Dear Miss SO,

Bills Committee on Road Traffic (Amendment) Bill 2021

**The Government's Response to
Issues Raised at the Meeting on 17 March 2021**

Thank you for the Secretariat's letter dated 17 March 2021. Our response is set out as follows.

The Government conducted a public consultation between July and September 2018 to seek views on expanding the definition of "animal" in section 56 of the Road Traffic Ordinance (Cap. 374). During that period, the Agriculture, Fisheries and Conservation Department (AFCD) invited various stakeholders to provide comments. The relevant stakeholders included animal welfare organisations, relevant advisory and statutory bodies, Rural Committees, Road Safety Council and the transport trade and relevant associations. Among them, AFCD wrote to 215 transport trade organisations and associations (including organisations representing taxis, franchised buses, public light buses, school buses, trucks, etc.) to invite comments on the proposed legislative amendment. The names of these organisations are at **Annex**.

AFCD received four responses in total from the transport trade. Whilst one of the responses requested to keep the name of the organisation confidential, the other three responses came from New World First Bus Services Limited, Hong Kong Taxi and Public Light Bus Association Limited and representatives of the non-franchised bus trade (including the Public Omnibus Operators Association, Hong Kong District Tourists and Passengers Omnibus Operators Association, Kowloon District Tourists and Passengers Omnibus Operators Association, Tsuen Wan District Tourists and Passengers Omnibus Operators Association, Tuen Mun District Tourists and Passengers Omnibus Operators Association and Yuen Long District Tourists and Passengers Omnibus Operators Association).

Yours sincerely,

[Signed]
