/08/2018 10:20

From: [redacted]
To: eacenq@reo.gov.hk

敬啟者：

選舉管理委員會（選管會）現正就2019年區議會選舉選區分界建議進行諮詢，其中選管會建議將原在黃埔西選區內的海濱南岸第5及6座剔走，加入紅磡灣選區。本人對此表示強烈反對，反對原因有以下三點:

第一：破壞屋苑住戶聯繫

海濱南岸為一所擁有7座樓宇的私人屋苑，可是選管會建議海濱南岸第五及六座剔出黃埔西選區，令少部分居民被「踢走」於黃埔西選區之外。日後會出現同一屋苑的住戶即使面對同一個社區問題，卻要向兩個不同的區議員反映意見，難以聯繫屋苑內其他座數住戶向單一區議員表達意見，集中處理問題。

第二：破壞社區完整性

選管會將只佔海濱南岸整體面積2成多的第5及6座剔出黃埔西選區，將令黃埔西選區形狀更為「畸形」。除大型屋苑如黃埔花園、大古城和美孚新邨外，選管會過去規劃選區多數以整個私人屋苑範圍作為基礎規劃選區範圍，以現時紅磡灣選區為例，選區便包括整個紅磡灣中心及整個半島豪庭等等中型屋苑，便利居民和區議員就整體屋苑的社區事務和發展交流意見。選管會如果將佔整個屋苑面積少於3成的海濱南岸第5及6座改劃到其他選區，此絕對是錯誤的決定，破壞屋苑社區發展及令屋苑居民產生對選區範圍混淆。

第三：人口錯配極度擾民

根據選管會諮詢文件內的法定準則，任何一個選區的人口不應超出20,749人。但根據選管會的預測，改劃後的紅磡灣選區人口達20,510人，極為接近法定可容許人口上限。隨著人口自然增長，紅磡灣選區人口勢必超過法定上限，2019年區選後極大可能須再次重劃紅磡灣選區，極度擾民。

根據選管會的數據，若黃埔西選區保留海濱南岸第五及六座，其人口達20,658人，但仍未超出法定上限。另黃埔東選區人口只有16,629人，遠未觸及法定上限。因此，與其將海濱南岸「斬件」，將人口數字超標的危機由黃埔西選區推給同樣人口稠密的紅磡灣選區，我們建議選管會於2019年區議會黃埔西選區劃界中保留整個海濱南岸屋苑範圍，避免破壞海濱南岸完整性和紅磡灣選區於2023年再劃區的風險。

選管會於2019年後可再根據該區域人口流動情況，探討於2023年區議會劃界時將屋苑人口約1,000人的維港．星岸改劃去人口不足17,000人的黃埔東選區。將維港．星岸改劃入黃埔東選區後，相鄰三個選區的大小將與現時相若，及黃埔東住宅土地發展已飽和的情況下，將維港．星岸劃入黃埔東範圍有助平衡紅磡灣及黃埔西預計人口增長，並讓三個選區符合選管會標準人口基數要求，符合選管會的法定準則及工作原則。

選舉管理委員會（選管會）現正就2019年區議會選舉選區分界建議進行諮詢，其中選管會建議將原在黃埔西選區內的海濱南岸第5及6座剔走，加入紅磡灣選區。本人對此表示強烈反對，反對原因有3點:

第一：破壞屋苑住戶聯繫

海濱南岸為一所擁有7座樓宇的私人屋苑，可是選管會建議海濱南岸第五及六座剔出黃埔西選區，令少部分居民被「踢走」於黃埔西選區之外。日後會出現同一屋苑的住戶即使面對同一個社區問題，卻要向兩個不同的區議員反映意見，難以聯繫屋苑內其他座數住戶向單一區議員表達意見，集中處理問題。

第二：破壞社區完整性

選管會將只佔海濱南岸整體面積2成多的第5及6座剔出黃埔西選區，將令黃埔西選區形狀更為「畸形」。除大型屋苑如黃埔花園、大古城和美孚新邨外，選管會過去規劃選區多數以整個私人屋苑範圍作為基礎規劃選區範圍，以現時紅磡灣選區為例，選區便包括整個紅磡灣中心及整個半島豪庭等等中型屋苑，便利居民和區議員就整體屋苑的社區事務和發展交流意見。選管會如果將佔整個屋苑面積少於3成的海濱南岸第5及6座改劃到其他選區，此絕對是錯誤的決定，破壞屋苑社區發展及令屋苑居民產生對選區範圍混淆。

第三：人口錯配極度擾民

根據選管會諮詢文件內的法定準則，任何一個選區的人口不應超出20,749人。但根據選管會的預測，改劃後的紅磡灣選區人口達20,510人，極為接近法定可容許人口上限。隨著人口自然增長，紅磡灣選區人口勢必超過法定上限，2019年區選後極大可能須再次重劃紅磡灣選區，極度擾民。

根據選管會的數據，若黃埔西選區保留海濱南岸第五及六座，其人口達20,658人，但仍未超出法定上限。另黃埔東選區人口只有16,629人，遠未觸及法定上限。因此，與其將海濱南岸「斬件」，將人口數字超標的危機由黃埔西選區推給同樣人口稠密的紅磡灣選區，我們建議選管會於2019年區議會黃埔西選區劃界中保留整個海濱南岸屋苑範圍，避免破壞海濱南岸完整性和紅磡灣選區於2023年再劃區的風險。

選管會於2019年後可再根據該區域人口流動情況，探討於2023年區議會劃界時將屋苑人口約1,000人的維港．星岸改劃去人口不足17,000人的黃埔東選區。將維港．星岸改劃入黃埔東選區後，相鄰三個選區的大小將與現時相若，及黃埔東住宅土地發展已飽和的情況下，將維港．星岸劃入黃埔東範圍有助平衡紅磡灣及黃埔西預計人口增長，並讓三個選區符合選管會標準人口基數要求，符合選管會的法定準則及工作原則。

意見申述 -《2019年區議會一般選舉選區分界及名稱臨時建議》

21/08/2018 18:20

From: [redacted]
To: eacenq@reo.gov.hk
Sent by: [redacted]

敬啟者：

選舉管理委員會（選管會）於2018年7月公佈題為《2019年區議會一般選舉選區分界及名稱臨時建議》之諮詢文件，當中提出改動九龍城區議會轄下黃埔西選區(G19)及紅磡灣選區(G20)的選區分界。本人選管會的改動建議，即將原在黃埔西選區內的海濱南岸第5及6座改劃加入紅磡灣選區的建議表示強烈反對，反對原因有3點：

第一：破壞屋苑住戶聯繫

海濱南岸為一所擁有7座樓宇的私人屋苑，可是選管會建議海濱南岸第五及六座剔出黃埔西選區，令少部分居民被「踢走」於黃埔西選區之外。日後會出現同一屋苑的住戶即使面對同一個社區問題，卻要向兩個不同的區議員反映意見，難以聯繫屋苑內其他座數住戶向單一區議員表達意見，集中處理問題。

第二：破壞社區完整性

選管會將只佔海濱南岸整體面積2成多的第5及6座剔出黃埔西選區，將令黃埔西選區形狀更為「畸形」。除大型屋苑如黃埔花園、大古城和美孚新邨外，選管會過去規劃選區多數以整個私人屋苑範圍作為基礎以規劃選區範圍，以現時紅磡灣選區為例，選區便包括整個紅磡灣中心及整個半島豪庭等等中型屋苑，便利居民和區議員就整體屋苑的社區事務和發展交流意見。選管會如果將佔整個屋苑面積少於3成的海濱南岸第5及6座改劃到其他選區，此絕對是錯誤的決定，破壞屋苑社區發展及令屋苑居民產生對選區範圍混淆。

第三：人口錯配極度擾民

根據選管會諮詢文件內的法定準則，任何一個選區的人口不應超出20,749人。但根據選管會的預測，改劃後的紅磡灣選區人口達20,510人，極為接近法定可容許人口上限。隨著人口自然增長，紅磡灣選區人口勢必超過法定上限，2019年區選後極大可能須再次重劃紅磡灣選區，極度擾民。

根據選管會的數據，若黃埔西選區保留海濱南岸第五及六座，其人口達20,658人，但仍未超出法定上限。另黃埔東選區人口只有16,629人，遠未觸及法定上限。因此，與其將海濱南岸「斬件」，將人口數字超標的危機由黃埔西選區推給同樣人口稠密的紅磡灣選區，我們建議選管會於2019年區議會黃埔西選區劃界中保留整個海濱南岸屋苑範圍，避免破壞海濱南岸完整性和紅磡灣選區於2023年再劃區的風險。

選管會於2019年後可再根據該區域人口流動情況，探討於2023年區議會劃界時將屋苑人口約1,000人的屋苑「維港．星岸」改劃去人口不足17,000人的黃埔東選區(G18)。將維港．星岸改劃入黃埔東選區後，相鄰三個選區的大小將與現時相若，及黃埔東住宅土地發展已飽和的情況下，將維港．星岸劃入黃埔東範圍有助平衡紅磡灣及黃埔西預計人口增長，並讓三個選區符合選管會標準人口基數要求，符合選管會的法定準則及工作原則。

綜合以上三點，現時諮詢文件中提及改動黃埔西選區及紅磡灣選區的選區分界的建議只是將黃埔西選區人口數字超標的危機推給同樣人口稠密的紅磡灣選區，既無法解決此兩區的人口數字面臨超標的問題，亦破壞海濱南岸住戶的社區聯繫。既然重劃建議只是解決選區人口數字超標的權宜方案，本人敦請選管會以維繫海濱南岸社區完整性為最大考量，擱置於2019年區議會黃埔西選區劃界中將海濱南岸第5及6座改劃加入紅

281(2)

磡灣選區，再於2019年後根據該區域人口流動情況，探討於2023年區議會劃界時將維港．星岸改劃入黃埔東選區。

此致

From: [redacted]

To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>

致選舉管理委員會秘書署,

1) 本人是九龍城沙浦道83號御豪門其中一位業主。根據本人擁有的地契顯示, 以上地址是屬九龍城區. 因此本人有理據相信, 應將上述地址納入九龍城選區。現時把地址納入黃大仙區, 是完全漠視地契的權威和作用.

