LC Paper No. CB(2)718/20-21(01)
(English version only)

25 January 2021

Hon Starry LEE Wai-king, SBS, JP
Chairman of the House Committee

Dear Starry,

Panel on Transport and Panel on Financial Affairs
Joint subcommittee on issues relating to
insurance coverage for the transport sector

At its meeting on 20 November 2020, the Panel on Transport endorsed the appointment of the Subcommittee on Issues Relating to Insurance Coverage for the Transport Sector ("the Subcommittee"), which was one of the subcommittees endorsed by the House Committee for immediate activation vide LC Paper No. CB(2)503/20-21 issued on 10 December 2020.

Since the subject matter to be studied by the Subcommittee involves transport policies as well as legal and operational issues of the insurance industry, the Panel at its meeting on 5 January 2021 has further decided to invite the Panel on Financial Affairs to form a joint subcommittee, so that the joint subcommittee to be set up could effectively address the issues relating to the difficulties encountered by the transport sector in obtaining insurance coverage and to make recommendations to address the issues as appropriate.

The Panel on Financial Affairs agreed to accept the invitation of the Transport Panel to form a joint Subcommittee by circulation recently, and I received a letter dated 18 January 2021 from Hon Jeffrey LAM Kin-fung, Chairman of the Panel on Financial Affairs, confirming the acceptance of invitation.

You are requested to note the decision of the two said panels. I look forward to having the support of the House Committee on the setting up of the joint subcommittee under the Panel on Transport and Panel on Financial

Affairs. Kindly note that the terms of reference and work plan as endorsed earlier will remain the same

Yours sincerely,
