**Panel on Housing**

**Subcommittee to Follow Up Issues Related to  
Inadequate Housing and Relevant Housing Policies**

**Motion passed under agenda item I  
"Receiving public views on issues related to inadequate housing"  
at the meeting on 7 December 2019**

This Subcommittee strongly requests the Government to put forward a specific implementation proposal within this financial year (by 31 March 2020) to address the problems of inadequate housing in Hong Kong, including those involving rent subsidy, tenancy control, standard tenancy agreements, shortage of public housing, inadequate provision of transitional housing, etc., so as to practically ameliorate the unsatisfactory and inadequate housing conditions endured by members of the public within a reasonable timeframe.