2)將沙浦道83號納入黃大仙區, 是無理剝奪住在上址的市民應有的權利, 完全違反平等機會和公平公正的原則。為甚麼其他九龍城沙浦道的居民是屬於九龍城區議會選區, 唯獨沙浦道83號卻納入黃大仙區?

3)在1982年劃分地方行政區時, 沙浦道83號只是一片空地, 所以沒有人提出反對。而現在上述地址已建有一幢住着數百市民的大廈, 所以當時的劃分方法在今時今日已經不合時宜了。

基於上述三個理由, 本人現要求應將上述地址重新納入九龍城區議會選區.

謝謝.

小市民

2019 年區議會一般選舉選區分界及名稱臨時建議公眾意見

本人從新聞上得悉 貴會現就 2019 年區議會一般選舉選區分界及名稱臨時建議進行公眾諮詢活動。本人現就黃大仙區慈雲山正愛選區分界提出以下的意見。

1. 減低選民投票意欲

根據 2015 年區議會換屆選舉資料，竹園北的票站設於竹園體育館，而正愛區的票站則設於慈愛苑三期肖霞幼稚園。沙田坳邨與竹園體育館及肖霞幼稚園的步行距離分別為 800 米及 400 米，兩者距離相差一倍。選民若要前往竹園體育館，須途經斜度達 1：5 的沙田坳道；相反，選民只須途經平路的慈雲山道，則能到達肖霞幼稚園。從票站的地理位置而言，肖霞幼稚園較能增加選民投票意欲，鼓勵他們履行公民責任、參與選舉投票，建設公民社會。

2. 非主要支援角色

沙田坳邨居民主要是利用慈雲山區的民生設施，例如街市、銀行、公共交通工具、郵局、圖書館等，多於竹園區的設施。此外，根據房委會資料顯示，沙田坳邨由慈正邨屋邨辦事處一併管理。若租戶有任何租務問題，前往的是慈正邨辦事處，並非竹園南邨辦事處。由見可見，在黃大仙北分區的社區規劃上，早已劃定慈雲山為沙田坳邨的後援基地，若將沙田坳邨劃入竹園北的範圍內，並不合乎現時沙田坳邨居民的生活習慣，並不

31-JUL-2018 22:58 87% P.001

31-Jul-2018 22:36 From: [redacted] To: 25111682

283(2)

乎合乎當區情況。

3. 影響區議會對沙田坳邨的角色

現時沙田坳邨居民若有任何問題，主要是向正愛區議員尋求幫忙，例如早年該區議員曾積極處理手機訊號塔輻射問題，該區議員亦定期於沙田坳邨舉辦活動或講座，聯繫沙田坳邨居民，沙田坳邨居民亦早已習慣，當出現任何問題時，向正愛區議員尋求協助。若於此時將沙田坳邨劃分予竹園北，不論是兩區區議員、或沙田坳邨居民，亦要重新適應新的社區模式，對居民造成一定的不便或障礙。

4. 日後亦須重劃選區

前發展局局長陳茂波曾發表網誌，表示政府有意搬遷沙田坳邨附近的鑽石山食水及海水配水庫，並騰出 4 公頃的土地，預期興建 2500 個單位，供超過 6000 人居住。此外，於可立小學對面的一幅空地，亦已獲區議會同意興建海關職員宿舍。因此，預期在未來十年，慈雲山區將增加接近 7000 名居民，以此次電新規定選民的原則，日後勢必大規模地重劃選區。因此，現時並未有急切性及必要性重劃選舉。政府可藉未來數年，與慈雲山區不同持分者仔細研究，制訂合適的劃界建議，以有利慈雲山區的發展。

本人希望 貴會能認真考慮上述意見，並以當區居民、社區發展及推動公民社會為主要大原則，重新審視有關的建議。

慈雲山區居民 袁先生

《2019 年區議會一般選舉選區分界及名稱臨時建議》諮詢市民意見
有關 H15 竹園北選區分界事宜

本人為竹園北邨業主立案法團主席，現來函就最新選區分界建議反映意見，詳情如下：

根據選舉管理委員會(下稱：選管會)就 2019 年區議會一般選舉選區分界的臨時建議，沙田坳邨將轉編入本選區(H15 竹園北)，本人認為該建議弊多於利，深感選管會只為符合法例許可人口因素而作出劃分，除沒有認真考慮到區議員能否為選區居民作出適切的服務，更沒有考慮到選區的實際地理環境因素。對於沙田坳邨的居民亦極不公平，從選管會標榜考慮前提的「交通方便程度」來看，本邨與沙田坳邨相距 1.4 公里的斜坡，須時約 30 分鐘才能到達，沙田坳邨居民前來本邨尋求區議員服務絕不便利；即使設有專線小巴往來，亦無疑增加了居民不必要的經濟負擔。因此，本人認為該建議並不適合。

誠然，本法團早於 2011 年已去信選管會，反映竹園北邨選區分界的意見。竹園北邨作為一個租置計劃屋邨，共有 8 座樓宇，人口基數理應符合成為獨立選區，可惜選區分界卻偏強行將其中 2 座樓宇劃入「翠竹及鵬程」選區，嚴重破壞竹園北邨居民的獨特性、凝聚力及歸屬感。對於選管會的安排，本邨居民當年已極為不滿。

豈料是次選區分界建議，又再次發生不合適的改動。將不鄰近竹園北邨的沙田坳邨納入同一選區，實在未有深入考慮到區域的自然特徵及社區發展的因素。就以「搬遷鑽石山食水及海水配水庫往岩洞可行性研究」議題上，沙田坳邨居民與竹園北邨居民在見解及爭取考慮上明顯存在差異；面對同一選區內兩種截然不同的意向考慮，作為當區區議員實在難以妥善平衡各方利益及意見。

284(2)

竹園北邨業主立案法團
The Incorporated Owners of Chuk Yuen (North) Estate

再者，按照選管會提倡分界會盡量保持不變的考慮，如是次因應 H18(正安)及 H19(慈雲東)兩個選區預計人口超出法例許可上限，而涉及五個選區的分界改動，未免有違選管會的提倡；根據「黃大仙區的臨時建議概要」，鄰近 H19(慈雲東)的 H05(鳳德)選區，標準人口基數偏離百分比為-5.98%，在各個考慮因素包括人口基數、交通便利、發展及減少選區分界改動等，明顯更適合納入是次的選區分界改動的考慮範圍內，從而令受影響的選區分界從五個縮減至三個。

對於選管會有關 H15 竹園北選區的分界建議，本法團特此表示強烈不滿及反對。議員服務市民是以人為本，而選區劃界是以服務為本，而　貴會只以人口限制劃分，完全不考慮地理限制及服務存在對立因素，有違區議員服務市民的本質。因此，我們要求撤回有關劃界建議。

郵遞及電郵信件

反對黃大仙區 H02,H07 及 H09 一組 2019 暫定選區界，
要求保留 2015 年原有劃界，並提出反建議方案

本人為黃大仙區 H09 東美選區區議員施德來，本人反對黃大仙區 H02,H07 及 H09 一組的 2019 年區議會一般選舉暫定選區範圍的劃界，提出以下理據要求保留 2015 年原有劃界，並向選管會作反建議，請選管會作出考慮。

選管會現時的建議的暫定選區範圍

選區	2015 年選區人口	選區範圍包括	2019 年建議選區人口	暫定選區改動
H02 龍下	12901 (-23.95%)	黃大仙下邨(一區)	15363 (-7.45%)	加入原屬 H09 東美選區的啟德花園。
H07 新蒲崗	21677 (+27.78%)	新蒲崗、采頤花園	20022 (+20.62%)	剔除新蒲崗衍慶街一帶私人樓宇改撥入 H09 東美選區
H09 東美	17580 (+3.63%)	美東邨、衙前圍及東頭邨(部分)及啟德花園	17683 (+6.53%)	啟德花園更為撥入 H02 龍下選區。 由 H07 新蒲崗加入衍慶街一帶私人樓宇。

觸及這次改動選區劃界主要有兩個原因：
1. H02 龍下在 2019 年的預計人口會低於法例許可下限。
2. H07 新蒲崗在 2019 年的預計人口會高於法例許可上限。
3. 按 2019 年建議的人口基數是 16599 人，許可基數幅度為 12449 至 20749 人。
4. 受變動的啟德花園(按龍下選區 15363-12901=2462)估計約為 2500 人口
5. 受變動的新蒲崗衍慶街一帶私人樓宇(按東美選區 17683-17580+2500)估計約為 2600 人

285(3)

本人反對理由如下：

1. **H02 龍下選區只略低於法例許可的下限，選區有多年社區獨特性，沒有重劃必要性**
H02 龍下在 2015 年的預計人口為 12901 人，亦略高於 2019 年建議的許可人口幅度下限。因此，本人相信即使 H02 龍下的選區劃界不變，亦只會以極少的人口幅度略低於法例許可的下限。因此，H02 龍下的選區重劃必要性較低。H02 龍下在 2007 年起一直以完整的屋苑黃大仙下邨(一區)為其社區獨特性，有自身選區內的社區聯繫。因此無重劃必要。
2. **繼續接受 2015 劃界結論的 H07 新蒲崗選區有獨特社區完整性及地方聯繫**
H07 新蒲崗在 2015 年預計人口的已超出法例許可的上限(+27.78%)，即使繼續保留新蒲崗衍慶街一帶私人樓宇(約為 2600 人口)。在 2019 年的選區人口估計約為 22600 人口(+36.15%)。雖然人口是超出法例許可的上限，但《2015 年區議會選舉選區分界建議報告書》在制定 H07 新蒲崗選區超出法例許可的上限時，堅持「須保持社區完整性及地方聯繫」(附錄 V,224 頁)為理據、維持 2015 年的新蒲崗選區劃界不變。我期望選管會繼續堅守此原則，剔除重劃 H07 新蒲崗的選區劃界建議。
3. **維持新蒲崗社區完整性，減少分割對服務及居民的影響**
H07 新蒲崗本為完整的社區。基於人口增加，現時已分別由 H07 新蒲崗及 H08 東頭選區作劃分。倘若選管會建議的方案再將新蒲崗衍慶街一帶私人樓宇納入 H09 東美選區。新蒲崗區則將會由 2 個變為分屬 3 個區議會小選區，對居民及社區服務有影響，亦有違社區獨特性、地方聯繫的維持及區域自然特徵。
4. **避免對啟德花園又再調動選區的困擾**
H09 東美的啟德花園共有 5 座 1200 戶，人口約為 2500 人。啟德花園於 1997 年屋苑落成後，曾為 H02 龍下選區，但自 2007 年起納入在 H09 東美選區內。這安排已經維持超過 10 年。今次劃界諮詢將啟德花園又再調動選區，對屋苑及居民造成困擾。而可預見 2023 年區內人口又再有大變動，屆時又或要再重劃選區，對一個人口較少的小屋苑十分困擾。加上啟德花園原屬的 H09 東美選區人口亦十分接近法例的基準，因此亦沒有重劃選區分界的必要。
5. **黃大仙 2019 手沒有重大人口變動，亦沒有新增議席，應避免重劃選區**
黃大仙區人口在 2019 年沒有重大變動，亦沒有新增議席，重劃選區的必要性較低。然而在此組選區的 H09 東美選區內的房委會美東邨重建計劃，居民將於 2020 年遷出。吐鄰此組選區重劃的 H08 東頭選區有一新公屋邨近 1000 伙將於 2020 年入伙。吐鄰 H07 新蒲崗的 H06 龍星選區房委會有大磡村發展計劃在 2020 起陸續入伙。屆時在 2023 年的人口變動較大，或許有新增議席，才處理選區分界的重劃，這樣可免除居民每屆分屬不同選區的煩擾。

