Explanatory Note

Section 5A of the Electronic Transactions Ordinance (Cap. 553) (*ETO*)—

- (a) allows the service of a document in the form of an electronic record where the document is required, or permitted, to be served on a person under a statutory provision set out in Schedule 3 to the ETO; and
 - (b) provides that in case such a statutory provision requires, or permits, more than one copy of the document to be served on the person, service of a single copy of the document in such form would also suffice.
2. This Order amends Schedule 3 to the ETO by adding the following provisions to that Schedule, so that section 5A of the ETO applies to those provisions—
- (a) section 12 of the Limited Partnerships Ordinance (Cap. 37);
 - (b) regulation 4(2) and (3) of the Gas Safety (Gas Supply) Regulations (Cap. 51 sub. leg. B).
