Explanatory Note

The Merchant Shipping (Safety) (Ships Carrying Industrial Personnel) Regulation (*New Safety Regulation*) implements the International Code of Safety for Ships Carrying Industrial Personnel, which is adopted by the International Maritime Organization by Resolution MSC.527(106), and made mandatory under Chapter XV of the Annex to the International Convention for the Safety of Life at Sea.

2. Under the New Safety Regulation, IP Safety Certificates may be issued by the Director of Marine in respect of certain cargo ships and high-speed cargo crafts.
3. Under Part IIA of the Merchant Shipping (Safety) Ordinance (Cap. 369), documents listed in the Table in Division 1 of Part 2 of the Schedule to that Ordinance may be dealt with electronically. This Notice amends that Schedule to add IP Safety Certificate to that Table so that the Certificate may also be dealt with electronically.