因此，本人反對此組 H02,H07 及 H09 的暫定選區範圍建議，希請選管會接納，並剔除重劃此組選區分界。

雖然本人認為選區劃界不要為**最理想安排**。然而亦理解 H02 龍下選區低於人口下限，H07 新蒲崗人口倘若劃界不變則會有約 22600 人口(+36.15%)並不理想。當中我認為盡量解決 H07 選區過多人口為較重要。因此，我在此亦提出 2 項反建議予選管會作一併考慮。

285(4)

方案一：將建議在 H07 新蒲崗劃出的衍慶街一帶私人樓宇(約 2600 人)及彩虹道遊樂場等改撥入 H02 龍下選區。H09 東美選區及其餘選區維持 2015 年選區劃界不變。

特點及好處：

1. 符合法例要求對處理低於人口下限的 H02 龍下選區及高於人口上限的 H07 新蒲崗選區，令該兩個選區能符合法例的許可人口幅度。
2. 只涉及兩個選區的劃界變動，較選管會提出變動三個選區的劃界影響更少。
3. 令受是次劃界影響的人口由選管會建議方案的約 5100 人，減為 2600 人。
4. 此方案令 H02 龍下選區包括：黃大仙下邨(一區)、彩虹道遊樂場及新蒲崗衍慶街一帶私人樓宇。這選區範圍內的居民有天橋接駁、亦有公眾康體設施，劃界範圍生活圈集中，樓齡均是超過 30 年的成熟社區，有社區聯繫性。
5. 避免位於 H09 東美選區的啟德花園經常被重劃隸屬不同選區。
6. 預計在下一輪 2023 年的選區劃界檢討時，有減少變動劃界的作用。

方案一的具體劃界建議：

由於 H02 龍下選區的許可人口低於基準下限，而 H07 新蒲崗選區的許可人口高於基準上限。因此，建議將諮詢方案中的位於 H07 新蒲崗衍慶街一帶約十幢近 2600 人口的私人樓宇，連同彩虹道遊樂場、香港考試及評核局及畜色園可立中學一併劃入 H02 龍下選區。受劃界影響只涉及 H02 龍下及 H07 新蒲崗兩個選區，影響人口減為 2600 人，並**符合法例要求令 H02 及 H07 兩個選區都符合法例許可的人口幅度。**

選區	選管會方案的 2019 年建議選區人口	選管會方案的暫定選區改動	方案一的 2019 年建議選區人口	方案一的選區劃界改動
H02 龍下	15363 (-7.45%)	加入原屬 H09 東美選區的啟德花園。	約 15500 (-6.62%)	加入原屬 H07 新蒲崗衍慶街一帶私人樓宇，連同彩虹道遊樂場等。
H07 新蒲崗	20022 (+20.62%)	剔除新蒲崗衍慶街一帶私人樓宇改撥入 H09 東美選區	20022 (+20.62%)	按選管會方案將新蒲崗衍慶街一帶私人樓宇，連同彩虹道遊樂場等一併改劃到 H02 龍下選區
H09 東美	17683 (+6.53%)	啟德花園更為撥入 H02 龍下選區。 由 H07 新蒲崗加入衍慶街一帶私人樓宇。	17580(按 2015 年人口數字) (+5.91%)	選區劃界按 2015 年的劃界不變

(參見附圖一：方案一的劃界圖)

285(5)

方案二：只將 H07 新蒲崗衍慶街一帶私人樓宇(約 2600 人)加入到 H09 東美選區。其餘維持 2015 年選區劃界不變。

特點及好處：

1. 符合法例要求對處理高於人口上限的 H07 新蒲崗選區的重劃
2. 接納 H02 龍下選區在極略低於許可幅度(估計為基數-26%)以維持其社區獨特性。
3. H09 東美選區在加入新蒲崗衍慶街一帶私人樓宇(約 2600 人)後，人口為由 2015 年估計的 17580 人，增至 20180 人(+21.57%)，符合法例許可的基數。
4. 只涉及兩個選區的劃界變動，較選管會提出的三個選區的劃界變動更少。
5. 令受是次劃界影響的人口由選管會建議方案的約 5100 人，減為 2600 人。
6. 避免位於 H09 東美選區的啟德花園經常被重劃隸屬不同選區。
7. 預計在下一輪 2023 年的選區劃界檢討時，有減少變動劃界的作用。

方案二的具體劃界建議：

H02 龍下在 2015 年的預計人口為 12901 人，亦略高於 2019 年建議的許可人口幅度下限。因此，本人相信即使 H02 龍下的選區劃界不變，亦只會以極少的人口幅度略低於法例許可的下限。在接受 H02 龍下選區有其社區獨特性而允許低於基準人口幅度下限為前提，並減少選區劃界涉及選區數目及人口的影響。**因此，只按選管會提出的方案上，接納啟德花園不應經常被調動選區**，保留啟德花園在原屬的 H09 東美選區，使 H09 東美選區在加入新蒲崗衍慶街一帶私人樓宇(約 2600 人)後，人口為由 2015 年估計的 17580 人，增至約 20180 人(+21.57%)，符合法例許可的基數。而 H07 新蒲崗選區則按選管會提出的方案不變。

選區	選管會方案的 2019 年建議選區人口	選管會方案的暫定選區改動	方案二的 2019 年建議選區人口	方案二的選區劃界改動
H02 龍下	15363 (-7.45%)	加入原屬 H09 東美選區的啟德花園。	約 12901(按 2015 年人口數字) (約-22.27%)	選區劃界按 2015 年的劃界不變
H07 新蒲崗	20022 (+20.62%)	剔除新蒲崗衍慶街一帶私人樓宇改撥入 H09 東美選區	20022 (+20.62%)	選區劃界按選管會建議方案不變
H09 東美	17683 (+6.53%)	啟德花園更為撥入 H02 龍下選區。 由 H07 新蒲崗加入衍慶街一帶私人樓宇。	約 20180 (約+21.57%)	保留啟德花園在 H09 東美選區。 並按選管會的建議，由 H07 新蒲崗加入衍慶街一帶私人樓宇。

(參見附圖二：方案二的劃界圖)

285(6)

在此結論重申，並 1)由於黃大仙區議會並沒有新增議席，因此最理想方案應是無須重劃選區；2)而提出上述兩個反建議均較選管會提出的方案為佳，因為：影響選區數目由 3 個減至 2 個，影響人口由 5100 人減至 2600 人；3)按法定準則要求，盡可能令各選區均符合法例許可的人口幅度，作出要求保留原有劃界及提出反建議方案。因此，懇請選舉管理委會接納本人意見保留 2015 年選區劃界不變及仔細考慮兩個劃界的反建議方案。如有查詢，可致電 [redacted] 與本人施德來聯絡

此致

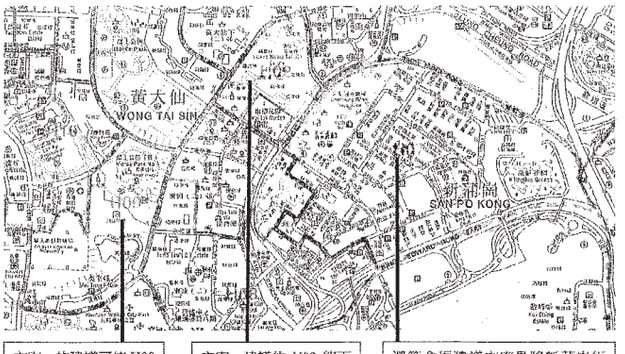
選舉管理委員會

黃大仙區議會
H09 東美選區
施德來區議員

二零一八年八月十三日

285(7)

附圖一：方案一的劃界圖



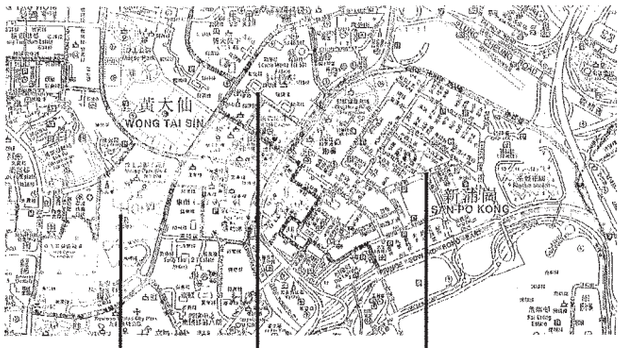
方案一的建議可使 H09 東美選區的界線維持 2015 年選區分界不變，從而減少受劃界影響的選區數目(3 個減至 2 個)及人口(5100 人減至 2600 人)

方案一建議的 H02 龍下界線(黃色所示)
加入原屬 H07 新蒲崗衍慶街一帶私人樓宇，連同彩虹道遊樂場等。
H02 龍下選區人口升至法例許可的範圍內。

選管會原建議方案是將新蒲崗衍慶街一帶剔出 H07 選區。
方案一是將選管會建議的新蒲崗衍慶街一帶，連同彩虹道遊樂場等一併納入在 H02 龍下選區。
H07 新蒲崗選區人口降至法例許可的範圍內。

285(8)

附圖二：方案二的劃界圖



方案二將啟德花園保留在 H09 東美選區。並按選管會的建議，由 H07 新蒲崗加入衍慶街一帶私人樓宇。(黃色所示)H09 東美選區人口仍可維持在法例許可的範圍內。而受劃界影響的人口則可由 5100 人減至 2600 人。

方案二的建議允許 H02 龍下選區略低於人口許可下限，以維持 2015 年選區分界不變，從而減少受劃界影響的選區數目(3 個減至 2 個)及人口(5100 人減至 2600 人)

方案二的 H07 新蒲崗選區劃界，是按選管會提出的建議方案不變，使 H07 新蒲崗選區人口降至法例許可的範圍內

此為範本申述共 314 份(序號 286 – 599)

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，被來踢去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。
4. 請保留啟德花園原屬的 H09 東美選區

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍，因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦避免盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區，因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 鑽下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 鑽下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 鑽下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區，我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍，因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區，我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍，因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區，因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區，而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍，因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心，家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區，因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦避盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍，因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

要求保留啟德花園在原屬的 H09 東美選區

致：選舉管理委員會主席馮驊

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

我是黃大仙彩虹道啟德花園居民。選舉管理委員會於 2018 年 7 月 23 日公布 2019 年區議會一般選舉選區分界，計劃將我居住的啟德花園，由原屬黃大仙 H09 東美選區，改劃到 H02 龍下選區。我並不同意，要求保留在原屬的 H09 東美選區，提出以下理由：

1. 啟德花園曾為 H02 龍下選區，但自 2007 年起已由 H02 龍下選區改劃到 H09 東美選區。今次又再重新改劃回 H02 龍下選區，令我們好像「人球」般，搬來搬去，無所適從；
2. 啟德花園與 H09 東美選區的社區聯繫性強，啟德花園有大成街街市，部分居民的家人都住在 H09 東美選區的東頭邨，東頭邨內設有的長者中心、家庭服務中心等亦屬啟德花園服務範圍。因此保留啟德花園在原有 H09 選區，有助維持社區獨特性、地方聯繫性及自然特徵；
3. H09 東美選區預計人口在許可幅度範圍內，沒有需要修改現有分界的必要性，亦應盡量避免在改劃界線時涉及在許可人口幅度內的 H09 東美選區。因為即使 H02 龍下人口低於許可下限及 H07 新蒲崗人口超過許可上限，但 H02 龍下選區及 H07 新蒲崗選區已屬有相連的毗鄰選區，選管會的處理方法應只從 H07 新蒲崗選區調動部分界線予 H02 龍下選區。而無須變動啟德花園所屬的 H09 東美選區界線。

選舉管理委員會
主席 馮驊法官 台鑒：

對2019區議會選區分界臨時建議(黃大仙區)的意見

根據 貴委員會公布的 2019 區議會選區分界臨時建議，雖然黃大仙區的人口與 2015 年區議會選舉相比沒有明顯的變化，而民選議席亦維持於 25 個，卻仍然有 8 個選區的劃區分界有所改動，對於相關的選區劃界建議，東九龍居民委員會（下稱『本會』）有以下的觀點：

（1）對於選管會嚴格執行人口多寡為選區劃分的主要準則，本會予以理解，但若因此而忽視了社區的完整性，則是不顧現實，也會引來諸多無謂的指摘；

（2）將新入伙的綠置居景泰苑加入於 H07 選區（新蒲崗區）是適合的安排，將原區部分劃予 H09（東美區），雖是無奈，但不失為一個影響最小的建議；

（3）將 H09（東美區）的啟德花園劃入 H02（龍下區），動作雖大，但今到啟德花園及黃大仙下鄉一的社區重而歸一（多年前此兩屋苑原屬同一選區），算是撥亂反正的建議；

（4）H16（慈雲西區）、H17（正愛區）、H18（正安區）及 H19（慈雲東區）幾個慈雲山選區因人口不平均而致重劃，本屬無可厚非，但卻為此影響至相隔一座山頭的 H15（竹園北區），委實是匪而所思，令人瞠目結舌；

（5）H15（竹園北區）在 2015 年區議會選舉時，人口估算為 16,098 人，雖比選區所需人口標準小 5.1%，但亦合乎準則而無須變動。如今不但有變，更是將原屬慈雲山區的沙田坳邨之兩幢樓宇，翻山越嶺的劃過來，相信不但沙田坳邨的居民不願意，竹園北邨的居民也覺得摸不著頭腦。

總括而言，對選區合理變動本會並不抗拒，但選管會在重劃選區時除了考慮人口因素外，也必須要顧及實際的地域分界、居民的生活習慣、社區的完整性、道路網絡的暢通性等等其他客觀因素，才可將影響面減至最低。

未來數年，大磡村用地發展將有逾萬居民遷入，黃大仙又須要面對選區的重劃，期望選管會可以汲取經驗，在下次重劃選區時有更周詳的考慮，避免社區因選區重劃而出現矛盾和對立，影響社區的和諧性。

就2019年區議會一般選舉選區分界臨時建議提出意見
[redacted] to: eacenq@reo.gov.hk 19/08/2018 11:39

選舉管理委員會 主席
馮驊法官，GBS
馮主席：

本人就2019年區議會一般選舉選區分界臨時建議有以下意見：

本人建議一併調整及改動黃大仙區選區H06(龍星)、選區H20(瓊富)、選區H24(池彩)及選區H25(彩虹)的選區劃界，以更符合法例許可幅度的預計人口及更顧及社區獨特性及地方聯繫的維持。

根據法定準則，選舉管理委員會應確保各建議區人口盡量接近標準人口基數，即16 599人，而選管會亦須確保該選區的人口偏離標準人口基數不超出25% (即12449人至20749人的幅度之內)。此外，選管會須顧及社區獨特性及地方聯繫的維持，以及有關區域的自然特徵(例如大小、形狀、交通方便程度及發展等)。

按選區分界建議圖於2015年的原區界，選區H06(龍星)及選區H20(瓊富)在2019年的預計人口都高於標準人口基數及接近法例許可的上限，選區H06(龍星)的標準人口基數偏離百分比是+15.46%(19166人)，而選區H20(瓊富)為+13.50%(18840人)。反之，選區H24(池彩)及選區H25(彩虹)在2019年的預計人口都低於標準人口基數，分別是選區H24(池彩)為-2.39%(16202人)及選區H25(彩虹)為-10.59%(14841人)，當中選區H25(彩虹) 2019年的預計人口亦接近法例許可的下限。為了縮少選區H06(龍星)及選區H20(瓊富)人口與標準人口基數的差距，並維持選區H24(池彩)及選區H25(彩虹) 2019年的預計人口符合法例許可，本人建議將選區H24(池彩)原區界內的彩虹邨丹鳳樓及紫薇樓轉編入鄰近的選區H25(彩虹)，及同時將選區H06(龍星)原區界內的帝峯豪苑及選區H20(瓊富)原區界內的瓊軒苑轉編入鄰近的選區H24(池彩)。

其次，本人上述的改劃建議選區範圍亦顧及社區獨特性及地方聯繫的維持。彩虹邨在2015年的原區界被劃分為選區H24(池彩)及選區H25(彩虹)，此安排本身已破壞彩虹邨的完整性及社區獨特性，加上彩虹邨周邊在2019年亦不會有其他新增人口，因此將選區H24(池彩)原區界內的彩虹邨丹鳳樓及紫薇樓轉編入鄰近的選區H25(彩虹)更為顧及彩虹邨社區獨特性及地方聯繫的維持，並更顧及區域的自然特徵。

至於選區H06(龍星)原區界內的帝峯豪苑及選區H20(瓊富)原區界內的瓊軒苑在地理位置上非常接近選區H24(池彩)，甚至比原選區更為接近；加上選區H20(瓊富)將會有新公屋落成及選區H06(龍星)附近將有大磡村公屋和居屋發展，相信日後亦會有部份人口編入選區H06(龍星)內，因此將位於弁山道的帝峯豪苑及位於瓊東街的瓊軒苑一併轉編入選區H24(池彩)在更顧及社區獨特性、地方聯繫的維持及區域的自然特徵外，亦可應對選區H06(龍星)及選區H20(瓊富)未來的選區人口變化。

601(2)

本人希望選舉管理委員會能夠積極考慮上述改劃建議選區的建議。如對以上事宜有任何查詢，請致電[redacted]與本人聯絡。

胡志健

強烈要求松、柏園樓劃歸竹園北選區

維持社區完整性　反對沙田坳邨劃入竹園北選區

選管會就 2019 年區議會一般選舉選區分界的臨時建議，把沙田坳邨將轉編入竹園北選區(H15)，而沒有將竹園北邨松園樓和柏園樓劃歸竹園北選區，對此本會表示強烈反對，理由如下：

1. 劃區沒有首先考慮社區完整因素

竹園北邨一共 8 座樓宇，人口數目足夠成為獨立選區，多年來，居民對選管會將盈福苑與竹園北邨其中六座劃成個選區，卻將松園樓及柏園樓劃入翠竹及鷗程選區，深感困惑。今次選管會將沙田坳邨劃入竹園北選區，卻不將松園樓、柏園樓劃返竹園北選區，以保持社區完整性，引起居民深深不滿。本會認為，貴會應考慮將松園樓及柏園樓劃入竹園北選區，我們的建議，竹園北選區(H15)與翠竹及鷗程選區(H13)均沒有偏離標準人口基數。

2. 劃區沒有考慮歷史因素和實際地理環境因素

沙田坳邨自建邨以來都是屬於慈雲山區，與竹園北邨各有其區域自然特徵及社區發展的因素。加上竹園北邨與沙田坳邨相距 1.4 公里的斜坡，路程相距 30 分鐘，如無必要，沙田坳邨居民與竹園北邨居民不相往來，導致兩邨居民對社區的而求取向往往南轅北轍。

若強將沙田坳邨改劃竹園北選區，不但容易令居民混淆和社區矛盾，若區議員找不到大家滿意方案紓緩矛盾，會令居民有被邊緣化的感覺，埋藏社區不穩定因素。

面對同一選區內兩個不同意向，貴會必需以人為本，深入考慮區域的自然特徵及社區發展、實際地理環境因素以及完整性，本會請重新考慮其有關劃界建議。

特此來函提出意見及建議：強烈要求松園樓、柏園樓劃歸竹園北選區，反對沙田坳邨劃入竹園北選區，確保維持社區完整性及社區歷史因素。

就 H07 新蒲崗選區劃界意見

選委會公布「2019 年區議會擬議選區的分界及名稱的臨時建議」結果，按選區分劃的法定準則以 16599 人作為標準人口的基數，每個選區的預計人口則不能超過標準人口基數 25% 的上下限。 按此計算，目前新蒲崗選區的人數已超出上限，本人對選區被剔劃予以理解。

然而，按目前選管會建議把部分新蒲崗區舊私樓劃去，對本人而言感到無奈與不捨。畢竟已服務多年，與各個法團、互委會及各街坊透過協助維修、召開法團會議、提供服務等建立了深厚的友情。對於是次的區議會臨時選區劃分，只能無奈接受。雖然部分樓宇於選區劃分後已不再屬於 H07，但按整個新蒲崗社區完整上，我仍願意繼續為他們提供協助，讓居民繼續有社區歸屬感。

對於新落成的景泰苑被納入 H07 選區及采頤花園繼續保留，本人表示歡迎，並會協助景泰苑居民融入社區，希望選管會繼續關注大磡村在發展後社區人口的變化，作出周詳妥善安排。

順頌

604(3)

就 2019 年區議會一般選舉選區分界及名稱之建議
相關區議會：黃大仙區

建議更改分界之選區	預計人口 (偏離百分比)	建議更改詳情	考慮因素	整體考慮
H07 新蒲崗	19,112 (-15.20%)	統一以崇齡街劃作選區分界，把東頭大廈及永樂樓一併劃出。	統一以崇齡街劃界，保持社區完整性及選區形狀容易辨認。	統一以崇齡街及東頭邨劃界，更能清晰劃分選區分界，同時令各區形狀更自然及容易辨認。 同時，亦考慮到興建中的東頭邨第八期預計將於 2020 年中入伙，估計增加約 3,000 人至 H08，人口仍在許可範圍內。
H08 東頭	17,711 (+6.70%)	併入 H07 劃出之部份，同時把榮樓、偉東樓、柏東樓劃出。	保持啟德河以東而非 H07 之部份同區一選區，同時明確以東隧道劃分與 H09 之界線，保持社區完整性及選區形狀容易辨認。	
H09 東美	17,756 (+6.97%)	放寬選管會原建議由 H07 劃出之部份，同時把榮東樓、偉東樓劃入。	明確以東隧道劃分與 H08 之界線，保持社區完整性及選區形狀容易辨認。	
H13 鑽石山 鑽竹及鑽程	12,454 (-24.97%)	把松園樓、柏園樓劃出。	只包括鑽竹花園及鑽程苑，保持社區完整性及選區形狀容易辨認。	竹園北邨 8 座大廈中的 2 座大廈原期劃分到 H13 鑽竹及鑽程，有指社區完整性，松園樓及柏園樓居民亦較有關劃分有所不滿。 因此，考慮社區完整，應把松園樓及柏園樓劃入 H15 竹園北選區。即使預計人口稍為多於許可上限，亦應優先維護許可離度，情況與 J27 觀塘城 (+49.15%) 類同。
H15 竹園北	20,994 (+26.48%)	放寬選管會原建議由 H17 劃出之沙田坳邨部份，同時把松園樓、柏園樓劃入。	完整包括竹園北邨及盈福苑，保持社區完整性及選區形狀容易辨認。	

604(4)

建議更改分界之選區	預計人口 (偏離百分比)	建議更改詳情	考慮因素	整體考慮
H16 慈雲西 → 慈樂	19,020 (+14.59%)	放寬選管會原建議由 H19 劃出之永發大廈、發強樓、寶明樓。	單一由完整的慈樂邨組成，保持社區完整性及獨特性。	安選管會預計，慈雲山 4 個選區在劃出沙田坳邨後，總預計人口仍然達到 80,935，偏離百分比由+16.99%至+24.37%，合計+87.59%，理應增設 1 個新選區，而非將不實或把增長人口勉強劃至鄰區。 從整體角度考慮劃選區，除維正邨人選慈航所可人口上限，必需分劃 2 個選區外；慈樂邨應該獨立劃作 1 個選區；慈樂苑部分住戶與邨內亦應該可以保持慈雲山西北部的之完整地劃作 1 個選區；至於輞轄里及清樹邨附一帶之私人樓宇亦可與接鄰之慈康邨組成 1 個選區；餘下的慈安苑及慈民邨，則可按地區情況與維正邨部份樓宇組成 1 個選區。 按上述劃分慈雲山為 5 個選區，各區預計人口在 14,057 至 19,020 之間，偏離百分比為-15.31%至+14.59%，適較原建議合理，各區鄰近地區亦有共通點保持社區完整性及獨特性。
H17 平安 → 慈愛	18,417 (+10.95%)	收回放寬選管會原建議劃出之沙田坳邨部份，同時劃出正德樓、正和樓、正怡樓。	完整包括沙田坳邨及慈愛苑，保持社區完整性及獨特性。	
H18 平安 → 慈正	16,089 (-3.07%)	從 H17 收回正滑樓、正和樓、正怡樓，同時劃出正明樓、正順樓、正安樓、安慶閣。	單一由維正邨（大部份）組成，保持社區完整性及獨特性。	
H19 慈雲中	15,610 (-5.96%)	結合 H18 及 H20（原 H19 慈雲東）劃出之部份。	包括維正邨（小部份）、完整的慈安苑及慈民邨，保持社區完整性及獨特性。	
H20 慈雲東 → 慈雲南	14,057 (-15.31%)	由原 H19 慈雲東劃出慈民邨、安欣閣，同時收回選管會原建議由 H19 劃出之永發大廈、發強樓、寶明樓。	完整包括慈康邨及輞轄里	15.31%至+14.59%，適較原建議合理，各區鄰近地區亦有共通點保持社區完整性及獨特性。 在新建議選區劃分下亦重個將社區完整性及獨特性。
H21 慶盛	18,840 (-13.50%)	更改選區代號。	配合慈雲山及彩虹、彩雲之選區重整。	-

604(5)

建議更改分界之選區	預計人口 (偏離百分比)	建議更改詳情	考慮因素	整體考慮
H21 彩霧東	- (-%)	選區分拆及併入 H22 及 H23。	選區整合以保持社區完整性及獨特性。	按選舉會預計，彩虹、彩霧 5 座選區總預計人口為 71,194，偏離百分比由-2.39%至-24.28%，合計-71.09%，理應劃減 1 個選區。
H22 彩霧南	20,011 (+20.56%)	從原 H21 選舉事劃入明園樓、啟業樓、彩雅邨，同時由 H23 劃入王亨樓、禮賓樓。	完整包括彩雅邨、彩霧（二）邨及清水灣道以南之彩霧（一）邨部份，保持社區完整性及選區形狀容易辨認。	從整體角度再規劃選區，彩霧 3 個選區應該整合為 2 個選區，在人口估算後，可以清水灣道把彩霧（一）邨劃為 2 區，清水灣道以南之彩霧（一）邨部份與彩霧（二）邨及彩雅邨組合成 1 選區；清水灣道以北之彩霧（一）邨部份與明園花園、豐盛街完整包括明園花園、豐盛街紀律部隊宿舍及晚翠苑組合成另 1 選區。
H23 彩霧西 → 彩霧北	20,140 (+21.33%)	從原 H21 慈雲東劃入明雅花園、豐盛街紀律部隊宿舍、峻弦，同時把王亨樓、禮賓樓劃出。	完整包括明雅花園、豐盛街紀律部隊宿舍、峻弦及清水灣道以北之彩霧（一）邨部份，保持社區完整性及選區形狀容易辨認。	至於，彩虹邨及牛池灣，過往一直把月鳳樓、紫薇樓由彩虹邨劃至牛池灣，以平均 2 區人口，略在考慮社區完整性、獨特性及選區形狀容易辨認下，應該把月鳳樓、紫薇樓劃回彩虹邨，使彩虹邨獨立劃作 1 個選區；餘下牛池灣自成 1 個選區，即使如此劃分，2 個區議會人口仍然在許可範圍內。
H24 港彩 → 牛池灣	12,843 (-22.63%)	把月鳳樓、紫薇樓劃出。	配合 H25 之整合，保持社區完整性、獨特性及選區形狀容易辨認。	
H25 彩虹	18,200 (+9.65%)	把月鳳樓、紫薇樓劃入。	單一由完整的彩虹邨組成，保持社區完整性及獨特性及選區形狀容易辨認。	按上述劃分彩虹、彩霧為 4 個選區，各區預計人口在 12,843 至 20,140 之間，偏離百分比為-22.63%至+21.33%，符合人口許可範圍，各區預在新建議選區劃分下亦更能保持社區完整性及獨特性，尤其彩霧（二）邨 5 座樓宇再無需被劃歸 3 個不同選區。

強烈反對沙田坳邨劃入竹園北選區

選管會就 2019 年區議會一般選舉選區分界的臨時建議，把沙田坳邨將縛煽入竹園北選區(H15)，對此本會表示強烈反對，理由如下：

1. 劃區沒有首先考慮社區完整因素

竹園北邨一共 8 座樓宇，人口數目足夠成為獨立選區，多年來，居民對選管會將盈福苑與竹園北邨其中六座劃成個選區，卻將松園樓及柏園樓劃入【翠竹及鵬程選區】深感困惑；今次選管會重劃竹園北選區，將沙田坳邨劃入竹園北選區，令竹園北選區支離破碎之餘更是跨越山頭到慈雲山區，猶如一頭四不像。最理想的做法自然是將松園樓、柏園樓劃回竹園北選區，但此舉將令【翠竹及鵬程選區】的人口僅餘 11,000 人，嚴重低於選區人口基數的下限，故此本會認為站在保持社區的完整性，及符合選區標準人口基數的準則下，H15 竹園北選區應維持現狀不變。

2. 劃區沒有考慮歷史因素和實際地理環境因素

沙田坳邨自建邨以來都是屬於慈雲山區，與竹園北邨各有其區域自然特徵及社區發展的因素；加上竹園北邨與沙田坳邨相距 1.4 公里的斜坡，路程相距 30 分鐘，如無必要，沙田坳邨居民與竹園北邨居民互不相往來，導致兩邨居民對社區的訴求取向往往南轅北轍。

選管會若然強將沙田坳邨劃入竹園北選區，不但容易令居民混淆和社區矛盾，更會令該邨居民有被邊緣化的感覺，埋藏社區不穩定因素。

面對同一選區內兩個不同意向， 貴會必需以人為本，深入考慮區域的自然特徵及社區發展、實際地理環境因素以及完整性，本會誠盼重新考慮其有關劃界建議。

特此來函提出意見及建議：強烈反對沙田坳邨劃入竹園北選區，維持竹園北選區的現時劃界。

反對沙田坳邨劃入竹園北選區

選管會就 2019 年區議會一般選舉選區分界的臨時建議，把沙田坳邨將轉編入竹園北選區(H15)，對此本會表示強烈反對。

竹園北邨一共 8 座樓宇，人口數目足夠成為獨立選區，但卻被劃分成為兩個選區（竹園北／翠竹及鶴徑），今次選管會重劃竹園北選區，將沙田坳邨劃入竹園北選區，令竹園北選區更加肢離破碎。

沙田坳邨自與竹園北邨各有其區域自然特徵及社區發展的因素；加上竹園北邨與沙田坳邨相距 1.4 公里的斜坡，路程相距 30 分鐘，社區連繫基本上不存在。

選管會若然強將沙田坳邨劃入竹園北選區，不但容易令居民混淆和社區矛盾，更會令該邨居民有被邊緣化的感覺。

為此，本會強烈反對沙田坳邨劃入竹園北選區，並要求保留現有竹園北選區的劃分，不要破壞社區的完整性。

選舉管理委員會主席
馮驊法官　台鑒：

反對重劃竹園北選區

本人對將沙田坳邨將轉編入竹園北選區(H15)表示強烈反對，希望選管會撤回建議，讓竹園北選區維持現狀！

沙田坳邨自建邨以來都是屬於慈雲山區，與竹園北邨各有其區域自然特徵及社區發展的因素；加上兩邨相隔整座山頭，社區消通聯繫不多，居民亦甚少往來，而兩邨居民對社區的訴求亦明顯各有分別。

面對同一選區內兩個不同的意向，本人認為選管會在劃分選區時必要考慮各個因素，包括區域的自然特徵及社區發展，實際地理環境以及完整性等因素在內。

本人選管會建議劃界不以為然，反對沙田坳邨劃入竹園北選區，以及要求維持竹園北選區。

致選管會

本人就上述選舉提出意見

區號: 觀塘

1) 支持新加安置, 安達及後翔選區, 維
1A) 反對安達導其中兩個標字劃入J13, 因會破壞社區的完整性, 而且J13人口已經達到16,599人, 再加上安達會減慶超出選管會的基數
1B) 支持安泰導明泰, 恩泰及康泰劃入J10安翔選區, 因順安及康翔有非常多戶家是已經遷出, 而且安翔皆未滿到16,599人, 當可以加入安泰等3座樓宇, 以達致平衡

2) 反對將啟明大廈劃入J20平田, 因啟明大廈是屬置, 平田邨及安田都是公屋, 而且管理方式不同, 是社區完整的大破壞

希望選管會能接納本人的建議, 多謝!

Best Regards
Lau Siu Tin

選舉事務委員會

本人據此要求，將觀塘翠屏邨重新規劃成兩個選區，即翠屏南及翠屏北，取代現有J01觀塘中心及J29翠屏，以集中服務翠屏南邨及翠屏北邨，而非觀塘工業區，同時毋須將一邨分拆到不同選區。

本人據此盼望上述建議獲得通過及落實，謝謝。

唯如上有錯漏，敬希見諒。

陳先生

就重新區選劃區我有意見
[redacted] to: eacenq@reo.gov.hk 26/07/2018 21:41

你好，就重新區選劃區我有以下想法，希望向你們反映一下，
我是油塘高俊苑居民，原本區議會選區是J21(油塘東)，
這區近幾年也沒新屋村入伙，我不明白為何在重新劃定的區議會選區，竟然要成新增選區一俊翔（高俊苑及翔翔苑）？我知道觀塘區人口多了，但主要是秀茂坪一帶，另一問題來了，我個人覺得，從地理角度，高俊苑與高裕村是相連的屋村，且兩村成立年份相近，而高俊苑跟高翔苑並不是相連的屋村，就算高俊苑要跟其他屋村合併為一個選區，為何不是旁邊的高裕村呢？
再有另一個問題(可能是我想多了)，高翔苑本身是紀律部隊宿舍，這樣的合併是否包含人口以外的考慮因素？

馮燕華主席，

2019年區議會選舉分界，原是秀茂坪中選區的秀暉樓（長者樓）被劃分到秀茂坪南選區，不依照法定準則和工作原則調整。秀茂坪中原有人口約15000人，現加安達村2座，預計人口也是19749，秀暉樓總戶數440戶，獨居長者居多，人數估計不夠700人，加上秀暉樓預計人口20449，也附合工作原則中（12449人至20749人）點解要將一座要依靠社會各方照顧的長者樓，從完整的屋村劃出去呢？有違調整分界的原則。

今次劃區你在電視中講設有政治目的或傾向，但一定要12449至20749嗎？這樣平均，在管理服務會帶出很多問題，你們了解嗎？社會中的很多矛盾都是政府自己制造出來的，你們點唔與城市規劃合作，在設計新建時預計選區人口呢？安達臣泰邨加多兩座，分多個區不是很好嗎？？？

主席我再次強調的目的，要求將秀暉樓劃回秀茂坪中丁13區，多謝！

RECEIVED 30 JUL 2018 ELECTORAL AFFAIRS COMMISSION

楊錦華 敬上

614

強烈要求將秀暉樓劃回秀茂坪中丁13選區

敬啟者：

我是秀茂坪中秀暉樓選民，從電視報紙上得知，新的劃區將秀暉樓劃到秀茂坪南丁15區，唔明白點解要將一個完整的屋邨多座的其中一座長者樓秀暉樓劃出去，基於以下理由，我們呢座有相當多的都是獨居長者，這樣的劃區有嚟對事求助，就近的時關心事要另一条邨求助，不是好苦我們呢幫長者咩，吸！終於明白點青年上游遊行，如果我青年30年，戴帽會組一班人去選舉會議，照計，我們呢座大部份都是長者，政府是不是欺弱怕強呢？

本人強烈要求將我個秀暉樓劃回秀茂坪中丁13選區，

秀暉樓居民　李小平

2018年7月27日

615

反對將秀茂坪中秀暉樓劃去秀茂坪南 J15 區

選管會

我是秀茂坪邨秀暉樓居民，你們於 7 月 23 日公告《2019 年區議會一般選舉選區分界及名稱臨時建議》將我們完整秀茂坪中其中一座秀暉樓單丁挖掘到 J15 秀茂坪南選區；我們應該是 J13 秀茂坪中選區才合理；我不知你們以什麼理由要將秀暉樓劃出去，不要只對著地圖看，實地來秀茂坪走一次好嗎？按法例的規定，選管會在調整選區分界時，除了考慮預計人口外，亦須顧及社區獨特性、地方聯繫的維持，以及有關區域的自然特徵等因素。你們強硬將呢座需要社區關顧的長者樓秀暉樓挖分出去，很不合情理。其於什麼呢？我不明白。

再說　J13 秀茂坪中預計人口 19749　標準人口基數+18.98。

J15 秀茂坪南預計人口 20193　標準人口基數+21.65

秀暉樓 20 層，每層 22 戶，總戶數 440，住多少人口我唔知，我估每戶 1-2 人，也只不過 600 人，綜合以上因素 600 人給回 J13 秀茂坪中有什麼問題？

我強烈要求，為方便我們呢群需要社區各界關懷同照顧的長者樓秀暉樓，劃回秀茂坪中 J13 區。希望你們能關注你們認為不是問題的問題，社區能否和諧有賴你們的決策。謝謝！

秀茂坪區居民聯會

致：選舉管理委員會

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

秀茂坪邨秀暉樓、秀娟樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，有別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓組大部分是一人獨居，部分是雙老家庭，全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米。

你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

你們的理據是 J13 秀茂坪中選區的預測人口數超越了上限，但實際上 J13 秀茂坪中選區加上「秀暉樓」的人口數，也不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。更何況，有多個選區的口數超越了上限（例如 J27 龍港城），你們也接受，這是雙重標準。

預測人口不能嚴重偏離實際，現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，難道「秀暉樓」家家戶戶都住三人以上，是嚴重漏報戶口申請調遷嗎？完全是荒謬至極！現時「秀暉樓」住了 513 人，還有 10 個空置單位。

目前既然是諮詢，就請你們尊重市民的合理訴求，我們的訴求合情合理、有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

2018 年 8 月 2 日

致：選舉管理委員會 704

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

2018 年 8 月 2 日

致：選舉管理委員會 740

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

姓名：[illegible] 簽名：[illegible]

2018 年 8 月 2 日

776

致：選舉管理委員會

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

致：選舉管理委員會

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

致：選舉管理委員會

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

致：選舉管理委員會

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

致：選舉管理委員會

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

致：選舉管理委員會

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

致：選舉管理委員會 1096

既然是諮詢，就請尊重市民的意見！

我們的要求都是合情又合理！

我要求：

將「秀暉樓」保留在 J13 秀茂坪中選區

預測人口不能嚴重偏離現實

「秀暉樓」全座是一人單位，440 戶，只有五百人，沒有千多人

J13 秀茂坪中選區加上「秀暉樓」，沒有超越人口上限，合情合理

「秀暉樓」自開邨十多年來一直都是原有的區界內

維持原選區的原整性

保持「秀暉樓」居民一直以來的習慣性

反對將「秀暉樓」轉編入 J15 秀茂坪南區界內

2016 年 8 月 2 日

致：香港灣仔港灣道 25 號海港中心 10 樓

選舉管理委員會秘書處(FAX：2511 1682)

要求愛達樓及誠達樓編入 J14 安達選區

安達邨由仁、善、禮、智、愛、誠、俊、賢、孝、謙、正達樓組成，愛達樓及誠達樓也是屬於安達邨的一部分，希望 貴會可以考慮保留在 J14 安達選區，以保持社區的完整性。

如有查詢，可致電[redacted]，傳真：[redacted]或郵寄[redacted]。

意見人

許有為

2018 年 8 月 2 日

致：選舉管理委員會

此為範本申述共 522 份(序號 1116 – 1637)

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀緻樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持。特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大。如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶺樓、秀泉樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀徽樓、秀景樓、秀裕樓、秀慧樓、秀程樂、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撰迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撰迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撰迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，離譜「秀暉樓」家家戶戶都住三人以上，是嚴重撰迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀綿樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樓會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，簡直「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盈樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入J15秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀逸樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入J15秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13秀茂坪中選區的人口是19749人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約600至900人，J13秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是440人；如果家家戶戶都住兩個人，就是880人；如果家家戶戶都是撰迫戶，住三個人，就是1320人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撰迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共440戶一人單位，每個單位面積是17.09平方米，住了513人，還有10個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在J13秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀逸樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀敏樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是獨追戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重誤追戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶺樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實，J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀雅樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撚迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撚迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶺樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撰迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撰迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀徽樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撕迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人， 難道「秀暉樓」家家戶戶都住三人以上，是嚴重撕迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盈樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是獨追戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重獨追戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀豐樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐過戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人， 難道「秀暉樓」家家戶戶都住三人以上，是嚴重誇迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶺樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實，J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是獨追戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀澤樓、秀嶺樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實，J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嫻樓、秀景樓、秀裕樓、秀慧樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實，J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀敏樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚追戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重誇追戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是預追戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重預追戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀逸樓、秀景樓、秀裕樓、秀慧樓、秀賢樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶺樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐組戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撐組戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀華樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實情人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，雖選「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀緻樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀寶樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實，J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撚迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座總合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀敏樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是獨迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是獨逼戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人， 離這「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀敏樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀逸樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人， 雖道「秀暉樓」家家戶戶都住三人以上，是嚴重撚迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重誇迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盤樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是獨追戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀逸樓、秀景樓、秀裕樓、秀慧樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撰迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶸樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區、這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撥迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，離譜「秀暉樓」家家戶戶都住三人以上，是嚴重撥迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，離譜「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀惠樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀敏樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，離道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀徽樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撚迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座複合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀嶺樓、秀景樓、秀裕樓、秀基樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重跨大，如果家家戶戶都住一個人，就是 440 人；如果家家戶都住兩個人，就是 880 人；如果家家戶戶都是撐迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撐迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撰迫戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撰迫戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

要求將「秀暉樓」保留在 J13 秀茂坪中選區

反對將「秀暉樓」編入 J15 秀茂坪南選區

一、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀盛樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實，J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區，但偏偏你們就將「秀暉樓」的人口數嚴重誇大，如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撚追戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撚追戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

秀茂坪邨秀暉樓、秀緻樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持，特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

二、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重跨大，才超越你們的標準。

現時你們的預測，J13 秀茂坪中選區的人口是 19749 人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約 600 至 900 人，J13 秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將「秀暉樓」的人口數嚴重跨大。如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是撰追戶，住三個人，就是 1320 人，你們預測「秀暉樓」的人口是一千多人，難道「秀暉樓」家家戶戶都住三人以上，是嚴重撰追戶要申請調遷嗎？完全是荒謬至極！現時「秀暉樓」全座樓合共 440 戶一人單位，每個單位面積是 17.09 平方米，住了 513 人，還有 10 個空置單位。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

我們的訴求合情合理，有根有據，J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

致：選舉管理委員會

要求將「秀暉樓」保留在J13秀茂坪中選區

包括「秀暉樓」在內，我們七個互助委員會自開邨至今十八年，一直都是同一選區，互相扶持。特別是「秀暉樓」，我們在區內稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭，全座樓合共440戶一人單位，每個單位面積是17.09平方米，現時住了513人，還有10個空置單位。

預測人口不能嚴重偏離實際，現時你們的預測，J13秀茂坪中選區的人口是19749人，如果你們將「秀暉樓」的人口數預測得貼近實際人口，約600至900人，J13秀茂坪中選區就算加上「秀暉樓」，也不會超越人口總數上限，可以繼續保留在原選區。但偏偏你們就將我們「秀暉樓」的人口數嚴重誇大，要將「秀暉樓」分離出去，難道「秀暉樓」家家戶戶都住三人以上，是嚴重擠迫戶要申請調遷嗎？完全是荒謬至極！

既然目前是諮詢，就請你們尊重市民的合理訴求，我們的訴求合情合理，有根有據，J13秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民十多年的習慣，將「秀暉樓」繼續保留在J13秀茂坪中選區，感謝！

秀暉樓互助委員會

致：選舉管理委員會

要求將「秀暉樓」保留在J13秀茂坪中選區

各位高官們，請你們不要為難我們這些老人家，請你們不要虐老，請不要將我們「秀暉樓」編入J15（秀茂坪南）選區，請將我們「秀暉樓」繼續保留在J13（秀茂坪中）原區。

我們「秀暉樓」是一幢公屋樓宇，全幢合共440戶一人單位，每個單位面積是17.09平方米，故全幢都是長者一人獨居或者是二人長者家庭為主，如果戶籍內有三個人，就已經是擠迫戶，可以申請改善居住空間調遷。

「秀暉樓」大部分是獨居長者，部分是獨居的中年人或雙老，如果家家戶戶都住一個人，就是440人；如果家家戶戶都住兩個人，就是880人；如果家家戶戶都是擠迫戶，住三個人，就是1320人，你們預測「秀暉樓」的人口是一千多人，即是簡單地將戶數乘3或乘3.5，難道「秀暉樓」家家戶戶都是嚴重擠迫戶要申請調遷嗎？完全是荒謬！秀暉樓440戶，現時住了513人，還有10個空置單位。

如果你們將估算的人口貼近實際，大約600至800人，繼續保留在J13（秀茂坪中）原區界內，也不會超越人口上限，但偏偏你們就將我們「秀暉樓」的人口數將大，將我們編入鄰區，打破了我們多年來的習慣，我們都是七十幾八十幾歲的獨居老人，請不要虐待我們。

啟田大廈-反映觀塘區議會2019選舉劃界不公180802.jpg

香港灣仔港灣道25號海港中心10樓
選舉管理委員會主席
馮驊先生 GBS

馮主席：

有關二零一九年區議會觀塘選區分界臨時建議之意見反映
劃界安排對啟田大廈選民不公

本法團從諮詢文件獲悉下一屆區議會選舉，觀塘平田選區(J20)及藍田選區(J19)被調整分界，啟田大廈將由藍田選區劃分至平田選區，此舉實在對啟田大廈選民極度不公！

根據紀錄，啟田大廈於過去兩屆區議會選舉中，均被劃進不同選區（即2011年屬景田選區及2015年屬藍田選區），本人認為2019年若再將本大廈重新劃進平田選區，啟田大廈將連續三屆被劃分在不同選區。

7/8/2018

1643(2)

過度頻繁轉區會令啟田大廈選民無所適從，在尋求所屬區議員服務及表達意見時造成混淆，每次選舉在不同票站投票亦會降低選民投票意欲和造成混亂，居民更難對所屬選區產生歸屬感。

懇請主席認真考慮意見，如有任何垂詢，歡迎致電聯絡，謝謝！

順祝
工作愉快！

啟田大廈業主立案法團主席

觀塘地區分界--牛頭角下村 09/08/2018 23:40
From: [redacted]
To: "eacenq@reo.gov.hk" <eacenq@reo.gov.hk>

選舉管理委員會執事先生，

本人對區議會觀塘地區分界-牛頭角下村選區有所不滿.
本人居於樂雅苑. 樂雅苑----無論在地理環境上,地區設施的配置上,明明是與樂華北村緊密相連,每天的生活,購物,進食,活動及交通都與樂華村息息相關. 但偏偏區議會分界, 不知為何原因,一直
以來都與北村分開,之前屬於通過的彩盈村,及其後又歸于牛頭角下村,致使區議員對樂雅苑一帶環境設施從未作出改善建議, 如擴闊通往樂華村商場的安全過道等.
本人因此認為應將樂雅苑撥入樂華北村分區, 方便統一管理.

樂雅苑居民 Ken YU 上

主旨： 觀塘地區分界--牛頭角下村

選舉管理委員會執事先生.

本人對區議會觀塘地區分界-牛頭角下村選區 有所不滿.
本人居於樂雅苑. 樂雅苑---無論在地理環境上,地區設施的配置上,明明是與樂華北村緊密相連, 每天的生活,購物,進食,活動及交通都與樂華村息息相關. 但偏偏區議會分界, 不知為何原因,一直
以來都與北村分開,之前屬 於遮遮的彩盈村,及其後又歸于牛頭角下村.致使區議員對
樂雅苑一帶環境設施從未作出改善建議, 如振華道曲梯安裝升降機,曲梯斜坡樹本保養
及改善通往樂華村商場的安全通道等.
本人因此認為應將樂雅苑撥入樂華北村分區, 避免將樂雅苑邊沿化 ,方便統一管理.
況且北村人口尚欠24百份率才滿標, 而加入約五萬多的人口的景觀苑才納為屬標.
本人懇請各委員考慮上述建議, 謝謝!@

寶達邨應為同一選區 10/08/2018 09:54

From: [redacted]
To: eacenq@reo.gov.hk

馮驊主席：

觀塘寶達邨13座樓自2003，2007，2011均為一個選區，寶達選區，在2011年人口最多達到24000多人，

但在2015年人口減少，反而被分拆3區(達雪樓、達信樓、達佳樓)連到另一個選區，實在不合理。未來2019年根據房屋署的數據，人口會繼續減人，更要再撥一座樓(達華樓)給另一個選區，實在不合理。

我們認為寶達邨13座樓應維持在一個選區內，保證社區完整。

而將秀明樓，秀安樓，秀富樓劃入與秀茂坪南邨作為一個選區，理據一，這幾座樓同屬於秀茂坪；理據二，地理位置更鄰近；理據三，同屬民政事務處秀茂坪分區(寶達邨13座樓屬於四順分區)。

民建聯 觀塘支部 李慧琼立法會議員 柯創盛立法會議員 張培剛觀塘區議員

致：選舉管理委員會

要求將「秀暉樓」保留在 J13 秀茂坪中選區
反對將「秀暉樓」編入 J15 秀茂坪南選區

以你們選管會的考慮因素，為使選區 J14（安達）的人口能符合法例許可幅度，將安達邨餐達樓及誠達樓轉編入鄰近的選區 J13（秀茂坪中），同時將選區 J13（秀茂坪中）原區界內的秀茂坪邨「秀暉樓」轉編入鄰近的選區 J15（秀茂坪南）。經調整後，選區 J13（秀茂坪中）的預計人口是 19749 人（+18.98%），而你們的標準是不超出 20749 人（25%）。也是說，你們預計「秀暉樓」的人口有一千多人，如果繼續留在原選區秀茂坪中 J13 的區界內，超過了人口標準。

一、預測人口要準確，不能嚴重偏離現實。J13 秀茂坪中選區加上「秀暉樓」的人口數，不會超越你們的標準，是你們將「秀暉樓」的人口數嚴重誇大，才超越你們的標準。

「秀暉樓」是一幢公屋樓宇，全幢合共 440 戶一人單位，每個單位面積是 17.09 平方米，故全幢都是長者獨居，或中年人獨居為主，因為如果戶籍內有三個人，就已經是擠迫戶，可以申請改善居住空間調遷。「秀暉樓」大部分是獨居長者，部分是獨居的中年人或雙老家庭。如果家家戶戶都住一個人，就是 440 人；如果家家戶戶都住兩個人，就是 880 人；如果家家戶戶都是擠迫戶，住三個人，就是 1320 人。你們預測「秀暉樓」的人口是一千多人，即是簡單地將戶數乘 3 或乘 3.5，難道「秀暉樓」家家戶戶都是嚴重擠迫戶要申請調遷嗎？荒謬至極！秀暉樓 440 戶，現時住了 513 人，還有 10 個空置單位。綜上所述，如果將「秀暉樓」的預測人口貼近現實，大約 600 至 800 人，就不會超越 J13 秀茂坪中選區的人口標準上限。

二、維持社區原整，不要打破自開邨以來十八年的習慣

秀茂坪邨秀暉樓、秀毅樓、秀景樓、秀裕樓、秀慧樓、秀程樓、秀賢樓、服務設施大樓自開邨至今十八年，一直都是同一選區，互相扶持。特別是「秀暉樓」，街坊在區內多稱呼為「長者樓」，該座樓絕大部分是一人獨居，部分是雙老家庭。你們要將「秀暉樓」編入 J15 秀茂坪南選區，這樣會破壞了原選區原整性，打破了區內居民及「秀暉樓」的長者們十多年的習慣，令到他們無所適從。

三、目前既然是諮詢，就請你們尊重市民的合理訴求

有 1232 個區內居民提交信件反對你們的建議。有 14 個區內團體提交信件反對你們提出的建議，包括受影響的秀暉樓互助委員會，以及秀盛樓互助委員會、秀景樓互助委員會、秀裕樓互助委員會、秀慧樓互助委員會、秀程樓互助委員會、秀賢樓互助委員會、秀茂坪區居民聯會、秀茂坪街坊福利會、新青年秀茂坪、順秀粵曲賢聯社、秀茂坪滯優街坊盂蘭勝會、招利聖君古廟有限公司、聚光佛堂有限公司。

我們的訴求合情合理，有根有據。既然現在是諮詢階段，希望你們真的可以細心聆聽市民意見，用心回應。J13 秀茂坪中選區的人口就算加上「秀暉樓」也不會超越上限，懇請你們維持原選區原整，保持區內居民關邨十八年同一選區的習慣，將「秀暉樓」繼續保留在 J13 秀茂坪中選區，感謝！

選管會秘書處

關於《2019 年區議會一般選舉選區分界及名稱臨時建議》暫定區議會選區範圍公告，原本秀茂坪中(J13)選區的服務設施大樓。在 J13，J15 都找不到？在地圖有劃在 J13 選區，是否漏了上載。

希望選管會在制訂正式建議時將服務設施大樓增加到 J13 區。致謝！

反對將秀暉樓劃去秀茂坪南選區

《2019 年區議會一般選舉選區分界及名稱臨時建議》公告，將原本秀茂坪中的秀暉樓劃到 J15 秀茂坪南選區；因秀暉樓是座長者樓，全座只得 440 戶，大多數是獨居長者，很需要社區的照顧。人數也不過 600 人，根據法定人數 12 449 人至 20 749 人；現秀茂坪中 J13 人口 19749 人，加上秀暉樓及服務設施大樓(約 130 人)都不超過標準人口基數 20749，再說你們也應該考慮須顧及社區獨特性、地方聯繫的維持。強硬將一個完整的社區挖一座出去，對管理服務產生的矛盾，社會的和諧穩定有一定的影響，希望你們在制訂正式建議時，慎審考慮將秀暉樓劃回秀茂坪中 J13 區。致謝！

香港灣仔港灣道 25 號
海港中心 10 樓
選舉管理委員會主席
馮驊, GBS :

關於反對 2019 選區劃界將秀明樓劃離秀茂坪北選區事宜

得知選委會《2019 區議會選舉劃界方案》(諮詢文件)發出後，本人認為選區劃界需要保持社區完整性和顧及選民投票習慣、生活和歷史淵源。故此，本人反對將原秀茂坪北選區的秀明樓劃離秀茂坪北選區。

此致，並祝主席
台安！

致: 香港特別行政區政府 - 選舉管理委員會

抄送: 香港行政長官, 民政事務局局長, 民政事務處常任秘書長, 觀塘區議會主席, 觀塘民政事務處主任, 警民關係主任, 油翠和油塘西選區各互助委員主席.

由: 杜振光(工商管理博士), 香港中國金融協會會員, 香港大學專業進修學院(成人教育及培訓深造文憑), 北京大學哈佛大學(全球領導力)暨油塘區居民互助聯會及選區各選票持分者.

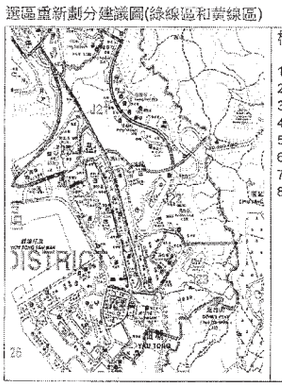
選舉管理委員會主席 - 馮驊閣下鈞鑒:

主題: 區議會暫定選區重新劃分之我見

背景及諮詢期:

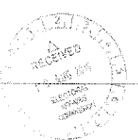
本人杜振光，一九六六年入住觀塘藍田邨至二零零零年搬油塘至今，見證觀塘藍田和油塘的轉變. 現得悉二零一九年區議會一般選舉將於二零一九年年底舉行. 選舉管理委員會已就二零一九年區議會一般選舉在 18 個地方行政區內共 452 個選區的分界及名稱擬定臨時建議. 現諮詢市民意見, 諮詢期為 23/07 - 21/08. 但見選區劃分縱橫交錯, 有欠科學和行政管理的真善美, 故冒試提出暫定選區範圍劃分建議方案, 冀能重新考慮!

選區重新劃分建議圖(綠線區和黃線區)



根據地理位置的選區分析如下:

1) 一邨三選區合情, 合理, 合科學管理邏輯嗎?
2) 油塘中心和油麗邨設在同一選區融合嗎?
3) 區內老, 中, 青年和行動不便的選民若干呢?
4) 選區的行政管理有效益和效率嗎?
5) 投票站設置那裏較合嫡呢?
6) 路途遙遠對投票率有影響嗎?
7) 海報張貼, 宣傳單派發, 街站有灰色地帶嗎?
8) 選民的精神, 心理健康受困擾嗎?



1652(2)

存在問題和潛在風險如下:

1) 若一單存在三個不同政治團體.
2) 政治取向與居民的需要有差異.
3) 政治取向有異, 選民容易產生糾紛.
4) 選民前往錯誤投票站.
5) 找不到投票站導致投票百分率偏低.
6) 選民劃分混亂, 導致投錯票.
7) 投票站設立那裏合適, 方便, 易找.
8) 作為政府橋樑的角色存溝通偏導.
9) 資源配置和運用受政治左右.
10) 選民的辨認, 辨知和辨析能力會被混淆嗎?
11) 選民的政見有別, 相互攻訐, 易激發情緒病.

資源分配紊亂

1) 公屋居民的衣, 食, 住, 行的檔次需求有別.
2) 私樓業主的設施和起居品味有差異.
3) 行政管理質量要求各有高低.

如上圖所示, 假設綠線和黃線為新選區劃分如下:

1) 油翠選區組合(綠線範圍)建議
油翠苑和油麗邨五座分別為 (翠麗樓, 盈麗樓, 翠頤樓, 康麗樓, 仁麗樓)

2) 油塘西選區組合(黃線範圍)建議
油美苑, 油塘邨, 油塘中心, 鯉魚門和茶果嶺.

1652(3)

優點將包括:

1) 地區行政管理更科學, 更週轉.
2) 區域政治取向更清晰, 更能協同優化環境.
3) 民生和資源配置更得心應手.
4) 橋樑角色更貼近民意, 更能發揮功能.
5) 宣傳品派貼或噪聲派發更到位, 更稱心.
6) 選區投票站更明確, 不論長幼, 更易尋見.
7) 候選人政綱更易被辨析, 杜絕投錯票.
8) 選民同區交換意見, 減免錯判候選人資料.
9) 減免選民之間的無聊意意爭論.
10) 投票意欲將大大提高, 投票率會更高.
11) 候選人和居民意願一致, 議員後獲後更能掌握民情.
12) 地區的協同力發揮, 更能協助成為地區和政府的助力.

數據分析

表列為 2015 合資格選民的投票情況

行政區	選民總數	選票累計	百分率(%)
油尖旺	99,377	45,174	45.46
深水埗	176,706	88,725	50.21
九龍城	160,064	77,945	48.70
黃大仙	223,895	105,461	47.10
觀塘	243,437	116,037	47.67
荃灣	133,351	67,848	50.88
屯門	241,348	100,630	41.69
元朗	226,726	98,343	43.38

1652(4)

下列為油翠和油塘西選區的居住人口數據

油塘邨
單位數目: 3,600 認可人口: 10,400

油麗邨
單位數目: 8,500 認可人口: 23,000

油美苑
單位數目: 7 座 認可人口: 約 7,800

油翠苑
單位數目: 1,480 認可人口: 約 4,500

鯉魚門邨
單位數目: 3,639 認可人口: 9650

油塘中心
單位數目: 506 認可人口: 約 1,500

結論和願景
